INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
Dental365 401(K) Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Dental365 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material

respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Dental365 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Dental365 401(k) Plan (2020 Financial Statements). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Dental365 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following brief description of the Dental365 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

(a) General

The Plan is a defined contribution retirement plan established on January 1, 2019, subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), and to the provisions of the Internal Revenue Code of 1986, as amended (the “Code”), as it pertains to plans intended to qualify under Section 401(a) of the Code. Premier Care Dental Management, LLC (the “Company” or “Employer”) is the sponsor of the Plan. Reliance Trust Company was the trustee of the Plan through November 30, 2021. T. Rowe Price Plan Services served as the account administrator and recordkeeper through November 30, 2021. DST Retirement Solutions, LLC served as the Third-Party Administrator (“TPA”) through November 30, 2021. Effective December 1, 2021, Fidelity Management Trust Company serves as the trustee. The Plan’s assets were primarily held in trust with Fidelity Management Trust Company as of December 31, 2021. Effective December 1, 2021, the recordkeeping services for the Plan were performed by Fidelity Investments Institutional (“Fidelity”).

(b) Eligibility and Plan Entry Dates

The Plan covers all employees of the Company, except the following employees:

For the purpose of making electives deferrals, and receiving matching contributions and non-elective contributions, the following employees will not be eligible:

- i) union employees whose employment is governed by a collective bargaining agreement;
- ii) employees who are non-resident aliens who do not receive earned income from U.S. sources;

Dental365 401(k) Plan

Notes to Financial Statements

- iii) part-time, temporary or seasonal employees whose regularly scheduled service hours are less than 1,000 hours.

Employees must have attained the age of 21 and have completed 3 months of service to be eligible to enter the plan. Participants may start contributing on the first of the month following the date the eligibility requirements are satisfied. Participants are eligible to begin receiving matching contributions once they are eligible to make salary deferrals.

(c) Contributions

Participants in the Plan may elect to contribute between 1% up to 100% of compensation, subject to the maximum allowed by the Code. Roth Contributions are also permitted. The Plan also contains an automatic 3% enrollment provision for the Plan years 1 and 2, 4% for Plan year 3, 5% for Plan year 4 and 6% for Plan years 5 and thereafter unless the participant elects to opt out. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may elect to suspend their contributions and to change their elective deferral at any date.

Matching and profit sharing contributions by the Company (“Employer Contributions”) to the Plan are discretionary and are authorized for each Plan year by the Company for the benefit of eligible employees. Employer contributions are invested directly into each participant’s account in the same investment allocation percentage as the participant has elected for his or her account. Employer will make a matching contribution equal to 100% of the participant’s salary deferral that do not exceed 1% of compensation plus 50% of salary deferral between 1% and 6% of compensation.

Vesting in any Employer Contributions occurs ratably over a period of six years.

From time to time, the Plan Sponsor may decide to make additional profit sharing or matching deposits for eligible employees. This will be declared by the Company on an annual basis. The Company did not make any profit sharing contributions for the 2021 Plan year.

Notes to Financial Statements

(d) Participant Accounts

Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant's account is credited with the pre-tax contributions made by the participant and employer discretionary matching contributions allocated to the participant, if any. Participants' accounts are also credited with discretionary non-elective contributions as authorized each year. In addition, the Plan accepts rollover contributions from other employers' qualified plans or from eligible Individual Retirement Accounts.

Each participant's account is credited with its share of investment income (losses), which is interest, dividends, and appreciation or depreciation in the fair value of the underlying assets, net of administrative expenses, for the funds in which that account is invested. The benefit to which a participant is entitled is the participant's vested account balance.

(e) Forfeitures

Forfeitures of terminated participants' non-vested account balances may be used to pay Plan expenses, reduce Employer Contributions or can be allocated to participants. As of December 31, 2021 and 2020, unallocated forfeitures totaled \$94,434 and \$0, respectively. For the year ended December 31, 2021 forfeitures totaling \$36,759 were used to reduce the Employer Contributions.

Dental365 401(k) Plan

Notes to Financial Statements

(f) Vesting

Employee contributions, plus actual earnings thereon, vest immediately.

Participants vest in any discretionary employer match and non-elective profit sharing contributions according to the following schedule. A participant's vesting percentage increases to 100% in the Company's discretionary matching and non-elective profit sharing contributions if, while employed with the Company, the employee dies, or becomes disabled and at the employees normal retirement age.

0% for less than 2 years,
20% for 2 years but less than 3 years,
40% for 3 years but less than 4 years,
60% for 4 years but less than 5 years,
80% for 5 years but less than 6 years,
100% for 6 years or more.

(g) Payment of Benefits

Upon termination of employment, retirement (age 65), disability, or death; participants (their beneficiary or their estates) may elect to receive the vested portion of their account in the form of a direct rollover, a lump-sum payment or annual installment payments over a specified period of time. The Plan also allows for in-service withdrawals for participants that have attained age 59 ½.

The Plan provides that accounts of terminated participants are distributed in a single lump-sum payment if their vested balance is \$5,000 or less.

(h) Administrative Expenses

The Plan pays certain administrative expenses associated with professional services provided to the Plan. Other expenses are paid by the Company.

Dental365 401(k) Plan

Notes to Financial Statements

(i) *Coronavirus Aid, Relief, and Economic Security Act*

The Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”), signed into law March 27, 2020, provided temporary relief to participants in retirement plans. To be eligible for CARES Act relief, the participant must have satisfied one of the following requirements:

- The participant has been diagnosed with COVID-19 or the virus SARS-CoV-2 by a CDC-approved test;
- The participant’s spouse or other tax dependent (as defined by IRS Code Section 152) has been diagnosed with COVID-19 or the virus SARS-CoV-2 by a CDC-approved test; or
- The participant is experiencing adverse financial consequences related to COVID-19.

As a result of the CARES Act, the participant loan limit was temporarily increased to the lesser of \$100,000 or 100% of the vested account balance. This increase was permitted for loans granted from March 27, 2020 through September 23, 2020. In addition, repayments of loans due between March 27, 2020 and December 31, 2020 were allowed to be deferred until December 31, 2020 upon participant request. In addition, if eligible, a participant, regardless of age and appointment status, was able to withdraw up to \$100,000, or his/her total vested account balance, if less through December 30, 2020. Any such distribution was not subject to the 10% early withdrawal federal penalty that generally applies to distributions taken before age 59½. The distribution is included in the participant’s taxable gross income ratably over a three-year tax period beginning with the 2020 tax year.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for the common collective trust fund. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4.

Purchases and sales of investments are recorded on a trade date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

The T. Rowe Price Stable Value Common Trust Fund "Stable Value Fund" is a common collective trust fund sponsored by T. Rowe Price. The beneficial interest of each participant is represented by units. Units are issued and redeemed daily at the Fund's constant net asset value (NAV) of \$1 per unit. Distribution to the Fund's unitholders is declared daily from the net investment income and automatically reinvested in the Fund on a monthly basis when paid. It is the policy of the Fund to use its best efforts to maintain a stable net asset value of \$1 per unit, although there is no guarantee that the Fund will be able to maintain this value.

Payment of Benefits

Benefits are recorded when paid.

Notes to Financial Statements

Risk and Uncertainties

Participants can invest in various securities, including mutual funds. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. We cannot reasonably estimate the length or severity of this pandemic. The impact on our 2022 financial statements is uncertain at this time.

Notes to Financial Statements

3. Investments

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value as follows:

<i>Year ended December 31,</i>	<i>2021</i>
Mutual funds	\$ 1,114,199
Common collective trust fund	1,085
Total appreciation	\$ 1,115,284

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- a) Quoted prices for similar assets and liabilities in active markets;
- b) Quoted prices for identical or similar assets and liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or by other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology that are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Dental365 401(k) Plan

Notes to Financial Statements

The valuation methodologies used may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements as of the reporting date.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual funds: The fair values of the mutual funds are determined by obtaining quoted prices on nationally recognized securities exchanges in an active market and are classified within Level 1 of the valuation hierarchy.

Common collective trust fund: The Stable Value Fund is valued at contract value for presentation in the Plan's net assets available for benefits. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit responsive investment contracts, because contract value is that amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract has a surrender fee should the Plan discontinue without proper notification as prescribed in the contract. Currently, Plan management believes that the occurrence of an event that would cause the Plan to transact at less than contract value is not probable. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

During the years ended December 31, 2021 and 2020, there were no transfers between levels of the fair value hierarchy.

The following sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investment assets at fair value at December 31, 2021				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

5. Information Certified by the Trustees

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Reliance Trust Company, the trustee of the Plan through November 30, 2021 and Fidelity Management Trust Company, the trustee of the Plan effective as of December 1, 2021, as complete and accurate, except for comparing such information certified by the trustees of the Plan to the information included in the Plan's financial statements and supplemental schedule.

<i>December 31,</i>	2021	2020
Mutual Funds	\$ 11,904,779	\$ 6,981,572

Net appreciation in value of common collective trust fund	1,085	

Dental365 401(k) Plan

Notes to Financial Statements

6. Tax Status

The Plan has adopted a prototype 401(k) plan document designed by Fidelity, which received a favorable opinion dated June 30, 2020. The opinion indicates that the prototype plan has been reviewed by the Internal Revenue Service (IRS) and satisfies the applicable provisions of the Internal Revenue Code. The Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes that the Plan is qualified and tax exempt as of the date of the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Party-In-Interest Transactions

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Additionally, certain Plan expenses are paid directly by the Company.

The Plan invests in certain mutual funds that are managed by Fidelity. Fidelity is an affiliate of the trustee and, therefore, these transactions qualify as party-in-interest transactions.

Certain Plan investments were managed by T. Rowe Price RPS, Inc. through November 30, 2021. T. Rowe Price Plan Services was the account administrator and recordkeeper for the Plan through November 30, 2021 and, therefore, these transactions qualify as party in interest transactions. T. Rowe Price RPS, Inc. received revenue from mutual fund service providers for services T. Rowe Price RPS, Inc. provided to the funds. This revenue was used to offset certain amounts owed to T. Rowe Price for its administrative services to the Plan.

If the revenue received by T. Rowe Price from such mutual fund service providers exceeded the amount owed to T. Rowe Price, T. Rowe Price remitted

Dental365 401(k) Plan

Notes to Financial Statements

the excess to the Plan on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2021 there were no excess amounts. The Plan or Plan Sponsor may make payments to T. Rowe Price or Fidelity for administrative expenses not covered by revenue sharing.

- 8. Plan Termination** Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan or the complete discontinuance of contributions by the Company under the Plan, the participants' accounts will become fully vested and non-forfeitable in accordance with the terms of the Plan.
- 9. Subsequent Events** The Company has evaluated subsequent events from January 1, 2022 through October 4, 2022, the date the financial statements were available to be issued, and has determined that there are no events to disclose.
