And Independent Auditor's Report**

INDEPENDENT AUDITOR'S REPORT

Pflueger, Inc. Savings and Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Pflueger, Inc. Savings and Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a period of one year from the date of issuance of the auditor's report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (continued)

2021 Supplemental Schedules Required by ERISA (continued)

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PFLUEGER, INC. SAVINGS AND RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN

The Pflueger, Inc. Savings and Retirement Plan (Plan) was established to enable eligible employees to share in the growth and profitability of Pflueger, Inc. and its subsidiaries (Company), and to provide them with an opportunity to accumulate capital for their future economic security. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a complete description of its provisions.

General

The Plan is a profit sharing and salary deferral plan covering employees of the Company age 18 and over who have at least six months of service (except nonresident aliens with no earned income within the United States and employees covered by a collective bargaining agreement). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Participants may make salary deferral contributions to the Plan up to the lesser of their eligible compensation or \$19,500 in 2021 and 2020, adjusted annually for the cost of living, plus an additional \$6,500 in 2021 and 2020, for employees age 50 and over. Employees may make rollover and transfer contributions from other qualified plans, except for Roth contributions. The Company made discretionary matching contributions of \$15,080 and \$12,079 during the years ended December 31, 2021 and 2020, respectively. Total contributions to each participant's account may not exceed the lesser of \$58,000 (\$64,500 with catch-up contributions) in 2021 and \$57,000 (\$63,500 with catch-up contributions) in 2020, respectively, or annual compensation, as defined.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contribution; plus an allocation, based on participant earnings or account balances, of forfeitures of terminated participants' nonvested benefits, and the Plan's net earnings; less an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are 20% vested after completion of two years of covered service, 40% after completion of three years of covered service, 60% after completion of four years of covered service, 80% after completion of five years of covered service, and 100% after completion of six years of covered service. Participant voluntary contributions and rollover contributions, and the earnings thereon, are always 100% vested.

PFLUEGER, INC. SAVINGS AND RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000, up to the lesser of \$50,000 or 50% of the vested portion of their account balance. The notes receivable and related interest must be repaid within five years unless the note is used to acquire a principal residence. The notes are collateralized by the participant's account balance and bear interest at prevailing rates, which ranged from 4.25% to 5.75% for the years ended December 31, 2021 and 2020. Principal and interest payments are paid ratably through monthly payroll deductions. The notes mature at various dates through January 2026.

The federal Coronavirus Aid, Relief, and Economic Securities Act (CARES Act), which was enacted in March 27, 2020, increased the limits for participant loans made to qualified individuals (as defined in the CARES Act) from March 27, 2020 to September 22, 2020, to the lesser of \$100,000 (minus outstanding plan loans of the participants), or 100% of the individual's vested benefit under the plan. Loans outstanding on or after March 27, 2020, and any repayment on the loans due from March 27, 2020 to December 31, 2020 may be delayed under the CARES Act for up to one year. During the year ended December 31, 2020, there were no new outstanding loans and no loans with delayed repayment as a result of the CARES Act.

Payment of Benefits

The vested amount in each participant's account is payable upon retirement, disability, death, or termination of employment. Participants may receive the entire value of their accounts in a single lump-sum payment or in periodic payments over a period not to exceed their life expectancy equal to their vested balance less the balance of any outstanding notes. Participants may withdraw all or a portion of their contributions upon a showing of financial hardship and compliance with other restrictions in the Plan. Participants with account balances of \$5,000 or less at termination are automatically disbursed to the participant.

The CARES Act provides for expanded distribution options, from March 2020 to December 2020, of up to an aggregate limit of \$100,000 of coronavirus-related distributions from all eligible retirement plans to qualified individuals, as well as special rollover rules with respect to such distributions. Such distributions amounted to \$144,000 for the year ended December 31, 2020.

Forfeitures

Termination of employment for reasons other than retirement, disability, or death results in a forfeiture of the nonvested portion of the participant's account balance. Forfeitures are used to reduce the employer's non-elective contributions or plan expenses. There were no forfeited invested accounts at December 31, 2021 and 2020. Forfeitures of \$66 and \$1,209 were applied to plan expenses for the years ended December 31, 2021 and 2020, respectively.

NOTES TO THE FINANCIAL STATEMENTS (Continued)
For the Years Ended December 31, 2021 and 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of the financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates, it is reasonably possible that such estimates may change within the near term, and such differences could be material to the financial statements.

Investment Valuation and Income Recognition

Investments are reported at fair value, except that fully benefit-responsive unallocated group annuity contracts are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recognized when earned. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Contributions receivable are recognized for amounts due from the participants and employer remitted to the Plan after year-end. At December 31, 2021 and 2020, the amount due from the participants was \$15,493 and \$11,045, respectively, and from the Company was \$465 and \$331, respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are paid. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefit payments to participants are recorded when paid.

PFLUEGER, INC. SAVINGS AND RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments from registered investment companies.

NOTE C – CERTIFICATION FROM QUALIFIED INSTITUTION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments at fair value, the unallocated group annuity contract at contract value, and notes receivable from participants at December 31, 2021 and 2020, and the net appreciation in the fair value of investments and interest from the unallocated group annuity contract for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Transamerica Financial Life Insurance Company (Transamerica), the qualified institution of the Plan.

NOTE D – FAIR VALUE MEASUREMENTS

U.S. GAAP provides a hierarchy that prioritizes the inputs to the valuation methodologies used to measure fair value. There are three levels of the fair value hierarchy. Level 1 inputs consist of unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. Level 3 inputs are unobservable and significant to the fair value measurement. The fair value measurement level of an asset or liability within the hierarchy is based on the lowest level of any input that is significant to the measurement. Valuation methodologies used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's pooled separate accounts are valued using the net asset value provided by the pooled separate accounts managers as a practical expedient in order to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. Pooled separate accounts amounted to \$7,194,710 and \$6,015,198 as of December 31, 2021 and 2020, respectively. There were no Level 1, 2, or 3 inputs as of December 31, 2021 and 2020. The valuation methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

PFLUEGER, INC. SAVINGS AND RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE E – POOLED SEPARATE ACCOUNTS

The pooled separate accounts have no significant unfunded commitments, redemption restrictions, or redemption notice periods and are redeemable daily. The pooled separate accounts seek to provide capital appreciation and current income consistent with their current asset allocations. The pooled separate accounts invest primarily in mutual funds, common and preferred stocks, corporate notes and bonds, and government issued notes and bonds.

The ability to exchange units of a pooled separate account may be restricted in the event that a sponsor or participant engages in trading patterns, which are detrimental to the pooled separate account or underlying investment. Investment funds may be subject to certain trading restrictions. Trading restrictions apply to transfers into an investment fund. Transfers out of a pooled separate account are allowed at any time. Information on trading restrictions can be found on the *Investment Fact Sheet*, which is available for each pooled separate account.

NOTE F – UNALLOCATED GROUP ANNUITY CONTRACT

The Transamerica's Stable Value Compass Account is an unallocated group annuity contract that complies with the fully benefit-responsive requirements of the Financial Accounting Standards Board. The fund has no stated maturity date and no guaranteed yield. The unallocated group annuity contract is backed by the general account assets of Transamerica. Due to the nature of the contract, the contract does not have specific underlying assets assigned to it. Therefore, the value of the unallocated group fixed annuity contract reported to plan sponsors is the contract value which represents the amount participants would receive if they were to initiate a transaction under the terms of the ongoing contract. The Fund sets an interest rate on a semi-annual basis and the rate of interest shall not change during the six-month period for which it is effective.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer. Such events include amendments to the plan documents including complete or partial plan termination or merger with another plan, bankruptcy of the plan sponsor or other plan sponsor events such as divestiture of a subsidiary that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, and a material amendment to the agreement without the consent of the issuer.

The Plan has been amended since receiving the opinion letter. The Plan is required to operate in conformity with the IRC to maintain its qualification. NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the Years Ended December 31, 2021 and 2020

NOTE I – TAX STATUS (Continued)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The plan administrator evaluated the Plan's tax positions as of December 31, 2021 and 2020 and for the years then ended, and determined that the Plan had no uncertain tax positions required to be reported in accordance with U.S. GAAP. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any open tax periods.

NOTE J – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's assets are administered by and in the custody of Transamerica and, therefore, these transactions qualify as party-in-interest transactions. The Plan sponsor paid certain administrative fees of the Plan.

NOTE K – TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, all participants become 100% vested in their profit sharing accounts.

NOTE L – RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan and Company operate in the State of Hawaii. Local, national, and international events (such as the COVID-19 pandemic and the Russia-Ukraine conflict) can have severe, adverse effects on economic conditions in Hawaii. These financial statements do not include the adjustments that would result if the Plan was to account for future losses or asset impairments, as the effects on the financial statements of the Company from such changes in economic conditions are not presently determinable.

NOTE M – PROHIBITED TRANSACTIONS

During the years ended December 31, 2021 and 2020, the Company made late payments of participant contributions totaling \$38,107 and \$57,290, respectively, which the Company expects to correct during the year ending December 31, 2022. Uncorrected late payments are disclosed in Form 5500, Schedule H, Line 4a – Schedule of Delinquent Contributions.
