H.I.S. International Tours (NY) Inc. 401(k) Retirement Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the H.I.S. International Tours (NY) Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended December 31, 2021, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2 to the financial statements.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of H.I.S. International Tours (NY) Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.I.S. International Tours (NY) Inc. 401(k) Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to issue.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H.I.S. International Tours (NY) Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.I.S. International Tours (NY) Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the modified cash basis of accounting described in Note 2 to the financial statements.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2 to the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions (modified cash basis) for the year ended December 31, 2021 and assets (held at end of year) (modified cash basis) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of H.I.S. International Tours (NY) Inc. 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that; (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

H.I.S. INTERNATIONAL TOURS (NY) INC. 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
(MODIFIED CASH BASIS)

DECEMBER 31, 2021

1. DESCRIPTION OF PLAN

The following description of the H.I.S. International Tours (NY) Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all employees of H.I.S. International Tours (NY) Inc., Hawaii HIS Corporation, an affiliate, and HHH. USA. INC., an affiliate (collectively the “Company”). Employees of the Company are eligible to become participants in the Plan when they have completed one year of eligible service, as defined in the Plan agreement, and have reached the age of twenty-one. The plan entry dates are the first day of each calendar quarter of a year. The Plan consists of employee contributions, and matching and discretionary profit sharing contributions from the employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions – Employees may elect to contribute to the Plan up to the legal maximum percentage of their annual compensation. Employees’ contributions are limited annually by the Internal Revenue Service (\$19,500 per individual with an additional \$6,500 catch-up contribution for individuals who are at least 50 years of age by the end of 2021). Transfers from qualified plans are allowed under the provision of the Plan. Employer matching contribution is 50% of the first 6% of eligible compensation that is contributed to the Plan, not to exceed 3% of the participant’s compensation. At the end of the Plan year, the Company, at the discretion of its board of directors, also may make profit-sharing contributions, as defined in the Plan document. Profit-sharing contributions are allocated to eligible participants based upon the percentage of the participants’ compensation to the total compensation of all eligible participants. No discretionary contributions have been made by the Company since the Plan’s inception.

Participant Accounts – Each participant’s account is credited with the participant’s contribution and the Company matching contributions, as well as allocations of the Plan earnings and Company’s profit sharing contribution, if any. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. DESCRIPTION OF PLAN (continued)

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer contribution amount and earnings is based on the participants' years of service, as follows:

<u>Years of Service</u>	<u>Vested</u>
Less than 1	0%
1	25%
2	50%
3	75%
4 or more	100%

Participants automatically become 100% vested on or after the date they reach normal retirement age or early retirement age, death or total disability.

Benefit Payments and Withdrawals – Benefits may be withdrawn upon termination of employment, becoming disable, and/or attaining normal retirement age (age 65). Upon termination, participants with a vested account balance in the Plan of no more than \$1,000 will have a lump-sum payment made directly to them. For participants with a vested account balance of more than \$1,000 but less than or equal to \$5,000, they may elect a distribution or roll over to an eligible retirement plan. Participants with a vested balance more than \$5,000 may elect to receive a lump sum payment or equal installment payments over the period specified in the Plan, roll over their vested balance to an eligible retirement plan, or choose to defer payments until they attain age 70 ½ or retire, whichever is later. Participants may withdraw their vested balance before normal retirement age in certain circumstances and subject to the Plan's provision.

Administrative Expenses – Reasonable administrative expenses of the Plan may be paid by the Plan to the extent not paid by the employer.

Investment Options – Participants may direct employee and employer contributions into various investment options offered by the Plan.

Hardship Withdrawals – The Plan permits withdrawals of active participant's elective contributions only in amounts necessary to meet financial hardship as defined by the Plan agreement. Due to a Plan amendment effective January 1, 2019, a participant no longer has to exhaust all loan options before taking a hardship withdrawal and can continue to make elective deferrals immediately after the withdrawal.

1. DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants – Under the provision of the Plan, a participant may obtain a loan for a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance, or \$50,000. A participant may be granted one loan during any one-year period. Only one loan may be outstanding at a time. All loans are required to be repaid within 5 years from the date of the loan. Each loan shall bear a reasonable fixed rate of interest to be determined by the plan administrator. In determining the interest rate, the plan administrator shall take into consideration fixed interest rates currently being charged by commercial lenders for loans of comparable risk on similar terms and for similar durations, so that the interest will provide for a return commensurate with rates currently charged by commercial lenders for loans made under similar circumstances. Such rate at December 31, 2021 was 4.88%. Principal and interest are paid ratably through semi-monthly payroll deductions.

Plan Termination – Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in their accounts.

Forfeitures – The non-vested account of participant is forfeited as of the earlier of the date the participant receives a complete distribution of his or her vested account balance, or incurs five consecutive 1-year breaks in service. Forfeitures of terminated participants' non-vested accounts are first applied to pay plan expenses. Any forfeiture left after paying plan expenses is used to offset future employer contributions. Forfeitures of non-vested accounts amounted to \$0 for the year ended December 31, 2021. The balance of forfeited non-vested accounts was \$0 at December 31, 2021 and 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – As permitted by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan maintains its records on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modified cash basis of accounting utilizes the cash basis of accounting while carrying investments at fair value and recording investment income (loss) on the accrual basis. Contributions are recognized when received, and expenses and distributions are recognized when paid.

Use of Estimate – The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in aggregate fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation or as an addition to net depreciation in fair value for such investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions – Participant and Company contributions are recorded when contributions are received by the Plan. Company matching contributions are recorded at the same time as the participant contributions.

Payment of Benefits – Benefits payments are recorded when paid.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant is terminated and the outstanding balance becomes default, the balance is treated as a taxable distribution and no longer outstanding. If the participant is still active and fails to make payments when due, the loan is considered to be in default and treated as a taxable distribution, but the fund remains as an outstanding loan for financial statement reporting purpose. No allowance for credit loss was recorded as of December 31, 2021 and 2020.

3. CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by the plan administrator and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company (“Principal”), the custodian of the Plan.

4. FAIR VALUE MEASUREMENTS

The fair value of financial assets and liabilities is measured in accordance with Accounting Standards Codification (“ASC”) Topic 820. Under ASC Topic 820, fair value is defined as the exit price, representing the amount that would be received in the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC Topic 820 establishes a framework for measuring the fair value of financial assets and liabilities. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1- Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2- Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3- Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

4. FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020 as noted below.

Pooled separate accounts: Pooled separate accounts (“PSAs”) are privately managed by Principal and are not publicly quoted. PSAs are valued at the net asset value (“NAV”), which is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the PSA less its liabilities. There are no redemption restrictions or unfunded commitments related to the PSAs, and the funds can be redeemed daily with no notice period.

Guaranteed interest accounts: The Plan has guaranteed interest accounts (“GIAs”) with Principal. Principal maintains the contribution in the general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIAs promise contract value for a benefit event (termination, death, disability, and retirement); however, there is a possible surrender charge when funds are withdrawn prior to their maturity. Thus, the GIAs are considered non-benefit responsive. The GIAs cannot be sold to a third party, thus, the only option to exit the GIAs is to withdraw the funds prior to maturity. The fair value is the discontinuance value which is the amount the plan participant would receive if they transfer or surrender their fund out the guaranteed interest account prior to maturity. The fair value of the GIAs is computed using combination of the current interest rate based on remaining investment term at the reporting date as well as the interest rate on account. If the applicable interest rate is greater than the interest rate on the account, the fair value is the contract value reduced by a percentage. This percentage is equal to the difference between the applicable interest rate and the interest rate on the account, multiplied by the years (including fractional year) until the maturity date. If the applicable interest rate is equal to or less than the interest rate on the account, the fair value is equal to the contract value.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2021 and 2020.

December 31, 2021				
Fair Value Measurements				
	Level 1	Level 2	Level 3	Total
Investment Contract:				
Guaranteed Interest Accounts	\$ -	\$ -	\$ 112,468	\$ 112,468
Total assets in fair value hierarchy	\$ -	\$ -	\$ 112,468	112,468

Pooled separate accounts measured at NAV*				10,049,921
Investments at fair value				\$ 10,170,837

*In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (continued)

The following tables provide quantitative information about the significant unobservable inputs used for recurring fair value measurements categorized within Level 3 as of December 31, 2021 and 2020:

December 31, 2021				
Type	Fair Value	Valuation Technique	Significant Unobservable Inputs	Rate or Range of Rates
Guaranteed Interest	\$ 112,468	Market Value Adjustments	Composite Guaranteed Rate Current Rate on 12/31/2021	0.10%—2.01% 0.88%—1.46%

December 31, 2020				
Type	Fair Value	Valuation Technique	Significant Unobservable Inputs	Rate or Range of Rates
Guaranteed Interest	\$ 120,916	Market Value Adjustments	Composite Guaranteed Rate Current Rate on 12/31/2020	0.45%—2.01% 0.61%—0.75%

The following table sets forth a summary of changes in the Plan's level 3 assets for the year ended December 31, 2021.

Investment Categories	December 31, 2020	Total Losses	Interest	Purchases	Sales	December 31, 2021	Transfer In or Out of Level 3
Guaranteed Interest	\$ 120,916	\$ (1,580)	\$ 912	\$ 49,125	\$ (56,905)	\$ 112,468	\$ -

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan held units in various pooled separate accounts and guaranteed interest accounts managed by Principal. Principal is the custodian of the Plan, and these transactions qualify as exempt party-in-interest transactions. Notes receivable from plan participants and the related interest income are also considered exempt party-in-interest transactions.

Fees paid by the Plan to Principal for the year ended December 31, 2021 amounted to \$58,896. Certain administrative functions are performed by officers and employees of the Company. No such officers or employees receive compensation from the Plan.

6. TAX STATUS

The plan administrator obtained an Internal Revenue Service (the "IRS") opinion letter, dated March 31, 2014, in which the IRS stated that the prototype, as then designed, qualifies under section 401(a) of the Internal Revenue Code (the "IRC"). The Plan has not received a determination letter specific to the Plan itself. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Plan management is required to evaluate tax positions taken by the Plan. The financial statement effects are recognized when the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken.

6. TAX STATUS (continued)

The Plan is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

7. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 5, 2022, the date the financial statements were available to be issued. There were no events that occurred subsequent to December 31, 2021 that would require recognition or disclosure in the financial statements.
