We have performed an audit of the accompanying 2021 financial statements of Boar's Head Provisions Co., Inc. 401(k) and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, including the related notes (collectively referred to as the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter – 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended (not presented herein, other than the statement of net assets available for benefits). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Boar's Head Provisions Co., Inc. 401(k) and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following description of Boar's Head Provisions Co., Inc. 401(k) and Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Boar's Head Provisions Co., Inc. and Affiliated Companies (collectively, the "Company") who are not covered under collective bargaining agreements and only provides for participant-directed investment programs. Participation begins on January 1, April 1, July 1, or October 1 after the completion of two months of service and the participant attains age 21. Participants are automatically enrolled once eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administrative Expenses

The Company is the administrator of the Plan and pays administrative expenses related to recordkeeping fees charged by Fidelity Management Trust Company, maintenance of participant accounts, and fees associated with testing and reporting services, such as the annual non-discrimination testing. As these expenses are incurred and paid by the Company, they are not included in the accompanying financial statements of the Plan. The Administrative Expenses listed on the Statement of Changes in Net Assets Available for Benefits relate to Parties in Interest transactions that are paid by the participants and are further discussed in Note 7 to these financial statements.

Contributions

Participants may, upon their discretion, make contributions to the Plan through payroll deductions up to a maximum of \$19,500 for 2021 and 2020. Participants age 50 and over have the discretion to contribute an additional \$6,500 for 2021 and 2020.

Participants may elect to rollover contributions into their participant account from another qualified plan.

The Company matches contributions by "production employees", as defined in the Plan agreement. The match will equal 50% of the employee's deferral as long as it does not exceed 2% of their annual salary. If the employee's deferral exceeds 2% of their salary, the employer will match 1% of their annual salary. The gross employer match contribution was \$552,086 for 2021 and is paid in the following plan year.

The Company may, upon its discretion, make profit-sharing contributions to participants. The discretionary profit-sharing contributions is determined each year by Management. The gross discretionary profit-sharing contribution was \$6,112,794 for 2021 and is paid in the following plan year. A participant may receive between 0.5% and 6% of their total base salary for the year.

Participant Accounts

Each participant's account is credited with the participant's contribution, allocation of the Company's contribution, if any, and earnings/losses on participant investments.

Boar's Head Provisions Co., Inc. 401(k) and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

Contributions to the Plan may be invested, at the election of participants, in any of the investments offered by the Plan. Investment options include a variety of mutual funds, a common collective trust and a self-directed brokerage option which allows participants access to common stock, preferred stock, corporate bonds and mutual funds.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in the employer contributions portion of their accounts on the basis of years of continuous service under the following schedule:

	Percentage Vested
Completed Years of Service	
Less than 2	0 %
2 but less than 3	25 %
3 but less than 4	50 %
4 but less than 5	75 %
5 or more	100 %

Participants are also 100% vested in their accounts at normal retirement, death or disability, as defined in the Plan agreement, if these events occur before the completion of five years of service.

Distributions

If the balance of a vested account exceeds \$1,000, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or a direct rollover to an eligible retirement plan, or, if meeting the terms of the Plan agreement for normal or early retirement, installment payments and annuities. If the balance of a vested account is \$1,000 or less and the participant has made no election, the Plan will pay the balance in a lump-sum as an involuntary distribution.

Effective April 5, 2020, the distribution provision of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was adopted by the Plan and allowed the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Total disbursements under this provision in 2020 totaled \$7,930,057. Such distributions may be repaid over three years, and to the extent distributions are not repaid, they are treated as taxable income to the participant.

Forfeitures

Participants who terminate employment, but have not become fully vested in the Company contributions, if any, and actual earnings portion on the Company contributions in their accounts, forfeit the unvested balances. Plan forfeitures are used to reduce the employer's contribution to the Plan. Forfeited non-vested amounts available for use at December 31, 2021 and 2020 were \$665,284 and \$448,442, respectively, and are included in the Plan's investments. Forfeitures of \$665,284 were used to reduce employer contributions during the plan year ended December 31, 2021.

Notes to Financial Statements

December 31, 2021 and 2020

Notes Receivable from Participants

The Plan has a loan program under which it makes available loans to participants on a nondiscriminatory basis. Each participant is limited to a maximum of two loans. The loans cannot exceed 50% of the participant's vested amount and must be paid back over a period not to exceed five years. If the purpose of the loan is to acquire a primary personal residence, then the term of the loan can be longer than five years. All loans bear a prime rate plus 2% prevailing interest rate (as defined in the Plan agreement). The outstanding notes receivable interest rates at December 31, 2021 ranged between 4.25 to 8.25%.

Effective April 17, 2020, the temporary loan repayment deferral provision of the CARES Act was adopted by the Plan and allowed qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020. Repayments started on January 1, 2021.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. For the years ended December 31, 2021 and 2020, the Plan had a liability for excess contributions of \$208,296 and \$202,156, respectively.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and such differences could be material.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value based upon quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Boar's Head Provisions Co., Inc. 401(k) and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

The Plan invests in the Fidelity Managed Income Portfolio Fund (the "Fund"), a fixed income fund, which is a common collective trust. The Fund invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as futures contracts and swap agreements), enters into "wrap" contracts issued by third-parties and invests in cash equivalents represented by shares in money market funds. The Fund is valued using the net asset value ("NAV") per share provided by the administrator of the fund as a practical expedient. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. See Note 4.

3. Certified Financial Data

The following is a summary of investment balances and related investment information, including notes receivable from participants and related interest income, included in the accompanying financial statements and supplemental schedule which was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company (the "Trustee"), the trustee, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	2021
Investment income:	
Dividends and Interest	\$ 11,821,459
Net appreciation in fair value of investments	5,778,912
Interest on notes receivable from participants	254,580

4. Fair Value of Financial Instruments

The Company follows FASB guidance on fair value measurements. ASC 820 creates a common definition of fair value for recognition and disclosure purposes under U.S. GAAP. The guidance also establishes a hierarchy for measuring fair value and enhances disclosures about fair value measures required under other accounting pronouncements, but does not change existing guidance as to whether or not an instrument is carried at fair value.

The guidance also establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. A

Boar's Head Provisions Co., Inc. 401(k) and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement. The standard establishes three levels of inputs that may be used to measure fair value:

- Level 1 Quoted prices in active markets for identical assets or liabilities;
- Level 2 Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following table sets forth the Plan's investments measured at fair value as of December 31, 2021:

	Net Asset Value (a)	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ 135,267,002	\$ -	\$ -	\$ 135,267,002
Brokerage account	-	10,722,499	-	-	10,722,499
Common collective trust	12,224,803	-	-	-	12,224,803
Total investments at fair value	<u>\$ 12,224,803</u>	<u>\$ 145,989,501</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 158,214,304</u>

The following table sets forth the Plan's investments measured at fair value as of December 31, 2020:

	Net Asset Value (a)	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ 119,307,605	\$ -	\$ -	\$ 119,307,605
Brokerage account	-	9,007,087	-	-	9,007,087
Common collective trust	10,975,088	-	-	-	10,975,088
Total investments at fair value	<u>\$ 10,975,088</u>	<u>\$ 128,314,692</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 139,289,780</u>

The Plan's valuation methodology used to measure the fair values of mutual funds and brokerage account investments were derived from quoted market prices as substantially all of these instruments have active markets. The common collective trust is a public investment vehicle valued using the NAV per share provided by the administrator of the fund as a practical expedient. Distributions from the net investment income are declared daily and reinvested monthly. These investments are not available in an exchange or active market. There are no unfunded commitments. The NAV amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Boar's Head Provisions Co., Inc. 401(k) and Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants will become 100% vested in their accounts.

6. Tax Status

The Plan obtained its latest determination letter on September 28, 2016, in which the Internal Revenue Service stated that the Plan, as designed and amended, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has adopted amendments since receiving the determination letter from the Internal Revenue Service. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is not subject to income tax examinations for years prior to 2018.

7. Related Party and Party in Interest Transactions

Plan investments include a common collective trust and mutual funds that are managed by the Trustee, and therefore these transactions qualify as party in interest transactions. Party in interest investments total \$124,270,233 and \$104,643,831 as of December 31, 2021 and 2020, respectively. Notes receivable from participants of \$4,772,901 and \$4,682,741 qualify as party in interest transactions for the years ended December 31, 2021 and 2020, respectively. Fees paid for services rendered by related parties and parties in interest of \$135,825 for the year ended December 31, 2021 were based on customary rates for such services and were paid by the Plan.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the Plan's net assets reported in the Plan's financial statements, to the Plan's net assets reported in the Plan's Form 5500 for the years ended December 31, 2021 and 2020, which includes the investment contracts reported at fair value:
