INDEPENDENT AUDITOR'S REPORT

The Administrative Committee of
Aero Air, LLC 401(k) Profit Sharing Plan and Trust
Hillsboro, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Aero Air, LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 13, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Aero Air, LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan maintained for the benefit of all employees of Aero Air, LLC (the Company) except non-resident aliens, employees who are covered by a collective bargaining agreement that does not provide for participation in the Plan, and leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Amendments - Effective July 1, 2021, the Plan was restated through adoption of a non-standardized defined contribution pre-approved plan document sponsored by Great-West Trust Company, LLC. The provisions of the plan are substantially unchanged by this restatement.

Effective in April 2020, the Plan adopted certain provisions of the Coronavirus Aid Relief, and Economic Security (CARES) Act. The provisions permit Coronavirus Related Distributions (CRDs) up to \$100,000 to Plan participants affected by COVID-19. Additionally, the provisions raise loan limits to the lesser of \$100,000 or 100% of the present value of the COVID-19 affected Plan participant's vested balance. Affected Plan participants may delay the due date of the next-schedule loan repayment for up to one year if the due date of such repayment occurs between March 27, 2020 and December 31, 2020. Following this suspension period, the loan will be re-amortized to include interest accrued during the suspension and the total repayment term of the loan may be extended by the duration of the suspension. Under the CARES Act, Required Minimum Distributions, (RMDs) are waived for 2020 for Plan participants and for beneficiaries taking RMDs under the life expectancy or five-year rules. Plan management is currently working with advisors to amend the Plan document to adopt these provisions.

Effective October 1, 2020, the Plan was amended to remove the two-month waiting period and allow full time employees to participate in the Plan immediately.

Contributions - Contributions consist of employee elective 401(k) deferrals, elective Roth 401(k) deferrals and employer safe harbor non-elective contributions. Employees may voluntarily contribute up to 100% of their eligible compensation to the Plan, not to exceed the maximum annual contribution of \$19,500 annually in both 2021 and 2020, as prescribed by the Internal Revenue Code (IRC). Participants age 50 and older may elect to make additional catch up contributions of \$6,500 annually in both 2021 and 2020. The Plan has an auto-enrollment provision for pre-tax deferrals, whereby all newly eligible employees are automatically enrolled in the Plan at a deferral rate set at 3% of eligible compensation, unless they affirmatively elect not to participate in the Plan. Employer safe harbor non-elective contributions are equal to 3% of each participant's eligible compensation and totaled \$547,835 and \$505,906 in 2021 and 2020, respectively. The Company can also make discretionary additional matching contributions. No discretionary additional matching contributions were made in 2021 or 2020. In addition, contributions are subject to other limits under the IRC.

Participants' Accounts - A separate account is maintained for each participant, which is credited with the participant's contributions, the Company's contributions and an allocation of Plan earnings and expenses. Allocation of Plan earnings is based upon participant account balances. Supplemental contributions are allocated among participants for the year based on eligible participant's compensation. The benefit to which a participant is entitled is the vested amount in their individual account.

Vesting - Participants are immediately vested in their voluntary contributions, employer safe-harbor non-elective contributions, and actual earnings thereon. After two years of service, participants vest in Company discretionary contributions at the rate of 20% per year of service and are 100% vested after six years of service. Participants are also 100% vested upon death, total and permanent disability or retirement.

Expenses - Administrative expenses may be paid by the Company. Expenses not paid by the Company are deducted from investment earnings before allocation to participants' accounts. Expenses of plan administration, including computer services, professional fees, office supplies and payroll expenses of administrative and clerical personnel are provided by the Company without charge to the Plan.

Payment of Benefits - Upon termination of service or upon reaching retirement age, disability or death, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments, or an annuity contract. Additionally, under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. Account balances that are under \$1,000 may be automatically paid out at the discretion of the Company. Balances between \$1,000 and \$5,000 may be transferred to an IRA, also at the discretion of the Company.

Forfeitures - Forfeited accounts generally are the result of the non-vested portion of Company discretionary contributions from terminated employees or employer contributions related to ineligible participants. The forfeited accounts are to be used first to restore prior forfeitures or to pay plan expenses, and then to reduce employer contributions for the following year. Forfeitures total \$36 and \$35, respectively, at December 31, 2021 or 2020 and no forfeitures were used in 2021 or 2020 to pay plan expenses or reduce employer contributions.

Subsequent Events – The Plan's management has performed an evaluation of subsequent events through October 14, 2022, which is the date the financial statements were available to be issued.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements were prepared using the accrual basis of accounting.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year and management and operating expenses associated with the Plan's investments in mutual funds.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments - Benefits are recorded when paid. Accordingly, benefits payable to persons that have elected to withdraw from the Plan but are not yet paid at year-end have not been accrued. At December 31, 2021 and 2020, there were no benefit payments due to participants.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

NOTE 3 – FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Basis of Fair Value Measurement

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the plan has the ability to access at the measurement date.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets in active markets;
- Quoted prices for identical or similar assets in inactive markets;
- Inputs other than quoted prices that are observable for the asset; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of:

Investment Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,518,967	\$ -	\$ -	\$ 9,518,967
Total investments at fair value	<u>\$ 9,518,967</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,518,967</u>
Investment Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,899,695	\$ -	\$ -	\$ 6,899,695
Total investments at fair value	<u>\$ 6,899,695</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,899,695</u>

NOTE 4 – GROUP ANNUITY CONTRACT

The Plan holds a group annuity contract with Great-West Life & Annuity Insurance Company. The Key Guaranteed Portfolio Fund is a traditional fully benefit-responsive insurance contract with Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company (the Issuer) maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract Issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the Issuer. Such interest rates are reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the Plan. Contract value, as reported to the Plan by the insurer, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of the investment at contract value.

The Plan's ability to receive amounts due is dependent on the Issuer's ability to meet its financial obligations. The Issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the Issuer. Such events include, (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletions of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the Issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include, (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the Issuer.

The guaranteed insurance contract does not permit the Issuer to terminate the agreement prior to the scheduled maturity date. The average yield based on actual earnings was 0.90% and 1.04% for the years ended December 31, 2021 and 2020, respectively. The average yield earned and credited to participant accounts was 1.00% and 1.04% for the years ended December 31, 2021 and 2020, respectively.

NOTE 5 – NOTES RECEIVABLE FROM PARTICIPANTS

The Plan makes loans to participants based on their vested account balances. Loans must be repaid within five years unless used to acquire a primary residence. Loans are payable through payroll deductions or directly. Interest is charged at rates set by the Plan administrator commensurate with local prevailing rates that range from 4.25% to 6.50% at December 31, 2021. Loans are secured by the vested account balance of the participant.

NOTE 6 – INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIAN OF THE PLAN

The following is a summary of the comparative unaudited information regarding the Plan, included in the Plan's financial statements and supplemental schedule, that was certified by the trustee and custodian of the Plan, Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company as of and for the years ended December 31, 2021 and 2020 and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee and custodian that such information is complete and accurate.

	2021	2020
Investments, at fair value	\$ 9,518,967	\$ 6,899,695
Investments, at contract value	\$ 575,105	\$ 540,340
Notes receivable from participants	\$ 39,749	\$ 42,201
Net appreciation (depreciation) in fair value of investments	\$ (26,132)	\$ 677,858
Interest and dividends	\$ 1,163,280	\$ 253,549
Interest income on notes receivable from participants	\$ 2,546	\$ 2,687

NOTE 7 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments consist of mutual funds and a group annuity contract managed by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company. Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company are the trustee and custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees associated with these accounts range from 0.67% - 0.70% of the investments average daily net assets.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Upon termination, the Company may continue the Plan to pay benefits as they mature or liquidate and distribute the relevant portion of the Plan to a successor defined contribution plan, or in the absence of a successor plan, to the participants. Net assets transferred or distributed shall be allocated to participants in proportion to their interests.

NOTE 9 – CONCENTRATIONS, RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, and therefore participants' account balances. There are two investments that individually represented more than 10% of the investments held as of December 31, 2021 and 2020. See the supplemental Schedule of Assets (Held at End of Year) for the complete listing of investments held as of that date.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and greatly contributed to significant deterioration and instability in financial markets. As a result, the Plan's investment portfolio has incurred significant volatility since the initial outbreak. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time. These financial statements do not consider the potential future impacts of the pandemic.

NOTE 10 – TAX STATUS

The Plan document is an adoption of a non-standardized defined contribution pre-approved plan sponsored by Great-West Trust Company, LLC. The pre-approved Plan document obtained an opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended and restated since receiving the opinion letter, the Plan administrator believes that the Plan document is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
