Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Participants
KPRS Construction Services, Inc.
401(k) Profit Sharing - Plan A

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2021 Financial Statements

We have performed audits of the accompanying financial statements of KPRS Construction Services, Inc. 401(k) Profit Sharing - Plan A, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021 and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of KPRS Construction Services, Inc. 401(k) Profit Sharing - Plan A's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier (John Hancock Life Insurance Company (U.S.A.)) that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier (John Hancock Life Insurance Company (U.S.A.)) in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section-

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all

material respects, the information prepared and certified by an institution (John Hancock Life Insurance Company (U.S.A.)) that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of KPRS Construction Services, Inc. 401(k) Profit Sharing - Plan A and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about KPRS Construction Services, Inc. 401(k) Profit Sharing - Plan A's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KPRS Construction Services, Inc. 401(k) Profit Sharing - Plan A's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about KPRS Construction Services, Inc. 401(k) Profit Sharing - Plan A's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets Held at December 31, 2021 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule agreed to or is derived from the certified investment information. Such information was compared to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution (John Hancock Life Insurance Company (U.S.A.)) that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of KPRS Construction Services, Inc. 401(k) Profit Sharing - Plan A. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by John Hancock Life Insurance Company (U.S.A.). In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriated audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the information certified by John Hancock Life Insurance Company (U.S.A.), were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN

The following description of the KPRS Construction Services, Inc. Profit Sharing 401(k) - Plan A (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General: The Plan is a 401(k) and profit sharing plan covering substantially all eligible employees of KPRS Construction Services, Inc. and KPRS Hawaii Construction Inc., commonly controlled related party corporations (“the Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was restated on January 1, 2019 to comply with the requirements of Pension Protection Act, pursuant to Rev. Proc. 2017-41.

Eligibility: Employees are eligible to voluntarily contribute to the Plan as long as they are at least 21 years old. There is no minimum service requirement to voluntarily contribute to the Plan. Employees can enroll in the Plan beginning on the first day of the month following the date they become eligible.

To be eligible for employer contributions, employees must be at least 21 years old, must have completed a minimum of 1,000 hours of service during the year, and must be employed on the last day of the Plan Year.

Plan Administration: The Company is the Plan Sponsor and CrossPlans is the third-party administrator. Together they are responsible for Plan compliance with the provisions of ERISA. John Hancock Life Insurance Company (U.S.A.) is the Plan Custodian.

Plan Compliance: CrossPlans, the third-party Plan administrator, performs Annual Deferral Percentage (ADP) compliance test. In 2021, the plan passed ADP test.

Contributions: Participants may elect to contribute to the Plan based on a percentage of their annual earnings within limitations defined in the Internal Revenue Code (IRC). In addition, in any calendar year in which a participant is age 50 or above, an additional “catch-up contribution” may be made.

The Plan allows for rollover contributions from other retirement accounts.

The Plan provides for employer matching of participant contributions at the Company’s discretion. The Company made no matching contributions during the plan year ended December 31, 2021.

The Company can make discretionary profit sharing contributions to the Plan. The profit sharing contribution declared for 2020, which was received by the Plan in 2021, was approximately \$300,000. The profit sharing contribution declared in 2021, which was received by the Plan in 2022, was approximately \$350,000.

Investments: The plan provides participants a variety of investment alternatives through John Hancock Life Insurance Company Investment Portfolio. Within the investment portfolio, a variety of participant-directed investment options provided to the plan participants to select from. All employee and employer contributions to the Plan are accumulated through an unallocated contract provided by the Plan

Custodian. These funds are then held in pooled separate accounts based upon the employees' selected asset allocations. The allocation of employee investments in the pooled separate accounts has been detailed in the supplemental Schedule of Assets accompanying the financial statements.

Participant Accounts: Participants are entitled to the accumulated benefits in their vested accounts. Each participant's account is credited with their voluntary contributions and an allocation of the Company's discretionary matching and/or profit sharing contributions, the Plan's earnings or losses, and an allocation of any administrative expenses paid by the Plan. Expense allocations are based on participants' account balances, as defined. Participants direct the investment of their account balances into various options offered by the Plan.

Vesting: Participants are immediately vested in their voluntary and rollover contributions, plus actual earnings thereon. Vesting in Company's contribution portion of their accounts is based on the number of years of continuous service. A participant is 100% vested after 5 years of credited service, or upon reaching normal retirement age, death or disability while still employed by the Company.

Notes Receivable from Participants: Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000, limited to 50% of their vested account balance. The participant borrower is required to sign a promissory note and the note balance is secured by the balance in the participant's account and bear interest at rates based on the prime interest rate plus 2% points determined at the time of loan initiated from the Plan. Principal and interest are paid ratably through periodic payroll deductions.

Payment of Benefits: Amounts contributed through salary or wage reductions may be withdrawn by, or distributed to, a participant upon (1) termination of employment or (2) in service, while attaining the age of 59½, attaining normal retirement age or experiencing hardship. Certain income tax penalties may apply to withdrawals or distributions prior to age 59½. Upon termination of employment, benefit payments may be made as lump-sum, partial lump-sum, or rollover to an IRA selected by the participant or the Plan Administrator for smaller account balances less than \$5,000.

Forfeitures: Generally, when a participant terminates participation in the plan, the non-vested portion of the participant's account, as defined by the plan, represents a forfeiture. Forfeitures are utilized to reduce the employer contributions or pay for the plan expense for the plan year. However, if the participant is reemployed and fulfills certain requirements, as defined in the plan, the participant's account will be reinstated.

For the year ending December 31, 2021 and 2020, net assets available for benefits include an unallocated forfeiture balance of \$10,021 and \$34,917 respectively, which are available to offset future employer contributions and plan expense. The forfeiture balance is held in a cash account by John Hancock. In 2021, employer profit sharing contributions were reduced by \$10,021 from forfeiture of non-vested accounts.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further information regarding fair value measurement. The Plan presents, in the statement of changes in net assets available for Plan benefits, the net appreciation in the fair value of the investments, which consists of realized gains or losses and the unrealized appreciation or depreciation of those investments.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

Uncollectible Participant Loans: As of December 31, 2021 and 2020, no allowance for uncollectible participant loans has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by IRS or from ineligible participants are recorded as a liability with a corresponding reduction to contributions. 2021 ineligible employee deferral contribution \$760 was distributed in 2021. As a result, there is no payable recorded on Statement of Net Assets Available for Benefits as of December 31, 2021.

Benefit Payments: Benefits are recorded when paid.

Administrative Expenses: The general administration and investment fees are paid by the plan participants proportionally based on the value of account balance. Participants may be assessed fees directly associated with administration of their individual accounts, including fees related to the processing of distributions and loans. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are valued at fair value. Accounting Standards Codification (ASC) Topic 820, Fair Value Measurement, provides a single definition of fair value for accounting purposes, establishes a consistent framework for measuring fair value, and expands disclosure requirements about fair value

KPRS CONSTRUCTION SERVICES, INC. 401(k) PROFIT SHARING - PLAN A

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

3. FAIR VALUE MEASUREMENTS (Continued)

measurements. ASC 820 defines fair value as the value that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Pursuant to ASC 820, each of the Plan's fair value measurements are categorized using a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable input and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Units held in pooled separate accounts (PSA) are valued using the net asset value practical expedient (NAV practical expedient) of the PSA as reported by the PSA managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the PSA, minus its liabilities, and then divided by the number of units outstanding. The beneficial interest in the net assets of each Portfolio is represented by units. Net asset value per unit is determined each business day. Issuance and redemptions of units are recorded, upon receipt of unitholder's instructions in good order, based on the next determined net asset value per unit, normally each day. In unusual market conditions, in accordance with the Declaration of Trust, the Trustee may in its sole discretion, impose restrictions on issues and redemptions of units. The issuance and redemption provisions of the Underlying Funds are consistent with those of the Portfolios. In certain circumstances units may be purchased or redeemed through the exchange of securities, the fair value of which is used to determine the number of units issued or redeemed.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

3. FAIR VALUE MEASUREMENTS (Continued)

The valuation method described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. While the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

All investments at December 31, 2021 and 2020 were held by pooled separate accounts, and these pooled separate accounts are valued using the NAV practical expedient pursuant to ASC 820-10-35-54B. Consequently, no investments were categorized in the fair value hierarchy table as of December 31, 2021 and 2020.

A summary of the Plan's assets by investment fund type and hierarchy is shown below:

Investments at fair value	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Total	\$ -	\$ -	\$ -	\$ -

4. CERTIFICATION BY CUSTODIAN AND INVESTMENTS (UNAUDITED)

The plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan management instructed the plan's independent auditors not to perform any auditing procedures with respect to the information certified by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, as complete and accurate, except for comparing such information certified by the custodian with the related information included in the financial statements and supplemental schedule.

5. TRANSFERS FROM OTHER PLAN

During the year certain employees transferred job responsibilities within the Company. In accordance with the definition of eligible employees and consistent with plan eligibility requirements provided in the adoption agreements, certain employees were reclassified between the Plan (Plan A) and KPRS Construction Services, Inc 401(k) Profit Sharing Plan B (Plan B). As a result, certain account balances held by these participants were transferred between two plans. The net transfer from Plan B to Plan A is \$1,114,565 for the year ended December 31, 2021. The net amount is recorded as Transfer From Other Plan on the Statement of Changes in Net Assets Available for Benefits.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are pooled separate accounts managed by John Hancock. Cash is held in the general account of John Hancock. John Hancock is the investment contract issuer and holds the Plan's investments in a group annuity contract. Under this contract, fees are paid to John Hancock related to investment services, including payments to other investment management companies, and recordkeeping services. These fees totaled \$43,033 for the year ended December 31, 2021. The Plan paid fees to a third-party administration service provider totaling \$2,475 for the year ended December 31, 2021. The plan also paid an investment advisor company totaling \$50,937 for the year ended December 31, 2021.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS (Continued)

Net Plan expenses are allocated proportionally among participants of the Plan and reported as administrative expense.

The transactions described above and the notes receivable from participants qualify as allowable party-in-interest transactions for which there are statutory exemptions

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the authority to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become 100% vested in their accounts.

8. TAX STATUS

The Plan is governed by a standardized plan document that received its most recent favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator and advisors believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified and the related trust was tax-exempt as of the financial statement date.

The Plan is subject to routine audits by taxing jurisdictions. However, as of December 31, 2021, the Plan has not been advised that any of its tax filings will be audited. As of December 31, 2021 the Plan's tax returns generally remain open for examination the last three years.

9. RISKS AND UNCERTAINTIES

PLAN INVESTMENTS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
