Cask NX LLC 401(k) Plan
Financial Statements and Supplemental Schedule
Years Ended December 31, 2021 and 2020

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Cask NX LLC 401(k) Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cask NX LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the year ended December 31, 2021 and the period from December 15, 2020 (inception) to December 31, 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cask NX LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, the year then ended December 31, 2021, and the period from December 15, 2020 (inception) to December 31, 2020, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT (continued)

Opinion (continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cask NX LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cask NX LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cask NX LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cask NX LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT
(continued)

Other Matter (continued)

Supplemental Schedule Required by ERISA (continued)

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Cask NX LLC 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 1. DESCRIPTION OF THE PLAN

The following description of the Cask NX LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering eligible employees of Cask NX LLC (the Company). There are no age or service requirements to participate in the Plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Transfer of Assets from Other Retirement Plan

On December 15, 2020, the Plan was spun off from the Cask Technologies, LLC 401(k) Plan. The transferred net assets have been recognized in the accounts of the Plan as of December 15, 2020, at their balances as previously carried in the accounts of the Cask Technologies, LLC 401(k) Plan.

Contributions

Participants may elect to contribute up to 100% of regular compensation in the form of salary deferrals, subject to an annual limit specified in the Internal Revenue Code. New participants are automatically enrolled in the Plan at a 4% deferral rate unless they affirmatively elect otherwise. There are no annual automatic deferral rate increases with respect to such enrollments. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans ("rollover contributions").

The Plan includes a provision for Company safe harbor matching contributions which are equal to 100% of each participant's contributions up to 4% of the participant's eligible compensation for each pay period. The Company may also make discretionary non-elective contributions to the Plan. No discretionary non-elective contributions were made to the Plan in 2021 or 2020.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's safe harbor matching contributions, and an allocation of the Company's non-elective contributions. The Company's non-elective contributions are allocated based on participant compensation. Each participant has an individual investment account and is credited with the earnings from that account.

Cask NX LLC 401(k) Plan
Notes to Financial Statements
(continued)
December 31, 2021 and 2020

Note 1. DESCRIPTION OF THE PLAN (continued)

Benefits

Upon termination of service, attainment of normal retirement age, disability or death, the participant will receive the value of the vested interest in his or her account as a lump-sum distribution or other distribution methods elected by the participant.

Vesting

Participants are immediately vested in their own contributions, the Company's matching contributions, the Company's non-elective contributions, and earnings thereon.

Notes Receivable from Participants

Participants may borrow a maximum of the lesser of 50% of their vested account balance or \$50,000. Notes receivable from participants bear a reasonable rate of interest determined by the plan administrator which was determined to be prime plus 2% for 2021 and 2020. The interest rate is fixed for the duration of the loan. Additionally, all loans are secured by the participant's vested interest in the Plan. Loans to participants must be repaid within 5 years or 30 years if the loan qualifies as a home loan, as defined by the Plan. The interest rates on participant loans ranged 5.25% to 7.50% at December 31, 2021 and 2020.

Investments

The Plan allows participants to direct their account balance to any combination of a variety of investment funds. The number of such funds and the type of investments therein may be changed at any time by the Plan. Participants may change their investment options at any time.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes to Financial Statements
(continued)
December 31, 2021 and 2020

Note 2. SUMMARY OF ACCOUNTING POLICIES

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their account balance.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Investments

The Plan's investments, with the exception of the guaranteed interest contract, are stated at aggregate fair value.

Investments in the guaranteed interest contract are stated at contract value as determined by the trustee. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Notes Receivable from Participants

Notes receivable from participants are stated at the principal balance outstanding plus accrued interest. Delinquent participant loans are reclassified as distributions in accordance with the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid.

December 31, 2021 and 2020

Note 2. SUMMARY OF ACCOUNTING POLICIES (continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Company.

Note 3. FAIR VALUE MEASUREMENTS

FASB ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Fair Value Measurements

Fair values are based on publicly quoted prices in active markets for identical assets. The fair value of investments in shares of registered investment companies and pooled separate accounts is based on the publicly quoted net asset value of the shares held by the Plan at year-end. The fair value of investments in shares of common/collective trusts is based on the value of the underlying investments held which is published daily on the Principal Financial Group websites.

Level 2 Fair Value Measurements

Fair values are based on observable inputs other than publicly quoted prices in active markets for identical assets.

Level 3 Fair Value Measurements

Note 4. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan's investments in the guaranteed interest contract consist of investments in the Principal Fixed Income Guaranteed Option (PFIGO). The PFIGO is a fully benefit-responsive group annuity contract issued by the Principal Life Insurance Company (PLIC). PLIC maintains the contributions in a general account.

The PFIGO is a single group annuity contract with a fixed rate of interest. It is not a portfolio of contracts whose yields are based on changes in fair value of underlying assets as would be found in a stable value fund. As a result, the average yield earned by the Plan is the yield earned (i.e. interest credited) on the group annuity contract. The crediting rate is currently reset on a semiannual basis. A 5% surrender charge may apply under certain circumstances involving significant or total reductions in the Plan's investment in the contract.

Note 4. INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

Certain events may limit the Plan's ability to execute transactions at contract value with the issuer (e.g., premature termination of the contract by the Plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives, among others); however, the Plan Administrator has determined that those events that would limit the ability of the Plan to transact at contract value with plan participants are not probable of occurring.

Note 5. INFORMATION SUPPLIED BY PLAN TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Principal Trust Company, the trustee of the Plan.

Note 6. PARTY-IN-INTEREST

Certain expenses of the Plan are paid for by the Company. The Company is the sponsor of the Plan and, therefore, these transactions qualify as party-in-interest. The most significant of these costs paid by the Company are the salaries for the employees responsible for plan administration and fees paid to a third-party administrator.

Note 6. PARTY-IN-INTEREST (continued)

Principal Trust Company is the Plan record-keeper and manages certain investments for the Plan. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services are considered party-in-interest transactions.

Note 7. FEDERAL INCOME TAX STATUS

The Plan is operated under the terms of a standardized prototype plan. The prototype plan received a determination letter from the Internal Revenue Service dated March 31, 2014, indicating that the Plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The prototype plan has been amended since receipt of the determination letter. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and that, therefore, the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for an uncertain position if it is not more likely than not that the position would be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note 8. SUBSEQUENT EVENTS

Subsequent events were evaluated for accrual and disclosure through October 14, 2022, which is the date the 2021 financial statements were available to be issued.
