Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditor's Report

Trustees
Christ Community Health Services 401(k) Plan
Memphis, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Christ Community Health Services 401(k) Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2021 Financial Statements" section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the 2021 Financial Statements” section of our report. We are required to be independent of Christ Community Health Services 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Christ Community Health Services 401(k) Plan’s ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Christ Community Health Services 401(k) Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Christ Community Health Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Christ Community Health Services 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

Christ Community Health Services 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Description of the Plan

General

The following description of the Christ Community Health Services 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan sponsored by Christ Community Health Services (Organization) for the benefit of employees who have completed six consecutive months of service (during which elapsed period of time at least one hour of service is completed). The entry date following attainment of the service requirement is semiannual on January 1 or July 1 of each plan year.

The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). John Hancock Life Insurance Company (John Hancock) serves as plan custodian.

Contributions

The Plan permits eligible employees through a salary deferral election to have the Organization make annual contributions of up to the maximum allowed by the Internal Revenue Code. Eligible participants may commence making elective deferral contributions or modify their existing deferral elections on January 1 and July 1 of each plan year. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Employee rollover contributions are also permitted. The Organization’s match is discretionary. During 2021 and 2020, the Organization’s discretionary match was 50 percent of participants’ salary deferral contributions on up to 6 percent of compensation. The Organization may also make discretionary profit-sharing contributions to the Plan. No profit-sharing contributions were made in 2021 and 2020. Contributions are subject to certain limitations.

Participant Investment Account Options

Each participant has the option of directing contributions into any of the investment account options selected by the Organization and may change the allocation daily.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, the Organization’s contributions, and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Notes to Financial Statements

December 31, 2021 and 2020

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Organization's contribution portion of their accounts plus earnings thereon is based on years of service. A participant hired prior to January 1, 2005, was immediately 100 percent vested. A participant hired on or after January 1, 2005, is vested 25 percent after two years of service, 50 percent after three years of service, 75 percent after four years of service, and 100 percent after five years of service. Upon termination of service due to death, disability, or retirement, participants are fully vested.

Payment of Benefits

Upon termination of service, participants may elect to receive the value of the vested interest in their accounts as lump-sum distributions.

In April 2020, the Organization implemented *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who took a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$42,145 and \$36,496, respectively. These accounts will be first used to reduce administrative expenses. Any remaining forfeitures will be used to reduce future employer contributions. In 2021, administrative expenses of \$11,800 were paid from forfeited nonvested accounts and contributions were not reduced by forfeited nonvested accounts. In 2020, administrative expenses of \$12,450 were paid from forfeited nonvested accounts and contributions were reduced by \$272 from forfeited nonvested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Christ Community Health Services 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Pooled separate accounts are valued at estimated fair value as provided by John Hancock.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as liabilities with a corresponding reduction to contributions. The Plan had no excess contributions payable for the year ended December 31, 2021. The Plan distributed the excess contributions to the applicable participants before March 15, 2021, for the plan year ended December 31, 2020.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses may be paid by the Organization or the Plan, at the Organization's discretion.

Note 3: Certification of Plan Custodian

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate to the best of their knowledge:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- Investment information included in the accompanying schedule of assets (held at year-end) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities.
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities.

Notes to Financial Statements

December 31, 2021 and 2020

Recurring Measurements

The following table presents the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

	Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
December 31, 2021				
Pooled separate accounts	<u>\$ 6,129,654</u>	<u>\$ -</u>	<u>\$ 6,129,654</u>	<u>\$ -</u>
December 31, 2020				
Pooled separate accounts	<u>\$ 4,981,293</u>	<u>\$ -</u>	<u>\$ 4,981,293</u>	<u>\$ -</u>

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2021 and 2020. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based, or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. Level 2 securities include pooled separate accounts, which are valued at net asset value (NAV) of units based upon quoted market prices of the underlying investments. NAV is a readily determinable fair value and is the basis for current transactions which may occur daily. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Christ Community Health Services 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 5: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

A former board member of the Organization was a registered representative of MassMutual and John Hancock, and earned a commission of \$6,305 during 2020 (none during 2021). This arrangement was consummated at market rates customary for the products and services rendered after a competitive bidding process and in compliance with the Organization's conflict of interest provision in its bylaws.

The Plan is invested in a group annuity contract with John Hancock. John Hancock is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Direct fees paid to John Hancock for record-keeping services were \$21,421 and \$26,624 during 2021 and 2020, respectively. Other fees incurred by the Plan for contract administration and investment management services are included in net appreciation in fair value of the investment funds.

Expenses paid directly to the Plan's third-party administrator, Burleigh Consulting Group, were \$11,800 and \$14,402 during 2021 and 2020, respectively. Certain administrative expenses related to the Plan are paid by the Organization. In addition, the Organization provides certain administrative services at no cost to the Plan.

Note 6: Plan Termination

Although it has not expressed an intention to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their employer contributions.

Note 7: Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a volume submitter profit-sharing plan and trust sponsored by Burleigh Consulting Group. This volume submitter plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

Christ Community Health Services 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus COVID-19, which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 10: Subsequent Events

Subsequent events have been evaluated through October 14, 2022, which is the date the financial statements were available to be issued.

Plan Restatement and Amendment

Effective January 1, 2022, the Plan was restated and now operates under a nonstandardized adoption agreement in connection with a pre-approved profit-sharing plan document sponsored by Burleigh Consulting Group. In conjunction with this restatement, the Plan was amended to adopt safe harbor matching contributions of 100 percent of the first 3 percent and 50 percent of the next 2 percent of participants' compensation contributed to the Plan.
