Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of TEAM ONE CONTRACT SERVICES 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America;

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of TEAM ONE CONTRACT SERVICES 401(K) PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TEAM ONE CONTRACT SERVICES 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TEAM ONE CONTRACT SERVICES 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TEAM ONE CONTRACT SERVICES 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i-Schedule of Assets (Held At End of Year) and Schedule H, line 4a-Schedule of Delinquent Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of TEAM ONE CONTRACT SERVICES 401(K) PLAN. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Team One Contract Services 401(K) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan, formed on September 15, 2004, is a defined contribution plan covering all eligible employees of Team One Contract Services (the “Company”), which includes a salary reduction feature that meets the requirements of Section 401(K) of the Internal Revenue Code. The Plan covers all full-time employees of the Company who have thirty days of service and are at least 18 years old. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Employee contributions are made using funds withheld by the Company from compensation of participants. Each year, participants may contribute a portion of their pre-tax annual compensation, as specified in an elective deferral agreement and defined in the plan, not to exceed the dollar limit. Participants may also make certain after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Matching contributions are discretionary. Additional profit-sharing amounts may be contributed at the option of the Company’s board of directors.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of the Company’s contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided in the plan agreement from the participant’s vested account.

Vesting – Each participant account is credited with employee and employer contributions and earnings of each of the funds in which that participant’s contributions have been invested. Each participant is fully vested at all times in his or her salary reduction contributions plus actual earnings thereon. Vesting for all other employer contributions is based on years of continuous service. Participants are 100% vested after three years of service.

Investment Options – Upon enrollment in the Plan, a participant may direct employee contributions, in various Fidelity Management Trust Company (“Fidelity”) investment options. Participants may change their investment options as they deem necessary.

Payment of Benefits – Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in installments.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants – Participants may borrow from their fund accounts from a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer from the investment fund to the Notes Receivable Participant account. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest, at a reasonable rate per year, is paid ratably through payroll deductions.

CARES Act – The Plan has adopted the provisions of the CARES Act as signed into law on March 27, 2020. The Plan document will be formally amended to include the legislative changes as of December 31, 2022.

Forfeitures – Forfeitures are created when participants terminate employment before becoming fully vested. The Plan calls for forfeitures to be used to reduce future employer contributions or administrator fees. A total of \$4,010 of forfeitures were used in the current year to reduce the prior year employer match. At December 31, 2021 and 2020, forfeitures of \$21,764 and \$3,909, respectively, were available.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Plan Fees – Certain expenses for the Plan are paid by the Sponsor and are not included in the Statement of Changes in Net Assets Available for Benefits.

Risks and Uncertainties – The Plan's invested assets ultimately consist of investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

As a result of the COVID-19 outbreak, there have been mandates issued by various government authorities that have resulted in an overall decline in economic activity. The ultimate impact of COVID-19 on the financial performance of the Plan's investments is undeterminable at this time.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded monthly. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements and the net assets available for benefits per the Form 5500 for December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net Assets available for Benefits per the financial statements	\$ 6,936,047	\$ 6,820,898
Employer Contribution Receivable	<u>(114,467)</u>	<u>(71,675)</u>
Net Assets available for Benefits per the Form 5500	<u>\$ 6,821,580</u>	<u>\$ 6,749,223</u>

A difference in the statement of changes in net assets available for benefits between the financial statements and 5500 exist, as follows:

	<u>2021</u>
Employer Contributions per 5500	\$ 88,451
2020 Employer Contributions Receivable	(71,675)
2021 Employer Contributions Receivable	<u>114,467</u>
Employer Contribution per Financial Statements	<u>\$ 131,243</u>

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date. No approved benefit claims existed at December 31, 2021, which were not paid.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 5 TAX STATUS

The Internal Revenue Service has determined and informed Fidelity by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. The Plan administrator believes that the plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

	<u>2021</u>	<u>2020</u>
Investments at Fair Value:		
Mutual Funds	<u>\$ 6,659,271</u>	<u>\$ 6,512,947</u>
Notes Receivable from Participants	<u>\$ 162,309</u>	<u>\$ 236,276</u>
Net appreciation in the fair value of investments	<u>\$ 141,698</u>	

NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Fidelity performs services for and sells products to and manages and maintains certain investments of the Plan for which fees are charged to the Plan. Both the Plan Sponsor and the Plan can pay these fees. Such transactions, while considered party in interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party in interest transactions under ERISA.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

**NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS
(CONTINUED)**

Fidelity provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement (“MSA”) between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the MSA, Fidelity remits the excess to the Plan’s trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2021, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is also the investment trustee, as defined by the Plan, and, therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan for the investment management fees and services totaled \$2,125 in 2021.

NOTE 8 FAIR VALUE MEASUREMENTS

The Plan established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

- | | |
|----------------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the assets or liabilities;• inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 8 FAIR VALUE MEASUREMENTS (CONTINUED)

If the assets or liabilities have a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value. As required, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 9 ROLLOVER CONTRIBUTIONS

A total of \$212,575 was rolled into the Plan during the year ended December 31, 2021 and is included in rollovers on the Statement of Changes in Net Assets Available for benefits.

NOTE 10 DELINQUENT EMPLOYEE DEFERRAL TRANSMITTALS

During 2020, the Company erroneously failed to timely remit certain employee deferrals to the plan aggregating \$14,426. These deferrals were pending correction as of October 14, 2022. The Company computed the lost earnings on these late remittances and subsequently made a contribution for lost earnings to the affected participants in the plan.

NOTE 11 SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 14, 2022, the date the financial statements were issued.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of TEAM ONE CONTRACT SERVICES 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America;

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of TEAM ONE CONTRACT SERVICES 401(K) PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TEAM ONE CONTRACT SERVICES 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TEAM ONE CONTRACT SERVICES 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TEAM ONE CONTRACT SERVICES 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i-Schedule of Assets (Held At End of Year) and Schedule H, line 4a-Schedule of Delinquent Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of TEAM ONE CONTRACT SERVICES 401(K) PLAN. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Team One Contract Services 401(K) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan, formed on September 15, 2004, is a defined contribution plan covering all eligible employees of Team One Contract Services (the “Company”), which includes a salary reduction feature that meets the requirements of Section 401(K) of the Internal Revenue Code. The Plan covers all full-time employees of the Company who have thirty days of service and are at least 18 years old. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Employee contributions are made using funds withheld by the Company from compensation of participants. Each year, participants may contribute a portion of their pre-tax annual compensation, as specified in an elective deferral agreement and defined in the plan, not to exceed the dollar limit. Participants may also make certain after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Matching contributions are discretionary. Additional profit-sharing amounts may be contributed at the option of the Company’s board of directors.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of the Company’s contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided in the plan agreement from the participant’s vested account.

Vesting – Each participant account is credited with employee and employer contributions and earnings of each of the funds in which that participant’s contributions have been invested. Each participant is fully vested at all times in his or her salary reduction contributions plus actual earnings thereon. Vesting for all other employer contributions is based on years of continuous service. Participants are 100% vested after three years of service.

Investment Options – Upon enrollment in the Plan, a participant may direct employee contributions, in various Fidelity Management Trust Company (“Fidelity”) investment options. Participants may change their investment options as they deem necessary.

Payment of Benefits – Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in installments.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants – Participants may borrow from their fund accounts from a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer from the investment fund to the Notes Receivable Participant account. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest, at a reasonable rate per year, is paid ratably through payroll deductions.

CARES Act – The Plan has adopted the provisions of the CARES Act as signed into law on March 27, 2020. The Plan document will be formally amended to include the legislative changes as of December 31, 2022.

Forfeitures – Forfeitures are created when participants terminate employment before becoming fully vested. The Plan calls for forfeitures to be used to reduce future employer contributions or administrator fees. A total of \$4,010 of forfeitures were used in the current year to reduce the prior year employer match. At December 31, 2021 and 2020, forfeitures of \$21,764 and \$3,909, respectively, were available.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Plan Fees – Certain expenses for the Plan are paid by the Sponsor and are not included in the Statement of Changes in Net Assets Available for Benefits.

Risks and Uncertainties – The Plan's invested assets ultimately consist of investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

As a result of the COVID-19 outbreak, there have been mandates issued by various government authorities that have resulted in an overall decline in economic activity. The ultimate impact of COVID-19 on the financial performance of the Plan's investments is undeterminable at this time.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded monthly. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements and the net assets available for benefits per the Form 5500 for December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net Assets available for Benefits per the financial statements	\$ 6,936,047	\$ 6,820,898
Employer Contribution Receivable	<u>(114,467)</u>	<u>(71,675)</u>
Net Assets available for Benefits per the Form 5500	<u>\$ 6,821,580</u>	<u>\$ 6,749,223</u>

A difference in the statement of changes in net assets available for benefits between the financial statements and 5500 exist, as follows:

	<u>2021</u>
Employer Contributions per 5500	\$ 88,451
2020 Employer Contributions Receivable	(71,675)
2021 Employer Contributions Receivable	<u>114,467</u>
Employer Contribution per Financial Statements	<u>\$ 131,243</u>

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date. No approved benefit claims existed at December 31, 2021, which were not paid.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 5 TAX STATUS

The Internal Revenue Service has determined and informed Fidelity by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. The Plan administrator believes that the plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

	<u>2021</u>	<u>2020</u>
Investments at Fair Value:		
Mutual Funds	<u>\$ 6,659,271</u>	<u>\$ 6,512,947</u>
Notes Receivable from Participants	<u>\$ 162,309</u>	<u>\$ 236,276</u>
Net appreciation in the fair value of investments	<u>\$ 141,698</u>	

NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Fidelity performs services for and sells products to and manages and maintains certain investments of the Plan for which fees are charged to the Plan. Both the Plan Sponsor and the Plan can pay these fees. Such transactions, while considered party in interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party in interest transactions under ERISA.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

**NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS
(CONTINUED)**

Fidelity provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement (“MSA”) between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the MSA, Fidelity remits the excess to the Plan’s trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2021, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is also the investment trustee, as defined by the Plan, and, therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan for the investment management fees and services totaled \$2,125 in 2021.

NOTE 8 FAIR VALUE MEASUREMENTS

The Plan established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

- | | |
|----------------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the assets or liabilities;• inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 8 FAIR VALUE MEASUREMENTS (CONTINUED)

If the assets or liabilities have a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value. As required, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 9 ROLLOVER CONTRIBUTIONS

A total of \$212,575 was rolled into the Plan during the year ended December 31, 2021 and is included in rollovers on the Statement of Changes in Net Assets Available for benefits.

NOTE 10 DELINQUENT EMPLOYEE DEFERRAL TRANSMITTALS

During 2020, the Company erroneously failed to timely remit certain employee deferrals to the plan aggregating \$14,426. These deferrals were pending correction as of October 14, 2022. The Company computed the lost earnings on these late remittances and subsequently made a contribution for lost earnings to the affected participants in the plan.

NOTE 11 SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 14, 2022, the date the financial statements were issued.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of TEAM ONE CONTRACT SERVICES 401(K) PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America;

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of TEAM ONE CONTRACT SERVICES 401(K) PLAN and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TEAM ONE CONTRACT SERVICES 401(K) PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TEAM ONE CONTRACT SERVICES 401(K) PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TEAM ONE CONTRACT SERVICES 401(K) PLAN's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i-Schedule of Assets (Held At End of Year) and Schedule H, line 4a-Schedule of Delinquent Contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of TEAM ONE CONTRACT SERVICES 401(K) PLAN. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Team One Contract Services 401(K) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan, formed on September 15, 2004, is a defined contribution plan covering all eligible employees of Team One Contract Services (the “Company”), which includes a salary reduction feature that meets the requirements of Section 401(K) of the Internal Revenue Code. The Plan covers all full-time employees of the Company who have thirty days of service and are at least 18 years old. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Employee contributions are made using funds withheld by the Company from compensation of participants. Each year, participants may contribute a portion of their pre-tax annual compensation, as specified in an elective deferral agreement and defined in the plan, not to exceed the dollar limit. Participants may also make certain after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Matching contributions are discretionary. Additional profit-sharing amounts may be contributed at the option of the Company’s board of directors.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of the Company’s contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided in the plan agreement from the participant’s vested account.

Vesting – Each participant account is credited with employee and employer contributions and earnings of each of the funds in which that participant’s contributions have been invested. Each participant is fully vested at all times in his or her salary reduction contributions plus actual earnings thereon. Vesting for all other employer contributions is based on years of continuous service. Participants are 100% vested after three years of service.

Investment Options – Upon enrollment in the Plan, a participant may direct employee contributions, in various Fidelity Management Trust Company (“Fidelity”) investment options. Participants may change their investment options as they deem necessary.

Payment of Benefits – Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or in installments.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants – Participants may borrow from their fund accounts from a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer from the investment fund to the Notes Receivable Participant account. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest, at a reasonable rate per year, is paid ratably through payroll deductions.

CARES Act – The Plan has adopted the provisions of the CARES Act as signed into law on March 27, 2020. The Plan document will be formally amended to include the legislative changes as of December 31, 2022.

Forfeitures – Forfeitures are created when participants terminate employment before becoming fully vested. The Plan calls for forfeitures to be used to reduce future employer contributions or administrator fees. A total of \$4,010 of forfeitures were used in the current year to reduce the prior year employer match. At December 31, 2021 and 2020, forfeitures of \$21,764 and \$3,909, respectively, were available.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefits are recorded when paid.

Plan Fees – Certain expenses for the Plan are paid by the Sponsor and are not included in the Statement of Changes in Net Assets Available for Benefits.

Risks and Uncertainties – The Plan's invested assets ultimately consist of investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

As a result of the COVID-19 outbreak, there have been mandates issued by various government authorities that have resulted in an overall decline in economic activity. The ultimate impact of COVID-19 on the financial performance of the Plan's investments is undeterminable at this time.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded monthly. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 3 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements and the net assets available for benefits per the Form 5500 for December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net Assets available for Benefits per the financial statements	\$ 6,936,047	\$ 6,820,898
Employer Contribution Receivable	<u>(114,467)</u>	<u>(71,675)</u>
Net Assets available for Benefits per the Form 5500	<u>\$ 6,821,580</u>	<u>\$ 6,749,223</u>

A difference in the statement of changes in net assets available for benefits between the financial statements and 5500 exist, as follows:

	<u>2021</u>
Employer Contributions per 5500	\$ 88,451
2020 Employer Contributions Receivable	(71,675)
2021 Employer Contributions Receivable	<u>114,467</u>
Employer Contribution per Financial Statements	<u>\$ 131,243</u>

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefit claims that have been processed and approved for payment prior to December 31, but not yet paid as of that date. No approved benefit claims existed at December 31, 2021, which were not paid.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 5 TAX STATUS

The Internal Revenue Service has determined and informed Fidelity by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. The Plan administrator believes that the plan is designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

	<u>2021</u>	<u>2020</u>
Investments at Fair Value:		
Mutual Funds	<u>\$ 6,659,271</u>	<u>\$ 6,512,947</u>
Notes Receivable from Participants	<u>\$ 162,309</u>	<u>\$ 236,276</u>
Net appreciation in the fair value of investments	<u>\$ 141,698</u>	

NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Fidelity performs services for and sells products to and manages and maintains certain investments of the Plan for which fees are charged to the Plan. Both the Plan Sponsor and the Plan can pay these fees. Such transactions, while considered party in interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party in interest transactions under ERISA.

**TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

**NOTE 7 RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS
(CONTINUED)**

Fidelity provides certain administrative services to the Plan pursuant to a Master Plan Service Agreement (“MSA”) between the Company and Fidelity. Fidelity receives revenue from mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the MSA, Fidelity remits the excess to the Plan’s trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2021, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

Certain Plan investments are shares of mutual funds managed by Fidelity. Fidelity is also the investment trustee, as defined by the Plan, and, therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan for the investment management fees and services totaled \$2,125 in 2021.

NOTE 8 FAIR VALUE MEASUREMENTS

The Plan established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

- | | |
|----------------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the assets or liabilities;• inputs that are derived principally from or corroborated by observable market data by correlation or other means. |

TEAM ONE CONTRACT SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 8 FAIR VALUE MEASUREMENTS (CONTINUED)

If the assets or liabilities have a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value. As required, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 9 ROLLOVER CONTRIBUTIONS

A total of \$212,575 was rolled into the Plan during the year ended December 31, 2021 and is included in rollovers on the Statement of Changes in Net Assets Available for benefits.

NOTE 10 DELINQUENT EMPLOYEE DEFERRAL TRANSMITTALS

During 2020, the Company erroneously failed to timely remit certain employee deferrals to the plan aggregating \$14,426. These deferrals were pending correction as of October 14, 2022. The Company computed the lost earnings on these late remittances and subsequently made a contribution for lost earnings to the affected participants in the plan.

NOTE 11 SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through October 14, 2022, the date the financial statements were issued.
