INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
International Alliance of Theatrical Stage
Employees Local No. 31 Retirement Plan

Opinion

We have audited the accompanying financial statements of the International Alliance of Theatrical Stage Employees Local No. 31 Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of International Alliance of Theatrical Stage Employees Local No. 31 Retirement Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis of Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the International Alliance of Theatrical Stage Employees Local No. 31 Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B, this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

B E P O S I + I V E .

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the International Alliance of Theatrical Stage Employees Local No. 31 Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the International Alliance of Theatrical Stage Employees Local No. 31 Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules (modified cash basis) of the Schedule of Assets Held for Investment Purposes at the end of the Year is presented for the purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**INTERNATIONAL ALLIANCE OF THEATRICAL STAGE
EMPLOYEES LOCAL NO. 31 RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE A – DESCRIPTION OF PLAN

The following brief description of International Alliance of Theatrical Stage Employees Local No. 31 Retirement Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General – The Plan was organized for the purpose of providing retirement benefits to employees represented by the International Alliance of Theatrical Stage Employees Local No. 31 (Union). This is a defined contribution retirement plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan provides for administration of the Plan by a board of four trustees.

US Bank holds and administers the assets of the Plan in accordance with the provisions of the custodial agreement. The investment manager of the Plan is Cook Street Consulting. The investment manager exercises full investment power with respect to the Plan assets under its management.

All Plan investments are non-participant directed. Self-directed accounts are not an option.

The Plan was effective January 1, 1993 and most recently restated January 1, 2017.

Contributions – Employers are required to remit contributions to the Plan each month, based upon a percentage of the gross compensation of covered employees. Contribution rates are determined by the Union's collective bargaining agreements. Participating employees do not contribute to the Plan. Prior to January 1, 2020, contributions were allocated to eligible participants who completed 1,000 hours of service during the year. Effective January 1, 2020, the annual hours worked requirement was removed and all active participants share in the employer contribution allocations regardless of service hours worked during the Plan year.

Participant Accounts – Each participant's account is credited with an allocation of (a) the employer's contribution, (b) plan earnings, and (c) forfeitures of terminated participants' nonvested accounts and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Eligibility – An employee becomes eligible to participate in the Plan on January 1 of the year in which eligibility requirements of one year of service with the employer are met. Years of service for vesting purposes are Plan years in which a participant completes 1,000 hours of service.

Vested Benefits – A participant who ceases employment will be eligible for a deferred vested benefit after 5 years of service for contributions made for plan year prior to January 1, 2007. Contributions made for plan years beginning January 1, 2007 and after are subject to a three-year vesting schedule.

Forfeitures – Forfeitures are allocated to participants based on the ratio of individual compensation to total compensation.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE A – DESCRIPTION OF PLAN (Continued)

Normal Retirement Benefits – Normal retirement is reached at age 65. The normal pension paid to a retired participant will be 100% of the account balance allocated to the individual. Benefits provided under the Plan are primarily funded through investments in mutual funds.

Death Benefits – Death benefits paid to the beneficiary of a deceased participant will also be 100% of the account balance allocated to the individual.

Amendment and Termination Provisions – The Trustees of the Plan reserve the right to amend, terminate, or merge all or a part of the Plan at any time and provide for distribution of the Plan to eligible participants.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements have been prepared in accordance with the modified cash basis of accounting. The modified cash basis provides for the recognition of revenues when received rather than when earned and expenses when paid rather than when obligations are incurred. The modified cash basis financial statements adjust securities investments to fair value.

Use of Estimates – The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Cash and cash equivalents – The Plan maintains cash balances in a bank, which is insured up to the Federal Deposit Insurance Corporation limits. However, from time to time the Plan's balances exceed the insured limit.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note E for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefit payments to participants or their beneficiaries are recorded upon distribution.

Expenses – Administrative expenses of the Plan are paid by the Plan, as provided in the Plan document.

Date of Management's Review – Subsequent events were evaluated through October 14, 2022 which is the date the financial statements were available to be issued.

EMPLOYEES LOCAL NO. 31 RETIREMENT PLAN

NOTE C - FUNDING POLICY

The Plan is primarily funded by employer contributions pursuant to collective bargaining agreements. The bargaining agreements set the contribution rates to be applied to the gross salaries by each participant. The Plan is secondarily funded with investment income resulting from the investment of contributions in marketable securities and interest bearing accounts. Employer contributions to the Plan for the year ending December 31, 2021 and 2020 exceeded the minimum funding requirements of ERISA.

NOTE D – INVESTMENTS

During 2021 and 2020, the Plan's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated (depreciated) in value by \$1,236,632 and \$522,816, respectively, as follows:

	2021	2020
Mutual funds – fixed income	\$ (18,450)	\$ 322,367
Mutual funds – equity	1,255,083	200,449
Net appreciation in fair value of investments	<u>\$ 1,236,633</u>	<u>\$ 522,816</u>

NOTE E – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE E – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the closing price reported in the active market in which the individual security is traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Savings accounts	\$ 539	\$ -	\$ -	\$ 539
Mutual funds - fixed Income	3,376,503	-	-	3,376,503
Mutual funds - equity	8,147,357	-	-	8,147,357
Total	<u>\$ 11,524,399</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,524,399</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Savings accounts	\$ 8,250	\$ -	\$ -	\$ 8,250
Mutual funds - fixed Income	3,090,070	-	-	3,090,070
Mutual funds - equity	7,309,422	-	-	7,309,422
Total	<u>\$ 10,407,742</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,407,742</u>

NOTE F - TAX STATUS

The Internal Revenue Service has determined and informed the Plan sponsor by a letter dated December 21, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE H – PLAN AMENDMENTS

Effective December 1, 2021, participants are permitted one hardship distribution per Plan year. Hardship distributions are limited to medical or funeral expenses.

Prior to January 1, 2020, participants were required to work 1,000 service hours or more annually in order to receive an allocation of employer contributions. Effective January 1, 2020, the annual hours worked requirement was removed and all active participants share in the employer contribution allocations regardless of service hours worked during the Plan year.

Prior to January 1, 2020, the Plan's assets were valued and allocated to participant accounts on the last day of the Plan year. Effective January 1, 2020, the Plan's assets will be valued and allocated to participant accounts on the last day of each quarter throughout the Plan year.
