Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Advanced Ear Nose & Throat Specialists, S.C. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Advanced Ear Nose & Throat Specialists, S.C. Profit Sharing 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note B to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Advanced Ear Nose & Throat Specialists, S.C. Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Ear Nose & Throat Specialists, S.C. Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Advanced Ear Nose & Throat Specialists, S.C. Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Ear Nose & Throat Specialists, S.C. Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Advanced Ear Nose & Throat Specialists, S.C. Profit Sharing 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significant of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan has an original effective date of September 26, 2011.

General

The Plan is a defined contribution plan covering all eligible employees of Advanced Ear Nose & Throat Specialists, S.C., Advanced Ear Nose & Throat Specialists, PLLC, and ADVENT MSO, LLC (herein collectively referred to as "the Company" or "employers") who have three months of service and are age 21 or older. Employees eligible for safe harbor and discretionary contributions must also complete one year of service. In addition, the employee must be employed on the last day of the plan year to receive discretionary contributions, unless termination is due to death or permanent disability. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Trustees oversee governance of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance. Executives of the company are the Plan Trustees.

The plan's federal identification number is 20-1759813, and the plan's number is 004.

Contributions

Each year, participants may contribute up to 100% of pretax (regular) or post tax (roth) annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The employers contribute 3% of eligible compensation as a safe harbor contribution. The employers also have the right to make additional contributions pro-rata based on compensation. The employers contributed 2% of eligible compensation as an additional discretionary contribution for 2021. Annual contributions from all sources are subject to certain limitations defined by the Internal Revenue Service ("IRS").

Participant accounts and "rollovers"

Each participant's account is credited with the participant's contribution and allocations of (a) the employers' safe harbor and discretionary contributions, (b) Plan earnings and (c) charged with an allocation of administrative expenses. Allocations of Plan earnings are based on participant account balances, as defined, and allocation of Company contributions are based on participant compensation, as provided in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits the transfer of funds from other qualified plans to a separate participant's rollover account.

Vesting

Participants are vested immediately in their contributions and safe harbor contributions, plus actual earnings thereon. Vesting in the employee's discretionary profit sharing portion of their account is based on years of continuous service. A participant is 100 percent vested ratably after a six-year period at a rate of 20% starting in year two. Participants who leave the Plan because of death, disability or meet normal retirement age, as defined in the Plan, are considered 100 percent vested in all amounts.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a fixed rate that is determined as 2% over the Prime Rate (3.25% at December 31, 2021). Principal and interest is paid ratably through bi-weekly payroll deductions. The Plan allows for participant loans as a result of the Coronavirus Aid, Relief, and Economic Security Act which expired as of December 31, 2020. Beginning January 1, 2021 loans are no longer permitted to be withdrawn under the plan.

Benefits

On termination of service, a participant with an account valued at less than \$5,000 shall receive a lump sum distribution. For accounts exceeding \$5,000, the participant may elect a lump sum distribution or may elect to defer such distribution to any valuation date subsequent to his/her termination but no later than the valuation date of his/her normal retirement date, or the participant may elect to roll over the distribution to another qualified plan. The Plan permits hardship distributions if certain criteria are met. The Plan permits in-service distributions at age 59 ½.

Forfeited accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$5,459 and \$5,160, respectively. These accounts may be used to pay Plan expenses, restore forfeited account balances, or used to reduce employer contributions. In 2021, employer contributions were reduced by \$5,117 from forfeited nonvested accounts.

A summary of significant accounting policies follows:

Basis of accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE A -- Description of the Plan and significant accounting policies (Continued)

Investment valuation and income recognition

The Plan's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determined the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

The Company pays some of the administrative expenses of the Plan which are excluded from the financial statements. The major administrative expenses are recordkeeping and investment fees. Administrative expenses directly attributable to participant's transactions are charged to the participant's investment account. Investment related expenses are included in net appreciation in fair value of investments.

Notes receivable from participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded.

NOTE B -- Information certified by the asset custodian

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and interest and dividends, net appreciation and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by LT Trust Company ("LT"), the asset custodian of the Plan.

NOTE C -- Fair value measurements

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits.

	<u>December 31, 2021</u>		<u>December 31, 2020</u>	
	<u>Fair value measurements at reporting date using:</u>			
	<u>Fair value</u>	<u>Quoted prices in active markets for identical assets (level 1)</u>	<u>Fair value</u>	<u>Quoted prices in active markets for identical assets (level 1)</u>
Money market funds	\$ 51,608	\$ 51,608	\$ 29,011	\$ 29,011
Registered investment companies	<u>7,149,884</u>	<u>7,149,884</u>	<u>5,547,815</u>	<u>5,547,815</u>
Investments at fair value	<u>\$ 7,201,492</u>	<u>\$ 7,201,492</u>	<u>\$ 5,576,826</u>	<u>\$ 5,576,826</u>

U.S. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

NOTE C -- Fair value measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Money market fund. Valued based on quoted net asset values of the shares held by the Plan at year-end.
- Registered investment companies. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Gains and losses (realized and unrealized) included in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

NOTE D -- Party-in-interest transactions

LT Trust Company ("LT") is the asset custodian and recordkeeper of the Plan, and is therefore designated as a fiduciary and party-in-interest. The Plan regularly invests in mutual funds for which LT is the issuing party. The Plan utilizes The Pension Specialists, Ltd. as their third-party administrator, who is therefore designated as a party-in-interest. The Plan pays certain Plan fees to The Pension Specialists, Ltd. These party-in-interest transactions occur in the ordinary course of business and are exempt transactions.

Fees were also paid by the Plan during the year for advisory services rendered to Creative Planning. These transactions also qualify as party-in-interest transactions.

NOTE E -- Plan termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

NOTE F -- Tax status

The Pension Specialist, Ltd. Volume Submitter Profit-Sharing Plan that the Plan has adopted effective January 1, 2016, obtained its latest opinion letter on March 31, 2014, in which the IRS stated that the prototype Plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan has been amended since the date of the opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

NOTE G -- Concentration of market risks

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE H -- Reconciliation of financial statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

NOTE I -- Plan amendments

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was passed and signed into law providing assistance to employees in addressing financial needs during the crisis. The CARES Act contains a number of changes to enhance availability of funds to plan participants. As a result, management reviewed the available provisions permitted under the regulations and made the following operations changes effective as soon as administratively feasible:

- Waiver of the 10% federal tax penalty and mandatory withholding for early distributions up to \$100,000 related to the COVID-19 virus.
- Include an in-service withdrawal feature subject to the CARES Act rules, and allow repayment of amounts withdrawn, subject to the \$100,000 limit, within three years of the distribution.
- Allow for loan withdrawals defined under the CARES Act rules.

NOTE I -- Plan amendments (Continued)

The plan has implemented certain requirements by the Setting Every Community Up for Retirement Act of 2019 (the SECURES Act), which laws change the plan to delay the commencement date for required minimum distributions. Written amendments to the plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

NOTE J -- Subsequent events

Effective January 1, 2022, the plan executed an adoption agreement to amend the existing Plan and adopted CCH Incorporated DBA ftwilliam.com's Non-Standardized Pre-Approved Profit Sharing Plan with CODA with similar provisions.

Effective July 1, 2022, the Plan was amended to change the eligibility requirements for safe harbor and discretionary contributions from one year of service to three months of service.

These financial statements have not been updated for subsequent events occurring after October 14, 2022, which is the date these financial statements were available to be issued. The plan has no responsibility to update these financial statements for events and circumstances that occurred after the October 14, 2022.
