INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the Contech Control Services, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Contech Control Services, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Contech Control Services, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements

section of our report. We are required to be independent of Contech Control Services, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Contech Control Services, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Contech Control Services, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Contech Control Services, Inc.

401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held At End of Year) and Schedule H, Line 4j – Schedule of Reportable Transactions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Contech Control Services, Inc.
401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. PLAN DESCRIPTION

The following description of the Contech Control Services, Inc. 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General - The Contech Control Services, Inc. 401(k) Profit Sharing Plan (the Plan) provides supplemental retirement income to employees of Contech Control Services, Inc. (the Company). The Company administers the Plan and provides for all necessary facilities, services, and administration. Associated administrative expenses of the Plan are paid by the Company with minimal fees paid by the Plan participants. Effective February 1, 2016, the Plan changed its custodianship from MassMutual Retirement Services to Ascensus Inc (an affiliate of Vanguard). Ascensus Inc is engaged to provide plan services related to the participant directed investments and Ascensus Trust Company is charged with holding the plan assets in safekeeping. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Sponsor Amendments – Effective February 1, 2016, the Plan was amended and restated as a result from changing its custodianship from MassMutual Retirement Services to Ascensus Inc (an affiliate of Vanguard).

Effective May 21, 2020, the plan was amended to remove Ken Lam as the plan's limited trustee.

Cycle 3 Plan Restatement - Effective November 15, 2021, the Plan restated the plan document to incorporate language from all required interim amendments and amendments requested by the Plan over the past six years. The Plan incorporated into the plan document all changes required by the IRS. As stated in IRS Notice 2017-37, these changes do not include the following items:

- Guidance issued after February 1, 2017;
- Statutes enacted after February 1, 2017;
- Qualification requirements first effective in 2018 or later; and
- Statutory provisions that are first effective in 2017 for which there is no guidance identified in this notice.

Key changes included in the Cycle 3 plan restatement include:

- Allows use of forfeitures to fund qualified nonelective employer contributions, qualified matching contributions, and safe harbor 401(k) contributions;
- Relief for victims of certain qualified natural disasters;
- Provisions related to claims for disability benefits;
- Allows acceptance of rollover contributions;
- Provides qualified disaster distributions for eligible participants;
- Outlines terms of repayment of qualified disaster distributions;
- Allows recontributions of withdrawals for home purchases; and
- Employees are no longer required to be employed at the end of the plan year in order to receive matching contributions.

401(k) Profit Sharing Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. PLAN DESCRIPTION (continued)

Cycle 3 Plan Restatement (continued) - To be eligible to participate, employees of the Company must have attained the minimum age of 21 years and have three months of service on the basis of elapsed time. Under the elapsed time method, service is taken into account from the employee's date of hire to the date the individual terminates service with the employer. Elapsed time must always be determined based on the employee's anniversary year from the date of hire. All periods of service are aggregated to determine an employee's years of service, even if the periods of service are not continuous. Employees are granted credit for service during an absence if the absence is less than 12 consecutive months. Leased employees, nonresident alien employees and union employees are excluded from participation. Eligible employees are allowed to enter the plan on the first day of each quarter of the plan year.

Eligible employees that have entered the Plan are then eligible to make pre-tax and after-tax salary deferrals to the Plan. Salary deferrals are invested as directed by the participant in accordance with the Plan's investment policies.

The Company is able to make discretionary contributions to the plan, as determined by Company management.

Terminated employees with a total vested benefit of $5,000 or less will receive a lump sum distribution at termination, even if the employee does not consent to the distribution.

Contributions – Participants may elect to contribute up to the amount allowable under the current IRS rules and regulations. Participants direct the investment of their contributions into various investment options (mutual funds) offered by the Plan. Pursuant to the Plan Document, the Company may make a discretionary contribution which will be determined on an annual basis. Typically the match has equaled between 26% and 32% of the employees' elective deferrals. Additional profit sharing amounts may be contributed at the option of the Company and allocated to each eligible participant. The matching contributions are allocated among the investment options identically to participant contributions. Contributions are subject to certain limitations. For the years ended December 31, 2021 and 2020 matching contributions amounted to $568,796 and $618,287, respectively. $1,246 and $0 of these matching contributions account for accruals as of December 31, 2021 and 2020, respectively. The Plan is participant directed, and participants may change their contribution rates and investment options at any time. Rollover contributions are permitted only by employees who have satisfied the conditions for participation.

Participant Accounts - Each participant's account is credited with the participant's contributions, benefit payments or withdrawals, the employer's contributions, and allocation of the Plan's earnings or losses. Earnings and losses are allocated daily based on the ratio of an individual's account balance to the total account balances of all participants in the same investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options – Upon enrollment in the Plan, a participant may invest in a number of diverse funds and change investment options at their discretion by providing notice of such change.

1. PLAN DESCRIPTION (continued)

Participant Loans - Participants may borrow from their fund accounts of a minimum of $1,000 up to $50,000 or 50% of their vested account balance, whichever is less. Loan terms range from one to five years, except for the purchase of a primary residence. The loans are at a rate commensurate at prime plus 1%. Principal and interest are paid ratably through weekly or bi-weekly payroll deductions.

Vesting - Participants are immediately vested in their own contributions and the appreciation or depreciation thereon. If a participant terminates employment prior to normal retirement age for any reason other than death or permanent disability, the participant's interest in the employers' contributions to the Plan for their benefit vests as follows:

Years of Service	Percent Of Non-forfeitable Interest
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

For vesting purposes, a participant must complete 1,000 hours of service in the first 12 months of employment or during any subsequent Plan year to qualify for a year of service.

Payment of Benefits - Benefits under the Plan are payable in a lump sum of cash or property allocated to the participants account for any of the following reasons: a) retirement on or after age 59 ½, b) hardship, c) total and permanent disability, d) death, e) termination of employment, or f) required distributions for participants turning 70 ½ years of age.

Forfeitures – On or before each anniversary date, any amounts that become forfeitures since the last anniversary date may be made available to be used to pay administrative expenses of the Plan. The remaining forfeitures, if any, shall be used to reduce employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled $160,558 and $187,144, respectively. During the years ended December 31, 2021 and 2020, $81,812 and $0 of forfeited funds were used to reduce the employer matching contributions, respectively.

Plan Termination - Although it has not expressed the intention to do so, the Company has the right under the Plan to discontinue its contributions at anytime and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Presentation - The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for plan benefits and changes in those net assets.

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan payments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan Document.

Federal Income Tax Status – The Internal Revenue Service has determined and informed the Plan administrator by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan is not aware of any tax positions that would have a significant impact on its financial position. Its federal tax returns for the last four years remain subject to examination.

Administrative Expenses - Certain administrative functions are performed by employees of the Company. No such employees receive compensation from the Plan. Administrative expenses for the record keeper and trustee's fees are paid directly by the Company. For the years ended December 31, 2021 and 2020, administrative expenses paid by the Company amounted to $32,326 and $31,084, respectively.

Recognition of Income – The basis of investments held by the Plan is adjusted annually to closing market value and unrealized gains and losses are recorded as part of this adjustment. Realized gains and losses on investments are computed using this adjusted basis (beginning of year market value). Security transaction expenses are considered in computing realized gains and losses on investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments - Ascensus Trust Company held the Plan's investment assets and executed investment transactions for the years ended December 31, 2021 and 2020. Investment options consisted of shares of registered investment companies (mutual funds). The mutual funds are reported at fair value based on the quoted market price of the fund, which represents the net asset value of the shares held by the fund at year end. Investment purchases and sales transactions are recognized on the trade date (the date the order to buy or sell is executed). Dividends are recorded on the ex-dividend date. Participants may change their investment options daily. Participants in the Plan may choose to invest both the employee's contributions and employer's contributions in a variety of different options.

Benefit Payments Record Policy – Benefit payments are recorded when paid.

Concentration of Credit Risks – Concentration of credit risk with respect to investments is reduced as a result of the diversity of the underlying investments.

3. NON-DISCRIMINATION TESTS

The Plan requires excess contributions plus any income and less any losses to be refunded to the highly compensated employees. For the years ended December 31, 2021 and 2020, corrective distributions amounted to $207,207 and $151,495, respectively.

4. PROHIBITED TRANSACTIONS

According to Department of Labor Regulation 2510.3-102, all participant contributions are considered to be employee contributions under ERISA and generally constitute plan assets that should be credited to participant accounts as soon as practicable, but in no event more than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. If contributions are made untimely, it is considered a non-exempt, prohibited transaction. As of December 31, 2021 and 2020, there were no instances of non-exempt transactions.

5. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

5. FAIR VALUE MEASUREMENTS (continued)

Level 1 Fair Value Measurements: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements: The fair value of participant loans are valued based on annual amortization schedules calculated based on varying rates due in bi-weekly installments for varying periods.

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

The plan's policy is to recognize transfers between Level 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	2021 Fair Value Measurements Using		
	Level 1	Level 2	Level 3
Registered Investment Companies	$ 27,273,935	$ -	$ -
Participant Loans	-	306,012	-
	$ 27,273,935	$ 306,012	$ -

	2020 Fair Value Measurements Using		
	Level 1	Level 2	Level 3
Registered Investment Companies	$ 23,537,028	$ -	$ -
Participant Loans	-	402,258	-
	$ 23,537,028	$ 402,258	$ -

The investments are held in registered investment companies; therefore, they are classified in Level 1. The participant loans are classified in Level 2 because their valuation is based off of payments received and calculated amortization schedules. There have been no changes in methodologies used to determine fair value, nor transfers between levels. Following is a description of the valuation methodologies used for assets measured at fair value:

Registered investment companies: Valued at the net asset value (NAV).
Participant loans: Valued according to payments received and calculated amortization schedules.

5. FAIR VALUE MEASUREMENTS (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

As permitted by Department of Labor CFR 2520.103-8, Plan investments at December 31, 2021 and 2020 and the related investment earnings for the years then ended, were certified and held by Ascensus Trust Company, the custodian, and were not audited by the independent auditor.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Ascensus Trust Company.

Investments, at fair value for the years ended December 31, 2021 and 2020:

	2021	2020
Registered Investment Companies	$27,273,935	$23,537,028

7. DATE OF MANAGEMENTS' REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date of the Independent Auditors' Report, when the financial statements were available to be issued.

8. RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

9. PARTIES-IN-INTEREST

Plan investments were managed by Ascensus Inc (an affiliate of Vanguard) and Ascensus Trust Company for the years ended December 31, 2021 and 2020. Certain fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS

9. PARTIES-IN-INTEREST (continued)

Additionally, certain Plan investments are shares of mutual funds managed by the Vanguard Group, Inc. and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the plan for investment management services, record keeping and information management, participant loan processing, and soft dollar commissions amounted to $57,386 and $84,369 for the years ended December 31, 2021 and 2020, respectively.

10. SUBSEQUENT EVENTS

Subsequent to the year ended December 31, 2020, it was discovered that one participant's loan was delinquent and should have been deemed a distribution prior to the end of the year. Management considered the various options available to correct this plan failure and decided to re-amortize the loan balance at the earliest date possible. As of December 31, 2021 and 2020, the outstanding balance of this delinquent loan was $35,177 and $44,867, respectively. Subsequent to the year ended December 31, 2021, the loan was re-amortized and later paid off in full.

11. CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed by Congress. Among other things, the CARES Act provides immediate and temporary relief for retirement plan participants with respect to distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document. Plan management has adopted the distribution provisions included in the CARES Act and it is expected that the Plan will be formally amended for this provision during the year ended December 31, 2022.
