TO THE PLAN ADMINISTRATOR OF
PLUMPJACK MANAGEMENT GROUP, LLC RETIREMENT SAVINGS PLAN

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of PLUMPJACK MANAGEMENT GROUP, LLC RETIREMENT SAVINGS PLAN (the “Plan”) as of and for the year ended December 31, 2021 and have issued our report thereon dated October 4, 2022. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated March 11, 2022, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan’s internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 2 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are the fair value measurements for the Plan's investments as discussed in Note 3 to the financial statements. The Fair Value Measurements and Disclosures topic of the Financial Accounting Standard Board's Accounting Standards Codification defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. These methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

We evaluated the key factors and assumptions used to develop the fair value measurements for the Plan's investments and determined that it is reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the Plan's financial statements relate to the fair value measurements as discussed above.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We did not note any such transactions.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. There were no uncorrected or corrected misstatements identified by us as a result of our audit procedures. There were standard adjusting journal entries to convert the cash basis trust statement to the accrual basis financial statements that were recorded by the Plan.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. No such circumstances that affect the form and content of the Auditor's report were noted.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated October 4, 2022.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

During our audit, we noted observations that are presented under the “Other Findings” that have been discussed with management during our fieldwork.

Other Findings:

Year Ended December 31, 2021

a. Missed Employee and Employer Matching Contributions

Observation: The plan document states that employee deferral contributions will be determined based on the employee’s gross compensation. However, certain employee deferral contributions were not withheld from one participant’s paychecks due to the participant working for multiple locations. The related employer matching contributions were not calculated.

Recommendation: We recommend the Plan administrator uniformly train all personnel who work with the Plan and review the setup of deductions in the payroll system to ensure all locations are operating in the same manner and are calculating deferral amounts consistent with the terms of the Plan document. In addition, we recommend the Plan administrator correct and contribute the missed contribution amount along with remitting the missed employer match and lost earnings.

Management Response: Management will implement the above recommendation, and a correction service request was made with the plan provider.

b. Uncashed or Stale Checks

Observation: We noted during our audits from 2017 through 2020 that there were several instances of uncashed benefit checks from participants. The participants’ funds were redeposited back into the Plan’s forfeiture account.

Recommendation: We recommend that the plan administrator must be able to demonstrate compliance with ERISA’s fiduciary standards regarding efforts made in locating missing participants. At a minimum, Plan documents should describe or refer to Plan procedures which describe: 1) the steps that will be taken to locate lost or non-responsive participants, 2) the time frames for banks or the plan administrator to report uncashed checks to the Plan and, 3) how the funds from uncashed checks will be handled if the participant cannot be located under the State of California’s Unclaimed Property Law. Separately, the Plan should have rules and procedures addressing the timeframes and circumstances in which assets may be forfeited if accounts remain unclaimed and the procedures for reinstatement if later claimed. The funds represented by these uncashed checks remain in the Plan assets and so plan administrator retains fiduciary responsibility for them.

Management Response: Management will continue to locate these employees to pay their accounts and/or submit the information to the State of California’s Unclaimed Property Law.

Other Matters

The ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR AND PARTICIPANTS OF PLUMPJACK MANAGEMENT GROUP, LLC RETIREMENT SAVINGS PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of PLUMPJACK MANAGEMENT GROUP, LLC RETIREMENT SAVINGS PLAN (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated September 30, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PLUMPJACK MANAGEMENT GROUP, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the PlumpJack Management Group, LLC Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was established on January 1, 2018 to provide retirement benefits for the employees of the PlumpJack Management Group, LLC (“PJMG”) and its related and unrelated employers as defined in the Plan document, (collectively, the “Company”). The related employers who adopted the Plan are: PlumpJack Management Group, LLC; CNCML, L.P.; Villa Encinal Partners, LP; Balboa Café Partners; Pierce Street Partners, LLC; PlumpJack Sport, LLC; and PlumpJack.com, LLC. The following PJMG unrelated employers also adopted the PlumpJack Plan: Soma Lounge, LLC and Sunset Bar, LLC.

The Plan is a voluntary defined contribution plan available to employees of the above employers who have met the eligibility requirements. Participants are qualified to participate after six months of eligible service. Eligible employees may become participants in the Plan at the beginning of every calendar month following the completion of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Securities Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”). Effective May 11, 2022, the terms of the Plan were restated (see Note 9).

In March 2020, the Plan implemented provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 27, 2020. These provisions were applicable for qualified Plan participants and included an increase in maximum loan amounts to the lesser of the participant’s account balance or \$100,000 for a loan issued through September 23, 2020; the ability of qualified participants who had Plan loan repayments due in 2020 to defer such repayments beyond December 31, 2020; and a new coronavirus-related distribution up to \$100,000 in 2020. In addition, the CARES Act allowed any participant subject to a 2020 required minimum distribution (“RMD”) to waive such distribution. In addition, effective January 1, 2020, the Plan implemented the delay of the commencement date for required minimum distributions pursuant to the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”). The Plan will be amended for the provisions implemented under the CARES Act and SECURE Act by the time prescribed.

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records with regard to the Plan and operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law.

Participant Contributions – Participants may elect to contribute on a pre-tax basis or post-tax basis (“ROTH”) annual compensation, either a percentage or set dollar amount of annual eligible compensation, as defined by the Plan agreement. Participants may elect to contribute up to 60% of their annual eligible compensation, subject to annual limits specified by the IRC. For the year ended December 31, 2021, the annual limitation was \$19,500. Participants who reached at least 50 years of age by the end of the calendar year and who are making contributions to the Plan are permitted to make additional catch-up contributions limited to \$6,500 for the year ended December 31, 2021. Participants are also allowed to rollover contributions from other qualified retirement plans, subject to the approval by the plan administrator. Participant contributions are vested and nonforfeitable at all times.

PLUMPJACK MANAGEMENT GROUP, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions – The Plan is a safe harbor 401(k) plan which means that the Company makes safe harbor matching contributions. The safe harbor matching contributions are equal to 100% of employee deferrals (including catch up contributions) that do not exceed 4% of employee’s eligible Plan compensation. The maximum individual matching contribution for the Plan year ended December 31, 2021 was \$11,600. The Company made approximately \$301,000 of matching contributions to the Plan for the year ended December 31, 2021.

The Company may, at its discretion, elect to make discretionary non-elective contributions to the Plan. Such contributions are allocated in the ratio that each participant’s eligible compensation bears to the total compensation paid to all eligible participants for the Plan year. There were no such contributions for the year ended December 31, 2021.

Participant Accounts – The Plan maintains an account for each participant which is credited with the participant’s contributions, rollover contributions, matching contributions, and allocations of Plan investment earnings or losses and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that may be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their voluntary and rollover contributions and employer matching contributions, plus actual earnings thereon. Participants in the Plan vest in the Company’s discretionary profit-sharing contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	100%

Investment Options – Upon enrollment in the Plan, a participant may direct the investment of his or her account balance into the various mutual funds or a common collective fund offered through the Plan.

Notes Receivable from Participants – Eligible participants may borrow from their vested account balance at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, or up to ten years for the purchase of a primary residence. The notes are secured by the vested balance in the participant’s accounts and bear fixed interest at a rate established by Fidelity Management Trust Company (“Fidelity”). Principal and interest are paid ratably through bi-weekly payroll deductions and loans are due upon the earlier of maturity date or termination of employment. The Plan only allows a participant to have one outstanding loan at a time. Pursuant to the CARES Act enacted in March 2020, eligible participants could request a delay of loan repayments due between March 27, 2020 and December 31, 2020. If a delay was granted, the participant’s note was re-amortized and included any interest accrued during the period of delay.

PLUMPJACK MANAGEMENT GROUP, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits – Participants are eligible to receive distributions from the Plan upon reaching normal or early retirement age, termination of service, death or disability as a lump-sum distribution, a direct rollover distribution, or a combination of cash and direct rollover distribution equal to the value of the participant's vested interest in his or her account. Upon attainment of age 59½, a participant may elect to withdraw all or part of his/her vested account. In-service withdrawals of a participant's pre-tax contribution account are also allowed in cases of proven financial hardship, subject to a \$500 minimum. If a participant's account balance is less than \$5,000 but greater than or equal to \$1,000 upon termination of service, and the participant fails to elect a lump-sum cash out or rollover into another qualified plan, a distribution of the participant's account will be automatically rolled over into an individual retirement account that is designated by the plan administrator. If a participant's account balance is less than \$1,000 upon termination of service and the participant fails to elect a lump-sum cash out or rollover into another qualified plan, a distribution of the participant's account will be made automatically in a single lump-sum cash distribution. Participants with vested balances of \$5,000 or more may elect to take distributions in a lump-sum or installments over various periods of time as provided in the Plan. Generally, a participant must begin distributions by the later of the year after the participant attains age 72 or the year in which the participant terminates employment.

Forfeitures – Any portion of a terminated employee's account that is not vested, subject to the possibility of reinstatement, is forfeited. Such forfeitures are offset against future Company's contributions or administrative expenses of the Plan. Forfeited non-vested accounts amounted to approximately \$1,400 as of both December 31, 2021 and 2020. There was no forfeiture amount used to offset the employer's contributions and administrative expenses in 2021.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

PLUMPJACK MANAGEMENT GROUP, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants – Notes receivable from participants represent loans that are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was required as of December 31, 2021 and 2020.

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from the financial statements. Expenses paid from the Plan's assets are proportionately allocated to the accounts of all participants in the Plan. Such expenses include fees for recordkeeping services. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

Concentrations – As of December 31, 2021 and 2020, approximately 47% and 45% of the Plan's investment assets were from three investment funds, respectively.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under this standard are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

PLUMPJACK MANAGEMENT GROUP, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Fund: Valued at the NAV of units of a common collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require advance notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:

* In accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table sets forth additional disclosure of the Plan’s investments whose fair value is estimated using NAV per share (or its equivalent) as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified the completeness and accuracy of all investments and notes receivable from participants presented in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020, the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, and the related investment return and interest income earned on the notes receivable from participants presented in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE OF THE PLAN (Continued)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of various funds managed by Fidelity. Fidelity is the trustee, as defined by the Plan and; therefore, these transactions qualify as party-in-interest transactions.

Fidelity and affiliates provides certain administrative services to the Plan pursuant to a service agreement between the Plan, Fidelity and affiliates. Fidelity and affiliates receives revenue from mutual fund service providers for services Fidelity and affiliates provides to the funds. This revenue is maintained by Fidelity and affiliates as compensation for its administrative services to the Plan. Because these expenses are paid through this revenue sharing arrangement, they are included in net appreciation (depreciation) in fair value of investments. The Plan paid approximately \$42,000 to Fidelity and affiliates for administrative services provided for the year ended December 31, 2021 which is reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTE 6 – PLAN TERMINATION

The PJMG has established the Plan with the expressed intention and expectation that it will continue the Plan. However, the PJMG also reserves the right to terminate the Plan at any time, for any reason, subject to the provisions of ERISA. In the event of termination, no further contributions will be made to the Plan and all participants will be 100% vested in their accounts.

NOTE 7 – TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt plan under the IRC. The Plan had adopted Fidelity's volume submitter plan that had received a favorable opinion letter dated March 31, 2014, in which the IRS stated that the Plan, as then designed, was in accordance with the applicable requirements of the IRC (see Note 9). The Plan has not received a determination letter; however, the plan administrator believes that the Plan is intended to be designed and is currently being operated in compliance with the applicable requirements of the IRC, and; therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination among the funds sponsored by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 – SUBSEQUENT EVENTS

Effective May 11, 2022, the Plan was restated. In connection with the restatement, the Plan adopted a Fidelity's Pre-Approved Defined Contribution Plan which received a favorable opinion letter from the IRS dated June 30, 2020, in which the IRS stated that the Plan, as then designed, was in accordance with the applicable requirements of the IRC. The restated plan document has substantially the same provisions.

The Plan's management has evaluated subsequent events through October 4, 2022 the date the financial statements were available to be issued.
