INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator,
Tenacre Foundation 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Tenacre Foundation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required by ERISA

The supplemental schedule H, line 4a – schedule of delinquent participant contributions for the year ended December 31, 2021, and schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of Tenacre Foundation 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering employees of Tenacre Foundation (the “Organization”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

Employees that have attained the minimum age of 18 are immediately eligible upon the start of their employment.

Eligible employees will receive safe harbor matching contributions. All employees are immediately eligible to receive a safe harbor contribution. The Plan also allows for additional discretionary matching contributions to be made, subject to the above eligibility provisions.

The Plan allows for profit sharing contributions to be made by the Organization to all eligible employees at the discretion of the Organization’s Board of Custodians. All employees are eligible for profit sharing contributions immediately after such employee has completed 250 hours of service within a 12-month period.

Contributions

Each year, participants may contribute up to 100% of eligible compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. In accordance with IRC Section 401(k)(12) *Safe Harbor Plan*, the Organization is required to make a matching contribution to the Plan in the amount of 100% of the participant’s deferral up to 6% of his/her eligible compensation. For the year ended December 31, 2021, the Organization made safe harbor matching contributions in the amount of \$638,998.

Additional discretionary and profit-sharing contributions may be made at the option of the Organization’s Board of Custodians, and such contributions will be allocated to eligible participants based on their inclusion in specified groups as determined by the Organization. For the year ended December 31, 2021, the Organization made profit sharing contributions in the amount of \$945,000. Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Organization’s contributions and (b) Plan earnings and is charged with an allocation of investment expenses. Participant accounts are reduced by withdrawals and forfeitures. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Participants self-direct their investments.

Vesting

Participants are vested immediately in their contributions as well as the Organization’s safe harbor matching contributions, discretionary matching contributions and profit-sharing contributions, plus actual earnings thereon.

Tenacre Foundation 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the balance in the participant's account. Each note will bear a rate of interest to be determined by the Plan administrator when the note is made and must be repaid within five years by equal payments made at least quarterly, except for a note to buy the participant's principal residence, which can be repaid over more than five years. Interest rates on the outstanding loans at December 31, 2021 ranged between 4.25% and 6.50%, and the loans are due at various dates through 2050.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account if the amount of vested interest is \$1,000 or less. If the account is between \$1,000 and \$5,000 and the participant has not made an election as to what he or she wishes to do with the balance, the Plan administrator may elect to directly roll the balance into an individual retirement account. If the amount of vested interest is greater than \$5,000, a participant may elect to receive his or her distribution in a lump sum or in installments.

Forfeitures

At December 31, 2021 and 2020, amounts totaled \$4,846 and \$3,918, respectively, which represent forfeitures from participants in previous plan years that had vesting requirements and earnings on those forfeited accounts. In accordance with the Plan agreement, there were no forfeitures during the year ended December 31, 2021.

Plan Expenses

The Organization pays substantially all expenses incurred by the Plan. Administrative expenses paid by the Plan amounted to \$15,188 for the year ended December 31, 2021. In addition, certain investment related expenses have been offset with net investment income and are not readily determinable.

Plan Termination

Although it has not expressed any intent to do so, the Organization has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make significant estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability between market participants at the measurement date. See Note 4 for further discussion on the fair value of investments. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned on an accrual basis. Purchases and sales of investments are recorded on a trade date basis. Net appreciation in fair value of investments consists of the realized gains or losses and the unrealized appreciation on the investments.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes receivable from participants are recorded as distributions on the basis of the terms of the Plan agreement.

3. INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Ascensus Trust Company (the "Custodian") has certified the completeness and accuracy of all investments and notes receivable from participants as of December 31, 2021 and 2020 in the accompanying statements of net assets available for benefits and the related investment and notes receivable from participant activity for the year ended December 31, 2021 in the accompanying statement of changes in net assets available for benefits, as well as the supplementary schedule H, part IV, line 4i – schedule of assets (held at end of year) as of December 31, 2021. No auditing procedures were performed by the independent auditors as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Custodian, except for comparing such information with the related information included in the financial statements and supplementary schedules. Based on information provided and certified by the Custodian, there are no fixed income obligations, leases or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2021 and 2020.

4. FAIR VALUE ACCOUNTING

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Such inputs include quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Notes to Financial Statements
December 31, 2021 and 2020

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered investment companies and interest-bearing cash: Shares of registered investment companies and interest-bearing cash (money market mutual fund) are valued on the last business day of the year based on published market values in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2021				
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	\$ 1,282,502	\$ -	\$ -	\$ 1,282,502

	<u>\$ 30,003,258</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 30,003,258</u>
2020				
	Level 1	Level 2	Level 3	Total

Registered investment companies	22,831,617	-	-	22,831,617
	<u>\$ 23,899,659</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,899,659</u>

5. INCOME TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Organization, by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Tenacre Foundation 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for periods presented in these financial statements.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan has engaged outside parties to perform investment management, custodial and administration services on behalf of the Plan. These transactions qualify as party-in-interest transactions. Certain investment related fees are reflected as an offset to net investment income and are not readily determinable. Notes receivable from participants are transactions with participants; these qualify as exempt party-in-interest transactions.

7. RISKS AND UNCERTAINTIES

The Plan provides for various investment options in various combinations of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. PROHIBITED TRANSACTIONS

During 2020, the Organization failed to timely remit to the Plan's Custodian certain employee contributions within the period prescribed by DOL regulations. Delays in remitting contributions to the Custodian were due to administrative errors. The delayed contributions amounted to \$387 for the year ended December 31, 2020, and were deposited in 2021. As a result, in 2021, the Organization made contributions to affected participants' accounts to compensate those participants for potential lost income in the amount of \$16.

9. SUBSEQUENT EVENTS

Subsequent events were evaluated through October 12, 2022, the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred which would require disclosure in the financial statements.
