### INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of  
the Harold Jones Landscape, Inc. 401(k) P/S Plan

#### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Harold Jones Landscape, Inc. 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Harold Jones Landscape, Inc. 401(k) P/S Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Harold Jones Landscape, Inc. 401(k) P/S Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Harold Jones Landscape, Inc. 401(k) P/S Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

To the Administrative Committee of  
the Harold Jones Landscape, Inc. 401(k) P/S Plan

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Harold Jones Landscape, Inc. 401(k) P/S Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Harold Jones Landscape, Inc. 401(k) P/S Plan's ability to continue as a going concern for a reasonable period of time.

Harold Jones Landscape Inc. 401(k) P/S Plan  
NOTES TO FINANCIAL STATEMENTS

A - DESCRIPTION OF PLAN

The following description of the Harold Jones Landscape Inc. 401(k) P/S Plan (the “plan”) is provided for general information purposes only. The plan sponsor is Harold Jones Landscape Inc. 401(k) P/S Plan Participants should refer to the Summary Plan Description (SPD) for additional information.

General

The plan was adopted effective January 1, 2009 and has been subsequently amended to conform to Federal regulations and is a qualified defined contribution plan covering all employees of Harold Jones Landscape Inc. (the Company) who have completed one year of service and have reached the age of 21. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Touchstone Retirement Group, LLC is the third-party administrator for the plan and Mid Atlantic Trust Company is the custodian.

The plan invests in mutual funds through a contract with Mid Atlantic Trust Company. The custodian of the plan has been designated to hold the assets of the plan for the benefit of plan Participants and their beneficiaries in accordance with the terms of this plan. The Trust Fund established by the plan's custodian will be the funding medium used for the accumulation of assets from which plan benefits will be distributed.

Allocations

Assets of the plan are allocated to participant accounts based on specific contributions made by each participant and respective matches made by the Company. Investment income (loss) is credited to each account based on appreciation (depreciation) of specific assets held in each participants account and any earnings thereon.

Contributions and allocations

To allow participants the opportunity to increase their retirement income, each participant may, in accordance with nondiscriminatory procedures established by the administrator, elect to make employee voluntary contributions to the plan. Such contributions must generally be paid to the custodian within a reasonable period of time after being received by the employer. There are two types of salary deferrals: Pre-Tax 401(k) deferrals and Roth 401 (k) deferrals.

The Company contributes a 3% safe harbor non-elective contribution. The contribution is based upon compensation and is given to all eligible employees, not just those who make salary deferral contributions.

The Company may make a discretionary matching contribution. If the Company makes a discretionary additional matching contribution, the discretionary additional matching contribution will not apply as to elective deferrals exceeding 6% of participant's compensation. The total amount of this discretionary additional matching contribution will not exceed 4% of participants compensation.

The Company may also make a discretionary nonelective contribution to the plan. For the year ended 2021, the Company made a discretionary nonelective contribution of \$311,952.

A - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. In addition, participants are immediately vested in all safe harbor and discretionary matching contribution. Vesting in the Employer's discretionary nonelective contribution portion of the participant's accounts plus actual earnings thereon is 20% after the second year of service increasing by 20% per year through year six of service. A participant will be fully vested in all of their accounts under the plan (including those accounts attributable to the adopting employer's contributions) upon reaching the plan's normal retirement age (age 65), their disability or death.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant with an account balance of \$5,000 or less, the Plan will rollover the participant distribution to an IRA if they do not make an affirmative election to either receive or roll over the distribution.

If a participant's account balance (excluding any rollover contribution account but including any outstanding loan balance account) is greater than \$5,000 as of the applicable valuation date, in addition to either a lump sum or direct rollover, they may choose to receive installments, request a partial withdrawal, or defer receiving payments until age 70½.

A participant may receive a hardship distribution of his or her salary reduction contributions if the distribution is (1) on account of medical expenses incurred by the participant, their spouse or dependents, (2) to purchase (excluding mortgage payments) a principal residence of the participant, (3) for the payment of tuition, related educational fees and room and board for the next twelve months of post-secondary education for the participant, their spouse, children or dependents, (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence, (5) payments for burial or funeral expenses of your deceased parent, spouse, children or other dependents, or (6) expenses for the repair of damage to your principal residence that would qualify for the casualty deduction under the Internal Revenue Code and (7) expenses for disasters arising from federally declared disasters, such as expenses and losses (including loss of income) attributable to that disaster, provided the participant's principal residence or place of employment was in an area FEMA designates as qualifying for individual assistance.

Forfeitures

The Employer may use forfeitures to pay plan expenses, allocate as additional employer contributions or use them to reduce amounts otherwise required to be contributed to the plan. As of December 31, 2021, there were no unallocated forfeitures.

A - DESCRIPTION OF PLAN (Continued)

Participant accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) plan earnings. Allocations are based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Investment options

The plan allows each participant to direct investments of the balance of their participant account. Plan participants can change their investments at any time.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time, and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts. Because the plan is a defined contribution plan, it is not covered by Pension Benefit Guaranty Coverage insurance.

Notes receivable from participants

Participant loans are permitted under the plan. A participant can borrow the lesser of fifty percent of their vested account balance or \$50,000. The initial loan must at least \$500. All loans are considered directed investment of the participant's account and all payments of principal and interest will be credited to their account. A participant may only have two (2) loans outstanding at any given time. Loan terms may not exceed five years except in the case of a loan for a primary residence which may not be longer than thirty years. The participant's loan is collateralized by the balance in the participant's account and bears interest at Wall Street Journal prime plus two percent.

Participant rollovers

Participants are allowed to transfer or rollover funds into the plan from other qualified plans.

Administrative expenses

Any fees related to the administration of the plan or associated with the investment of plan assets may be paid by the plan or by the plan sponsor. Participant transaction fees are charged directly to participant accounts.

B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summary of the plan's significant accounting policies is presented to assist in understanding the financial statements. The financial statements and notes are representations of the plan's management, who is responsible for their integrity and objectivity.

Basis of presentation and use of estimates

The plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The accrual basis of accounting requires the use of estimates and assumptions that affect the assets, liabilities, revenues and expenses reported in the financial statements, as well as amounts included in the notes thereto, including discussion and disclosure of contingent liabilities. Although the plan uses its best estimates and judgments, actual results could differ from these estimates as future confirming events occur.

Investment valuation and income recognition

Mutual funds are reported at fair value based on published market prices, which represent the quoted net asset values of shares held by the plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the exdividend date. Net appreciation in fair value of investments includes the plan's realized gains and losses on investments bought and sold as well as unrealized gains and losses on investments held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the cash basis when received. Related fees are charged directly to the borrowing participant's account when incurred. As of December 31, 2021 and 2018, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document.

Contributions

Contributions from employees are recorded in the period in which they are deducted from participant earnings. Company contributions may be recorded when received or accrued.

Plan expenses and payments of benefits

Plan expenses and the payment of benefits are recorded when paid by the plan.

B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair value measurements

The framework for measuring fair value is a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted price in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

The three levels of the fair value hierarchy are described as follows:

Level 1

Fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2

Fair values are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly.

Level 3

Fair values are based on at least one significant unobservable input for the asset.

The methods and significant assumptions used to estimate fair values of financial instruments are as follows.

| <u>Asset type</u> | <u>Proposed level</u> | <u>Rationale</u>                                                                                        |

E - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (Unaudited)

The Company has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company held the Plan's investment assets and executed investment transactions from January 20, 2021 to December 31, 2021, and that Reliance Trust Company held the Plan's investment assets and executed investment transactions as of December 31, 2020, and for the period January 1, 2021 to January 19, 2021. The plan administrator has obtained certifications from the custodians as of and for the years ended December 31, 2021 and 2020.

The custodians of the Plan, have certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

F - ADMINISTRATIVE FEES

The plan paid \$21,876 of administrative fees to the custodians for the year ended December 31, 2021. The sponsor continues to incur expenses for the plan such as payroll administration and the fee paid to the auditor.

G - PARTY IN INTEREST TRANSACTIONS

## H - CONCENTRATIONS OF RISK

The following is a summary of financial instruments subject to credit risk at year end.

### Investment Securities

The plan's investments are not insured by agencies of the United States government. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits. The maximum amount of loss due to credit risk that the plan would incur if parties to the financial instruments failed to perform according to the terms of the contracts and the collateral, in any, proved to be of no value would approximate the balances that appear on the Statement of Net Assets Available for Benefits.

### Notes Receivable from Participants

As discussed in Note A above, if a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the plan document. Consequently, an allowance for collectability is not considered necessary by plan management.

### General business economy

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any events which would limit the plan's ability to transact at contract value with participants are probable of occurring.

## I - SUBSEQUENT EVENTS AND DATE OF MANAGEMENT'S REVIEW

The plan's management has evaluated subsequent events through date of the Independent Auditor's Report, which is the date the financial statements were available to be issued.

J - PRIOR PERIOD ADJUSTMENT – ADJUST FROM CASH TO ACCRUAL BASIS

During the current year it was determined that the plan's accounting was done on a cash basis. In the prior years, when plan management elected to make a profit-sharing contribution, the contribution was recorded when it was paid and not necessarily in the year for which it was intended. Generally accepted accounting principles requires that the plan's financial statements be prepared using the accrual method of accounting and thus the contributions would be required to be recorded in the period for which they are intended.

On December 31, 2020, plan management elected to make a profit-sharing contribution of \$335,235 for the year 2020. That contribution was subsequently paid and recorded in 2021. To adjust the plan's accounting to the accrual basis for financial statement purposes, the contribution will be retroactively recorded in 2020 as an increase in net assets available for benefits and increase in receivable from the employer.
