INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Twin Tier Hospitality 401(k) Plan
Westlake, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Twin Tier Hospitality 401(k) Plan an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Twin Tier Hospitality 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2: this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Twin Tier Hospitality 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Twin Tier Hospitality 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Twin Tier Hospitality 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2021 (modified cash basis), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules(modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements (modified cash basis) of Twin Tier Hospitality 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements (modified cash basis), and (b) the form and content of the information included in the 2020 financial statements (modified cash basis) other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TWIN TIER HOSPITALITY 401(K) PLAN
Notes to Financial Statements

Note 1. Description of Plan - The following description of the Twin Tier Hospitality 401(k) Plan (the "Plan") provides only general information. The Plan was established to provide tax-deferred retirement savings to eligible employees. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution 401(k) plan covering all eligible employees of Twin Tier Hospitality, LLC and its wholly owned participating employers (the "Company"). Employees become eligible to make elective deferrals upon hiring, regardless of age. The participating employers under the Plan for the year ended December 31, 2021, are as follows:

Boston West Hospitality, LLC
Central Park West Hospitality, LLC
Cleveland Airport Hospitality, LLC
Cleveland Airport North Homestead, LLC
Cleveland South Hospitality, LLC
Cleveland Tensile Hospitality, LLC
Columbus Worthington Hospitality, LLC
Harrisburg Hershey Hospitality, LLC
Ithaca Airport Hospitality, LLC
Rochester Airport Hospitality, LLC
Scranton Airport Hospitality, LLC
Southern Tier Hospitality, LLC
Twin Tier Hospitality, LLC

During January 2020, Scranton Airport Hospitality, LLC was sold and no longer contributing to the Plan. In August 2020, Rochester Airport Hospitality, LLC was sold and no longer contributing to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Eligible participants are entitled to defer up to 50% of their annual compensation into the Plan as a qualified pre-tax contribution subject to maximum annual dollar contribution restrictions of ERISA and the Internal Revenue Service. As of January 1, 2016, the Plan was amended to include an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 2 percent of eligible compensation and their contributions invested in a designated fund until changed by the participant. Employees are immediately eligible for the employer match upon hire. The Company contributes a match of 50% of the first 4% of compensation that the participant contributes to the Plan. In March 2020, the Company suspended the employer match. As of the date of the report, the employer match is still suspended.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) plan earnings, (b) the Company's matching contribution, if applicable, (c) forfeitures of terminated participants' nonvested accounts, and (d) administrative expenses. Plan earnings and administrative expenses are allocated by fund, based on the ratio of a participant's account invested in a particular fund to all participants' investment in the fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

TWIN TIER HOSPITALITY 401(K) PLAN
Notes to Financial Statements

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of a participant's account, plus earnings thereon, is based on years of continuous service.

Employees are vested in the Company's matching contribution according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits - Upon retirement, termination of employment, death or disability, participants or their beneficiaries will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or the participant may elect to rollover funds into an IRA or other retirement account. The Plan allows for participants to receive benefits in cases of hardship. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeited Accounts - At December 31, 2021 and 2020, forfeited nonvested accounts were \$86,034 and \$88,115, respectively. For the year ended December 31, 2021, \$9,300 forfeitures were used to offset Plan expenses or employer contributions.

Investment Direction - The Plan permits participants to direct their elective deferrals to investments at their discretion in any combination of a number of funds which are prescribed by plan trustees. Participants may change their investment options at any time.

Note 2. Summary of Significant Accounting Policies

Method of Accounting - The financial statements and the supplemental schedules of the Plan are prepared under the modified cash basis of accounting. Under this method of accounting, certain revenues and related assets are recognized when received rather than when susceptible to accrual or earned and expenditures and related liabilities are recognized when paid rather than when the obligation is incurred.

Estimates - The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year.

Payment of Benefits - Benefit payments are recorded when paid.

Plan Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statement. Investment related expenses are included in net appreciation of the fair value of investments.

TWIN TIER HOSPITALITY 401(K) PLAN
Notes to Financial Statements

Subsequent Events - Management has evaluated subsequent events through the date of the report which is the date the financial statements were available to be issued.

Note 3. Information Prepared and Certified by Trustee (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Citizens & Northern (the trustee of the Plan).

Note 4. Fair Value of Measurements

Three levels of inputs may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value.

Money Market - Valued at the unadjusted price of the market at year end (Level 1).

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

Common Collective Trust - Valued at the net asset value (NAV) of units held. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

TWIN TIER HOSPITALITY 401(K) PLAN
Notes to Financial Statements

Assets measured at fair value are summarized below:

	<u>December 31, 2021</u>	
	<u>Level 1</u>	<u>Total</u>
Money market	\$ 86,034	\$ 86,034
Mutual funds	<u>2,442,124</u>	<u>2,442,124</u>

Investments measured at net asset value (a)	-	87,325
Total assets at fair value	<u>\$ 2,439,026</u>	<u>\$ 2,526,351</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 5. Net Asset Value (NAV) Per Share

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Fair Value Using Net Asset Value per Share
December 31, 2021

	<u>Fair Value *</u>	<u>Unfunded Commitment</u>
Common collective trust - stable value (b)	\$ <u>83,242</u>	\$ <u>-</u>

	<u>Fair Value *</u>	<u>Unfunded Commitment</u>
Common collective trust - stable value (b)	\$ <u>87,325</u>	\$ <u>-</u>

* The fair values of the investments have been estimated using the net asset value of the investment.

(b) Strategies seek to invest in a variety of investment contracts offered by major insurance companies and other approved financial institutions and in certain types of fixed income securities.

TWIN TIER HOSPITALITY 401(K) PLAN
Notes to Financial Statements

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contribution.

Note 7. Parties-In-Interest

Citizens & Northern Bank is the trustee, as defined by the Plan, and therefore, the fees paid qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$37,132 for the year ended December 31, 2021.

Note 8. Income Tax Status

The Plan has adopted a Citizens & Northern Bank Prototype Non-Standardized 401(k) Profit Sharing Plan and Trust. The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the advisory opinion letter, the plan administrator and the plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits - modified cash basis.

Certain employee contributions were not remitted to the Plan within the time frame specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company for the year ended December 31, 2021. The Plan is currently reviewing the calculation in order to apply for correction.
