The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedule delinquent participant contributions for the year ended December 31, 2021, and schedule of assets (held at end of year) as of December 31, 2021, and the supplemental schedule of delinquent participant contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Feeding America 401(k) Plan

### Notes to Financial Statements

---

#### Note 1. Description of Plan

The following brief description of Feeding America 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

**General:** The Plan is a defined contribution plan for all eligible employees of Feeding America (the Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Investment Committee is responsible for oversight of the Plan.

**Contributions:** Participating employees may elect to defer a portion of their salary into various investment options of the Plan. The limit for total participant contributions under Internal Revenue Service (IRS) limits is \$19,500 for 2021. Employees aged 50 years and over are eligible to contribute up to an additional \$6,500 per year on a catch-up basis for 2021.

Under the terms of the Plan, the Plan Sponsor will make a qualified nonelective "safe harbor" contribution to the account of each active participant in an amount equal to 3% of the participant's compensation for the plan year. Contributions in excess of the safe harbor contributions are made at the Plan Sponsor's discretion.

In 2021, the Plan Sponsor contributed 6% of qualified employees' gross annual earnings, as defined by the Plan, into each participant's plan account. Included in this 6% employer contribution are safe harbor contributions of 3% of the participant's compensation and a discretionary matching contribution of 3%. The discretionary matching contribution of 3% is only paid to participants who contribute 1% or more of their compensation and is limited to 6% of the participant's pay. Discretionary contributions are determined each year.

**Eligibility:** Employees who have attained the age of 21 are eligible to participate in the Plan upon hire.

**Vesting:** Participants are immediately vested in salary deferrals and qualified nonelective employer contributions. Employees vest in discretionary employer matching contributions as follows:

| Vesting Schedule   | Percentage |
|--------------------|------------|
| Period of service: |            |
| 1 year             | 50%        |
| 2 years            | 75%        |
| 3 years            | 100%       |

Forfeitures are used to reduce employer contributions and/or pay plan administrative costs as allowed by the Plan agreement. At December 31, 2021 and 2020, the forfeited nonvested accounts totaled \$0 as these accounts were used to reduce employer contributions. In 2021, employer contributions were reduced by \$20,154 from forfeited nonvested accounts.

**Participant accounts:** Each participant's account is credited with participant contributions and an allocation of the employer's contributions and the earnings net of administrative expenses thereon. The Plan currently offers various mutual funds and one guaranteed investment contract as investment options for participants. The Plan permits participants to direct the investment of amounts held in their individual plan accounts. The benefit to which a participant is entitled is the vested benefit that can be provided from accumulations in the participant's account.

## Feeding America 401(k) Plan

### Notes to Financial Statements

---

#### Note 1. Description of Plan (Continued)

**Payment of benefits:** On termination of service due to death, disability, or retirement, a participant or participant beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account either in a lump-sum amount or through other defined-payment options. Benefits are payable in a single lump-sum if less than \$5,000. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or under minimum distribution rules. Hardship withdrawals are permitted under the terms of the Plan.

**Notes receivable from participants:** Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance or \$50,000, whichever is less. Loan terms range from 1 to 5 years or up to 25 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined quarterly by the Plan Sponsor. Interest rates on participant loans range from 4.25% to 6.50% at December 31, 2021, and mature at various dates through 2036. Participants' accounts are charged a fee upon origination of the loan. Principal and interest are paid ratably through monthly payroll deductions and are credited to participants' accounts at that time.

#### Note 2. Summary of Significant Accounting Policies

**Basis of presentation:** The financial statements are prepared on the accrual basis of accounting.

**Investment valuation and income recognition:** Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants:** Participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest in the statements of net assets available for benefits and are reported as notes receivable from participants. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

**Use of estimates:** The preparation of the accompanying financial statements requires the use of Plan Sponsor estimates and assumptions that affect the reported amounts of net assets available for benefits and changes in net assets available for benefits, and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Payment of benefits:** Benefits are recorded when paid.

**Administrative expenses:** Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative costs. Administrative fees paid by the Plan to the trustee are included in administrative costs.

### Notes to Financial Statements

---

#### Note 2. Summary of Significant Accounting Policies (Continued)

**Subsequent events:** The Plan Administrator has evaluated subsequent events for potential recognition and disclosure through October 13, 2022, the date the financial statements were available to be issued.

#### Note 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (ASC) 820, Fair Value Measurement, are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.

**Level 2:** Inputs to the valuation methodology are observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

**Level 3:** Inputs to the valuation methodology are unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables present assets that are measured at fair value on a recurring basis at December 31, 2021 and 2020:

|              | 2021          |               |         |         |
|--------------|---------------|---------------|---------|---------|
|              | Total         | Level 1       | Level 2 | Level 3 |
| Mutual funds | \$ 54,487,208 | \$ 54,487,208 | \$ -    | \$ -    |

  

|              | 2020          |               |         |         |

## Feeding America 401(k) Plan

### Notes to Financial Statements

---

#### Note 3. Fair Value Measurements (Continued)

**Changes in fair value levels:** To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021 there were no transfers in or out of Level 3.

#### Note 4. Information Certified or Provided by the Delaware Charter Guaranty & Trust Company d/b/a Principal Trust Company, the Trustee

The following is a summary of the Plan's asset and income information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the Delaware Charter Guaranty & Trust Company d/b/a Principal Trust Company, the trustee. The trustee has certified that the information provided is complete and accurate related to the following assets and income. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and supplemental schedule related to the following assets and income:

|                                                                | 2021          | 2020          |
|----------------------------------------------------------------|---------------|---------------|
| Mutual funds, at fair value                                    | \$ 54,487,208 | \$ 44,326,126 |
| Fully benefit-responsive investment contract at contract value | 4,263,033     | 4,612,853     |
| Notes receivable from participants                             | 397,429       | 396,356       |

The trustee also certified to the completeness and accuracy of \$2,905,548 of net appreciation in fair value of investments, \$3,753,712 of interest and dividends related to the aforementioned investments, and \$21,322 of interest income on notes receivable from participants for the year ended December 31, 2021.

#### Note 5. Guaranteed Investment Contract with Principal Life Insurance Company

The Plan has a benefit-responsive guaranteed investment contract with Principal Life Insurance Company (PLIC) totaling \$4,263,033 and \$4,612,853 as of December 31, 2021 and 2020, respectively. PLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1% or greater than 3%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the PLIC to terminate the agreement prior to the scheduled maturity date.

## **Feeding America 401(k) Plan**

### **Notes to Financial Statements**

---

#### **Note 5.      Guaranteed Investment Contract with Principal Life Insurance Company (Continued)**

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by PLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

#### **Note 6.      Tax Status**

The Plan has adopted a non-standardized form of a prototype plan sponsored by PLIC. The prototype plan provider has received an opinion letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan has been amended since the prototype plan received the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 7.      Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts as of the termination date.

### **Notes to Financial Statements**

---

#### **Note 8. Related-Party and Party-In-Interest Transactions**

Certain Plan investments are mutual funds and an investment in a guaranteed investment contract managed by an affiliated entity of the Plan's trustee (Principal). Triad Advisors Inc. (Triad) is the investment advisor. These transactions qualify as party-in-interest transactions. Fees paid by the Plan to Principal during 2021 were \$5,399 and are included in administrative costs. Fees paid by the Plan to Triad during 2021 were \$93,140 and are included in net appreciation in fair value of investments.

#### **Note 9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

#### **Note 10. Prohibited Transaction**

During 2021, the Plan sponsor inadvertently failed to deposit \$67 of participant contributions within the required timeframe as stated by the United States Department of Labor regulations. The Plan sponsor intends to deposit lost earnings to correct this failure in 2022. The Plan sponsor will file Form 5330 and pay applicable excise tax to the IRS. The correction and any excise taxes will be made from the Plan sponsor's assets and not from assets of the Plan.
