Independent Auditors' Report

To the Committee of
Seneca Gaming Corporation 401(k) Plan
Niagara Falls, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Seneca Gaming Corporation 401k Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Seneca Gaming Corporation 401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Seneca Gaming Corporation 401k Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Seneca Gaming Corporation 401k Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards generally accepted in the United States of America will always

detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Seneca Gaming Corporation 401k Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Seneca Gaming Corporation 401k Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To the Committee of
Seneca Gaming Corporation 401(k) Plan
Niagara Falls, New York

Report on Financial Statements

We were engaged to audit the accompanying financial statements of Seneca Gaming Corporation 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph; however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Custodian Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that Wells Fargo Bank, N.A. held the Plan's investment assets and executed investment transactions. The Plan administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2020 that the information provided to the Plan administrator is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

Seneca Gaming Corporation
401(k) Plan
Notes to Financial Statements

1. Description of Plan

The following brief description of the Seneca Gaming Corporation 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – Established March 1, 2004, the Seneca Gaming Corporation 401(k) Plan is a defined contribution pension plan covering all eligible employees of Seneca Gaming Corporation (the “Company”) and designated affiliates (“affiliates”) and is intended to conform to the provisions of ERISA of 1974 as amended. The Plan was restated effective February 1, 2016. The Plan was amended in 2018 to include Roth deferrals and in 2019 to implement the hardship distribution provisions of the Bipartisan Budget Act of 2018. The Plan transitioned its trustee from Wells Fargo Bank, N.A. to Principal Trust Company during 2021.

Participation – All eligible Company employees who have attained the age of 18 and who have completed 90 days of entry service are eligible to participate in the Plan. All newly eligible employees (eligible effective January 2016) are automatically enrolled in the Plan with a contribution of 3% of eligible compensation. Prior to January 2016, the automatic enrollment contribution was 1% of eligible compensation, unless they affirmatively elected otherwise. Effective October 1, 2017, the automatic enrollment contribution percentage of participants eligible prior to January 2016 increases by 1% per year up to a maximum of 3% of eligible compensation.

Contributions – Participants may elect to contribute 1% - 60% of their eligible pay to the Plan as Pre-Tax or Roth 401(k) contributions, subject to certain limitations. Employees who are age 50 or older by the end of calendar year are allowed to make an additional “catch-up” contribution. This “catch-up” contribution is limited to statutorily defined maximum amounts. The Company makes matching contributions equal to 50% of the first 4% of each participant’s 401(k) contributions, not to exceed 2% of the participant’s eligible pay. “Catch-up” contributions are not eligible for employer matching contributions.

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis. If a participant is automatically enrolled, their contributions are invested in the Plan’s qualified default option until the participant makes an affirmative investment election. Company contributions made on behalf of a participant are invested in the same manner as the participant’s elective contributions.

Seneca Gaming Corporation
401(k) Plan
Notes to Financial Statements (continued)

1. Description of Plan (continued)

Participant Accounts – Each participant’s account is credited with the participant’s contributions and the Company’s contribution made on the participant’s behalf. All contributions are invested according to the participant’s investment election. Investment earnings or losses are credited to participants’ accounts based on the investment performance of the Plan investment options in which they are invested. Certain Plan expenses are also charged against participants’ accounts.

Vesting – All participants are immediately 100% vested in the portion of their accounts attributable to their 401(k) contributions. Participants become 20% vested in the portion of their accounts attributable to the Company’s matching contributions made on their behalf upon completion of one year of service, including at least 1,000 hours of service during the year. Vesting increases 20% per year until participants become 100% vested upon completion of five years of service with the Company.

Participant In-Service Withdrawals – A participant may elect financial hardship withdrawals before age 59 ½ while employed by the Company. Financial hardship withdrawals are limited to the total of the participant’s contributions.

A participant may also elect withdrawals from the portion of the participant’s account attributable to rollover contributions at any time during employment with the Company.

After attaining age 59 ½, a participant may elect withdrawals during employment with the Company from the portion of the participant’s account attributable to 401(k) contributions, rollover contributions and any qualified non-elective contributions made by the Company and from the vested portion of the participant’s account attributable to Company matching contributions.

Participant Loans – Participants who have balances in their Plan accounts are eligible to borrow funds from their Plan accounts. A participant may borrow a minimum of \$1,000 per loan up to a maximum equal to the lesser of 50% of his or her account balance or \$50,000.

The number of loans outstanding is limited to one per participant. Interest rates in effect on loans outstanding at December 31, 2021 and 2020 ranged from 4.25% to 6.50%. Principal and interest are paid monthly through payroll deductions. Loans outstanding are repayable in full within 90 days after the participant’s termination of employment with the Company.

Payment of Benefits – Upon termination of service due to death, disability, involuntary or voluntary termination, or retirement, a participant or the participant’s beneficiary where applicable, is eligible to receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account. Distribution is mandatory if the value of the vested interest is \$5,000 or less. Normal retirement age is 65.

Seneca Gaming Corporation
401(k) Plan
Notes to Financial Statements (continued)

1. Description of Plan (continued)

Forfeited Accounts – If a participant terminates employment with the Company before becoming 100% vested in the portion of the participant’s account attributable to Company matching contributions, the participant will generally forfeit the non-vested portion as of the earlier of the date on which the participant incurs five consecutive one-year breaks in service or the date of distribution of the participant’s vested interest. If a participant is rehired before the date on which the participant incurs five consecutive one-year breaks in service and previously received a distribution of his or her vested interest, the amount forfeited by the participant will be reinstated if the participant repays the amount distributed within a specified period.

Forfeitures are first used to restore returning participant forfeitures, and then to offset Plan expenses and reduce the Company’s matching contributions.

Employer contributions of \$217 and \$114,050 were offset using employee forfeitures during the years ended December 31, 2021 and 2020, respectively.

Administrative Expenses – The Plan’s administrative expenses are paid by either the Plan or the Company, as provided by the Plan’s provisions. Administrative expenses paid by the Plan include recordkeeping and custodian fees. Some administrative expenses that are paid by the Plan are charged against participants’ accounts, while other expenses are fees paid by participants for specific transactions, such as distributions and loans. Expenses related to the Plan’s investment options are generally charged to the particular investment option to which the expenses relate.

Plan Termination – Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Subsequent Events - Management has evaluated the effects of all subsequent events for recognition or disclosure through October 5, 2022, the date the accompanying financial statements were available to be issued, and determined that no additional recognition or disclosure was necessary.

2. Summary of Significant Accounting Policies

Basis of Accounting – These financial statements are prepared on the accrual basis of accounting.

Notes Receivable from Participants – Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator offsets the loan against the participant's account balance, the offset is considered to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at the published net asset value of shares on public exchanges at year end. There are no reserves against investment values for credit risk.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

The Plan utilizes the following fair value hierarchy for measuring fair value that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three levels, with Level 1 as the highest priority and 3 the lowest priority. The three levels of the fair value hierarchy are as follows:

Level 1: Valuations are unadjusted quoted prices for identical assets in active markets.

Level 2: Valuations are quoted prices for similar assets in active markets or identical or similar assets in inactive markets.

Level 3: Valuation methods are unobservable for the asset and liability. That is, inputs that reflect the Plan's own assumptions about how market participants would estimate the value of the asset.

Seneca Gaming Corporation
401(k) Plan
Notes to Financial Statements (continued)

3. Coronavirus Aid, Relief and Economic Security (CARES) Act

In response to the impacts of the COVID-19 (Coronavirus) pandemic, the Plan implemented regulations available to employee benefit plans under the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act during the year ended December 31, 2020. The CARES Act temporarily waived all required minimum distributions for calendar year 2020, provided participants with penalty-free access to their balances up to \$100,000 subject to certain eligibility criteria if distributed prior to January 1, 2021, temporarily increased participant loan limits to the lesser of \$100,000 or 100% of the vested balance if requested during the 180 days subsequent to March 27, 2020, and provided the ability for participants to elect to suspend the repayment of loan payments due from March 27, 2020 through December 31, 2020 for one year. Plan management enumerated a Plan amendment to allow for the aforementioned relief options on April 6, 2020.

4. Investments – Information Certified by the Trustees’ (Unaudited)/Fair Value Measurements

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company and Wells Fargo Bank N.A. have certified the following information included in the financial statements and supplemental information as complete and accurate as of and for the year ended December 31, 2021 and 2020, respectively, except that Principal Trust Company did not certify to the completeness and accuracy of the investment measured at net asset value for the year ended December 31, 2021.

	2021	2020

Mutual funds	\$ 95,531,736	\$ 81,677,249

Total investments, at fair value	\$ 101,755,603	88,298,599
Notes receivable from participants	\$ 2,992,740	\$ 3,381,381
Interest income on notes receivable	221,150	170,082

Net appreciation in fair value of mutual funds	12,123,038	10,879,135

Seneca Gaming Corporation
401(k) Plan
Notes to Financial Statements (continued)

4. Investments – Information Certified by the Trustees’ (Unaudited)/Fair Value Measurements (Continued)

Level 1: Mutual funds are valued based at the daily closing price as reported by the fund. Those funds are deemed to be actively traded. These funds are required to publish their daily net asset value and to transact at that price.

Investments measured at net asset value: The NYL Stable Value Anchor Account III is a pooled separate account group annuity contract issued by New York Life Insurance Company. Participants may deposit and withdraw on a daily basis at contract value. The net asset value as calculated by New York Life is used as a practical expedient to estimate fair value.

5. Tax Status

The Plan was established under the former plan sponsor Wells Fargo, N.A., Defined Contribution Volume Submitter Plan and Trust. The volume submitter plan sponsor (Principal Trust Company) has obtained from the Internal Revenue Service (IRS) an Advisory letter dated March 31, 2014 specifying the form of the volume submitter plan agreement satisfies the requirements of section 401 of the Code and therefore is considered tax exempt. The Plan has been amended since the effective date of the IRS letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amount reported in the statements of net assets available for benefits.

7. Transactions with Parties in Interest

Certain recordkeeping, custodian, legal and accounting services were provided at the expense of the Plan Sponsor.
