Independent Auditor's Report

To the Plan Administrator, Trustees and Participants
Devachan Hair & Spa Salon, Inc. 401(k) Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Devachan Hair & Spa Salon, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the Year Ended December 31, 2021 and Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated February 10, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

DEVACHAN HAIR & SPA SALON, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020 AND FOR THE YEAR ENDED DECEMBER 31, 2021

1. Description of Plan

The following description of the Devachan Hair & Spa Salon, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provision.

General

The Plan, established on January 1, 2008, is a participant directed defined contribution plan covering all employees of Devachan Hair & Spa Salon, Inc. (the "Employer," the "Company" or the "Plan Sponsor") who have reached the age of 21. There is no minimum service requirement to participate under the Plan. Eligible employees may participate in the Plan on the first day of the month following their hire date or the date they satisfy the minimum age requirement. Assets of the Plan are held by a trust established under the Plan with Massachusetts Mutual Life Insurance Company and Great-West Life & Annuity Insurance Company. ("Mass Mutual" or the "Trustee"). The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute to the Plan up to 100% of compensation on a pre-tax basis, subject to dollar limits established by the Internal Revenue Code ("IRC"). Such contributions are excluded from the participant's Federal taxable income until received as a withdrawal or distribution from the Plan. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Plan provides for a discretionary employer matching contribution based on a percentage of a participant's compensation. There were no such employer matching contributions made for the year ended December 31, 2021. In addition, the Company may also make discretionary contributions to the Plan to ensure compliance with ERISA requirements, allocable to Salary Reduction Accounts. Such safe harbor contributions are called Qualified Non-Elective Employer Contributions ("QNECs"). There were no QNECs for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (i) employer's 401(k) matching contributions and QNECs and (ii) the participant's share of earnings or losses on both company and employee contributions and administrative expenses. Each participant directs all amounts credited into their account into one or more of the investment options available under the Plan. Accordingly, as a participant-directed plan, each participant's investments determine their share of earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**AS OF DECEMBER 31, 2021 AND 2020
AND FOR THE YEAR ENDED DECEMBER 31, 2021**

1. Description of Plan (Continued)

Coronavirus Aid, Relief, and Economic Security ("CARES") Act

During 2020, the Plan implemented the distribution and loan relief provisions of the CARES Act which was enacted in March 2020. The provisions enabled participants negatively impacted by COVID-19 to take penalty-free distributions through December 30, 2022, suspend outstanding loan repayments until 2021, increased the maximum loan limits for loans taken as a result of COVID-19 through September 22, 2020 and suspended required minimum distributions for the 2020 calendar year including 2020 payments that would have been required to be made by April 1, 2021, unless otherwise elected.

Vesting

Participants are immediately vested in their contributions, rollovers and QNECs, plus actual earnings thereon. Vesting in employer's contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in employer contributions and earnings thereon after six years of credited service.

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2 years	0
2 years	20
3 years	40
4 years	60
5 years	80
6 years or more	100

Investment Options

Upon enrollment in the Plan, participants may direct the Trustee to invest contributions in various investment options offered by the Plan. Participants may change their contribution investment options daily; transfer part or all of past investments to other funds daily; and may change their deferral percentage daily.

Notes Receivable from Participants

Participants may borrow from their vested fund account balance a minimum of \$1,000 and up to a maximum equal to the lesser of (a) \$50,000 reduced by the highest outstanding Plan loan balance during the one year period ending on the day before the loan is made or (b) one-half of the value of their vested fund account balance reduced by any outstanding loan balance. A participant may have no more than one loan outstanding at any time. The maximum payment term allowed for any loan will be five years (unless the loan is for the purchase of a principal residence in which case the term may not exceed 30 years), and bear interest at a fixed rate using the prevailing prime rate (3.25% at December 31, 2021 and 2020) plus 2% that is set at the date of the loan. The loans are secured by the balance in the participant's account, bear interest at rates ranging from 5.25% to 7.50% and mature at various dates through April 2026. Principal and interest are paid ratably through weekly payroll deductions.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**AS OF DECEMBER 31, 2021 AND 2020
AND FOR THE YEAR ENDED DECEMBER 31, 2021**

1. Description of Plan (Continued)

Forfeited Accounts

When certain terminations of participants in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Any matching contributions made on excess 401(k) elective deferral contributions will be forfeited. Forfeitures may be first used to pay any Plan expenses and any remaining amounts may be used to reduce future employer matching contribution.

Hardship and In-Service Withdrawals

The Plan Administrator may authorize a lump-sum distribution of up to 100% of the participant's vested interest (excluding any investment earnings) but not to exceed the amount necessary to meet the financial need created by the hardship provided the participant submits positive evidence of an immediate and heavy financial need as defined in the Plan. Participants may not make elective deferrals for six (6) months after receiving a hardship distribution. In-service distributions of the participant's vested interest are available for any reason upon attaining age 59½.

Deemed Distributions

When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. Deemed distributions on defaulted loans are recorded immediately upon default. There were a total of \$5,631 deemed distributions for the year ended December 31, 2021.

Benefit Payments

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to his or her account, or annual installments. Upon termination of service, and provided that the participant has a minimum of \$5,000 in the Plan, the participant may elect to receive a lump-sum amount equal to the value of his/her vested account or defer distributions to normal retirement age. Those participants with less than \$5,000 must receive a lump-sum distribution of their vested accounts. As of December 31, 2021, all employees who elected to withdraw from the Plan had been paid.

Expenses of the Plan

Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Certain Plan expenses are deducted from participant accounts, and the remainder of the Plan expenses are generally paid by the Employer.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

All Plan investments are held by the Trustee. The Plan's investments, except as noted below, are stated at fair value. Pooled separate accounts are valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year end.

The Mass Mutual Guaranteed Interest Account ("MMGIA") is a stable value investment with a guaranteed rate of return that is set in advance for a six-month period and a guarantee of principal. It is provided through a group annuity contract issued by Mass Mutual (see Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as components of net appreciation or decline in fair market value of investments for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 excess contributions totaling \$11,009, to the applicable participants before March 15, 2021.

2. Summary of Significant Accounting Policies (Continued)

Payment of Benefits

Participant benefits are recorded upon distribution.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through the date these financial statements were available to be issued, October 13, 2022.

3. Investment Contract with Insurance Company

During 2020, the Plan maintained one Guaranteed Investment Contract ("GIC") related investment option, the MMGIA. The contract underlying this investment option is considered to be fully benefit responsive in accordance with ASC Topic 962. As of December 31, 2020, the contract value of the investment in the MMGIA was \$8, which approximated fair value. There was no such investment at December 31, 2021.

Mass Mutual's determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of invested assets. A market value adjustment may apply to amounts withdrawn at the request of the contract holder.

The underlying contracts have no restrictions on the use of Plan assets and there are no valuation reserves recorded to adjust contract amounts.

Certain events limited the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan) (ii) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions; or (iii) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

Mass Mutual, issuer of the MMGIA, has the option to payout the current value of the contract only after completion of five contract years.

4. Information Certified by the Trustee

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mass Mutual, the Trustee of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net decline in the fair value of the investments, dividends and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021;
- Investments reflected on the schedule of assets (held at end of year) as of December 31, 2021.

5. Fair Value Measurements

The FASB established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

5. **Fair Value Measurements (Continued)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments that use the practical expedient are not classified within the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts ("PSAs"): Valued at fair value based on the NAV of the pooled separate accounts. The pooled separate accounts invest in domestic and foreign stocks, bonds and mutual funds. The fair value of these stocks, bonds and mutual funds are publically quoted and are used in determining the NAV of the pooled separate accounts, which are not publically quoted.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth additional disclosures for the fair value measurements of investments in certain entities that calculate NAV per share (or its equivalent):

6. Exempt Party-In-Interest

During 2021, certain Plan investments were managed by Mass Mutual, the Trustee of the Plan and therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to the Trustee were \$3,935 for the year ended December 31, 2021. Notes receivable from participants also qualify as party-in-interest transactions.

7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA.

8. Tax Status

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan with Cash or Deferred Arrangement ("CODA") sponsored by ERP actuaries & Consultants, which received an opinion letter from the Internal Revenue Service, dated June 30, 2020, as to the Plan's qualified status. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC, and accordingly no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL. The Plan Administrator does not believe that there are uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to tax examinations for years prior to 2017.

9. Prohibited Transactions

Plan management determined that during the plan year ended December 31, 2021, the Plan Sponsor failed to remit certain employee deferrals and loan repayments to the Plan in a timely manner according to DOL regulations, in the amount of \$49,588. The Employer has undertaken the necessary procedures to calculate and reimburse the affected participants for lost earnings due to these late contributions under the DOL's Voluntary Fiduciary Correction Program ("VFCP"). As of December 31, 2021, corrections for lost earnings and interest thereon, have been restored to the participants' accounts for the late contributions in the year ended December 31, 2021. The DOL considers late deposits to be prohibited transactions.
