INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Knox School 403(b) DC Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Knox School 403(b) DC Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certification from a qualified institution as of December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibility for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibility for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

NawrockiSmith

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to certified investment information, except for obtaining and reading the certification, comparing the certified investment information with related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held (At End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NawrockiSmith

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Knox School 403(b) DC Plan as of December 31, 2020 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 6, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS**

(1) Plan Description:

The following description of the Knox School 403(b) DC Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Background -

Knox School (the “School” or “Plan Administrator”) established the Plan to provide employees with a systematic means of saving and investing for the future. All permissible employees of the School, as defined in accordance with the universal availability standards, are eligible to enroll on their date of hire. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Contributions -

Participants may contribute pre-tax compensation, as defined in the Plan, subject to the Internal Revenue Service (“IRS”) statutory limitations, by means of payroll deductions. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of the contributions into various investment options offered by the Plan.

The School contributes a nondiscretionary contribution to the Plan equal to 2% of the participant’s eligible compensation provided their elective deferral equals or exceeds 2% of compensation. Contributions are subject to certain limitations.

Participant Accounts -

Each participant’s account is credited with the participant’s contributions, the School’s contributions, Plan gains or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant’s account.

Vesting -

Participants are immediately vested in their contributions, the School’s contributions, and actual earnings, thereon.

KNOX SCHOOL 403(B) DC PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Payment of Benefits -

If a participant terminates employment with the School for any reason other than death, the participant can elect to leave the vested account balance in the Plan or roll over the balance into another qualified retirement plan. Upon retirement, the account can be distributed in the form of a lump-sum, installment payments, or an annuity contract. Account balances of \$1,000 or less may only be paid as a lump sum. Participants are required to begin distributions when the age of 72 is attained. In the case of death of a participant, the beneficiary designated by the participant shall be paid the deceased employee's vested account balance immediately or in certain circumstances, paid over the life expectancy of a designated beneficiary. If the designated beneficiary is the participant's spouse, payment of benefits may be deferred until they reach the age 72.

Notes Receivable from Participants -

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000, reduced by the highest outstanding loan balance incurred during the one-year period ending on the day before the date of the new loan, or 50% of their vested account balance. A maximum of three loans may be outstanding at one time. Loan terms may not exceed five years, unless it is for the purchase of a principal residence, in which case the loan term may not exceed 10 years. The loans are secured by the participant's account. The effective interest rate assumed is the prime rate plus 1% (4.25% for the year ended December 31, 2021). Principal and interest is paid through payroll deductions.

Plan Loans -

Plan loans are issued as separate contracts by TIAA-CREF, the Plan servicer ("servicer"), as contemplated under Internal Revenue Code ("IRC") Section 72(p)(5), and do not represent plan assets. Loans are collateralized using a participant's TIAA Traditional account balance in an amount equal to 110% of the outstanding loan balance. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 45% of their TIAA Traditional account balance subject to annuity contract and plan provisions. Loan terms range from one to five years (up to ten years for the purchase of a principal residence). Principal and interest is paid by the participant to the servicer through payroll deductions and each payment will reduce amounts collateralized by the borrowing participant's TIAA Traditional account balance. At December 31, 2021 and 2020, Plan loans amounted to \$63,648 and \$90,946. Interest rates range from 4.00% to 4.49%. As of December 31, 2021, this type of loan is no longer offered.

(2) Summary of Significant Accounting Policies:

Basis of Accounting -

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Use of Accounting Estimates -

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect reported amounts and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition -

Investments are reported at fair value. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

Net appreciation and depreciation includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchases and sales of investments are recorded on a trade date basis. Dividends are recorded at the ex-dividend date. Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net investment income.

Notes Receivable from Participants -

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

KNOX SCHOOL 403(B) DC PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Payment of Benefits -

Benefits are recorded when paid.

Plan Expenses -

Certain expenses of maintaining the Plan are paid directly by the School and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

(3) Fair Value Measurements and Investments

U.S. generally accepted accounting standards establish a fair value hierarchy, which require an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reported entity has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Non benefit-responsive investment contracts: The Trustee has determined that contract value approximates fair value. Contract value equals the accumulated cash contributions, interest credited to the plan's contracts, and transfers (if any) less any withdrawals.

KNOX SCHOOL 403(B) DC PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Pooled separate accounts: Value is derived from the market value of the underlying holdings. This fund invests in real estate properties or real estate-related investments. The fund is listed on the NASDAQ stock exchange and is valued at the daily closing price.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following table represents the Plan's fair value hierarchy for investments as of December 31, 2021:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 3,841,033	\$ 3,841,033	\$ -	\$ -
Non benefit-responsive investment contracts	1,332,361	-	-	1,332,361
Pooled separate accounts	<u>96,594</u>	<u>96,594</u>	<u>-</u>	<u>-</u>
	<u>\$ 5,269,988</u>	<u>\$ 3,937,627</u>	<u>\$ -</u>	<u>\$ 1,332,361</u>

The following table represents the Plan's fair value hierarchy for investments as of December 31, 2020:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 3,398,526	\$ 3,398,526	\$ -	\$ -
Non benefit-responsive investment contracts	1,380,784	-	-	1,380,784
Pooled separate accounts	<u>80,144</u>	<u>80,144</u>	<u>-</u>	<u>-</u>
	<u>\$ 4,859,454</u>	<u>\$ 3,478,670</u>	<u>\$ -</u>	<u>\$ 1,380,784</u>

The investment contracts with the insurance company are not actively traded and significant other observable inputs are not available. Thus, the fair value of the guaranteed investment contract is determined by discounting (at risk-free rate) the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

For the years ended December 31, 2021 and 2020, issuances of Level 3 investments were \$20,793 and \$16,985, respectively. For the years ended December 31, 2021 and 2020, transfers into Level 3 investments were \$36,635 and \$251,685, respectively. For the years ended December 31, 2021 and 2020, transfers from Level 3 investments to Level 1 investments were \$70,289 and \$198,351, respectively. Transfers represent fund allocation changes by participants.

KNOX SCHOOL 403(B) DC PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

(4) Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

(5) Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Trustee, TIAA-CREF. All investments are participant directed.

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 3,841,033	\$ 3,398,526
Non benefit-responsive investment contracts	1,332,361	1,380,784
Pooled separate accounts	<u>96,594</u>	<u>80,144</u>
	<u>\$ 5,269,988</u>	<u>\$ 4,859,454</u>
Notes receivable from participants	<u>\$ 2,579</u>	<u>\$ -</u>
Net appreciation on fair value on fair value of investments	<u>\$ 508,230</u>	
Interest	<u>\$ 46,801</u>	
Interest on notes receivable from participants	<u>\$ 91</u>	

(6) Income Tax Status

The Plan terms have been drafted in reliance on the sample language provided by the Internal Revenue Service ("IRS") in Revenue Procedure 2007-71 (the "Code"). The Plan Administrator intends to apply for a determination letter on the Plan when the government opens such program. The Plan is required to operate in conformity with the Code to maintain its tax exemption. Plan management believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code.

KNOX SCHOOL 403(B) DC PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)

U.S. generally accepted accounting principles require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator believes there are no such positions, and therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan is subject to routine audits by tax authorities; however there are currently no audits for tax periods in progress.

(7) Plan Termination

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

(8) Related Party Transactions and Parties-In-Interest Transactions

The Plan invests in allocated mutual funds and an investment contract with an insurance company sponsored by TIAA-CREF, the Trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. TIAA-CREF also provides investment management and recordkeeping services for the Plan. Fees paid by the Plan for investment management and recordkeeping amounted to \$22,809 for the year ended December 31, 2021.

(9) Subsequent Events

Management of the Plan evaluated subsequent events through October 12, 2022, which is the date these financial statements were available to be issued.
