## Independent Auditor's Report

Plan Administrator  
Better World Books  
401(k) Profit Sharing Plan and Trust

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Better World Books 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**Note 1. Description of Plan**

The following brief description of Better World Books 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering substantially all employees of Qumpus, Inc. d/b/a Better World Books and its wholly owned subsidiaries Better World Books Market Place and Take Cover Inc. (collectively, the Company) who have completed one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Administrator is responsible for the oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

**Contributions and rollovers:** Each year participants may contribute up to 80% of annual compensation, as defined by the Plan or the statutory limit set forth by the Internal Revenue Code (IRC), whichever is less. Participants are eligible to enroll in the Plan on the first day of the subsequent month upon meeting the eligibility requirements. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover funds from other qualified plans.

Effective January 1, 2021, the Company amended the Plan to change the Company matching contribution to 100% of the first 4% of base compensation that a participant contributed to the Plan. The Company also has the option to make a discretionary profit sharing contribution. The discretionary profit sharing and matching contributions shall not, for any Plan year, exceed the amount which the employer may lawfully deduct for federal income tax purposes under applicable provisions of the IRC. No discretionary profit sharing contribution was made for the year ended December 31, 2021. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company's contributions are invested in a manner similar to participant contributions and are subject to certain limitations.

**Participant accounts:** Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting:** Participants are immediately vested in their contributions plus actual earnings thereon. Prior to January 1, 2021, the vesting schedule provides for 100% vesting of employer contributions after five years of credited service. Effective January 1, 2021 the vesting schedule was changed to provide immediate vesting of employer contributions.

**Notes receivable from participants:** The Plan provides that participants can borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the vested balance in the participant's account and bear interest rates which are commensurate with the prevailing interest rates charged on similar loans under like circumstances by persons in the business of lending money. Principal and interest is paid ratably through payroll deductions.

**Note 1. Description of Plan (Continued)**

**Payment of benefits:** Upon separation of service for any reason, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or rollover into another qualified plan. Withdrawals may also be made when a participant attains age 59½ or demonstrates financial hardship. Benefits are recorded when paid.

**Forfeited accounts:** Upon a participant's separation from services, nonvested participant amounts are forfeited to the Plan. Forfeitures will be used to reduce future employer contributions to the Plan. Forfeited non-vested accounts totaled approximately \$6,300 and \$18,900 at December 31, 2021 and 2020, respectively. For the year ended December 31, 2021, forfeited amounts of approximately \$15,900 were used to reduce employer contributions.

**Administrative expenses:** Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Other fees related to the administration of the Plan are charged directly to the participant accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**Coronavirus Aid, Relief, and Economic Security Act (CARES Act):** The Plan has implemented certain requirements allowed by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allows certain eligible individuals to receive coronavirus-related relief to suspend required minimum distributions and also includes a delay of the commencement date for required minimum distributions. The features within these acts were implemented during the year ended December 31, 2020, as required by the Internal Revenue Service (IRS). Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

**Note 2. Summary of Significant Accounting Policies**

**Basis of accounting:** The accompanying financial statements are prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC).

**Investment valuation and income recognition:** The investments of the Plan are reported at fair value except for the fully benefit responsive investment contract which is reported at contract value. Fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. Capital gain distributions are included in interest and dividends.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are paid by the participants. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

**Note 2. Summary of Significant Accounting Policies (Continued)**

**Use of estimates:** The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Risks and uncertainties:** The Plan invests in various investment securities. Investment securities are exposed to various levels of risk, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Subsequent events:** The Plan Administrator has evaluated events for potential recognition and/or disclosure through October 14, 2022, the date the financial statements were available to be issued.

**Note 3. Information Certified and Provided by Massachusetts Mutual Life Insurance Company (Mass Mutual, Custodian)**

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Mass Mutual, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

Mass Mutual certified to the completeness and accuracy of \$559,329 of net appreciation in fair value of investments \$25,404 of interest and dividends related to the aforementioned investments, and \$852 of interest on notes receivable from participants for the year ended December 31, 2021.

Mass Mutual certified to the completeness and accuracy of notes receivable from participants of \$12,528 and \$17,201 at December 31, 2021 and 2020, respectively.

**Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Mutual funds:** Mutual funds are valued at the closing price reported on the active market on which the individual securities are traded.

**Common collective trust:** The common collective trust is valued at the NAV (as a practical expedient) of shares held by the Plan in their accounts at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 4. Fair Value Measurements (Continued)**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

|                                 | 2021       |         |         |                     |

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

For investments in certain entities that calculate the NAV per share as the investment's fair value measurement, the following table provides an overview of the nature and risks associated with such investments, as well as whether it is probable those investments are being sold at amounts different from their reported NAV per share based on redemption restrictions, if any, as of December 31.

Plan management evaluates the significance of transfers between levels upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no significant transfers in or out of Level 3.

**Note 5.      Guaranteed Interest Account**

The Plan entered into a fully benefit-responsive investment with Mass Mutual. Mass Mutual maintains the contributions in a general account. The account is credit with earnings on the underlying investments and charged to participant withdrawals and administrative expenses.

The guaranteed interest account is fully benefit-responsive; as a result, contract value is the relevant measurement attributable for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Mass Mutual, represents contributions made under the contract, plus earnings, less participants withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Mass Mutual is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuers. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

Average yields:

|                                                 |       |
|-------------------------------------------------|-------|
| Based on annualized earnings                    | 1.00% |
| Based on interest rate credited to participants | 1.00% |

There are no reserves against the contract value for credit risk of the contract or otherwise. The Plan's ability to receive amounts due in accordance with fully-benefit responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events may limit the Plan's ability to transact at contract value but these are primarily limited to termination of the Plan contract with Mass Mutual. The Plan Administrator does not believe that the termination of the contract, which could limit the Plan's ability to transact at contract value, is probable.

**Note 6.      Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contribution.

**Note 7.      Party-in-Interest Transactions**

Certain Plan assets are investments managed by Mass Mutual, which is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions as defined under ERISA guidelines. Fees paid by the Plan for the related investment management and record-keeping services for the year ended December 31, 2021, to Mass Mutual were approximately \$28,000.

**Note 8. Tax Status**

The Plan adopted a volume submitter profit sharing plan document sponsored by Retirement Plan Concepts & Services, Inc. The volume submitter plan has received an opinion letter dated March 31, 2014, from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax position taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years prior to 2018.
