INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Havco Wood Products LLC 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Havco Wood Products LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT

Havco Wood Products LLC 401(k) Profit Sharing Plan

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objectives of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT

Havco Wood Products LLC 401(k) Profit Sharing Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 8, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. Plan Description

The following description of the Havco Wood Products LLC 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution plan sponsored by Havco Wood Products LLC (the “Company”) for the benefit of all employees, as defined by the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Reliance Trust Company is the trustee and a custodian of the Plan. MassMutual Retirement Services (“MassMutual”) was the third-party administrator of the Plan and custodian of the guaranteed interest account. On December 31, 2020, Empower Retirement LLC (“Empower”) acquired MassMutual and became the third-party administrator of the Plan. Great-West Life & Annuity Insurance Company, an affiliate of Empower, became the custodian of the guaranteed interest account.

Contributions:

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 50 percent of eligible compensation. Employee rollover contributions are also permitted. The Company makes matching contributions of employee salary deferral amounts of 100 percent of the first 3 percent of employee salary deferrals and 50 percent of the following 2 percent that is deferred for a total match of up to 4 percent.

The Plan also permits Company profit-sharing contributions, which are discretionary, as determined by the Company’s Board of Members. No discretionary contributions were made for the years ended December 31, 2021 and 2020. Contributions are subject to certain limitations

Eligible Participants:

Employees are eligible to participate in the Plan after they complete 90 days of service with the Company.

Participant Investment Account Options:

Investment account options available include various mutual funds and a guaranteed interest account. Each participant has the option of directing their contributions into any of the separate investment accounts and may change their allocation daily.

Participant Accounts:

Each participant’s account is credited with the participant’s contribution, the Company’s contribution, earnings and forfeitures of terminated participants’ nonvested accounts, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**HAVCO WOOD PRODUCTS LLC
401(k) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. Plan Description (continued)

Vesting:

Participants are immediately vested in their voluntary deferral contributions and the Company matching contributions, plus earnings thereon. Vesting in the Company's profit-sharing contributions plus earnings thereon is based on years of continuous service. A participant is fully vested after three years of continuous service, with no amounts vesting prior to that period. The nonvested balance is forfeited upon termination of service. Forfeitures are allocated among active participants based upon a predetermined formula as documented in the Plan Document.

Payment of Benefits:

Upon termination of service, retirement, death or disability, an employee may receive a lump-sum amount equal to the value of their vested account.

In June of 2020, the Company implemented Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") provisions for coronavirus-related distributions (CRD). Through December 31, 2020, qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who took a CRD had the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Forfeited Plan Assets:

Forfeitures are allocated among active participants based upon a predetermined formula as documented in the Plan Document. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$18 and \$3, respectively. The Plan also maintains an unallocated account of excess matching contributions that totaled \$70,781 and \$62,696, respectively, at December 31, 2021 and 2020.

Notes Receivable from Participants:

The Plan Document includes provisions authorizing loans from the Plan to active eligible participants. The minimum amount of a loan shall be \$500. The maximum amount of a participant's loan is restricted to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. Interest on the loans is based on the published prime rate at the time of loan inception, plus 1%.

In June of 2020, the Company implemented the CARES Act provisions for loan relief to 1) delay certain required loan repayments for one year, and 2) to increase loan limits to the lesser of \$100,000 or 100% of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applied to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans were re-amortized over their remaining period, plus the suspension period.

Plan Termination:

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

DECEMBER 31, 2021 AND 2020

2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of increases and decreases in net assets during the reporting period. Actual results could differ from those estimates.

The outbreak of the novel coronavirus COVID-19, which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of Plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Investment Valuation:

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment Risk:

The Plan invests in investment securities that are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for benefits.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest is recorded on the accrual basis. Delinquent participant notes are reclassified as distributions based on the terms of the Plan document.

Benefits Distributed to Participants:

Benefits are recorded upon distribution.

2. Summary of Significant Accounting Policies (continued)

Administrative Expenses:

Plan expenses may be paid by the Plan unless the Plan Sponsor, in its sole discretion, elects at any time to pay part or all of such expenses.

Subsequent Events:

The Plan has evaluated the existence of subsequent events through October 12, 2022, which represents the date the financial statements were available to be issued.

3. Internal Revenue Service Status

The Plan operates under a non-standardized adoption agreement in connection with a prototype retirement plan and trust/custodial document. This prototype document has been filed with the appropriate agency and has obtained an opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code and, therefore, not subject to tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is required to file form 5500 "Annual Return / Report of Employee Benefit Plan". The returns of the Plan are subject to examination by the respective taxing authorities, generally for three years after they are filed. The returns for the years ended December 31, 2019, 2020 and 2021 are still considered open subject to possible examination.

4. Information Certified by the Plan Trustee and Custodians (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees and custodians of the Plan have certified the following information included in the accompanying financial statements and supplemental schedule is complete and accurate to the best of their knowledge and belief.

- Investments at December 31, 2021 and 2020.
- Dividends and interest income and net appreciation in fair value of investments for the year ended December 31, 2021.
- Supplemental schedule – all investment information.

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs with little or no market activity and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

An asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no transfers between Levels 1, 2 or 3.

The following table presents the fair value measurements of assets recognized in the statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

Fair Value Measurements Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2021:				
Mutual funds	\$ 24,887,327	\$ 24,887,327	\$ -	\$ -
December 31, 2020:				
Mutual funds	\$ 21,467,878	\$ 21,467,878	\$ -	\$ -

For the year ended December 31, 2021, the Plan's investments as measured at fair value earned dividends and interest totaling \$1,645,249 and reported net appreciation (including, net appreciation and depreciation, and investments bought, sold and held during the year) totaling \$1,889,965.

6. Investment Contract with Custodian (at Contract Value)

The Plan has a fully benefit-responsive investment contract with MassMutual Life. MassMutual Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by MassMutual Life. Contract value represents contributions made by participants, plus interest at a specified rate determined semiannually, less withdrawals or transfers by participants. Participants may ordinarily direct the withdrawal or transfer of all or portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. Certain events limit the Plan's ability to transact at contract value. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The average rate of return of the contract as of December 31, 2021 and 2020, was 3.01% and 3.20%, respectively.

Contract value at December 31, 2021 and 2020, was \$3,414,665 and \$3,298,866. Dividends and interest earnings for the year ended December 31, 2021 was \$95,075.

7. Transactions with Parties-in-Interest

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns 50% or more of the employer, or relative of such persons.

The Plan Sponsor pays certain administration and recordkeeping fees relating to the Plan. Fees paid by the Plan for investment management and advisory services are included in the net appreciation in fair value of investments of the Plan.

Plan investments include a guaranteed interest account (general account) managed by a custodian of the Plan. The custodian of the Plan through December 31, 2020 was MassMutual Retirement Services ("MassMutual"). The custodian of the guaranteed interest account as of January 1, 2021 and through December 31, 2021 was Great-West Life & Annuity Insurance Company, an affiliate of Empower.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
