INDEPENDENT AUDITOR'S REPORT

Board of Trustees and Plan Participants of
IBEW Local 972 Pension Plan & Trust
Ona, West Virginia

Opinion

We have audited the financial statements of IBEW Local 972 Vacation Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of IBEW Local 972 Vacation Fund, as of December 31, 2021, and the changes in net assets available for benefits for year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The financial statements of IBEW Local 972 Vacation Fund for the year ended December 31, 2020 were audited by another auditor who expressed an unmodified opinion of those statements on September 30, 2021.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IBEW Local 972 Pension Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1 – DESCRIPTION OF THE PLAN

The following description of the IBEW Local 972 Pension Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan was formed by an agreement (the Agreement) between the Contractors' Association and IBEW Local Union 972 (the Union). The Plan covers all eligible members of the Union employed under the terms of the collective bargaining agreement (CBA) with the members of the Contractors' Association. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of the Plan is the responsibility of the Board of Trustees (The Trustees) and is governed by a joint board consisting of equal representation from the participating employers and the Union.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law and impacted certain aspects of the Plan. See Note 8 which describes temporary provisions adopted due to the CARES Act.

Contributions

On a monthly basis, employers contribute to the Plan on behalf of participants, at a specified rate per hour worked, as approved by the terms of the CBA. Such contributions and related reports are due in the month subsequent to the month in which participating employees are paid. Assessments and legal action may be imposed on contractors for reports filed on a delinquent basis. Contributions by participants are not permitted under the Plan. Contributions held by or owed to other geographical pension funds, under reciprocity agreements, are recorded as receivables or payables. Employers contributed one and a half times the normal rate for overtime hours worked and double the normal rate for double time hours worked. Contribution rates for 2021 and 2020, were as follows:

<u>Time Period</u>	<u>Rate Per Hour Worked</u>
June 1, 2019 - May 31, 2020	\$9.10
June 1, 2020 - May 31, 2021	\$9.60
June 1, 2021 - May 31, 2022	\$10.00

Participant Accounts

Each participant's account is credited with the allocations of (a) the Employer's contributions and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined.

IBEW Local 972 Pension Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

Participant-Directed Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions into any of several investment options with varying degrees of risk and volatility, allowing participants to allocate their investments in accordance with their own risk tolerances and time horizons. Participants may change their investment options at any time.

Vesting

Participants are immediately vested in all contributions made for them, plus allocated earnings thereon.

Payment of Benefits

A participant may elect to receive benefits under various payment plans as outlined in the agreement. These payment plans meet current ERISA requirements. Upon the death of a participant, the beneficiaries may elect to receive benefits under one of the payment plans. See Note 8 which describes temporary provisions adopted due to the CARES Act.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies utilizing information provided by the investment advisor and Charles Schwab, the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

IBEW Local 972 Pension Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan, including participant recordkeeping, are paid by the Plan and are included in these financial statements. Certain fees related to distributions and the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Contributions Receivable

Employers' contributions receivable represents amounts due from contractors for hours worked under the terms of the CBA but not received prior to the Plan year-end. Plan management has determined all receivables to be collectible, and therefore, no allowance is considered necessary.

Reciprocity Receivables and Payables

The trustees have entered into the Electrical Industry Pension Reciprocal Agreement whereby employees in the electrical construction industry, who are employed in jurisdictions of different IBEW local unions and have employer contributions made to different pension funds, may choose to have monies transferred to their home pension fund. The reciprocity receivables and payables represent those funds collected or remitted subsequent to year-end for hours worked during the year.

Concentration of Credit Risk

The Plan collects contributions under CBAs negotiated with the companies located throughout Ohio and West Virginia. Its reported revenues depend in part on the level of employment and economic conditions affecting its employer companies as well as fluctuation in the market value of its investments.

Checking accounts are maintained at local commercial banks. The Federal Deposit Insurance Corporation (FDIC) guarantees accounts against loss up to \$250,000. From time to time during the year, the balance in the Plan's checking accounts could exceed the FDIC limits.

Subsequent Events

Subsequent events have been evaluated the date of the auditors' report, which is the date of the financial statements were available to be issued.

IBEW Local 972 Pension Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3 – INVESTMENTS

An investment advisor, The Atlanta Consulting Group, has been retained by the Plan to oversee the activities of Charles Schwab and to ensure the funds available to participants comply with the Plan's overall investment policy. The investment advisor reports to the Trustees.

4 – FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The Three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; or
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities

IBEW Local 972 Pension Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value common collective trust fund: Valued based on the NAV of units of the collective trust fund. The NAV as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value by level, within the fair value hierarchy, are comprised of the following at December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 78,775,492	\$ -	\$ -	\$ 78,775,492

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For the years ended December 31, 2021 and 2020, the Plan did not hold any Level 2 or Level 3 assets.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following tables summarize the investment measured at fair valued based on NAV per share as a practical expedient as of December 31, 2021 and 2020:

<u>Investments</u>	December 31, 2021			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
IBEW/NECA Stable Value Fund *	\$ 9,430,946	-	Daily	10 days

<u>Investments</u>	December 31, 2020			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
IBEW/NECA Stable Value Fund *	\$ 7,629,150	-	Daily	10 days

- (*) In accordance with the terms of the IBEW/NECA Stable Value Fund trust agreement, participant units are issued and redeemed only at the end of each day at the net unit contract value, provided that the redeeming participant plans comply with a required two-year notice provision.

5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Charles Schwab. Charles Schwab is the custodian as defined by the Plan and, therefore, such transactions and associated administrative expenses qualify as party-in-interest transaction. Fees paid by the Plan to Charles Schwab were \$133,089 and \$133,261 for the years ended December 31, 2021 and 2020, respectively.

6 – PLAN TERMINATION

Although there has been no expressed intent to do so, the Contractors' Association and the Union, under the trust agreement, have the right to propose termination of the provisions of the CBA relating to payment of contributions to the Plan. In the event of Plan termination, participants would receive the entire balance of their accounts.

IBEW Local 972 Pension Plan & Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

7 – RISKS AND UNCERTAINTIES

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 and 2020 statements of net assets available for benefits.

8 – CARES ACT

The CARES Act had impact on several matters and the Plan adopted the following provisions: Participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distributions and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived.

The Plan has not formalized an amendment regarding the adoption of provisions related to the CARES Act as of December 31, 2021. Under the terms of the CARES Act adoption of a formalized amendment is not required until December 31, 2022.

9 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Trustees by a letter dated December 11, 2015, that the Plan is qualified and the related trust established under the Plan is tax-exempt, under the appropriate sections of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has been amended since the effective date of the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
