Report of Independent Auditors

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of 403(b) Thrift Plan of San Diego Center for Children, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of San Diego Center for Children and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of San Diego Center for Children's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of San Diego Center for Children's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of San Diego Center for Children's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 403(b) Thrift Plan of San Diego Center for Children. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) Thrift Plan of San Diego Center for Children

Notes to Financial Statements

Note 1 – Description of Plan

The following description of the 403(b) Thrift Plan of San Diego Center for Children (the “Plan”) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of plan provisions.

General – The Plan is a defined contribution plan established pursuant to section 403(b) of the Internal Revenue Code (IRC) of 1986 (as amended) for the benefit of the employees of San Diego Center for Children (the “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan originated on January 1, 2009.

Eligibility – The Plan covers all employees, except non-resident alien employees who receive no United States (U.S.) source income and all employees who are eligible to make a salary reduction contribution to another plan of the Employer. There is no age or service requirement for employee contributions.

Employee contributions – Participants may contribute up to 100 percent of their pre-tax annual compensation, as defined by the Plan. The Plan also allows participants to make Roth contributions to the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants with fifteen years of service are also allowed to make special catch-up contributions subject to certain limitations. The Plan will accept eligible rollover contributions on behalf of the participant from qualified plans.

Employer contributions – The Plan allows for employer-matching contributions of 100% of employee contributions, up to 1% of eligible compensation. To receive the employer-matching contribution, a participant must have served a full year of service with at least 1,000 hours of service within that 12-month period. There is no minimum age requirement.

Contributions are subject to certain limitations established by the Internal Revenue Service (IRS).

Participant accounts – Each participant’s account is credited with the participant’s salary deferral, any Employer contributions, and allocation of plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

Participants may direct the investment of their contributions into various investment options offered by the Plan. The Plan currently holds a fixed annuity contract and pooled separate accounts. The fixed annuity contract represents an interest accumulation account. See Note 5 for discussion of the interest accumulation account. The pooled separate accounts contain several sub-accounts, corresponding to the name of its underlying fund, offering access to stocks, bonds, and money market instruments. The participant may select from the interest accumulation contract and the sub-accounts as investment options.

403(b) Thrift Plan of San Diego Center for Children

Notes to Financial Statements

Note 1 – Description of Plan (continued)

Vesting – Participants are immediately vested in their contributions plus or minus earnings or losses. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

Participants are immediately vested in the Employer's contribution portion of their accounts upon reaching 65 years of age.

Contract loans – Participants may borrow directly from Mutual of America Life Insurance Company ("Mutual of America") a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The participant's account balances are pledged as collateral of the loan between the participant and Mutual of America. The collateral for the loan must be transferred to the interest accumulation account. The loans are not shown in the statements of net assets available for benefits as the loans are not made from plan assets and are therefore not considered assets of the Plan. Loan interest rates are variable at prevailing interest rates and can be increased or decreased each quarter by Mutual of America. Principal and interest are paid ratably by the participant directly to Mutual of America. The total investment amount pledged as collateral was \$27,972 and \$51,919 as of December 31, 2021 and 2020, respectively.

Payment of benefits – A participant's vested benefits may be distributed upon termination of service, death, disability, or retirement (age 65). A participant may elect to receive a single life annuity, joint and survivor annuity, lump-sum payment, fixed period annuity, or installment payments. Vested account balances below \$1,000 may be automatically paid to participants in a lump-sum payment. The Plan allows for in-service hardship withdrawals when certain conditions are met.

Forfeitures – Any forfeitures of the discretionary employer-matching contributions due to a participant's withdrawal from the Plan prior to being 100% vested are used initially to reduce plan administrative expenses. Any remaining amounts are used to reduce future employer contributions. As of December 31, 2021, there were \$2,046 of forfeited balances and \$1,700 used to pay plan expenses. In 2020, there were no forfeited non-vested balances and no forfeitures were used during the year ended December 31, 2020.

403(b) Thrift Plan of San Diego Center for Children

Notes to Financial Statements

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements of the Plan are prepared under the accrual basis of accounting and have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and the disclosure of contingent assets and liabilities. Accordingly, actual results could materially differ from those estimates.

Risks and uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment valuation and income recognition – The investments of the Plan are reported at fair value and contract value as certified by Mutual of America.

The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date (the exit price).

Contract value is the relevant measurement for assets invested in fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Mutual of America. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

Administrative expenses – Certain administrative expenses including surrender charges are paid by the plan participants. The Plan pays for investment management fees, which are presented net in the net appreciation in fair value of investments on the statement of changes in net assets available for benefits. All other expenses are paid by the Employer.

Benefits payments – Benefits are recorded when paid.

403(b) Thrift Plan of San Diego Center for Children

Notes to Financial Statements

Note 3 – Information Certified by Mutual of America

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America, as the custodian, has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- a) Investments, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- b) Net appreciation in fair value of investments accounts and interest income from fixed annuity contracts, as shown in the statement of changes in net assets available for benefits; and
- c) All information included in the Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021.

Note 4 – Investments Measured Using NAV Per Share Practical Expedient

The Plan holds pooled separate accounts (PSAs) that invest directly in designated mutual funds or, in some cases, collective investment trusts. The separate account owns and holds the underlying mutual fund or collective trust shares which are valued daily at their net asset values (NAVs). Participants hold "units of participation" in the separate account.

Units held in PSAs are valued using the net asset value practical expedient (NAV practical expedient) of the PSA as reported by the account managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020:

	Fair Value 12/31/21	Fair Value 12/31/20	Redemption Frequency (if Currently Eligible)	Redemption Holding Period	Redemption Restrictions
Pooled separate accounts	<u>\$ 5,878,690</u>	<u>\$ 4,898,369</u>	Daily	Up to six months	N/A

403(b) Thrift Plan of San Diego Center for Children

Notes to Financial Statements

Note 5 – Fixed Annuity Contract (Fully Benefit-Responsive)

The Plan invests in a fully benefit-responsive investment contract (FBRIC), the General Account (interest accumulation account), which is available through a group-funding contract issued by Mutual of America.

The General Account is an obligation of Mutual of America's general account, which supports all of the Company's insurance and annuity commitments. Plan contributions are held in an unallocated contract, whose assets are invested with other assets in a general account. The account is credited with a pre-agreed interest rate and charged for plan withdrawals and administrative expenses by Mutual of America. There are no reserves against contract value for the credit risk of the contract issuer or otherwise. The contract crediting rate is established on an annual basis and is based on a formula agreed upon with the issuer. Since the contract crediting rate is reset quarterly at the current portfolio-rate basis, the appropriate discount rate used in the calculation of the fair value of the general account contract equals the contract crediting rate.

The following are the average yields on the contract during the years ended December 31:

	2021	2020
Average yields		
Based on actual earnings	2.28%	2.31%
Based on interest rate credited to participants	2.28%	2.31%

The contract meets the FBRIC criteria and is therefore reported at contract value. Contract value is the relevant measure for FBRICs because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no events that limit the ability of the Plan to withdraw contract value or otherwise transact at contract value with Mutual of America as the contract issuer. Mutual of America may defer any withdrawal request for up to six months following the date that Mutual of America receives the transaction request. Mutual of America or the Plan may terminate the contract with 30 days' advance written notice to either party. Upon such notice, the contract owner may choose immediate payment at contract value or purchase the paid-up annuity benefits within 30 days.

Note 6 – Party-in-Interest Transactions

Certain plan investments are a fixed annuity contract and units of PSAs managed by Mutual of America. Mutual of America is the contract issuer and recordkeeper of the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions as defined by ERISA.

403(b) Thrift Plan of San Diego Center for Children

Notes to Financial Statements

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances.

Note 8 – Tax Status

The IRS does not intend to establish a determination letter program for individually designed 403(b) plans at this time; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan Administrator intends to apply for a determination letter on the Plan once the IRS opens such a program.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 – Subsequent Events

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The Plan has evaluated subsequent events from the date of the statements of net assets available for benefits through September 23, 2022, the date the financial statements were available to be issued.
