INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Selman Chevrolet's 401(K) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Selman Chevrolet's 401(K) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Selman Chevrolet's 401(K) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

500 S. Kramer Blvd., Suite 100, Brea California 92281 Office 714.871.2422 Fax 714.871.2676 www.brhecpa.com

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Selman Chevrolet's 401(K) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Selman Chevrolet's 401(K) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Selman Chevrolet's 401(K) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor’s Report on the 2020 Financial Statements

The 2020 financial statements of Selman Chevrolet's 401(K) Savings Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 12, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Description of the Plan

The following description of the Selman Chevrolet's 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General - The Plan is a defined contribution plan with a 401(k)-arrangement covering substantially all employees of Selman Chevrolet Company (the "Company" or the "Employer") who have completed a minimum of six months of service and attained the age of 18 years. Eligible participants may enter the Plan on the first day of each calendar quarter. The Company is the administrator of the Plan. Bank of America N.A. serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions - Participants may elect to contribute from 1% to 15% of their eligible compensation for the year. Highly compensated participants can contribute 1% to 6% of their eligible compensation for the year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Generally, any participant who contributes to the Plan, other than a rollover, is eligible for the discretionary matching contribution. Each year the Company may contribute to the Plan a matching amount, if any, which the Company's Board of Directors determines at its discretion. The contribution can be in an amount up to 20% of each participant's first 4% of compensation contributed as an elective deferral for the Plan year. Effective February 1, 2009 the Company suspended the matching contribution accordingly there were no employer matching contributions for the year ended December 31, 2021.

C. Participants Accounts - Each participant's account is credited with the participant's salary deferral contributions, an allocation of the Company's discretionary matching contributions and an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

D. Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer discretionary matching contributions is based on years of continuous service. Participants vest in these accounts at a rate of 20% per year of service and are fully vested after five years of service.

E. Participant Loans - As of March 1, 1999, the initiation of new participant loans is no longer permitted.

F. Payment of Benefits - Upon termination of service, participants with vested accounts balances of $5,000 or less, will receive a lump sum distribution of their vested account balance or can elect to rollover the balance into another qualified plan. Participants with vested account balances greater than $5,000 can receive benefits equal to the value of their vested account balance through a single lump-sum payment, periodic installments or rollover into another qualified plan. Active participants may request in-service distributions due to hardships, from a portion of their rollover account balance, or on or after attaining age 59 ½.

G. Forfeited Accounts – Forfeitures of terminated participants' non-vested accounts arising from Company contributions and related Plan earnings will be utilized first to reduce employer contributions, second to pay Plan expenses and third as distributions to participants. As of December 31, 2021 and 2020, there were no forfeitures available to reduce future employer contributions.

Note 1 - Description of the Plan (continued)

H. Participant Investment options – Upon enrollment in the Plan, participants must direct their salary deferral contributions and their allocated share of employer contributions into various investment options as made available and determined by the Plan Administrator. The investment options are more fully described in the Plan's literature.

Note 2 - Summary of Significant Accounting Policies

A. Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

B. Estimates - The preparation of the Plan financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting periods. Accordingly, actual results could differ from those estimates.

C. Investment Valuation and Income Recognition - The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in mutual funds are valued daily based on the respective fund's net asset value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Plan are recorded as a liability with a corresponding reduction in contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2021.

E. Payment of Benefits - Benefits are recorded when paid.

F. Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to withdrawals are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/(depreciation) of fair value investments.

G. Subsequent Events – The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

Note 3 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. As of February 1, 2009, the Company discontinued its matching contributions.

Note 4 – Information Certified by Bank of America N.A.

The following is a summary of the unaudited information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Bank of America, N.A. , the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certification from the trustee that such information is complete and accurate.

	2021	2020
Statements of Net Assets Available for Benefits:		
Investments, participant directed (at fair value)	$ 12,895,675	$ 10,720,653
Cash (noninterest-bearing)	25	50
Statement of Changes in Net Assets Available for Benefits		
Net appreciation/(depreciation) in fair value of investments	$ 821,934	
Dividends	1,153,481	

Note 5 - Tax Status

The Company has adopted a non-standardized form of a prototype plan sponsored by Merrill Lynch Pierce Fenner & Smith, Inc. The prototype plan has received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020. The Company has not adopted any provisions outside the scope of the prototype plan and the Company believes that the Plan and the Trust established under the Plan are designed and are currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the Unites States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

In March 2020, the World Health Organization categorized Coronavirus Disease 2019 ("COVID-19") as a pandemic, which has adversely affected the world economy and resulted in volatility in the global capital markets. The impact of this pandemic on investment prices and the world economy continues to evolve and its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits cannot be reasonably estimated at this time.

Note 7 – Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC)* 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with the other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 7 – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

December 31, 2021

	Level 1	*Level 2*	*Level 3*	*Total*
Mutual funds	$ 12,895,675	$ -	$ -	$ 12,895,675
Investments at fair value	$ 12,895,675	$ -	$ -	$ 12,895,675

December 31, 2020

	Level 1	*Level 2*	*Level 3*	*Total*
Mutual funds	$ 10,720,653	$ -	$ -	$ 10,720,653
Total assets at fair value	$ 10,720,653	$ -	$ -	$ 10,720,653

Note 8 – Related Party and Party-in-Interest Transactions

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. Certain Plan investments are mutual funds managed by affiliates of Bank of America N.A., the trustee and record-keeper for the Plan. The Company paid certain administrative expenses of the Plan including the audit fee. These transactions qualify as party-in-interest transactions, for which a statutory exemption applies.

Note 9 – Reconciliation of Financial Statements to Schedule H of Form 5500

Interest-bearing cash (representing accrued interest from money market funds) as reported on Form 5500, Schedule H, in the amounts of $7 and $7 as of December 31, 2021 and 2020, respectively, are included with investments in the financial statements.

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	$ 12,892,682	$ 10,714,765
Excess contributions payable	3,111	6,074
Net assets available for benefits per Schedule H to the Form 5500	$ 12,895,793	$ 10,720,839

Note 9 – Reconciliation of Financial Statements to Schedule H of Form 5500 (continued)

Excess contributions are recorded on Form 5500 when paid, whereas the financial statements have been prepared on the accrual basis of accounting. The following is a reconciliation of participant contributions and benefits paid to participants per the financial statements for the year ended December 31, 2021 to Schedule H of Form 5500:

	Participant Contributions
Contributions per the financial statements	$ 514,681
Plus: excess contributions payable at December 31, 2021	3,111
Contributions per Schedule H to the Form 5500	$ 517,792

	Benefits Paid to Participants
Benefits paid to participants per the financial statements	$ 307,552
Plus: excess contributions payable at December 31, 2020	6,074
Benefits paid to participants per Schedule H to the Form 5500	$ 313,626

Note 10 – Plan Amendments

The Plan was amended effective January 1, 2020 with respect to hardship withdrawals to eliminate the six-month contribution suspension period, eliminate the requirement to exhaust the Plan's loan provisions and expand the sources for hardship distributions to include qualified nonelective contributions, qualified matching contributions and earnings accrued after December 31, 2018.

Effective January 1, 2021 the Plan was amended to allow employee deferral contributions up to 15% of eligible compensation and allow voluntary automatic increase elections.

Effective January 1, 2022 the Plan was amended and restated to incorporate Cycle 3 required modifications issued by the IRS in October of 2017.
