Independent Auditor's Report

To the Participants and Administrator of
403(b) Thrift Plan for Goodwill of the Coastal Empire, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the 403(b) Thrift Plan for Goodwill of the Coastal Empire, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(B) THRIFT PLAN FOR GOODWILL OF THE COASTAL EMPIRE, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan for Goodwill of the Coastal Empire, Inc. (the Plan), formerly Goodwill Industries Employee Retirement Plan, provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution 403(b) retirement plan which was established on January 1, 2007 and covers all full-time and part-time employees of Goodwill Industries of the Coastal Empire, Inc. and Goodwill of the Coastal Empire, Inc. (the "Organizations") who have elected to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective March 1, 2019, the Plan was amended to allow government contract employees of the Organizations to participate in the Plan. Effective January 1, 2020, the Plan was amended to achieve Safe-Harbor status.

Contributions

Contributions to the Plan are made voluntarily by participating employees who elect a salary reduction that is remitted to the Plan by the Organizations on behalf of the participants. Participants elected contributions not exceeding \$19,500 during each of the years ended December 31, 2021 and 2020. Additionally, catch-up deferrals of up to \$6,500 were permitted for participants age 50 or older during 2021 and 2020. The Plan also provides for rollover contributions by participants from other qualifying plans.

Effective January 1, 2020, the Organizations make Safe-Harbor employer match contributions equal to 100% of employee contributions up to 3% of a participant's compensation. For employee contributions that exceed 3% but are not more than 5% of a participant's compensation, the Organizations match 50% of employee contributions.

Government-contracted employees are not eligible for the employer matching contributions. Prevailing wage employer contributions are made to these participants' retirement accounts based on the fringe benefits provided as part of each individual's government contract.

Vesting

Participants are immediately vested in all employee contributions, employer contributions, and Plan earnings.

Participant accounts

Each participant's account is credited with the participant's contributions, an allocation of the Organizations' matching contributions, and investment earnings or losses. Allocation of the Organizations' matching contributions is calculated using a pro rata method based on each participant's total voluntary contributions. Allocation of Plan earnings is based on participant account balances.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Investment options

Investments are participant-directed among forty-nine funds.

Payment of benefits

Benefits are payable upon termination of service, death, or permanent disability. A participant may receive a lump sum equal to the value of his or her vested account balance. The portion of net assets processed for payment to persons who requested payment before year end and received payment subsequent to that time totaled \$0 at both December 31, 2021 and 2020.

Financial hardship withdrawals

Financial hardship withdrawals of all or part of elective and employer contributions may be permitted for immediate and severe financial need. Participants are not required to cease employee and employer contributions after receipt of a hardship withdrawal.

Contributions receivable

Contributions receivable are based upon the timing difference between the determined contributions of the employer and employees and the receipts by the investment trustee.

Participant loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the excess of their highest outstanding balance of loans from the Plan during the one-year period prior to the date of the loan over their current outstanding balance of loans, or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms may generally not exceed five years. However, if a loan is for a participant's principal residence, longer repayment terms may be permitted. The interest rate on all outstanding loans was 4.00% at December 31, 2021 and 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, contributions are recognized when determined, rather than when received, and expenses are recognized when incurred, rather than when paid.

Valuation of investments

Investments are stated at fair value based on published market quotations. Purchases and sales are recognized on their transaction dates.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Consequently, actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

The Plan has evaluated subsequent events through September 30, 2022, the date the financial statements were available to be issued.

NOTE 3 - INCOME TAX STATUS

The Plan is a Section 403(b) ERISA Base Plan. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the accompanying financial statements.

Management of the Plan evaluated the Plan's tax positions and concluded that the Plan had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. With few exceptions, the Plan is no longer subject to income tax examinations by federal, state, or local tax authorities for years before 2018.

NOTE 4 - PLAN TERMINATION

Although they have not expressed an intention to do so, the Organizations have the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTE 5 - DESCRIPTION OF INFORMATION CERTIFIED BY THE INVESTMENT TRUSTEE

As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator has elected to have the investment trustee of the Plan, Mutual of America Life Insurance Company, certify as to the accuracy and completeness of certain information included in the accompanying financial statements and schedule in lieu of the Plan's independent accountants examining such information. Accordingly, the following information was certified by the investment trustee and was not subjected to any auditing procedures except for comparing such information with the related information contained in the accompanying financial statements and schedule:

- A. Investments in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- B. Activity in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- C. Information included in the supplemental schedule, as listed in the accompanying table of contents.

NOTE 6 - RELATED PARTY TRANSACTIONS AND EXEMPT PARTY IN INTEREST TRANSACTIONS

The Organizations absorb certain administrative expenses of the Plan which totaled \$8,100 and \$7,900 for the years ended December 31, 2021 and 2020, respectively.

The trustees are authorized under contract provisions, and by ERISA regulations providing an administrative or statutory exemption, to invest in funds under its control. Certain Plan investments are managed by Mutual of America Life Insurance Company. These transactions qualify as exempt party in interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each fund.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The COVID-19 pandemic has led to extreme volatility in financial markets and has affected, and may continue to affect, Plan assets. The extent to which COVID-19 impacts the financial markets will depend on future developments that are highly uncertain and cannot be predicted.

NOTE 8 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring value. The Plan adheres to accounting guidance in Topic 820, including Amendment 2018-13, "Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement." Adoption of this amendment effective January 1, 2020 did not change reporting requirements for the Plan. The framework established in Topic 820 provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Insurance company general account is reported at contract value, which is deemed to be fair value. As this investment is contract-based, observable prices for identical or similar investments do not exist and, accordingly, this investment is valued using unobservable inputs (Level 3). The contract value equals the accumulated cash contributions and interest credited to the contract, less any withdrawals.

Mutual funds are valued at the daily closing price as reported by the fund. Investment funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Insurance company general account	\$ -	\$ -	\$ 276,863	\$ 276,863

Employer contributions per Schedule H of Form 5500	<u>\$ 163,193</u>
 Employee contributions per the financial statements	 \$ 228,184
Plus: Employee contributions receivable at December 31, 2020	<u>6,952</u>
Employee contributions per Schedule H of Form 5500	<u>\$ 235,136</u>

NOTE 10 - CARES ACT PROVISIONS

The Coronavirus Aid Relief, and Economic Security Act (CARES Act) was passed by the U.S. Senate on March 26, 2020. Section 2202 of the CARES Act permitted eligible Plan participants affected by COVID-19 to request penalty-free distributions in 2020 of up to \$100,000, delayed certain loan repayments due from March 27, 2020 to December 31, 2020 for up to one year, and increased the limit on loans made to a qualified individual from March 27, 2020 to September 22, 2020 to the lesser of: (1) \$100,000 (minus outstanding Plan loans of the participant), or (2) the individual's vested benefit under the Plan. These provisions apply to Plan participants who have experienced adverse financial consequences due to being quarantined, furloughed, laid off, having work hours reduced, or being unable to work due to a lack of childcare due to COVID-19.

In April 2020, the Plan Sponsor opted to allow for COVID-related distributions (CRDs) and loan relief in accordance with the provisions of the CARES Act. An amendment to the Plan was not required for implementation of the CARES Act provisions.
