Independent Auditor's Report

To the Participants and Administrator of the
Ultralife Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Ultralife Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter**2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ULTRALIFE CORPORATION 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Ultralife Corporation 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan with salary reduction features as permitted under Section 401(k) of the Internal Revenue Code. The Plan is funded by employee and employer contributions and covers all employees of Ultralife Corporation (the Company or Plan Sponsor) and its wholly owned subsidiaries. As of January 1, 2021, the plan covers employees of the Company's 2019 acquisition Southwest Electronic Energy Corporation (SWE), and the plan assets of SWE were transferred into The Plan. Plan investments are participant directed and maintained in investment funds held by John Hancock Trust Company LLC (John Hancock). Funds were maintained in investment funds held by Prudential Financial Inc. (Prudential) for plan year 2020 and transferred to John Hancock effective January 1, 2021. The Plan contains both 401(k) and profit-sharing provisions. Unless otherwise indicated, the Plan provisions are identical for both components. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Eligibility: Employees of the Company who are at least 18 years of age, regardless of term of service, are eligible to participate in the Plan.

Contributions: Participants may authorize an elective deferred contribution rate up to the maximum annual limitations as provided by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Effective September 1, 2014, participants may make voluntary pre-tax and Roth contributions to the Plan up to 100% of their compensation, subject to certain limitations under the terms of the Plan and the Internal Revenue Code. Newly eligible employees who have otherwise not affirmatively opted out of enrolling in the Plan are automatically enrolled. Newly eligible employees enrolled as a result of this provision defer 5% of their compensation to the Plan. The Plan Sponsor provides matching contributions on a discretionary basis. The Plan Sponsor made matching contributions equal to the sum of 100% of the amount of the Participant's Elective Deferrals that do not exceed 3% of the Participant's Compensation, plus 50% of the amount of the Participant's Elective Deferrals that exceed 3% of the Participant's Compensation but do not exceed 5% of the Participant's Compensation. The Plan Sponsor may also make profit-sharing contributions to the Plan on a discretionary basis. The Plan Sponsor made no profit-sharing contributions in 2021 or 2020.

Vesting: Participants are immediately vested in their elective deferrals plus actual earnings thereon as well as employer safe harbor matches. Discretionary employer contributions vest to 100% over a five-year period to the participants as follows:

Less than 2 years	0%
2 years	25%
3 years	50%
4 years	75%
5 years	100%

Forfeitures: Amounts forfeited by participants are used to offset plan expenses and to reduce future employer contributions. The Plan Sponsor did not use forfeitures to offset plan expenses for the year ended December 31, 2021 (\$6,244 – 2020) and did not restore any prior forfeitures to participants for the year ended December 31, 2021 (\$519 – 2020). The Plan Sponsor used \$18,272 of forfeitures toward employer match contributions for the year ended December 31, 2021 (\$0 – 2020). The forfeiture account balance was \$33,767 on December 31, 2021 (\$9,812 – 2020). Under the terms of the non-standardized 401(k) profit-sharing plan adopted by the Plan, forfeitures may be allocated no later than the last day of the Plan year following the Plan year in which the forfeiture occurs.

Participant Accounts: Participants direct the investment of their contributions and the Plan Sponsor's contributions into various investment options offered by the Plan. Each participant's account is credited with the

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

participant's contributions, Plan Sponsor matching contributions and an allocation of (a) profit sharing contributions, (b) actual earnings/losses thereon, and (c) administrative expenses of the Plan. Each participant's account is charged with the actual amount of distributions taken. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants: Participants may borrow from their fund accounts up to the lesser of 50 percent of their vested account balance not to exceed \$50,000. Loans are payable over a period not to exceed five years, except when used to acquire a principal residence, in which case loans are payable over a period not to exceed ten years. The loans are collateralized by the balance in the participant's account. The Plan Administrator determines interest rates at the time of the loan request by reviewing interest rates charged for similar types of loans by other lenders. Principal and interest are paid ratably through payroll deductions.

Withdrawals and Distributions: Participants may elect disbursement of all or part of their vested account balance upon the attainment of age 59½. Participants may also withdraw any of their rollover contribution balance at any time. Upon retirement or termination of service, participants may elect to receive a lump-sum distribution of their vested account balance or elect a rollover to another qualified retirement plan or an Individual Retirement Account.

Hardship withdrawals from the Plan are permitted from elective deferral accounts. All hardship withdrawals must comply with specific rules relating to hardships, which are uniformly applicable to all participants.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The Plan prepares its financial statements on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Risks and Uncertainties: The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

Benefit Payments: Benefits payments to participants are recorded when paid.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses: The Plan is responsible for all expenses incurred by the Plan. Certain administrative expenses related to advisory services are paid by the Plan Custodian to a third-party service provider directly through the use of investment fee rebates made available by the Plan's third-party investment manager. This expense offset arrangement totaled \$48,693 for the year ended December 31, 2021 (\$50,623 – 2020).

Subsequent Events: These financial statements have not been updated for subsequent events occurring after October 13, 2022, which is the date these financial statements were available to be issued.

NOTE 3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: The separate accounts are stated at net asset value based on the quoted market price of the underlying investments. The investment strategies of the pooled separate account funds are to invest in underlying funds with the goal of producing favorable long-term returns and growth, depending on the overall fund obligations. There are no restrictions on the redemption of pooled separate accounts.

Common / collective trusts: Stable value funds that are composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Total assets at fair value	\$ 12,065,471	\$ -	\$ -	\$ 15,678,786

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively.

ULTRALIFE CORPORATION 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4. GUARANTEED INCOME FUND

As of and for the year ended December 31, 2020, The Plan invested in the guaranteed income fund with Prudential Retirement Insurance & Annuity Company (PRIAC). The Plan did not invest in a guaranteed income fund for the year ended December 31, 2021. PRIAC maintained the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the stable value fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the plan by PRIAC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2020 approximates fair value. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 5. FINANCIAL CERTIFICATION

The following unaudited financial information as of December 31, 2021 and 2020, and for the years then ended, has been furnished by the Plan Administrator and certified or derived from information certified by the John Hancock Trust Company LLC, the current trustee and custodian of the Plan for the period from January 5, 2021 to December 31, 2021, and the former trustee and custodian Prudential Bank & Trust, F.S.B. and former custodian, Prudential Retirement Insurance and Annuity Company, for the period from January 1, 2020 to January 5, 2021. The incorporation of this financial information in the accompanying financial statements and supplemental schedule is based solely on their certification, and the information has not been audited by independent accountants.

NOTE 5. FINANCIAL CERTIFICATION (CONTINUED)

	<u>2021</u>	<u>2020</u>
Transactions for the years ended:		
Net appreciation in fair value of investments	\$ 2,905,611	\$ 2,125,109
Interest and dividends	\$ 308,721	\$ 101,914
Interest income on notes receivable from participants	\$ 22,343	\$ 24,374

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments were managed by John Hancock Trust Company LLC, the trustee and a custodian of the Plan as of and for the year ended December 31, 2021 and therefore, these transactions qualify as party-in-interest transactions. Certain plan investments were managed by Prudential Bank & Trust, FSB, the former trustee and a custodian of the Plan as of and for the year ended December 31, 2020. Certain other investments were managed by PRIAC, a former custodian of the Plan, as of and for the year ended December 31, 2020. Therefore, these transactions qualify as party-in-interest transactions. Administrative expenses paid to the Plan's investment advisor and record-keeper and participant loans also qualify as party-in-interest transactions.

NOTE 8. TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated June 30, 2020, that the prototype standardized profit-sharing plan adopted by the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by the IRS; however, there are currently no audits for any tax periods in process.
