INDEPENDENT AUDITOR'S REPORT

To the Participants and Board of Directors of the
Schnucks Pay Deferral Plan
St. Louis, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Schnucks Pay Deferral Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Schnucks Pay Deferral Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Schnucks Pay Deferral Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Schnucks Pay Deferral Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Schnucks Pay Deferral Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Schnucks Pay Deferral Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Schnucks Pay Deferral Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Schnucks Pay Deferral Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following brief description of the Schnucks Pay Deferral Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan, a defined contribution 401(k) plan, was established to provide and administer certain retirement benefits for non-union employees of certain divisions of Schnucks Markets, Inc. (the "Company" or "Plan Sponsor") electing to participate in the Plan. An employee becomes eligible to participate in the Plan after completing 30 days of service, as defined, and attaining the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Available investment options are evaluated and approved by the Retirement Plan Committee, which consists of individuals employed by the Plan Sponsor. Participants can choose between 28 investment options. Fidelity Management Trust Company (the "Trustee") is the Plan's recordkeeper.

Contributions

Participants have the option of contributing from 1% to 50% of their annual compensation not to exceed the dollar limitations contained in the Internal Revenue Code ("IRC"), except for highly compensated employees who are limited to 12%. The Plan has a catch-up contribution option that allows employees who reached age 50 or more during the Plan year the option to make catch-up contributions to the Plan from 1% to 75% of their annual compensation of up to \$6,500 for both the years ending December 31, 2021 and 2020.

The Company may contribute at its discretion an amount equal to 25% of the contribution by a participant. The 25% matching contribution will be made upon a maximum of 6% of each participant's total eligible compensation.

The Plan incorporates an auto-enrollment feature for all eligible employees. If a deferral rate is not elected, the employee will automatically be enrolled at 3%. The Plan also includes a deferral escalation feature in which employees deferral rates will increase on November 1, annually by 1% per year until a maximum of 10% is reached.

Participant accounts

The assets of each investment fund are valued daily. Participants share in an investment fund's investment income and gains and losses in proportion to the amounts of their accounts invested in the investment fund. Amounts distributed or withdrawn do not share in an investment fund's investment income, gains, and losses.

1. DESCRIPTION OF THE PLAN (continued)

Vesting

The employer matching, participant contribution, and rollover contribution amounts credited to each Participant's account are fully vested and non-forfeitable.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have one loan outstanding at any time. The interest applied on the loan is comparable to the market rate being charged at the time of the loan application. Principal and interest are repaid directly back into the participant's account through payroll deductions. All loans must be repaid within four years and ten months, but may be repaid in entirety at any time, without penalty. Loans outstanding at December 31, 2021, bear interest at 3.25-5.50%, with maturity dates through October 2026.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits

On termination of service, the participant's benefit is available to be paid in a lump sum equal to the participant's account balance as of the valuation date just prior to the date the benefit is paid. Participants may withdraw certain basic contributions and related earnings thereon in the event of financial hardship as defined by the Plan.

Fully vested participants may also withdraw certain basic contributions thereon only in the event of a financial hardship as defined by the Plan and the IRC. For the 2020 calendar year, the Plan elected to make an in-service distribution of up to \$100,000 available to members affected by COVID-19, regardless of age, as allowed by the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act").

Plan administration

The cost of Plan administration is primarily paid by Plan participants.

Transfers

The Company also sponsors a 401(k) plan for employees of certain divisions of the Company electing to participate. If employees change the terms of their employment during the year, their account balances are transferred into the corresponding plan except for any outstanding loans or unvested employer matching contributions. Net transfers to the Plan for the years ended December 31, 2021 and 2020, were \$674,640 and \$77,132, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investments

Investments in the Schnuck Markets, Inc. Master Trust ("Master Trust") are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is accrued on the ex-dividend date. Net investment income includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits

Benefit payments to participants are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Subsequent events

The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.

3. INVESTMENT CERTIFICATION

Financial information related to the assets and earnings thereon is included in the accompanying financial statements and is based on information provided by the Trustee. This information, which has not been audited by the Plan's independent auditors, has been certified by the Trustee as complete and accurate.

4. INTEREST IN THE MASTER TRUST

The Plan's investments at December 31, 2021 and 2020, were in the Master Trust. The Master Trust was established for the investment of assets of the Plan and another Company-sponsored defined contribution plan. Each participating plan has a divided interest in the Master Trust. The Plan's interest in the net assets of the Master Trust was approximately 47.2% at December 31, 2021 and 2020. This was determined by comparing the Plan's investments in the Master Trust to total net assets in the Master Trust. The assets of the Master Trust are held with Fidelity Management Trust Company.

4. INTEREST IN THE MASTER TRUST (continued)

Financial information relating to the Master Trust is included in the financial statements and is based on information provided by the Trustee for the years ended December 31, 2021 and 2020.

The following tables present the net assets available for benefits in the Master Trust as of December 31, 2021 and 2020:

	2021		2020	
	Master Trust	Plan's Interest	Master Trust	Plan's Interest

Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Master Trust assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds – Valued at the NAV of units of a bank collective trust held by the Plan at year end. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

Fair value measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Master Trust's assets and liabilities at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$271,718,599</u>	<u>\$ -</u>	<u>\$ -</u>	\$271,718,599

The following table sets forth by level, within the fair value hierarchy, the Master Trust's assets and liabilities at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$252,106,440</u>	<u>\$ -</u>	<u>\$ -</u>	\$252,106,440
Investments measured at net asset value*				<u>42,865,323</u>
				<u>\$294,971,763</u>

* Certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable Value Collective Trust Fund	\$ 3,431,187	none	Daily	12 months*

Fair value measurements (continued)

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2020:

Investment type	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable Value Collective Trust Fund	\$ 4,560,503	none	Daily	12 months*
Spartan 500 Index Pool Collective Trust Fund	\$ 38,304,820	none	Daily	30 days**

There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Master trust.

* Withdrawals made on this collective trust can be initiated daily. Plan Sponsor terminations of the contract can be initiated daily. Disbursements of the fund for Plan Sponsor terminations will be provided as soon as practicable within 12 months following written notice.

**Withdrawals made on this collective trust can be initiated daily. Plan Sponsor terminations of the contract can be initiated daily. Disbursements of the fund for Plan Sponsor terminations will be provided as soon as practicable within 30 days following written notice.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments held in the Master Trust are shares of mutual funds and a collective trust managed by the Trustee. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on investments.

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated April 2, 2018, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax exempt.

7. TAX STATUS (continued)

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the change net assets available for benefits per the financial statements to Form 5500 at December 31, 2021:
