Independent Auditors' Report

The Plan Administrator
CODA, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the 2021 financial statements of CODA 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of CODA 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CODA 401(k) Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements - Continued

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CODA 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CODA 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters - 2021 Supplemental Schedule Required by ERISA - Continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of CODA 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CODA, INC. 401(k) PLAN

Notes to Financial Statements

1. Plan Description

The following brief description of CODA, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan was originally established effective June 30, 2005, and was most recently restated effective November 15, 2021. The Plan is a defined contribution plan covering all eligible employees of CODA, Inc. (the Organization). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to CODA's Board of Directors.

The trustee of the Plan was Fidelity Trust Company (Fidelity) for the year ended December 31, 2020, and eleven and a half months ended November 15, 2021. Effective November 15, 2021, Ascensus Trust Company (Ascensus) became the custodian. All participant account balances were held by Fidelity through November 15, 2021, then transferred to Ascensus on November 15, 2021. The participant directs the investment of all contributions and earnings thereon, and may change their investment directive at any time.

Eligibility - Qualified employees are eligible for participation on the first entry date as defined in the Plan agreement (first day of the Plan year and first day of the 4th, 7th, and 10th months of the Plan year). Qualified employees include employees who complete six months of credited service and are at least 18 years old.

Leased employees are excluded from participating in the Plan.

Contributions - Each year, participants may contribute up to 90 percent of their annual compensation to the Plan subject to statutory limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans.

The Organization has elected to operate the Plan as a "safe harbor 401(k) plan" and make a safe harbor non-elective contribution for each safe harbor participant, as defined by the Plan, of an amount equal to at least 4 percent of such participant's eligible compensation. In 2021 and 2020, the Organization made a safe harbor contribution of \$169,651 and \$177,622, respectively.

Each year, the Organization may elect to make a discretionary matching contribution for each of its eligible employees. The amount of each year's discretionary matching contribution is equal to a specific dollar amount and/or a percentage based upon the participant's salary deferrals, as determined by the Organization. In 2021 and 2020, the Organization did not elect a discretionary matching contribution.

Notes to Financial Statements - Continued

1. Plan Description - Continued

Participant Accounts - Each participant's account is credited with the participant's contributions and the Organization's matching contributions and safe harbor non-elective contributions, as well as allocations of the Plan's earnings. Deducted from each participant's account are any distributions made to the participant and an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participation transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The participant directs the investment of all contributions and earnings thereon and may change their investment directive at any time.

Payment of Benefits - Upon termination of service, retirement, death, or disability, a participant may elect to leave the balance of the account in the Plan; roll the balance over to another 401(k) or IRA account; receive a lump-sum distribution of the entire vested account balance; or receive a single sum distribution of a portion of the vested account balance as a form of benefit distribution. Participants whose vested account balance is \$5,000 or less may automatically receive a lump-sum distribution at the discretion of the Plan Administrator. Hardship distributions are available only for the purposes of meeting immediate and heavy financial need.

Vesting - Participants are immediately vested in their elective contributions and safe harbor non-elective contributions plus actual earnings on those contributions. Vesting in the Organization's discretionary matching contributions, plus earnings thereon, is based on years of continuous service.

The vesting percentage for the Organization's discretionary matching contributions plus earnings thereon was as follows:

Years of Service	Percent Vested
Less than 1	- 0 -%
1	34
2	66
3	100

Forfeited Accounts - At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$9,005 and \$38,542, respectively. These accounts will be used to reduce future employer matching contributions or to pay plan expenses.

In 2021 and 2020, \$40,527 and \$27,599, respectively, in forfeitures were used to reduce employer contributions and pay Plan expenses.

Plan Termination - Although it has not expressed any intent to do so, the Organization has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations.

2. Summary of Significant Accounting Policies

Basis of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting utilizing accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates - The preparation of financial statements in accordance with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies using information provided by the trustee or custodian. Additional information about fair value measurements can be found in *Note 4*.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Benefits Paid to Participants - Benefits are recorded when paid. At December 31, 2021 and 2020, there were no benefits processed and approved for payment, but not paid.

Expenses - Substantially all third-party administrative expenses and fiduciary fees are paid by the Organization and are excluded from these financial statements. Certain administrative expenses and asset fees are paid by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

3. Certified Investments (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity as of and for the year ended December 31, 2020 and the eleven and a half months ended November 15, 2021, and Ascensus as of December 31, 2021 and for the period November 15, 2021 to December 31, 2021.

4. Fair Value Measurements

GAAP provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy and the valuation methodologies used for assets are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets.
- Quoted prices for identical or similar assets in inactive markets.
- Inputs other than quoted prices observable for the asset or liability.
- Inputs derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used at December 31, 2021 and 2020.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31:

2021	Level 1	Total
Shares of registered investment companies (mutual funds)	<u>\$4,355,210</u>	<u>\$4,355,210</u>
2020	Level 1	Total
Shares of registered investment companies (mutual funds)	<u>\$3,752,183</u>	<u>\$3,752,183</u>

CODA, INC. 401(k) PLAN

Notes to Financial Statements - Continued

4. Fair Value Measurements - Continued

The following is a description of the valuation methodology used for assets measured at fair value.

Shares of registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Related Party Transactions and Parties-in-Interest Transactions

The Organization is the Plan sponsor and administrator and pays certain administrative costs, including accounting, legal, and consulting fees, on behalf of the Plan.

Certain Plan investments are managed by Fidelity and Ascensus. Fidelity is the trustee and record-keeper and Ascensus is the custodian and record-keeper of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in the net appreciation in fair value of investments.

Fidelity and Ascensus receive revenue from mutual funds for services Fidelity and Ascensus provide to the funds. These fees are allocated to the accounts of Plan participants.

6. Risks and Uncertainties

The Plan invests in a variety of investments. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible changes in the values of investment securities will occur in the near-term, and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Income Tax Status

Prior to the Plan restatement in 2021, the Plan utilized a volume submitter document and relied on the volume submitter's opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014. The letter stated the Plan is designed in accordance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan had been amended since receiving the opinion letter, the Plan Administrator believed the Plan was designed and was being operated in compliance with the applicable requirements of the IRC.

Effective November 15, 2021, the Plan adopted a pre-approved basic plan document with an opinion letter dated June 30, 2020. The letter states the Plan is designed in accordance with applicable sections of the IRC, and therefore, the Plan Administrator believes the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Subsequent Events

Management has evaluated subsequent events through October 12, 2022, the date of the financial statements were available for issue.
