New Balance Athletics Employee Savings and Security Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of New Balance Athletics Employee Savings and Security Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

New Balance Athletics Employee Savings and Security Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the New Balance Athletics, Inc. (the “Company” or the “Employer”) Employee Savings and Security Plan (the “Plan”) provides only general information. Participants should refer to the Plan document and trust agreements for a more complete description of the Plan’s provisions.

General

The Plan is a participant-directed defined contribution plan, covering eligible employees of the Company under Section 401(k) of the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The effective date of the Plan is September 1, 1990.

The Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) and the Setting Every Community Up for Retirement Enhancement Act (“SECURE Act”) were effective January 1, 2020. The following provisions of the CARES Act and SECURE Act have been adopted by the Plan:

- Increased age for required minimum distributions (“RMD”); the age triggering RMDs is increased to 72 from 70½. This will be effective for those turning 70½ on or after January 1, 2020. Required minimum distributions were temporarily waived for 2020.
- Penalty free withdrawal available through December 31, 2020. Distributions up to \$100,000 are exempt from the early distribution penalty tax of 10%, and federal income tax can be spread over three years. Alternatively, the distribution can be repaid to the Plan within three years.
- Increased loan amount from \$50,000 to \$100,000 available on loans taken between March 27, 2020 and September 22, 2020 and the ability to defer loan payments for one year.

Eligibility

Employees who are employed by New Balance Athletic Shoe, Inc. (the “Plan Sponsor”) or one of its subsidiaries on a full-time basis (20 or more hours per week), have attained 20 years of age and have completed 30 days of service are eligible to participate in the Plan. All eligible employees are automatically enrolled in the Plan 30 days after date of hire.

Contributions

Participants may elect to defer 2% to 50% of their pretax annual compensation, as defined in the Plan document and subject to annual limitations under the IRC. Participants may elect to have all or any portion of their salary deferral contributions treated as Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company matches 100% of the first 5% of participants’ pay contributed to the Plan. In addition, the Company may elect to make a discretionary profit-sharing contribution to the Plan, which did not occur in Plan year 2021. Company discretionary contributions are allocated based on each respective eligible participant’s years of service as determined as of the last day of the Plan year.

Participant Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, the Company's matching contributions, an allocation of the Company's discretionary contributions (if any), Plan earnings, losses and service credits and is charged with an allocation of administrative expenses. Allocations are based on participant's elected allocation percentages, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participants direct the investment of their account balance into various investment options offered by the Plan and may change their investment options at any time, subject to the terms of the funding vehicles. Plan earnings are credited to a participant's account according to the type of funding vehicle in which balances are invested.

Vesting

Participants are immediately vested in employee contributions, Employer matching contributions, and rollover contributions from other qualified plans, as adjusted for actual earnings or losses thereon. For discretionary Employer profit-sharing contributions, a participant vests at the rate of 20% per year such that a participant is 100% vested after five years of credited service. Employer contributions are fully vested upon death or disability of the participant.

Participants will be credited with a year of service for each Plan year in which the participant has completed at least 1,000 hours of service.

Forfeiture

Forfeited amounts, if any, and earnings thereon are available to reduce future Employer contributions and to pay plan expenses. As of December 31, 2021, and 2020, the Plan had accumulated \$1,999 of forfeitures to pay plan expenses or offset employer contributions. During the year ended December 31, 2021, \$1,747 of forfeitures were used to pay employer contributions or plan expenses.

Payment of Benefits

On termination of employment due to death, disability or retirement, the vested portion of a participant's account may be distributed to the participant or beneficiary by transfer to another qualified plan or IRA account or through a lump sum. There are additional provisions for participants who work beyond normal retirement age or who terminate employment prior to reaching normal retirement age. If a participant's account balance is less than \$5,000 but greater than \$1,000 upon termination, a distribution of the participant's account may be made automatically into an IRA. If a participant's account balance is less than \$1,000 upon termination, a distribution of the participant's account may be made automatically in a single-lump-sum cash distribution.

In service withdrawals of all or a portion of a participant's vested account balance may be made by participants who have attained the age of 59½. Hardship withdrawals from a participant's deferral contribution accounts are permitted when certain criteria are met. However, subsequent to a hardship withdrawal, the participant's pre-tax and/or Roth after-tax contributions will be suspended for a period of six months. In-service withdrawals of all or a portion of a participant's rollover account may be made at any time.

Notes Receivable from Participants

Participants may borrow from their vested fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants can only have one loan outstanding at any given time and may elect a repayment term of up to 60 months, with longer terms available when

the loan is used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates at the date of issuance, as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Participant loans receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Certain administrative expenses related to custody and recordkeeping of the Plan are paid by the Company and others are charged to participants. Loan and other transaction fees are charged to participants. In addition, certain administrative functions are performed by the officers or employees of the Company for which the officer or employee receives no compensation from the Plan nor is the Plan charged by the Company for these services.

Mutual Fund Fees

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees, which are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940, are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earning activity and thus are not separately identifiable as a Plan expense.

Service Credits

The Plan receives service credits through John Hancock Trust Company from various funds. These credits are recorded by the Plan as investment income and are used to reduce administrative expenses. To the extent that the service credits received exceed administrative expenses incurred through March 31 of the following Plan year, the excess amounts are allocated to Plan participants based on account balance. During 2021, the Plan received \$430,480 of service credits which were used to reduce administrative expenses.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value and contract value as determined by the Plan's custodian. Contract value represents contributions made under the contract, plus interest at the contract rate, less withdrawals and administrative expenses.

The change in the value of investments and realized gains (losses) are reflected in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in value of investments. Purchases and sales of securities are recorded on a trade-date basis. Dividend and interest income is recorded on the accrual basis.

New Balance Athletics Employee Savings and Security Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Trust Company ("JHTC"), the custodian of the Plan, has certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income from notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- The schedule of assets (held at end of year) at December 31, 2021.

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting Standards Codification ("ASC") 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include
 - quoted prices for similar assets or liabilities in active markets;

New Balance Athletics Employee Savings and Security Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds - Mutual funds which are actively traded are valued at quoted market prices on nationally recognized securities exchanges.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 360,454,728	\$ -	\$ -	\$ 360,454,728
Total assets, at fair value	\$ 360,454,728	\$ -	\$ -	\$ 360,454,728
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 317,593,299	\$ -	\$ -	\$ 317,593,299
Total assets, at fair value	\$ 317,593,299	\$ -	\$ -	\$ 317,593,299

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2021 and 2020, there were no transfers among Levels 1, 2 and 3.

New Balance Athletics Employee Savings and Security Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

NOTE 5 - INVESTMENT AT CONTRACT VALUE (NEW YORK LIFE INSURANCE ANCHOR ACCOUNT I)

The Plan has a fully benefit-responsive investment contract with JHTC, which maintains the contributions in a pooled separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The objective of the contract is to provide a low risk, stable investment offering competitive yields, allowing investors to accumulate current income while preserving principal. The contract is included in the statements of net assets available for benefits at contract value. Participants may ordinarily direct the withdrawal of all or a portion of their investment at contract value.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with JHTC. The Plan administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with Plan participants is not probable.

NOTE 6 - RELATED-PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds managed by John Hancock Life Insurance Company, an affiliate of JHTC, the custodian of the Plan's assets and, therefore, these transactions qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Fees paid by the Plan for investment management services for the year ended December 31, 2021 amounted to \$887,313. This amount was reduced by service credits of \$430,480 which would also qualify as a party-in-interest transaction.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

The novel coronavirus ("COVID 19"), which was declared a global health emergency in January 2020 and a pandemic in March 2020, has caused significant changes in political and economic conditions around the world including disruptions and volatility in the global capital markets. The extent of the impact on the Plan's net assets available for benefits and contributions will depend on the duration and continued spread of the outbreak including any further developments. Management has not yet determined the full financial impact of these events.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, the funds shall be held for distribution by the custodian who shall distribute to the participants the full amount outstanding to their credit.

New Balance Athletics Employee Savings and Security Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

NOTE 9 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated October 4, 2016, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has since been amended; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the taxing jurisdictions. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued. Management is not aware of any other subsequent event which would require recognition or disclosure in the financial statements.
