Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
FIDELITY INVESTMENTS INSTITUTIONAL

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: G.T. REILLY

(2) EIN: 04-2513210

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		1000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
4k		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.		X	
4n		X	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year?..... ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined
If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

Independent Auditors' Report

To the Retirement Plan Committee of
Excelitas Technologies Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Excelitas Technologies Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Excelitas Technologies Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Excelitas Technologies Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Excelitas Technologies Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Cont.)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Excelitas Technologies Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year, Schedule H, Line 4i) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to, or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters (Cont.)

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Excelitas Technologies Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2022, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Excelitas Technologies Savings Plan

Notes to Financial Statements

December 31, 2021

Note 1 – Plan Description

The following description of the Excelitas Technologies Savings Plan (the “Plan”) is provided for general information only. Participants should refer to the Summary Plan Description or Plan Document for a more complete description of the Plan's provisions.

General – The Plan was established January 1, 2011 and is a defined contribution plan with a salary reduction feature under Internal Revenue Code Section 401(a). The plan administrator/sponsor is Excelitas Technologies (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Act of 1974, as amended (ERISA). The Retirement Plan Committee, (the “Committee”), oversees governance of the plan, as well as determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Trustees.

CARES Act - On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was signed into law. The CARES Act, among other things, includes several relief provisions available to qualified retirement plans and participants. Plan management has reviewed the provisions available to plan participants under the CARES Act and has enacted certain provisions as detailed in the payment of benefits, in-service withdrawals, and notes receivable from participants sections below.

Eligibility – All employees of the Company are eligible to participate commencing with the first day of the month following their hire date.

Participant Contributions – Each year participants may contribute up to 75% of eligible compensation on a pre-tax basis, not to exceed the IRS annual limit. Participants age 50 and over may voluntarily contribute additional catch-up contributions subject to IRS limits. Such contributions are not subject to federal income taxes until withdrawn from the Plan, in accordance with Section 401(a) of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified pension plans (rollover contributions). In addition, the Plan allows for Roth deferrals, which are treated as after-tax deferrals. These contributions are subject to the same deferral limits as pre-tax contributions.

The Plan includes an automatic enrollment feature, whereby the Company automatically withholds 3% of the participant's eligible compensation on a pre-tax basis with automatic increases each year to a maximum of 5%, unless the participant notifies the Company and affirmatively elects not to participate.

Company Contributions – The Plan allows discretionary matching contributions. For 2021 the match was calculated at 100% of salary deferrals up to a maximum of 5% of compensation for all eligible employees. The Plan also allows an annual discretionary non-elective contributions to all employees who are employed on the last day of the plan year, allocated based on a ratio of each eligible participants compensation to total compensation. There were no discretionary non-elective contributions for the year ended December 31, 2021.

Note 1 – Plan Description (Cont.)

Vesting – Participants are fully vested in their voluntary contributions, and after-tax contributions plus related earnings. Participants with a hire date prior to February 1, 2016, are fully vested in the Company matching contributions and related earnings. For those participants with a hire date subsequent to February 1, 2016, Company matching contributions and related earnings vest according to the following schedule:

<u>Years of Credit Service</u>	<u>Percentage of Account Vested</u>
One	33%
Two	66%
Three	100%

Employer non-elective contributions and related earnings vest 100% after three years.

If a participant's employment terminates due to death, disability or retirement, the participant's Company contribution account balance becomes 100% vested.

Participant Accounts – Each participant's account is credited with the participant's contribution, an allocation of the Company matching contribution, and plan earnings (based on participants' investment election and account balance) and charged with an allocation of any administrative expenses paid by the plan. The benefit to which a participant is entitled to is the participant's vested account balance.

Investment Options – All assets of the Plan are participant directed. Participants have the option of directing the investment of their contributions, as well as any Company contributions, into a common/ collective trust, various mutual funds offered by the Plan or a self-directed brokerage account. The self-directed brokerage account option was implemented in late 2021 and allows participants to invest in a variety of securities permitted under the Plan, including stocks, bonds, etc.

Payment of Benefits – Plan benefits are available at normal retirement age (age 65), early retirement age (age 55 and completion of 5 years of service), deferred retirement, disability retirement, death or termination of employment. A participant may elect to receive the vested portion of their account in a lump-sum distribution or periodic installments.

The Plan enacted a provision of the "CARES" Act, which suspended the processing of minimum required distributions for 2020, except upon participant request and in cases where a participant's first minimum required distribution was for 2019 and was deferred until 2020.

In-Service Withdrawals – The Plan allows for annual in-service withdrawals from the vested portion of a participant's account upon the participant's attainments of age 59½.

Hardship withdrawals are permitted if the withdrawal is due to immediate financial need, as defined by the Plan. The amount of the hardship withdrawal is subjected to certain limitations as specified in the Plan and the Internal Revenue Code. The minimum hardship distribution is \$500.

The Plan enacted a provision of the "CARES" Act, which allowed eligible participants to receive a special "CARES Act distribution" of up to \$100,000 during 2020, if they experienced adverse financial consequences from COVID-19. These CARES Act distributions are not subject to the 10% early withdrawal penalty that otherwise would apply to distributions made before attaining age 59½. Additionally, participants receiving these distributions may repay the distribution during the three-year period beginning on the day after the date of which such distribution was received.

Note 1 – Plan Description (Cont.)

Notes Receivable from Participants – Participants may borrow an amount up to 50% of their vested account balance (reduced by the highest outstanding loan balance in the preceding 12-month period). The minimum and maximum loan amounts are \$1,000 and \$50,000, respectively. Repayment terms may not exceed five years, although a loan for the purchase of a principal residence may be repaid over a longer term. Each borrowing is evidenced by a note bearing interest at a prevailing rate as determined by the plan administrator. Principal and interest payments are credited to the borrowing participant's account. Principal and interest are paid in level amortization payments, not less than quarterly, made through payroll deductions. The notes are secured by the vested balance in the participant's account. Loans will become due and payable in full upon the participant's death, retirement or other termination of employment with the Company.

The Plan enacted a provision of the "CARES" Act, whereby participants could request a delay of scheduled note repayments between March 27, 2020 and December 31, 2020. If a delay was granted, the participant's note repayment period can be extended up to one-year, and upon resuming repayment, the note will be re-amortized to include accrued and unpaid interest during the deferment period and to reflect the revised maturity date.

Forfeited Accounts – Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions and plan administrative expenses. During 2021 forfeitures used to reduce matching contributions totaled \$99,146. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$78,732 and \$74,249, respectively,

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are presented on the accrual basis of accounting, except payment of benefits are recorded upon distribution.

Fair Value Measurements – The Plan follows the provisions of the Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) Topic 820, "Fair Value Measurements and Disclosures", (ASC Topic 820), for assets and liabilities that are measured and recorded at fair value on a recurring basis, and to determine fair value disclosures. This standard defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements (see Note 4).

Accounting Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities. Accordingly, actual results could vary from the estimates that were used.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. If a participant does not make loan repayments for a period of 90 days and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Therefore, no allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. The Committee determines the Plan's valuation policies (see Note 4).

Net investment appreciation or depreciation reflected in the statement of changes in net assets available for benefits include the realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held during the year (see Note 3).

Purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date.

Note 2 – Summary of Significant Accounting Policies (Cont.)

Payment of Benefits – Benefit payment to participants and beneficiaries are recorded upon distribution.

Plan Administrative Expenses – Certain expenses of maintaining the Plan are paid by the plan sponsor, and therefore are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account, and are included in administrative expenses, while expenses for items such as recordkeeping fees are allocated to participant accounts. Investment related fees are included in the net appreciation/depreciation of the fair value of investments.

Excess Contributions – Required payments to be made to active participants to return excess deferral contributions in order to satisfy the relevant nondiscrimination provisions of the Plan are recorded as liabilities in the year the contribution is received.

Evaluation of Subsequent Events – Management has evaluated subsequent events involving the Plan for potential recognition or disclosure in the accompanying financial statements. Subsequent events are events or transactions that occurred after December 31, 2021 up through October 14, 2022, the date the accompanying financial statements were available to be issued.

Note 3 – Information Prepared and Certified by the Plan's Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the trustee, except for comparing such information to the related information included in the accompanying financial statements.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Fidelity Management Trust Company:

	December 31	
	<u>2021</u>	<u>2020</u>
Investments at fair value (See Notes 2 & 4):		
Shares of registered investment companies (mutual funds):	\$128,950,978	108,732,006
<u>Common/collective trust:</u>		
Fidelity Managed Income Portfolio	7,167,189	7,605,369
Total investments at fair value	<u>\$136,118,167</u>	<u>\$ 116,337,375</u>
Notes receivable from participants	<u>\$ 1,438,139</u>	<u>\$ 1,427,111</u>
	Year Ended	
	December 31,	
	2021	
Net investment income:		
Interest and dividends	<u>\$ 5,396,200</u>	
Net appreciation in fair value of investments	<u>\$ 11,056,120</u>	
Interest income on notes receivable from participants	<u>\$ 74,774</u>	

Note 4 – Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date.

FASB ASC 820, “Fair Value Measurement” provides a framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Investments measured using the net asset value (“NAV”) practical expedient are exempt from categorization within the fair value hierarchy

There were no significant transfers between levels during the year ended December 31, 2021.

The following is a schedule of the Plan's assets at fair value by category within the fair value hierarchy:

December 31, 2021

	Level 1	Level 2	Level 3	Total
Shares of registered investment companies (mutual funds)	<u>\$ 128,950,978</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 128,950,978</u>
Common/collective trust, measured at net asset value				<u>7,167,189</u>
Total investments at fair value				<u>\$ 136,118,167</u>

December 31, 2020

	Level 1	Level 2	Level 3	Total
Shares of registered investment companies (mutual funds)	<u>\$ 108,732,006</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 108,732,006</u>
Common/collective trust, measured at net asset value				<u>7,605,369</u>
Total investments at fair value				<u>\$ 116,337,375</u>

The following is a description of the valuation methodologies used for investment measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds – Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4 – Fair Value Measurements (Cont.)

Common/Collective Trust – Valued using the Net Asset Value ("NAV") provided by the fund manager. The NAV is based on the underlying net assets owned by the fund, divided by the number of shares outstanding. The NAV's unit price is quoted on a private market that is not active. However, the NAV is based on the fair value of the underlying securities within the fund, which are traded on active markets, and valued at the closing price reported on the active market on which those individual securities are traded. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The significant investment strategies of the fund are described in the financial statements provided by the fund. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a one-year redemption notice to liquidate its entire share in the fund.

The following table summarizes investments measured at fair value based on NAV per share:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
<u>December 31, 2021</u>				
Common/collective trust - Fidelity Managed Income Portfolio	\$7,167,189	N/A	Daily	12 months written notice to liquidate entire share
<u>December 31, 2020</u>				
Common/collective trust - Fidelity Managed Income Portfolio	\$7,605,369	N/A	Daily	12 months written notice to liquidate entire share

Note 5 – Income Tax Status

The Plan is a qualified cash or deferral arrangement under Section 401(k) of the Internal Revenue Code and is exempt from federal income taxes under Section 401(a) of the Internal Revenue Code. The Company has executed an adoption agreement using a Fidelity Volume Submitter Plan and relies on a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, issued for the Volume Submitter Plan. Although the Plan has been amended since receiving the favorable opinion letter from the IRS, the plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Note 6 – Party-In-Interest Transactions

A portion of the Plan's investments are shares of mutual funds and a common/collective trust managed by Fidelity Investments. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions are party-in-interest transactions. The Plan issues loans to participants, which are secured by the vested balance in the participants' accounts, and these transactions are party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 7 – Investment Risks and Uncertainties

The Plan provides for investment options in mutual funds and a common/collective trust, which are exposed to various risks such as interest rate, credit risk and market risk. Due to the level of risk associated with these investment securities, and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Subsequent Decline in Market Value of Investments – Since the date of the accompanying financial statements, December 31, 2021, the Plan's investments depreciated in value by approximately \$30 million (22%) through September 30, 2022 (including any gains or losses on investments bought and sold, as well as held during the period) as a result of a volatile market.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of complete or partial plan termination, participants will become 100% vested in their accounts and participants' accounts will be distributed in accordance with the Plan's provision.

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 137,588,473	\$ 118,073,231
Employer contributions receivable	(32,167)	(149,738)
Participant contributions receivable	-	(163,443)
Excess contributions	-	4,436
Adjustment for reporting difference between financial statements and Form 5500 related to valuation of common/collective trust	63,784	266,373
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 137,620,090</u>	<u>\$ 118,030,859</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to net income per the Form 5500 for the year ended December 31, 2021:

Increase in net assets available for benefits per the financial statements	\$ 19,515,242
Decrease in employer contributions receivables	117,571
Decrease in employee contributions receivables	163,443
Decrease in excess contributions	(4,436)
Change in adjustment for reporting difference between financial statements and Form 5500 related to valuation of common/collective trust	<u>(202,589)</u>
Net gain per Schedule H of Form 5500	<u>\$ 19,589,231</u>

Note 9 – Reconciliation of Financial Statements to Form 5500 (Cont.)

The following is a reconciliation of contributions per the financial statements to the Form 5500 for the year ended December 31, 2021:

Contributions per the financial statements	\$ 12,342,281
Change in employee contributions receivable	163,443
Change in employer contributions receivable	<u>117,571</u>
Contributions per Schedule H of Form 5500	<u>\$ 12,623,295</u>

The following is a reconciliation of distribution of benefits to participants per the financial statements to the Form 5500 for the year ended December 31, 2021:

Benefits paid to participants per the financial statements	\$ 9,130,394
Excess contributions	<u>4,436</u>
Benefits paid per Schedule H of Form 5500	<u>\$ 9,134,830</u>

Independent Auditors' Report

To the Retirement Plan Committee of
Excelitas Technologies Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Excelitas Technologies Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Excelitas Technologies Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Excelitas Technologies Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Excelitas Technologies Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Cont.)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Excelitas Technologies Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year, Schedule H, Line 4i) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to, or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters (Cont.)

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Excelitas Technologies Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2022, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NET ASSETS AVAILABLE FOR BENEFITS AT END OF YEAR \$137,588,473

Excelitas Technologies Savings Plan

Notes to Financial Statements

December 31, 2021

Note 1 – Plan Description

The following description of the Excelitas Technologies Savings Plan (the “Plan”) is provided for general information only. Participants should refer to the Summary Plan Description or Plan Document for a more complete description of the Plan's provisions.

General – The Plan was established January 1, 2011 and is a defined contribution plan with a salary reduction feature under Internal Revenue Code Section 401(a). The plan administrator/sponsor is Excelitas Technologies (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Act of 1974, as amended (ERISA). The Retirement Plan Committee, (the “Committee”), oversees governance of the plan, as well as determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Board of Trustees.

CARES Act - On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was signed into law. The CARES Act, among other things, includes several relief provisions available to qualified retirement plans and participants. Plan management has reviewed the provisions available to plan participants under the CARES Act and has enacted certain provisions as detailed in the payment of benefits, in-service withdrawals, and notes receivable from participants sections below.

Eligibility – All employees of the Company are eligible to participate commencing with the first day of the month following their hire date.

Participant Contributions – Each year participants may contribute up to 75% of eligible compensation on a pre-tax basis, not to exceed the IRS annual limit. Participants age 50 and over may voluntarily contribute additional catch-up contributions subject to IRS limits. Such contributions are not subject to federal income taxes until withdrawn from the Plan, in accordance with Section 401(a) of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified pension plans (rollover contributions). In addition, the Plan allows for Roth deferrals, which are treated as after-tax deferrals. These contributions are subject to the same deferral limits as pre-tax contributions.

The Plan includes an automatic enrollment feature, whereby the Company automatically withholds 3% of the participant's eligible compensation on a pre-tax basis with automatic increases each year to a maximum of 5%, unless the participant notifies the Company and affirmatively elects not to participate.

Company Contributions – The Plan allows discretionary matching contributions. For 2021 the match was calculated at 100% of salary deferrals up to a maximum of 5% of compensation for all eligible employees. The Plan also allows an annual discretionary non-elective contributions to all employees who are employed on the last day of the plan year, allocated based on a ratio of each eligible participants compensation to total compensation. There were no discretionary non-elective contributions for the year ended December 31, 2021.

Note 1 – Plan Description (Cont.)

Vesting – Participants are fully vested in their voluntary contributions, and after-tax contributions plus related earnings. Participants with a hire date prior to February 1, 2016, are fully vested in the Company matching contributions and related earnings. For those participants with a hire date subsequent to February 1, 2016, Company matching contributions and related earnings vest according to the following schedule:

<u>Years of Credit Service</u>	<u>Percentage of Account Vested</u>
One	33%
Two	66%
Three	100%

Employer non-elective contributions and related earnings vest 100% after three years.

If a participant's employment terminates due to death, disability or retirement, the participant's Company contribution account balance becomes 100% vested.

Participant Accounts – Each participant's account is credited with the participant's contribution, an allocation of the Company matching contribution, and plan earnings (based on participants' investment election and account balance) and charged with an allocation of any administrative expenses paid by the plan. The benefit to which a participant is entitled to is the participant's vested account balance.

Investment Options – All assets of the Plan are participant directed. Participants have the option of directing the investment of their contributions, as well as any Company contributions, into a common/ collective trust, various mutual funds offered by the Plan or a self-directed brokerage account. The self-directed brokerage account option was implemented in late 2021 and allows participants to invest in a variety of securities permitted under the Plan, including stocks, bonds, etc.

Payment of Benefits – Plan benefits are available at normal retirement age (age 65), early retirement age (age 55 and completion of 5 years of service), deferred retirement, disability retirement, death or termination of employment. A participant may elect to receive the vested portion of their account in a lump-sum distribution or periodic installments.

The Plan enacted a provision of the "CARES" Act, which suspended the processing of minimum required distributions for 2020, except upon participant request and in cases where a participant's first minimum required distribution was for 2019 and was deferred until 2020.

In-Service Withdrawals – The Plan allows for annual in-service withdrawals from the vested portion of a participant's account upon the participant's attainments of age 59½.

Hardship withdrawals are permitted if the withdrawal is due to immediate financial need, as defined by the Plan. The amount of the hardship withdrawal is subjected to certain limitations as specified in the Plan and the Internal Revenue Code. The minimum hardship distribution is \$500.

The Plan enacted a provision of the "CARES" Act, which allowed eligible participants to receive a special "CARES Act distribution" of up to \$100,000 during 2020, if they experienced adverse financial consequences from COVID-19. These CARES Act distributions are not subject to the 10% early withdrawal penalty that otherwise would apply to distributions made before attaining age 59½. Additionally, participants receiving these distributions may repay the distribution during the three-year period beginning on the day after the date of which such distribution was received.

Note 1 – Plan Description (Cont.)

Notes Receivable from Participants – Participants may borrow an amount up to 50% of their vested account balance (reduced by the highest outstanding loan balance in the preceding 12-month period). The minimum and maximum loan amounts are \$1,000 and \$50,000, respectively. Repayment terms may not exceed five years, although a loan for the purchase of a principal residence may be repaid over a longer term. Each borrowing is evidenced by a note bearing interest at a prevailing rate as determined by the plan administrator. Principal and interest payments are credited to the borrowing participant's account. Principal and interest are paid in level amortization payments, not less than quarterly, made through payroll deductions. The notes are secured by the vested balance in the participant's account. Loans will become due and payable in full upon the participant's death, retirement or other termination of employment with the Company.

The Plan enacted a provision of the "CARES" Act, whereby participants could request a delay of scheduled note repayments between March 27, 2020 and December 31, 2020. If a delay was granted, the participant's note repayment period can be extended up to one-year, and upon resuming repayment, the note will be re-amortized to include accrued and unpaid interest during the deferment period and to reflect the revised maturity date.

Forfeited Accounts – Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions and plan administrative expenses. During 2021 forfeitures used to reduce matching contributions totaled \$99,146. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$78,732 and \$74,249, respectively,

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are presented on the accrual basis of accounting, except payment of benefits are recorded upon distribution.

Fair Value Measurements – The Plan follows the provisions of the Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) Topic 820, "Fair Value Measurements and Disclosures", (ASC Topic 820), for assets and liabilities that are measured and recorded at fair value on a recurring basis, and to determine fair value disclosures. This standard defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements (see Note 4).

Accounting Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities. Accordingly, actual results could vary from the estimates that were used.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. If a participant does not make loan repayments for a period of 90 days and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Therefore, no allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. The Committee determines the Plan's valuation policies (see Note 4).

Net investment appreciation or depreciation reflected in the statement of changes in net assets available for benefits include the realized gains and losses on investments bought and sold during the year, as well as unrealized gains and losses on investments held during the year (see Note 3).

Purchases and sales of securities are recorded on a trade-date basis, interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date.

Note 2 – Summary of Significant Accounting Policies (Cont.)

Payment of Benefits – Benefit payment to participants and beneficiaries are recorded upon distribution.

Plan Administrative Expenses – Certain expenses of maintaining the Plan are paid by the plan sponsor, and therefore are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account, and are included in administrative expenses, while expenses for items such as recordkeeping fees are allocated to participant accounts. Investment related fees are included in the net appreciation/depreciation of the fair value of investments.

Excess Contributions – Required payments to be made to active participants to return excess deferral contributions in order to satisfy the relevant nondiscrimination provisions of the Plan are recorded as liabilities in the year the contribution is received.

Evaluation of Subsequent Events – Management has evaluated subsequent events involving the Plan for potential recognition or disclosure in the accompanying financial statements. Subsequent events are events or transactions that occurred after December 31, 2021 up through October 14, 2022, the date the accompanying financial statements were available to be issued.

Note 3 – Information Prepared and Certified by the Plan's Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the trustee, except for comparing such information to the related information included in the accompanying financial statements.

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, Fidelity Management Trust Company:

	December 31	
	<u>2021</u>	<u>2020</u>
Investments at fair value (See Notes 2 & 4):		
Shares of registered investment companies (mutual funds):	\$128,950,978	108,732,006
<u>Common/collective trust:</u>		
Fidelity Managed Income Portfolio	7,167,189	7,605,369
Total investments at fair value	<u>\$136,118,167</u>	<u>\$ 116,337,375</u>
Notes receivable from participants	<u>\$ 1,438,139</u>	<u>\$ 1,427,111</u>
	Year Ended	
	December 31,	
	2021	
Net investment income:		
Interest and dividends	<u>\$ 5,396,200</u>	
Net appreciation in fair value of investments	<u>\$ 11,056,120</u>	
Interest income on notes receivable from participants	<u>\$ 74,774</u>	

Note 4 – Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date.

FASB ASC 820, “Fair Value Measurement” provides a framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Investments measured using the net asset value (“NAV”) practical expedient are exempt from categorization within the fair value hierarchy

There were no significant transfers between levels during the year ended December 31, 2021.

The following is a schedule of the Plan's assets at fair value by category within the fair value hierarchy:

December 31, 2021

	Level 1	Level 2	Level 3	Total
Shares of registered investment companies (mutual funds)	<u>\$ 128,950,978</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 128,950,978</u>
Common/collective trust, measured at net asset value				<u>7,167,189</u>
Total investments at fair value				<u>\$ 136,118,167</u>

December 31, 2020

	Level 1	Level 2	Level 3	Total
Shares of registered investment companies (mutual funds)	<u>\$ 108,732,006</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 108,732,006</u>
Common/collective trust, measured at net asset value				<u>7,605,369</u>
Total investments at fair value				<u>\$ 116,337,375</u>

The following is a description of the valuation methodologies used for investment measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds – Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4 – Fair Value Measurements (Cont.)

Common/Collective Trust – Valued using the Net Asset Value ("NAV") provided by the fund manager. The NAV is based on the underlying net assets owned by the fund, divided by the number of shares outstanding. The NAV's unit price is quoted on a private market that is not active. However, the NAV is based on the fair value of the underlying securities within the fund, which are traded on active markets, and valued at the closing price reported on the active market on which those individual securities are traded. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. The significant investment strategies of the fund are described in the financial statements provided by the fund. Participant-directed redemptions have no restrictions; however, the Plan is required to provide a one-year redemption notice to liquidate its entire share in the fund.

The following table summarizes investments measured at fair value based on NAV per share:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
<u>December 31, 2021</u>				
Common/collective trust - Fidelity Managed Income Portfolio	\$7,167,189	N/A	Daily	12 months written notice to liquidate entire share
<u>December 31, 2020</u>				
Common/collective trust - Fidelity Managed Income Portfolio	\$7,605,369	N/A	Daily	12 months written notice to liquidate entire share

Note 5 – Income Tax Status

The Plan is a qualified cash or deferral arrangement under Section 401(k) of the Internal Revenue Code and is exempt from federal income taxes under Section 401(a) of the Internal Revenue Code. The Company has executed an adoption agreement using a Fidelity Volume Submitter Plan and relies on a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, issued for the Volume Submitter Plan. Although the Plan has been amended since receiving the favorable opinion letter from the IRS, the plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Note 6 – Party-In-Interest Transactions

A portion of the Plan's investments are shares of mutual funds and a common/collective trust managed by Fidelity Investments. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions are party-in-interest transactions. The Plan issues loans to participants, which are secured by the vested balance in the participants' accounts, and these transactions are party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 7 – Investment Risks and Uncertainties

The Plan provides for investment options in mutual funds and a common/collective trust, which are exposed to various risks such as interest rate, credit risk and market risk. Due to the level of risk associated with these investment securities, and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances, and the amounts reported in the statements of net assets available for benefits.

Subsequent Decline in Market Value of Investments – Since the date of the accompanying financial statements, December 31, 2021, the Plan's investments depreciated in value by approximately \$30 million (22%) through September 30, 2022 (including any gains or losses on investments bought and sold, as well as held during the period) as a result of a volatile market.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of complete or partial plan termination, participants will become 100% vested in their accounts and participants' accounts will be distributed in accordance with the Plan's provision.

Note 9 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 137,588,473	\$ 118,073,231
Employer contributions receivable	(32,167)	(149,738)
Participant contributions receivable	-	(163,443)
Excess contributions	-	4,436
Adjustment for reporting difference between financial statements and Form 5500 related to valuation of common/collective trust	63,784	266,373
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 137,620,090</u>	<u>\$ 118,030,859</u>

The following is a reconciliation of the changes in net assets available for benefits per the financial statements to net income per the Form 5500 for the year ended December 31, 2021:

Increase in net assets available for benefits per the financial statements	\$ 19,515,242
Decrease in employer contributions receivables	117,571
Decrease in employee contributions receivables	163,443
Decrease in excess contributions	(4,436)
