INDEPENDENT AUDITOR'S REPORT

October 11, 2022

To the Plan Administrator of
403(b) Thrift Plan of The Handicapped Children's Association of
Southern New York, Inc.:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan of The Handicapped Children's Association of Southern New York, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 403(b) Thrift Plan of The Handicapped Children's Association of Southern New York, Inc.. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(B) THRIFT PLAN OF THE HANDICAPPED CHILDREN'S ASSOCIATION OF SOUTHERN NEW YORK, INC.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following brief description of the 403(b) Thrift Plan of The Handicapped Children's Association of Southern New York, Inc. (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under section 403(b) of the Internal Revenue Code (IRC) available to all employees of The Handicapped Children's Association of Southern New York, Inc. (the Organization) who meet certain eligibility requirements. The Plan is administered by the Organization. Mutual of America Life Insurance Company (Mutual of America) and Equitable Financial Life Insurance Company (Equitable) are the custodians and recordkeepers of the Plan's assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees are eligible to begin salary deferrals as soon as they begin employment with the Organization. Prior to November 1, 2020, deferrals began pursuant to a properly completed and valid salary deferral agreement entered into by the employee. Effective November 2020, the Plan was amended to provide for auto-enrollment at 3% with an available opt-out feature. The auto enrollment escalates each year by 1% until it reaches the cap of 6%. Employees of the Organization who are at least 21 years of age and have completed one year of service (1,000 hours of service over a twelve-month period) are eligible to receive employer contributions.

Contributions

Active participants may make voluntary pre-tax contributions in the form of salary reductions up to the amount permitted by law and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the IRC. Eligible participants, who attain the age of 50 before the end of the plan year, are eligible to make catch-up contributions, subject to certain limitations of the IRC.

The Plan provides for matching contributions by the Organization. The Organization's matching contribution was equal to 50% of the participant's elective deferrals up to a maximum of 6% of eligible compensation. In addition, the Organization may make discretionary contributions to the Plan. The Organization's discretionary contribution was 3% and 5% in 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's contribution, Plan earnings/losses on all contributions and administrative expenses. Allocations of earnings/losses and administrative expenses are based on account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

1. DESCRIPTION OF PLAN (Continued)

Benefits Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or distributions based on various annuity options or fixed income payments. Terminated participants also have the option of leaving their funds in their account if the balance exceeds \$5,000, provided they are not required to take minimum distributions from their account according to the provisions of the IRC.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from elective deferral accounts. All hardships withdrawals must comply with specific rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

Participants may borrow an amount up to the lesser of 50% of the amount of the salary reduction contributions balance or \$50,000. The loan amount cannot exceed the maximum amount imposed by the IRC. A participant may borrow a minimum of \$1,000. Loans are repayable over not more than five years, except in the case of a loan for the purchase of a primary residence. All loans must bear interest at a reasonable interest rate and commensurate with the current commercial rates charged in similar loans by persons in the business of lending money. Total notes receivable from participants outstanding at December 31, 2021 and 2020 were \$82,649 and \$111,479, respectively. Loans bear interest at rates ranging from 4.25% to 6.50% at December 31, 2021. Notes mature at various times through October 2026.

Vesting

Participants are immediately vested in their contributions plus actual earnings/losses thereon. Vesting in the Organization's contribution portion of participant accounts is based on years of continuous service and participants are 100% vested after three years of service.

Forfeitures

The non-vested portion of terminated participant account balances is subject to forfeiture. The balance of the forfeiture account is applied to reduce the Organization's contribution to the Plan. Forfeitures of \$19,571 and \$8,176 were applied to reduce the Organization's contribution to the Plan for the years ended December 31, 2021 and 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments, except for fully benefit responsive investment contract, are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in fully benefit responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All investments are participant directed.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

General Account Funds

The Plan invests in the Interest Accumulation Account, which is part of Mutual of America's general account. The amount in the Interest Accumulation Account at any time will be equal to the sum of all amounts that have been allocated to such account, including interest credited to the account, less the sum of all amounts that have been withdrawn from such account. Participants' principal and previously credited interest are guaranteed. Mutual of America assumes the investment risk of the underlying investments of the Interest Accumulation Account. This guarantee is subject to Mutual of America's financial strength and claims-paying ability. Mutual of America's general account investment strategy is to maintain high-quality assets with excellent liquidity, strong capital adequacy and a proper matching of assets and liabilities. The general account is credited with interest at a rate determined by Mutual of America from time to time, and Mutual of America reserves the right to change the interest rates applicable to amounts held in this account at their discretion, but not below the minimum guaranteed interest rate (1.0% for 2021 and 2020).

The Plan invests in a guaranteed interest account, which is part of Equitable's general account. The amount in the guaranteed interest account at any time will be equal to the sum of all amounts that have been allocated to such account, including interest credited to the account, less the sum of all amounts that have been withdrawn from such account. Participants' principal and previously credited interest are guaranteed. Equitable assumes the investment risk of the underlying investments of the guaranteed interest account. This guarantee is subject to Equitable's financial strength and claims-paying ability. Equitable's general account investment strategy is to provide principal safety. The general account is credited with interest at a rate determined by Equitable who reserves the right to change the interest rates applicable to amounts held in this account at their discretion, but not below the minimum guaranteed interest rate (1.0% for 2021 and 2020).

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents, including complete or partial Plan termination or merger with another plan or (2) bankruptcy of the Plan Sponsor. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain administrative costs of the Plan are paid by the Organization. All other expenses relating to participant transactions are deducted from those participant accounts as transactions occur.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Estimates

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Reclassifications

Notes receivable from participants were reclassified from the fully benefit responsive investment contracts line within the 2020 financial statement presentation to correspond to the current year's format. Net assets available for benefits for 2020 are unchanged for this reclassification.

3. INVESTMENT INFORMATION

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared by and certified to as to completeness and accuracy by Mutual of America and Equitable, the custodians, as of and for the years ended December 31:

Schedule of Assets (Held at End of Year)	Schedule I	

4. SEPARATE ACCOUNT FUNDS

The separate account funds are invested in domestic stocks, international stocks, and fixed securities, such as asset or mortgage-backed securities and corporate bonds, and in mutual funds that hold such investments. The net asset value of the separate account fund is not publicly quoted. The values of the underlying investments are used in determining the net asset value of the separate account fund. Underlying equity securities have observable quoted pricing inputs. Underlying fixed securities have observable pricing inputs, including quoted prices for similar assets in the active or non-active markets. Underlying mutual funds are valued at publicly quoted pricing inputs.

There are no restrictions in connection with the transfer among or withdrawal from any of the investment alternatives in the separate account, other than that excessively frequent transfers or redemptions might be rejected. Each underlying fund has reserved the right to reject any aggregate purchase of fund shares that it determines to be inconsistent with their fund's policies and procedures relating to market timing.

The separate account funds currently invest in underlying funds, which have different investment objectives, investments policies, and risks. The investment strategies of these funds will vary based on the participant's chosen risk preferences. The separate account funds do not have any unfunded commitments.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right, under the Plan document, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. TAX STATUS

The Plan is exempt from federal income tax under Section 403(b) of the Code. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its tax-exempt status for Plan participants. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements. For benefit plans, their qualified status itself is deemed to be an uncertainty, since events could potentially occur to jeopardize their qualified status.

7. RECONCILIATION TO FORM 5500

The classification of changes in net assets available for benefits for the periods ended December 31, 2021 and 2020 differs between these financial statements and Form 5500. However, the total change in net assets available for benefits for the periods then ended agrees between these financial statements and Form 5500.

8. PARTY-IN-INTEREST TRANSACTIONS

Mutual of America and Equitable are the custodians of the Plan's assets. As such, transactions between Mutual of America, Equitable and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 11, 2022, which is the date the financial statements were available to be issued.
