Independent Auditor's Report

To the Plan Administrator and Plan Participants of the
Ensign Services, Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Ensign Services, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements.")

Management, having determined it is permissible in the circumstances, has elected to have the audit of Ensign Services, Inc. 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from the qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ensign Services, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ensign Services, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Ensign Services, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ensign Services, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statement

We were engaged to audit the 2020 financial statements of Ensign Services, Inc. 401(k) Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any audited procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Ensign Services, Inc. 401(k) Retirement Savings Plan
Notes to Financial Statements
December 31, 2021 and 2020

Note 1. Description of the Plan

The following description of the Ensign Services, Inc. 401(k) Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

General

The Plan was adopted effective September 1, 1999 by The Ensign Group, Inc. (the “plan sponsor”), in recognition of the contribution made to its operations by its employees, for the benefit of its eligible employees, and to provide a tax-qualified retirement plan to supplement the employees income upon retirement, death, or disability. The Plan has a salary deferral arrangement provision as defined under Section 401 of the Internal Revenue Code (“IRC”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective October 1, 2002, the Plan’s name was formerly changed from The Ensign Group, Inc. to Ensign Facility Services, Inc. 401(k) Retirement Savings Plan, and the plan sponsor was replaced by Ensign Facility Services, Inc. Effective August 1, 2012, the Plan’s name was formally changed from Ensign Facility Services, Inc. 401(k) Retirement Savings Plan to Ensign Services, Inc. 401(k) Retirement Savings Plan, and the plan sponsor was replaced by Ensign Services, Inc. (the “Company” or “Employer”).

Participant Eligibility

All of the Company’s employees are eligible to participate in the Plan upon completion of 3 months of service, except for leased employees, self-employed persons of an unincorporated employer, per diem employees, on-call or temporary employees, and individuals who are not classified as employees for purposes of payroll. Eligible participants can enter the Plan on the first day of each month following meeting eligibility requirements.

Contributions

The Company’s eligible employees may contribute from 1% up to 90% of their compensation, subject to the limitations as defined by the IRC, each year on a pre-tax or post-tax basis by salary reduction.

The Company may make discretionary employer matching contributions without regard to the Company’s current or accumulated profits. The discretionary matching contributions are based on a uniform percentage of the participants’ salary deferrals. During the year ended December 31, 2021, the Company made matching contributions of 25% of employee deferrals up to 2% of their eligible compensation.

Note 1. Description of the Plan (continued)

Contributions (continued)

The Company may also make additional qualified non-elective contributions and allocate them to non-highly compensated employees to help the Plan pass one or more annually required Internal Revenue Code nondiscrimination tests. There were no qualified non-elective contributions made during the year ended December 31, 2021.

Participants direct the investment of all contributions to their account into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings less an allocation of investment and operating expenses charged to the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their deferral contributions plus actual earnings thereon. Vesting in the discretionary Company matching contributions and related earnings is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 or more years	100%

The participant's account shall become fully vested upon the participant's retirement date or prior to the retirement date in the event of death or total and permanent disability.

Benefit Payments

Retired or terminated participants receive the vested portion of their Company contributions and earnings on their Company contributions and 100% of their pre-tax contributions and earnings on their contributions in a lump sum payment as soon as administratively possible following participants' requests for distribution. A participant's total vested interest between \$1,000 and \$5,000 will be automatically rolled over to an IRA designated by the Company, if the participant does not consent to a cash distribution and has not elected to have the balance rolled over into an IRA or other qualified plan of their choosing. A participant's total vested benefit of less than \$1,000 is subject to an involuntary cash-out distribution even if the participant does not consent to a distribution.

Note 1. Description of the Plan (continued)

Benefit Payments (continued)

Subject to certain restrictions, in-service withdrawals from a participant's account may be permitted to participants who are over the age of 59½ or if the participant qualifies for a financial hardship, as described in the Plan document, for which funds are not reasonably available from other resources of the participant. Employees who receive hardship distributions are excluded from participating in the Plan for a six-month period.

Contribution Funding

The Company makes payments to the Plan for employee and employer contributions on a semi-monthly basis in conjunction with payroll.

Forfeitures

Amounts forfeited from terminating participants non-vested portion of their Company matching contribution and earnings on such contributions may be used to pay administrative expenses or to reduce Company matching contributions. During the year ended December 31, 2021, approximately \$125,300 of forfeitures were used to offset Company contributions and \$184,700 were used to pay administrative fees. As of December 31, 2021 and 2020, there were approximately \$107,100 and \$41,000, respectively, of unallocated forfeitures available to pay administrative fees or offset future Company contributions.

Plan Administrative Expenses

The Company provides or pays for certain accounting, legal and management services without charge to the Plan. Fees related to the administration of notes receivable from participants and certain fees related to distributions are charged directly to participant's accounts are included in administrative expenses. Additionally, Plan recordkeeping fees may be paid by forfeitures when forfeitures are available. When forfeitures are not available the Company pays the recordkeeping fees. Investment related expenses are included in net appreciation (depreciation) of fair value investments.

The Plan entered into an agreement with Fidelity Management Trust Company in which the Plan is credited with revenue sharing amounts paid by certain investment funds held in the Plan. These amounts are eligible to be used to pay Plan administrative fees related to unallocated revenue sharing credits and/or allocated to participants. As of December 31, 2021 and 2020, there were no significant unallocated revenue sharing credits available. During the year ended December 31, 2021, approximately \$2,200 of Plan administrative fees were paid by the Plan with revenue sharing amounts. For the year ended December 31, 2021, approximately \$2,200 in revenue sharing credits are included as a reduction of administrative expenses.

Note 1. Description of the Plan (continued)

Notes Receivable from Participants

Participants may borrow from their accounts from \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance. Only one outstanding loan is allowed at any given time. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate which is commensurate with local prevailing rates as determined by the Plan. Generally, loans must be repaid within five years, unless the loan was for the purchase of a principal residence. In this case, the repayment period may be extended. Principal and interest is paid ratably through payroll deductions. Delinquent or defaulted notes receivables from participants are written off as "deemed" distributions at the end of the quarter following the quarter in which the default occurs.

The Plan classifies participant loans as notes receivable from participants in the statements of net assets available for benefits and measures them at their unpaid principal balance plus any accrued interest.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements for the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Except for unutilized forfeitures (Note 1), the Plan's net assets are allocated entirely to individual participants' accounts.

Investment Valuation and Income Recognition

All investments are carried at fair value or an approximation of fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest is accrued as earned.

Use of Estimate

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Note 2. Summary of Significant Accounting Policies (continued)

Non-Distributed Benefits

The Plan does not accrue non-distributed benefits related to participants who have withdrawn from the Plan, but recognizes such benefits as a deduction from net assets in the period in which such benefits are paid.

Subsequent Events

The Company has evaluated all events subsequent to December 31, 2021, the date of the statement of net assets available for benefits, through the date of the Independent Auditor's Report, the date which the financial statements were available for issuance and has determined there are no subsequent events that require disclosure.

Note 3. Information Certified by the Trustee

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity Management Trust Company, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule:

d) Supplemental Schedule:

Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year) *

Note 3. Information Certified by the Trustee (continued)

** Notes receivable from participants are participant loans allowed under the related regulations. The participant loans are certified by the trustee, and are included as investments on the supplemental schedule, Form 5500 Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.*

Note 4. Fair Value Measurements

Fair value measurements are based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: These investments are valued at the closing quoted market price reported on the active market on which the public investment securities are traded.

Money market fund: These investments are valued at the closing quoted market price reported on the active market on which the public investment securities are traded.

Note 4. Fair Value Measurements (continued)

Common/collective trust fund: The investment is valued using Net Asset Value (“NAV”) as a practical expedient based on contract value, which represents invested principal plus accrued interest thereon. In determining contract value, the fund manager considers such factors as the benefit responsiveness of the contracts, the ability of the parties to the contracts to perform in accordance with the terms of the contracts and the likelihood of default by the issuer of an investment security. While the fair value of the investments in the common/collective trust are determined by the investee’s trustee based on the fair value of the underlying securities within the investment at the fund level, the fair value of the investment as reported by the investment custodian at the Plan level is based on NAV as the practical expedient which is contract value. Contract value is the relevant fair value for such an investment as that is the value of that participant’s transactions are reported.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following are the Plan’s financial instruments carried at fair value categorized by the fair value hierarchy as of December 31, 2021 and 2020:

Fair Value Measurements Using Input Type				
<u>December 31, 2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 206,550,111	\$ ---	\$ ---	\$206,550,111

Total investments measured at fair value				<u>\$213,628,414</u>

Fair Value Measurements Using Input Type				
<u>December 31, 2020</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 158,720,173	\$ ---	\$ ---	\$158,720,173

Total assets in the fair value hierarchy	<u>\$158,761,082</u>	<u>\$ ---</u>	<u>\$ ---</u>	158,761,082
Common/collective trust fund measured at NAV*				<u>7,193,642</u>
Total investments measured at fair value				<u>\$165,954,724</u>

Note 4. Fair Value Measurements (continued)

**Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the Statements of Net Assets Available for Benefits.*

The common/collective trust fund offered in the Plan is subject to a daily redemption frequency. The only other redemption restriction is that direct exchanges from this fund to a "competing" fund (e.g., money market funds, short term bond funds, certain asset allocation/lifecycle funds and brokerage window) is prohibited and instead, the participant must first exchange to a non-competing fund for 90 days. There are no redemption notice requirements or unfunded commitments as of December 31, 2021 and 2020.

Note 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 7. Tax Status

The Plan has adopted a volume submitter profit sharing plan which received an advisory letter dated June 30, 2020 from the Internal Revenue Service ("IRS"). The IRS advisory letter provides that an employer adopting the volume submitter plan document may rely on the advisory letter with respect to the qualification of the Plan under Internal Revenue Code Section 401(a). The Plan has been amended and restated since receiving the advisory letter. However, the plan sponsor and Fidelity believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 7. Tax Status (continued)

The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's tax returns generally remain open for Federal tax audits for three years from the filing date.

Note 8. Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds and units of participation in a common/collective trust managed by Fidelity Investments. Fidelity Investments is affiliated with Fidelity Management Trust Company, the trustee of the Plan.

Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue sharing fees that are paid to Fidelity Management Trust Company, its affiliates, other investment custodians and investment advisors.

Additionally, as noted in Note 1, certain administrative expenses related to participant related activities are paid directly to an affiliate of Fidelity Management Trust Company. In addition, certain Plan recordkeeping fees may be paid by the Plan. All fees paid directly by the Plan to Fidelity Management Trust Company are included in administrative expenses.

The Plan also allows for the issuance of notes receivable to participants in accordance with the related regulations.

These transactions qualify as party-in-interest transactions for which there are statutory exemptions.

Note 9. Excess Contributions

Contributions received from participants for the plan years ended December 31, 2021 and 2020 include \$1,238,417 and \$1,614,610, respectively, of excess contributions (net of corresponding gains and losses) that were distributed in March 2022 and March 2021, respectively, to certain active participants. The excess deferral contributions, originally contributed in the years ended December 31, 2021 and 2020, were returned to comply with the participants' applicable maximum annual contributions permitted under the IRC. The amount is included in the Plan's statements of net assets available for benefits as excess deferred contributions payable at December 31, 2021 and 2020.

Note 10. Reconciliation of Financial Statements for the Form 5500

Due to timing differences, the financial statements for the years ending December 31, 2021 and 2020 reflect a difference in net assets available for benefits and a difference in net increase in net assets available for benefits as compared to the Form 5500.

The following is a reconciliation of net assets available for benefits from the financial statements to the Form 5500:

	December 31,
