| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☐ Yes ☒ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

The Plan Administrator of  
Kirby Profit Sharing Plan  
Houston, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Kirby Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of January 3, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the period ended January 3, 2022 and the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of January 3, 2022 and December 31, 2021, and for the period ended January 3, 2022 and the year ended December 31, 2021, stating that the certified investment information, as described in Notes 3 and 5 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (US GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued (or when applicable, one year after the date that the financial statements are available to be issued).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

The Plan Administrator of  
Kirby Profit Sharing Plan

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## KIRBY PROFIT SHARING PLAN

### Notes to Financial Statements

January 3, 2022 and December 31, 2021

#### (1) Description of Plan

##### (a) General

The Kirby Profit Sharing Plan (as amended and restated, the “Plan”) was a defined contribution plan for the benefit of employees of Kirby Corporation (the “Company”) and certain subsidiaries. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Following is a brief description of the Plan’s provisions prior to the merger; however, participants should refer to the Plan document for further information regarding eligibility, participation, nature of benefits, and vesting provisions.

##### (b) Administration of the Plan

The general administration of the Plan was the responsibility of the Company. The Company appointed the members of the Benefit Plan Administrative Committee to collectively serve as the Plan administrator (the “Plan Administrator”). The Plan Administrator had broad powers regarding the operation and administration of the Plan and received no compensation for service to the Plan.

##### (c) Master Trust

Northern Trust Corporation was the trustee of the Plan and the Master Trust. The Master Trust was established for the collective investment of the Higman Pension Plan and the Kirby Pension Plan, and prior to the Merger, the Plan, all sponsored by the Company.

##### (d) Eligibility

Generally, all full-time employees of the Company and certain subsidiaries adopting the Plan become participants upon date of hire or attainment of age 18, and part-time employees become participants upon the last to occur of (x) the first day of the plan year following the latter of the part-time employee’s date of hire or attainment of age 18, and (y) the first day of the plan year during which the part-time employee completes a year of service, generally defined by the Plan as 1,000 hours of service. However, the following were excluded from participation in the Plan: (i) contract employees, as defined by the Plan; (ii) collectively bargained employees unless participation in the Plan has been provided for in the collective bargaining agreement; (iii) any employees not described in (ii) who are members of the crew of a vessel or whose principal duties are those usually performed by members of the crew of a vessel, as it is the Company’s intention to restrict participation to shoreside employees; (iv) directors not otherwise qualifying as employees; (v) independent contractors; (vi) any persons who are employed by Kirby Inland Marine, LP, and who are shore tankermen or operators, as defined by the Plan; (vii) any persons who are employed by Kirby Offshore Marine Operating, LLC, Kirby Offshore Marine Pacific, LLC or Kirby Offshore Marine Hawaii, LLC, and who are Philadelphia production employees or shore side tankermen, as defined by the Plan; and (viii) effective July 1, 2013, any persons who are employed by Penn Maritime, Inc. and who are carried on the books as a vessel employee.

##### (e) Contributions

Under the provisions of the Plan, the employer (the Company or a participating company within the controlled group of the Company), may contribute an amount, if any, as it shall deem appropriate, but the aggregate of such contributions shall not, with respect to either the Marine Group or the Diesel Group, as defined by the Plan, exceed (a) the lesser of (i) 12% of the total compensation paid or accrued to all eligible participants, as defined by the Plan, or (ii) the profit-based limit; in which the formula is defined by the Plan; or (b) such other amount as the Compensation Committee of the Board of Directors of the Company may determine at its sole discretion.

### **Notes to Financial Statements**

January 3, 2022 and December 31, 2021

**(f) Vesting**

At the end of two years of service, 20% of the participant's account relating to employer contributions became vested to the participant. The remaining 80% of the participant's account relating to employer contributions became vested to the participant in increments of 20% per additional year of service beyond two years. A participant is fully vested upon the completion of six years of service.

**(g) Benefits**

A participant could, upon resignation from or discharge by the employer, withdraw the vested portion of the account relating to employer contributions. Distributions of the account relating to employer contributions would be paid as a lump sum. Amounts defined by the Plan as merger accounts and merger benefits were generally paid as a qualified joint and survivor annuity subject to certain spousal consent requirements if a lump sum distribution was elected. Participants who reached the age of 55 and were 100% vested could elect to transfer amounts to the Kirby 401(k) Plan subject to certain restrictions described in the Plan document.

The Plan required automatic distribution of participant accounts upon termination of employment without the participant's consent, of amounts less than \$5,000. In the event the distribution was greater than \$1,000 and the participant failed to make a distribution election, the Plan would pay the distribution to an individual retirement arrangement for the benefit of the participant designated by the Plan Administrator. Amounts less than \$1,000 were distributed directly to participants upon termination of employment.

**(h) Administrative Expenses**

All administrative expenses, unless paid by the Company at its discretion, were paid by the Plan.

**(i) Allocation of Income and Expenses**

As of the last day of each quarter, expenses and net investment income (loss) for the quarter were allocated to each participant's account in the ratio of his/her invested account balance as of the beginning of the quarter.

Forfeitures as a result of participants withdrawing from the Plan prior to becoming fully vested, and Company contributions were allocated, as defined by the Plan, to each participant's account based upon the ratio that each participant's base compensation (excluding bonus and overtime) for the year bears to the total of all participants' base compensation for the year not to exceed Internal Revenue Service ("IRS") limits on compensation. In order to receive an allocation of forfeitures and Company contributions, the participant must not have separated prior to the last day of the plan year, or separated only because of death, disability, or after attaining normal retirement age.

Forfeitures in the amount of \$107,257 were allocated to participants' accounts as of December 31, 2021.

**(j) Plan Merger**

On January 3, 2022, the Plan was merged with the Kirby 401(k) Plan. Assets available for benefits were transferred out of the Master Trust and shown as a transfer out of the Plan on the statement of changes in net assets available for benefits.

**(2) Summary of Significant Accounting Policies**

**(a) Basis of Presentation**

The accompanying financial statements have been prepared on an accrual basis of accounting.

### Notes to Financial Statements

January 3, 2022 and December 31, 2021

**(b) Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**(c) Benefit Payments**

Payments to participants were recorded as the benefits were paid.

**(d) Investment Valuation and Income Recognition of Investments of Master Trust**

Investments were reported at fair value. The common collective trusts were valued based upon the quoted market price or estimated fair value of the underlying investments by the issuer. Purchases and sales of investments were recorded on a trade date basis. Interest income was recorded as earned. Dividends, if paid, were recorded on the ex-dividend date. Net appreciation in fair value of investments included gains and losses on investments bought and sold as well as held during the year. The Plan's net investment income (loss) in the Master Trust is reflected in the statements of changes in net assets available for benefits as net investment income from Master Trust (See Note 3).

**(3) Investment in Master Trust**

The Master Trust utilizes a diversified set of investment strategies in order to achieve a target asset mix that emphasizes long-term growth of principal while avoiding excessive risk.

As of January 3, 2022 and December 31, 2021, the Master Trust was comprised of investments in common collective trusts and mutual funds.

The assets of each benefit plan held in the Master Trust are maintained separate and distinct from the assets of any other plan, and the Trustee maintains its records in such a manner as to be able to specifically identify the Plan's assets, investment income, and administrative expenses in the Master Trust related to each plan.

As a result of the Merger, activity of the Master Trust as of and for the ending period January 3, 2022 is not disclosed as it is immaterial, and not meaningful to the financial statements as a whole. The following table presents the net assets of investments held in the Master Trust and the Plan's interest in those investments.

#### (4) Risks and Uncertainties

The Plan, through its investment in the Master Trust, provided for investment in various investment vehicles. Investment securities were exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was probable that changes in the value of investment securities would occur and impact the funded position of the Plan.

The Plan, through its investment in the Master Trust, include investments in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations, and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity, and related income of those securities were sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and could have been adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

In December 2019, COVID-19 surfaced in Wuhan, China. In response to the resulting pandemic, various countries, including the United States, either mandated or recommended business closures, travel restrictions or limitations, social distancing, and/or self-quarantine, among other restrictions. Additionally, various state and local governments in locations where the Company operates took similar actions. The situation continues to evolve as additional variants of the virus appear. At this time, governments where the Company operates have generally removed, or eased restrictions in response to lower levels of infection and hospitalization rates. While the impact has generally lessened over the course of 2022, there has been and continues to be a negative impact on the global and United States economies and supply chains. Since the beginning of the pandemic, impacts have included, but are not limited to, additional costs for responding to COVID-19, potential shortages of personnel, delays, loss of, or reduction to revenue and overall market decline. Management believes the Company has taken appropriate actions to respond to the pandemic; however, the full impact is unknown and cannot be reasonably estimated at the date the financial statements were available for issuance.

#### (5) Trustee Certifications

Management has elected to have the audit performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Management has obtained a certification from the trustee that all of the information provided by them is complete and accurate. Information included in the accompanying financial

statements as to investment in the Master Trust and related net investment income (loss) from the Master Trust and all investment information included in Note 3 and Note 9 is presented in reliance solely upon that certification.

#### (6) Federal Income Tax Status

The Plan obtained its latest determination letter dated August 7, 2017, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code of 1986, as amended (the “Code”). The Plan Administrator believes the Plan was designed and operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust is tax-exempt.

The Plan is currently open to audit under the statute of limitations by the IRS for the 2018 through 2020 tax years. The Plan has not recognized any assets or liabilities related to uncertain tax positions as of January 3, 2022 and December 31, 2021

#### (7) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500:

|                                                                         | <b>Year Ended<br/>December 31,<br/>2021</b> |
|-------------------------------------------------------------------------|---------------------------------------------|
| Benefits paid to participants per the financial statements              | \$ 13,881,245                               |
| Less amounts allocated to withdrawing participants at December 31, 2020 | (4,602,290)                                 |
| Benefits paid to participants per Form 5500                             | <u>\$ 9,278,955</u>                         |

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been approved for payment prior to December 31 but not yet paid as of that date.

#### (8) Related Party Transactions

Certain investments of the Master Trust included shares of common collective trusts managed by an affiliate of the Trustee. Therefore, these transactions qualified as exempt party-in-interest transactions. These transactions were covered by an exemption from the “prohibited transaction” provisions of ERISA and the Code.

#### (9) Fair Value Measurements

The accounting guidance for using fair value to measure certain assets and liabilities establishes a three-tier value hierarchy, which prioritizes the inputs to valuation techniques used in measuring fair value. These tiers include: Level 1, defined as observable inputs such as quoted in active markets for identical assets or liabilities; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little, if any, market data exists, therefore requiring an entity to develop its own assumptions about the assumptions that market participants would use in pricing the asset or liability.

The following is a description of the valuation methodologies used for the Plan’s financial instruments included in the Master Trust.

##### ***Mutual Funds***

These instruments are public investment vehicles valued using the net asset value provided by the administrator of the fund. The net asset value price is quoted on an active market and is classified within Level 1 of the valuation hierarchy.

## KIRBY PROFIT SHARING PLAN

### Notes to Financial Statements

January 3, 2022 and December 31, 2021

#### ***Common Collective Trusts***

These instruments are investment vehicles valued using the net asset value provided by the administrator of the fund. The net asset value was used as a practical expedient to determine fair value. All Plan investments as of January 3, 2022 and December 31, 2021 were measured at fair value using the net asset value per share (or its equivalent) practical expedient and therefore not categorized within the valuation hierarchy. Distributions that participants of the Plan were entitled to receive were processed within a reasonable period, typically 60 days, after the last day of the calendar quarter. The reason that the distribution at the reported net asset value was made after the end of a calendar quarter was to allow the participant to participate in the earnings (and losses) of the trust fund for the entire quarter in which the distribution was requested.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

#### **(10) Subsequent Events**

The Company has evaluated subsequent events from the statement of net assets available for benefits date through October 14, 2022, the date at which the financial statements were available to be issued, and determined there are no other items to disclose.
