Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the
The Milford Bank 401(k) Profit Sharing Plan with Cash or Deferred Arrangement
Milford, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Milford Bank 401(k) Profit Sharing Plan with Cash or Deferred Arrangement, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Milford Bank 401(k) Profit Sharing Plan with Cash or Deferred Arrangement's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Milford Bank 401(k) Profit Sharing Plan with Cash or Deferred Arrangement and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Milford Bank 401(k) Profit Sharing Plan with Cash or Deferred Arrangement's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Milford Bank 401(k) Profit Sharing Plan with Cash or Deferred Arrangement's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Milford Bank 401(k) Profit Sharing Plan with Cash or Deferred Arrangement's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Line 4i - Schedule of assets (held at end of year) as of the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1—DESCRIPTION OF PLAN

The following description of The Milford Bank 401(k) Profit Sharing Plan with Cash or Deferred Arrangement (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan for substantially all employees of The Milford Bank (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Employees are eligible to participate in the Plan on the first day of the quarter coinciding with or following the date they have completed 3 months of service and have attained age 18.

Contributions

Each year, Plan participants may make pre-tax contributions up to 100% of pre-tax annual compensation, as defined in the Plan, subject to the statutory dollar limit. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Each participant’s account is credited with the Company’s safe harbor contribution equal to 3% of annual compensation and a discretionary matching contribution currently equal to 50% of up to 6% of compensation the participant contributes to the Plan. Additional profit sharing amounts may be contributed at the option of the Company’s Board of Directors for participants who are active on the last day of the Plan year and who are credited with at least 750 hours during the Plan year. Contributions are subject to certain limitations.

Vesting

Participants are immediately vested with respect to their voluntary contributions, employer contributions and actual earnings on these contributions.

Investment Options

All investments are made as directed by Plan participants. Participants may direct employee contributions into a variety of mutual funds and a guaranteed investment contract.

Notes Receivable from Participants

Participants may borrow from their accounts in accordance with the provisions and interest rates set forth by the Plan’s loan policy. Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent notes are reclassified as distributions based on the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1—DESCRIPTION OF PLAN (continued)

Payment of Benefits

Eligible employees are entitled to the value of their accounts beginning at age 65, the normal retirement age. In addition, participants may receive in-service distributions upon obtaining age 59½. Benefits shall be distributed to participants in a single lump sum or in annuity payments over a period of time. When a participant becomes permanently disabled or dies, the beneficiary will be entitled to the participant's account balance in the same manner as if the participant had retired at the normal retirement date. The Plan also allows for participant hardship distributions from certain contribution sources.

Forfeited Accounts

There were \$0 of forfeited accounts at December 31, 2021 and 2020. These accounts are to be used to reduce future employer contributions or plan administration expenses. During 2021 and 2020, forfeited amounts of \$6 and \$269, respectively, were allocated to reduce employer contributions.

Plan Amendments

The Plan was amended and restated effective January 1, 2011 to qualify as a safe harbor plan. Prior to this date, the Plan allowed for pre-tax deferrals and discretionary profit sharing contributions. Effective January 1, 2011, the 4% nonelective contribution was replaced with the 3% safe harbor contribution and the limit on matching contributions was increased from 4% to 6% of compensation contributed to the Plan.

Effective January 1, 2012, the Plan switched from a nondiscretionary trust funding arrangement to a group variable funding contract with Hartford Life Insurance Company ("Hartford Life"), a wholly-owned subsidiary of The Hartford Financial Services Group ("The Hartford"). The contract allows for participants to direct their investment in various pooled separate accounts and a guaranteed interest option with Hartford Life.

The Plan was amended and restated as of January 1, 2012 to reflect the change in funding arrangement, using a volume submitter plan document. The Plan was also amended effective January 1, 2012 to allow for Roth contributions.

The Plan was amended and restated as of January 1, 2016 to comply with the requirements of the Pension Protection Act of 2006 (PPA), the Heroes Earnings Assistance and Relief Tax Act of 2008 (HEART Act), the Worker, Retiree, and Employer Recovery Act of 2008 (WRERA) and other applicable guidance.

The Plan was amended as of January 1, 2018 to provide for an automatic deferral feature. The Plan was also amended effective January 1, 2019 to make changes to the hardship distribution rules.

The Plan was amended as of April 2, 2020 to adopt certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). These changes were effective as soon as administratively and operationally feasible.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1—DESCRIPTION OF PLAN (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Mutual funds are reported at fair value. Guaranteed investment contracts (GIC) issued by insurance companies and other financial institutions at fixed rates are carried at contract value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Operating Expenses

Administrative costs for the day-to-day operation of the Plan are covered, in whole or in part, by investment fees that are deducted directly from the net assets. Any remaining day-to-day costs, as well as costs for certain other administrative services, are typically borne by both the participants and the Company. These costs may be significant to the Plan, and future costs for these services may be charged to participants' accounts at the Company's discretion.

Payment of Benefits

Benefits are recorded when paid.

Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentrations of credit risk are part of the holdings in Plan investments. Management believes that the Custodian maintains the Plan's investments with high credit quality institutions and attempts to limit the credit exposure to any particular investment.

NOTE 3—INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Principal Life Insurance Company as of December 31, 2021 and 2020 and for the years then ended. Principal Life Insurance Company held the Plan's investment assets and executed investment transactions from March 16, 2020 to December 31, 2021, and Massachusetts Mutual Life Insurance Company held the Plan's investment assets and executed investment transactions for the period January 1, 2020 to March 15, 2020. Effective March 16, 2020, the Board of Trustees removed Massachusetts Mutual Life Insurance Company as trustee of the Plan and appointed Principal Trust Company as the successor trustee to the Plan.

NOTE 4—FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of other observable inputs that do not qualify as Level 1, and Level 3 inputs are unobservable and have the lowest priority.

An asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. These techniques may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation techniques are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value or contract value on a recurring basis:

Mutual funds: Valued at the net asset values of shares held by the Plan at year-end, which are determined using quoted prices in active markets.

NOTE 4—FAIR VALUE MEASUREMENTS (continued)

Pooled separate accounts: are valued at the net asset value (“NAV”) which is based on the fair value of the underlying assets of the accounts.

Guaranteed investment contract: Valued at contract value, following the terms of the contract funding agreement.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value or contract value of certain financial instruments could result in a different fair value measurement at the reporting date.

Guaranteed investment contracts are considered Level 2. The liquidation value of the contracts is based on an actuarial formula as defined under the terms of the Group Annuity Contract. There are no unobservable inputs within this formula, therefore the contracts meet the definition of Level 2.

The following table sets forth, by level within the fair value hierarchy, the Plan’s assets measured at fair value on a recurring basis as of December 31, 2021:

December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5—INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan maintains an investment contract with Principal Life Insurance Company (“Principal”). The investment is a group annuity contract with a guarantee backed by the assets in Principal’s multi-billion dollar general account. The fixed income option provides a guaranteed rate of return for a certain period of time. All amounts in the fixed income account are credited with the current interest rate in effect at the time. Currently subject to a contractual floor of 2%, Principal retains the right to change this rate after advance noticed to sponsors.

The contract may pay benefits at the direction of the contract holder to a participant who becomes entitled to them under the terms of the plan. A plan fiduciary may elect to have the Plan’s Interest in the Principal Guaranteed Option paid out in six installments. The first installment payment will be made six months after the plan’s notice to terminate its interest. Each of the following five installment payments will be made on the anniversary of the first payment dates. In lieu of installment payments, the plan fiduciary may elect at any time after providing notice to terminate the Plan’s Interest and have the Plan’s Interest paid as a single sum, subject to an early termination charge. An election of the single sum payout is irrevocable. The single sum payment will be made on a date that is at least 90 days, but no more than 180 days, from the plan fiduciary’s election of this payment.

The contract value of the investment contract is certified by the trustee, Principal Life Insurance Company.

NOTE 6—PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments held during the years ended December 31, 2021 and 2020 were managed by Principal Life Insurance Company, the former and current trustees of the Plan during that period, and their affiliates. Transactions with trustees involving these investments and administrative and service fees qualify as exempt party-in-interest transactions under ERISA.

One member of the Board of Trustees currently participates in the Plan, and an officer of the Company serves as the trustee and plan administrator of the Plan.

NOTE 7—TAX STATUS

The Plan was a prototype plan of Massachusetts Mutual Life Insurance Company, which received an opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the form of the plan document was acceptable under the applicable requirements of the Internal Revenue Code (the “IRC”). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

NOTE 7—TAX STATUS (continued)

The Plan accounts for uncertainty in income taxes in accordance with FASB ASC 740, *Income Taxes*. Federal tax years 2018 through 2021 remain open for audit under the statutes of limitations.

NOTE 8—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9—COVID-19

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary limitations on businesses, individuals and not-for-profit entities. The disruption is currently expected to be temporary. The extent of the impact of the COVID-19 outbreak in the United States on the financial performance of a plan's investments will depend on future developments, including the duration and severity of the outbreak and its impact on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the plan's investment results may be materially adversely affected. The extent of such financial impact cannot be reasonably estimated in the plan's financial statements at this time.

A prolonged widespread epidemic could adversely impact global economies and financial markets resulting in an economic downturn that may disrupt the demand for a plan sponsors goods and/or services. Such disruptions could adversely affect plan sponsor profitability, cash flows, financial results, and the ability to make required plan contributions.

NOTE 10—SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

The Plan adopted a new prototype plan, dated June 30, 2020, effective May 11, 2022 of Principal Life Insurance Company. Principal Life Insurance Company received an opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the form of the plan document was acceptable under the applicable requirements of the Internal Revenue Code (the "IRC"). The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

There are no other material subsequent events which require recognition or disclosure.
