Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Hinkle Holding Company LLC and Subsidiaries 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Plan Administrator of
Hinkle Holding Company LLC and Subsidiaries 401(k) Plan
Report of Independent Auditors, continued

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibility for the Audit of the 2021 Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4 i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

To the Participants and Plan Administrator of
Hinkle Holding Company LLC and Subsidiaries 401(k) Plan

Other Matters, continued

2021 Supplemental Schedule Required by ERISA, continued

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

HINKLE HOLDING COMPANY LLC AND SUBSIDIARIES 401(K) PLAN

Notes to the Financial Statements

1. Description of the Plan

The following brief description of the Hinkle Holding Company LLC and Subsidiaries 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), which became effective January 1, 2013 and was restated effective January 1, 2015. The Plan covers all eligible employees of Hinkle Holding Company LLC and Subsidiaries (the Plan Sponsor or Plan Administrator).

Eligibility

Employees become eligible to participate in the Plan upon attainment of age 18 and completion of one year of service. Eligible employees may enter into the Plan on the first day of each month immediately following fulfillment of the eligibility requirements. At that time, participants can begin deferring compensation into the Plan and become eligible for Plan Sponsor contributions.

Employees of the Plan Sponsor who work on projects subject to the Service Contract Act, Davis-Bacon Act, or similar federal, state, or municipal prevailing wage statutes may become eligible to participate in the Plan upon obtaining the appropriate prevailing wage determination. These employees may receive "prevailing wage contributions", which are not subject to the normal eligibility requirements. Participation in the prevailing wage part of the Plan coincides with employment on prevailing wage projects and, with respect to each such project, ends when employment on that project ends. Prevailing wage contributions are contributed by the Plan Sponsor.

Contributions

Participants may contribute up to the maximum allowable annual contribution as defined by the Internal Revenue Code (IRC). The Plan allows for catch-up contributions, if eligible, up to the maximum amount allowed by the IRC. Additionally, the Plan permits participants the option to rollover contributions from other qualified plans. The Plan Sponsor makes safe harbor matching contributions equal to 100% of participant contributions that do not exceed 3% of participant compensation, plus 50% of the amount that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. The Plan Sponsor made matching and prevailing wage contributions of \$252,143 and \$1,116,342, respectively, for the year ended December 31, 2021. The Plan Sponsor may also elect to contribute a discretionary profit sharing contribution.

HINKLE HOLDING COMPANY LLC AND SUBSIDIARIES 401(K) PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and the Plan Sponsor's contributions, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan adoption agreement. Administrative expenses are charged to each participant's account when a benefit distribution is processed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentages as participant deferral contributions.

Vesting

Participants are vested immediately in their contributions, their rollover contributions, the Plan Sponsor's safe harbor contributions, the Plan Sponsor's profit sharing contributions, and the Plan Sponsor's prevailing wage contributions plus actual earnings thereon.

Participant Loans

Effective January 1, 2020, participants may borrow from their account balances subject to the provisions of the Plan agreement up to a maximum of the lesser of \$50,000 or 50% of their vested balance, reduced by the highest outstanding loan balance in the preceding 12 months. The maximum term of a loan is 5 years unless the loan is used to purchase a new home. The maximum term for a loan to purchase a new home is 30 years. The loans are collateralized by the balance in the participant's account and bear interest at current market rates of local lending institutions. Interest rate for each loan is between 4.25% and 4.53% as of December 31, 2021. Principal and interest is paid ratably through bi-weekly or semi-monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant will be entitled to receive the vested percentage of their account balance. Participants may elect to have their vested account balance distributed as soon as administratively feasible following termination of employment. However, if the value of the participant's vested account balance does not exceed \$5,000, then a distribution will be made to the participant regardless of whether the participant consents to receive it. All distributions from the Plan will be made in single lump-sum payments. If a participant's vested account balance exceeds \$5,000, the participant must consent to the distribution before it may be made.

HINKLE HOLDING COMPANY LLC AND SUBSIDIARIES 401(K) PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Forfeited Accounts

All forfeitures are applied to Plan Sponsor contributions or used to pay Plan expenses. As of December 31, 2021 and 2020, forfeited accounts totaled \$15,342 and \$27,512, respectively. During 2021, forfeitures of \$12,198 were used to reduce employer matching contributions.

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan adoption agreement. All other administrative expenses are paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value with the exception of fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Contract value is the relevant measurement for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

HINKLE HOLDING COMPANY LLC AND SUBSIDIARIES 401(K) PLAN

Notes to the Financial Statements, continued

2. Summary of Significant Accounting Policies, continued

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent loans are treated as benefit payments based on the terms of the Plan agreement.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through October 14, 2022, the date that the financial statements were available to be issued.

3. Information Certified and Provided by Custodian

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by the VOYA Retirement Insurance and Annuity Company (VOYA), the custodian of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that investment information provided to the Plan Administrator by the custodian is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to investment information in this note and which appears throughout the financial statements and the supplemental schedule.

The following table presents the fair value of investments (except for fully benefit-responsive investment contracts, which are reported at contract value) in the Plan that were certified by VOYA.

4. Investment Contract with Insurance Company

The Plan has a fully benefit-responsive investment contract with VOYA. VOYA maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value, as reported to the Plan by VOYA. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; or (iii) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

5. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Pooled separate accounts: Valued at net asset value (NAV) per share based on quoted market prices of underlying investments.

Money market funds: Valued at cost which approximates fair value.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Fair Value Measurements, continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2021</u>				
Investments measured at fair value:				
Money market funds	\$ <u>15,342</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>15,342</u>
Investments measured at NAV:				
Pooled separate accounts				<u>9,840,007</u>
Total investments at fair value				<u>\$ 9,855,349</u>
<u>2020</u>				
Investments measured at fair value:				
Money market funds	\$ <u>27,512</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>27,512</u>
Investments measured at NAV:				
Pooled separate accounts				<u>7,763,808</u>
Total investments at fair value				<u>\$ 7,791,320</u>

In accordance with accounting standards, investments that are measured at fair value using the NAV practical expedient have not been classified as Level 1, 2 or 3 in the fair value hierarchy, but are included above to permit reconciliation of the fair value hierarchy tables to the amounts presented in the Statements of Net Assets Available for Benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no significant transfers in or out of Level 3.

The following table summarized investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

	<u>Fair Value</u> <u>12/31/21</u>	<u>Fair Value</u> <u>12/31/20</u>	<u>Unfunded</u> <u>Commitment</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice</u> <u>Period</u>
Pooled separate accounts	\$ <u>9,840,007</u>	\$ 7,763,808	N/A	Daily	Daily

6. Exempt Party-in-Interest Transactions

Certain Plan investments are an investment contract and a money market fund managed by VOYA. VOYA is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Administrative expenses of \$8,400 for the year ended December 31, 2021 are comprised of fees paid by the Plan to VOYA for investment management services and withdrawal charges.

Additionally, indirect fees are paid to VOYA based on investment account values. These fees range from 0.24% to 1.11% of the investment account value. The fees reduce net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

7. Tax Status

The Plan uses a prototype Plan document sponsored by Benefits Administrators, LLC, which received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

8. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.
