This presentation was prepared as part of our audit, has consequential limitations, is restricted to those charged with governance and, if appropriate, management, and is not intended and should not be used by anyone other than those specified parties.

Matters to be Communicated to Those Charged with Governance

Generally accepted auditing standards (GAAS) require the auditor to ensure that those charged with governance receive information regarding the results of the audit that may assist those charged with governance in overseeing management's financial reporting and disclosure process. Below we summarize these required communications.

The Auditor's Responsibility Under Generally Accepted Auditing Standards

We were engaged to conduct an audit of the financial statements as of and for the year ended December 31, 2021 for Lifestyle Communities, Ltd. and Affiliates 401(k) Plan. The financial statements are the responsibility of management. Our audit was designed in accordance with GAAS, which provides for reasonable, rather than absolute, assurance that the financial statements are free of material misstatement. We have the responsibility to opine on whether the financial statements are fairly stated in accordance with accounting principles generally accepted in the United States of America.

As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we have conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and have obtained sufficient and appropriate audit evidence to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion. The audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

In accordance with professional standards, we have obtained a substantially complete Form 5500 and considered whether such information, or the manner of its presentation, was materially inconsistent with its presentation in the financial statements. Our responsibility also includes calling to management's attention any information that we believe is a material misstatement of fact. We have not identified any material inconsistencies or concluded there are any material misstatements of facts in the other information.

As part of our audit, we obtained a sufficient understanding of the internal controls to plan our audit, to determine the nature, timing and extent of testing performed and not to provide assurance on internal controls.

We have issued our Independent Auditor's Report reflecting an unmodified opinion in accordance with ERISA Section 103(a)(3)(C) for the year ended December 31, 2021.

Management's cooperation was excellent. We received full access to all information that we requested while performing our audit, and we acknowledge the full cooperation extended to us by all levels of Company personnel throughout the course of our work.

Matters to be Communicated to Those Charged with Governance (continued)

Significant Accounting Policies

The significant accounting policies used by Lifestyle Communities, Ltd. and Affiliates 401(k) Plan are described in the notes to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. The accounting policies used are appropriate and are in compliance with generally accepted accounting principles.

Management Judgments and Accounting Estimates

The preparation of financial statements requires the use of accounting estimates. Certain estimates are particularly sensitive due to their significance to the statements and the possibility that future events may differ significantly from management's expectations. The accounting estimates made by management for the preparation of the financial statements for the year ended December 31, 2021 were determined to be appropriate under generally accepted accounting principles. The following are the identifiable estimates in the financial statements:

1. Fair value of investments.

Management did not make any significant changes to the processes or significant assumptions used to develop the significant accounting estimates in 2021.

Significant Unusual Transactions

The methods used to account for significant unusual transactions, those transactions that are outside the normal course of business or that otherwise are unusual based due to their timing, size or nature are considered appropriate.

There were no significant unusual transactions identified.

Financial Statement Disclosures

The overall goal of the disclosures in the financial statements is to provide relevant information to the reader in as neutral, concise, consistent and clear a manner as possible while also complying with the disclosure requirements of generally accepted accounting principles. In addition, the disclosures made also require judgment due to the potential sensitive nature of certain items. The disclosures made in the financial statements for the year ended December 31, 2021 were determined to be appropriate and in compliance with generally accepted accounting principles.

Unrecorded Audit Differences

See attached schedule for a summary of unrecorded audit adjustments.

Audit Adjustments

There were no audit adjustments noted during the December 31, 2021 audit.

Matters to be Communicated to Those Charged with Governance (continued)

Significant Changes to Planned Audit Strategy or Significant Risks Initially Identified

There were no significant changes to the planned audit strategy or significant risks initially identified and previously communicated to those charged with governance as part of our Audit Planning Communications.

Significant Difficulties Encountered in Performing the Audit

We encountered no major difficulties in working with any company personnel while performing and completing our audit. Further, we encountered no difficulties of any other nature in completing our audit.

Disagreements with Management

We had no disagreements with management.

Representations the Auditor is Requesting from Management

See the attached copy of the management representation letter.

Significant Findings and Issues Involving Related Parties

We have evaluated whether the identified related party relationships and transactions have been appropriately identified, accounted for, and disclosed and whether the effects of the related party relationships and transactions, based on the audit evidence obtained, prevent the financial statements from achieving fair presentation.

Consultation with Other Accountants

We are not aware of management consulting with other independent accountants. Nor are we aware of opinions obtained by management from other independent public accountants on the application of generally accepted accounting principles.

Difficult or Contentious Matters

There were no difficult or contentious matters that we consulted with others outside the engagement team that we reasonably determined to be relevant to those charged with governance regarding their oversight of the financial reporting process.

Information from those Charged with Governance

There were no matters noted relevant to the audit, including, but not limited to: violations or possible violations of laws or regulations; risk of material misstatements, including fraud risks; or tips or complaints regarding the Plan's financial reporting that we were made aware of as a result of our inquiry of those charged with governance.

Matters to be Communicated to Those Charged with Governance (continued)

Nature and Extent of Specialized Skills or Knowledge Relating to Significant Risks

There were no specialized skills or knowledge needed, outside of the core engagement team, to perform the planned audit procedures or evaluate audit results related to significant risks.

Other Matters

There are no other matters that we consider significant to the oversight of the Plan's financial reporting process that have not been previously communicated.

Independence

Our engagement letter to you dated September 8, 2022 describes our responsibilities in accordance with professional standards and certain regulatory authorities with regard to independence and the performance of our services. This letter also stipulates the responsibilities of the Plan with respect to independence as agreed to by the Plan. Please refer to that letter for further information.

Significant Issues Discussed with Management

We are required to communicate, in writing and in a timely manner, to those charged with governance all reportable findings and all material weaknesses and significant deficiencies that have been identified in the Plan's internal control over financial reporting. The definitions of a reportable finding, control deficiency, significant deficiency and material weakness are as follows:

Category	Definition
Reportable Finding	Matters that are one or more of the following: - An identified instance of noncompliance or suspected noncompliance with laws or regulations, - A finding arising from the audit that is, in the auditor's professional judgment, significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process, - An indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditor's professional judgment, are of sufficient importance to merit management's attention.
Deficiency in Internal Control	A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis.
Significant Deficiency	A deficiency or combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
Material Weakness	A deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected on a timely basis.

A reportable finding may also be considered a deficiency in internal control, a significant deficiency or a material weakness.

We considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and/or all reportable findings.

Significant Issues Discussed with Management

In conjunction with our audit of the Plan financial statements, we noted no material weaknesses.

We have communicated to Plan management reportable findings, that were identified as a result of our audit that we did not consider to be material weaknesses, significant deficiencies, or control deficiencies as follows:

Improve Controls Over Remittances

During our audit, we noted several instances in which deferrals withheld from employees' paychecks and/or employer matching contributions included in the Sponsor's payroll records differed from amounts remitted to the Plan. While the amounts involved were immaterial, the Sponsor should reconcile payroll records with Plan remittances to ensure participant accounts receive all necessary contributions and loan payments. We recommend that plan management review payroll registers and reconcile employee deferrals, employer matching contributions, and loan repayments to plan deposits completely and accurately.

Significant Issues Discussed with Management (continued)

This communication is intended solely for the information and use of those charged with governance and, if appropriate, management, and others within the Plan sponsor and is not intended to be and should not be used by anyone other than these specified parties.
