INDEPENDENT AUDITOR'S REPORT

To the Plan Committee Members
Hubbell Realty Company Select Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Hubbell Realty Company Select Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - 2020 Financial Statements

LWBJ, LLP, who merged into UHY LLP as of January 4, 2022, was engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed LWBJ, LLP not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated October 11, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and supplemental schedule; and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the information certified by a qualified institution, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HUBBELL REALTY COMPANY SELECT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following description of Hubbell Realty Company Select Savings Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a participant-directed defined contribution 401(k) plan. Eligible employees include substantially all employees of Hubbell Realty Company, Hubbell Homes, and Hubbell Properties II (the "Plan Sponsor") who are at least twenty-one (21) years old and have completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute pre-tax annual compensation up to limits established by the Internal Revenue Service ("IRS"), and the Plan Sponsor may make matching contributions. Employees are automatically enrolled with a deferral rate of 5% unless an alternate election is made. Participant deferral rates are automatically increased 1% annually to a maximum of 10% unless they elect to opt out of the automatic increase.

In 2021 and 2020, the Plan Sponsor made matching contributions equal to 100% of the participant's contribution up to 5%.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account includes the participant's contributions, employer matching contributions, withdrawals, and allocations of Plan earnings (losses) and administrative expenses not paid by the Plan Sponsor. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and Plan Sponsor contributions plus actual earnings (losses) thereon.

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Notes Receivable from Participants

Participant loans are allowed by the Plan. A participant may borrow up to the lesser of 50% of their vested account balance or \$50,000 (minimum loan amount is \$1,000). The loans are secured by the balance in the participant's account. The loan interest rate is fixed at the prime rate at the loan origination, as defined. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to retirement, death, or disability, the participant's benefit is distributed, as requested, by the participant or participant's beneficiaries. Benefit payments are based upon Plan assets at the valuation date preceding the distribution of benefits. For those account balances less than or equal to \$5,000, only lump sum cash payments are available. For balances exceeding \$5,000, payment will be made either in a lump sum or in a series of substantially equal installments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of the valuation methods and inputs used to determine fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**HUBBELL REALTY COMPANY
SELECT SAVINGS PLAN**

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred.

Payment of Benefits

Benefits are recorded when paid.

Administrative Costs

Certain administrative costs of the Plan are paid by Plan participants or the Plan Sponsor.

3. Information Certified by T. Rowe Price

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends, and interest income on notes receivable, participants for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan Sponsor and certified as complete and accurate by T. Rowe Price Trust Company ("TRP") (the trustee and custodian of the Plan).

4. Federal Income Tax Status

The Plan uses a prototype plan document and has received an opinion letter from the IRS dated August 2, 2017, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter; however, the Plan Sponsor believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has been amended since receiving the opinion letter. However, the Plan Sponsor and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Plan management has not identified any uncertain tax positions.

**HUBBELL REALTY COMPANY
SELECT SAVINGS PLAN**

Notes to Financial Statements (continued)

5. Risks and Uncertainties

The participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right, under the Plan, to terminate the Plan subject to the provisions set forth by ERISA.

7. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements*, establishes a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority):

Level 1, defined as unadjusted quoted prices in active markets accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2, defined as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued based on quoted prices of identical assets in active markets.

Collective investment trust: Valued at the net asset value ("NAV") of units of the fund held by the Plan. The NAV is used as a practical expedient to estimate fair value and is calculated daily. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities.

The following tables show assets measured at fair value as of December 31, 2021 and 2020 on the Plan's statements of net assets available for benefits and the input categories associated with those assets:

7. Fair Value Measurements (continued)

Description	Level 1	Level 2	Level 3	Total

Fair Value of Investments that Calculate NAV

The following table summarizes the investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

	Fair Value at December 31:		Unfunded		Redemption
	2021	2020	Commitments	Frequency	Notice Period
Collective investment trust	\$ 2,326,060	\$ 2,129,370	None	Daily	(a)

- (a) Withdrawals from this investment for benefit payments and participant transfers to noncompeting options to be paid to Plan participants shall be made within 30 days after written notification has been received. Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a 12-month advance written notice. Included in this advance written notice requirement are full or partial withdrawals of assets resulting from Plan Sponsor directed actions.

8. Party-In-Interest Transactions

TRP holds and manages the investments and is trustee of the Plan and, therefore, is a party-in-interest. Fees incurred by the Plan for the investment management services are included in net appreciation of fair value of investments. TRP charged \$78,519 and \$60,196 administrative fees during the years ended December 31, 2021 and 2020, respectively.

9. Subsequent Events

Management has evaluated all subsequent events through October 12, 2022, the date the financial statements were available to be issued.
