To the Plan Administrator
American Credit Acceptance, LLC 401(K) Plan
Spartanburg, South Carolina

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of American Credit Acceptance, LLC 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended then ended and the related notes to the financial statements.

Management having determined it is permissible in the circumstances, has elected to have the audits of American Credit Acceptance, LLC 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution of insurance carrier that is regulated, supervised, and subject to periodic examinations by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statement Section –

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities for those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Credit Acceptance, LLC 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Credit Acceptance, LLC 401(K) Plan's ability to continue as a going concern for one year after the date the financial statement are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Credit Acceptance, LLC 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Credit Acceptance, LLC 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Note 1 - Description of Plan:

The following description of American Credit Acceptance, LLC 401(K) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan covers employees of American Credit Acceptance, LLC (the Company) who have met certain eligibility requirements as defined by the Plan. Employees must complete two consecutive months of service and be age 18 or older to be eligible. The Plan Sponsor determines the appropriateness of the Plan's investment options and monitors investment performance.

b. Contributions

Each year, participants may contribute to the Plan through pretax deferrals and/or (post tax) Roth deferrals. Participants are allowed to defer from annual compensation, as defined in the Plan up to the maximum amount allowed by IRS Code sections 402(g) and 415. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Company makes safe harbor matching contributions equal to the Participant's deferral to the Plan up to 5% of compensation. Additional profit-sharing amounts may be contributed at the discretion of the Company's management. Contributions are subject to certain limitations.

c. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) the Plan's earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are immediately vested in the Company's non-elective contributions plus actual earnings thereon.

AMERICAN CREDIT ACCEPTANCE, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan (Continued):

d. Vesting (continued)

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than two years	0%
Two years but less than three years	20%
Three years but less than four years	40%
Four years but less than five years	60%
Five years but less than six years	80%
Six or more years	100%

Vesting in the Company's discretionary profit-sharing contribution plus actual earnings thereon is based on years of service during which 1,000 hours are worked.

e. Payment of Benefits

Upon termination of service due to death or disability, a participant's account shall be fully vested and nonforfeitable and the surviving spouse or participant may elect to receive the value of the participant's account in a lump-sum payment. Upon termination of service due to retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan document. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS).

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan (Continued):

g. Investment Options

Upon enrollment in the Plan, participants may direct their employee and employer contributions into investment options as listed in Schedule 1.

h. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of (a) \$50,000, reduced by the participant's highest outstanding loan balance for the prior 12 months over the outstanding loan balance on the date the loan was made, or (b) of one-half of the participant's vested accrued benefit under the plan. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Notes fund. Loan terms range from 1-5 years or up to 15 years when funds are used to acquire, construct, or reconstruct any dwelling unit that is to be used as a principal residence by the participant or by the participant's immediate family. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest is to be paid ratably through payroll deductions.

Note 2 - Summary of Accounting Policies:

a. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting which is in accordance with accounting principles generally accepted in the United States of America.

b. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

AMERICAN CREDIT ACCEPTANCE, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Accounting Policies (Continued):

c. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowances for credit losses have been recorded as of December 31, 2021 and 2020.

d. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

e. Payment of Benefits

Benefits payments to participants are recorded when paid.

f. Reclassification

Certain amounts in the prior year financial statements have been reclassified to conform to the presentation in the current year financial statements. These reclassifications have no effect on the previously reported change in net assets.

Note 3 - Certified Investments:

Branch Banking and Trust Company, trustee, qualified institution of the Plan have supplied the Plan administrator with certifications as to the completeness and accuracy of all investment information reflected in the accompanying financial statements for the year ended December 31, 2020 and the period ended February 28, 2021.

Ascensus Trust Company, trustee, qualified institution of the Plan has supplied the Plan administrator with certifications as to the completeness and accuracy of all investment information reflected in the accompanying financial statements and supplemental schedule for the period of March 1, 2021 to and as of December 31, 2021.

AMERICAN CREDIT ACCEPTANCE, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 3 - Certified Investments (Continued):

During the year ended December 31, 2021, the Plan's investments (including investments bought, sold, and held during the year) appreciated by \$1,980,584 consisting of appreciation of \$11,882 attributable to common collective trusts and appreciation of \$1,968,702 attributable to registered investment companies.

Note 4 - Fair Value Measurement:

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurement and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

AMERICAN CREDIT ACCEPTANCE, LLC 401(K) PLAN**NOTES TO FINANCIAL STATEMENTS**

Note 4 - Fair Value Measurement (Continued):

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Interests in registered investment companies (mutual funds): Valued at the closing price of shares held by the Plan at year end. Funds are traded on an active market.

Common Collective Trusts: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the collective trust. The net asset value is based on the value of the underlying assets of the fund minus its liabilities and then divided by the number of shares outstanding. The net asset value's share price is quoted on a private market that is not actively traded; however, the share is based on underlying investments which are traded on an active market. The net asset value is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021.

Note 5 - Related Party Transactions:

AMERICAN CREDIT ACCEPTANCE, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 6 - Tax Status:

The Plan has adopted a prototype plan document, which has obtained an opinion letter dated June 30, 2020 from the Internal Revenue Service which states that prototype document satisfies the applicable provisions of the Internal Revenue Code section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes the Plan was designed and is operating in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Plan Termination:

Although it has not expressed any intent to do so, the Company has the right in accordance with the Plan document to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 8 - Administrative Expenses:

The Plan's administrative expenses are paid with by the Plan or the Company, as provided by the Plan's provisions. Administrative expenses paid by the Plan include loan fees, distribution fees, and certain administrative fees. Expenses relating to the purchases, sales of transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. Investment advisory, management fees and contract administration fees of the Plan are paid by the Company. Expenses that are paid by the company are excluded from these financial statements. Fees paid by the Plan for the year ended December 31, 2021 were \$37,735.

AMERICAN CREDIT ACCEPTANCE, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 9 - Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. There is no coverage under FDIC for any of the investments held by the Plan. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 - Schedule 1:

Employer and employee contribution receivable are omitted from Schedule 1 to comply with prescribed format as required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note 11 - Reconciliation of Financial Statements to Schedule H of Form 5500:

The following is a reconciliation of net income per the Form 5500 to net increase in net assets available for benefits per the financial statements at December 31, 2021.

Net Income (Loss) per Form 5500	\$ 5,315,394
Difference Related to Accrued Loan Interest	<u>(4,881)</u>
Net Increase (Decrease) in Net Assets per the Financial Statements	<u>\$ 5,310,513</u>

Note 12 - Subsequent Events:

As of October 5, 2022, the Plan's net assets had declined in value by roughly 15% primarily due to market decline.

The Company has evaluated the existence of subsequent events through the date of the auditor's report. The Company has determined that no events, other than disclosed above, existed that require recording or disclosure in the accompanying financial statements as of the auditor's report date.
