INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee
The Mentholum Company
401(k) Savings and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The Mentholum Company 401(k) Savings and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of The Mentholum Company 401(k) Savings and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan sponsored by The Mentholum Company (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Plan Committee is responsible for the oversight of the Plan, determining appropriateness of the Plan's investment offerings and monitoring investment performance.

Eligibility:

An individual regularly employed by the Company in the United States of America, who is a United States citizen or foreign national residing in the United States of America, and is not part of an excluded employment classification, is eligible to participate in the Plan (Eligible Employees). The following are excluded employment classifications: collective bargaining employees, non-resident aliens, Puerto Rican employees, expatriate employees of Rohto Pharmaceutical Co., Ltd., the parent company of the Company; an employee on temporary assignment in the United States of America under an "E", "L", or "H" visa; interns; contract workers; or temporary assignment employees.

Contributions:

Eligible Employees may make voluntary pre-tax, Roth and after-tax contributions (Elective Deferrals) to the Plan up to 100% of their eligible compensation, as defined. The Plan includes an auto-enrollment provision whereby all newly Eligible Employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation which will increase by 1% at the beginning of each Plan year up to a maximum of 10%. Their contributions are invested in a designated balanced fund until changed by the participant. Participants who are fifty years and older may make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan provides Eligible Employees with Company safe harbor matching contributions equal to 100% of the employees' Elective Deferrals, up to 2% of eligible compensation and 75% of the next 4% of eligible compensation. The Plan also provides Eligible Employees with a non-elective Company contribution equal to 1% of the participant's eligible compensation.

The Plan permits the Company to make additional discretionary contributions to the Plan to Eligible Employees employed on the last day of the year with at least six months of credited service, as defined. The Company declared a discretionary contribution equal to 1% of each eligible participant's eligible compensation for the years ended December 31, 2021 and 2020. This contribution was recorded as a receivable in the amount of \$116,142 and \$117,142 at December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Contributions (continued):

Contributions are subject to certain limitations of the Internal Revenue Code (the Code). Participants direct the investment of contributions into various investment options offered by the Plan.

Participant accounts:

Each participant's account is credited with the participant and Company contributions, an allocation of Plan earnings, reduced for benefits paid, and charged for loan origination and recordkeeping fees, if applicable, and an allocation of other administrative expenses. Allocation of Plan earnings and other administrative expenses are based on participant account balances, as defined in the Plan document. The benefit to which a participant is entitled is limited to that which can be provided from the participant's vested account.

The Plan permits participants to convert all or a portion of the participant's vested accounts to an after-tax (Roth) basis, subject to the participant paying the related income taxes as prescribed by the Code.

Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. The Company contributions and earnings thereon vest after two years of credited service, as defined.

Forfeitures:

At December 31, 2021 and 2020, the Plan had no forfeited nonvested accounts. Forfeitures can be used to reduce Company contributions and pay Plan administrative expenses. Forfeited amounts of \$13,101 and \$17,822 were used to reduce Company contributions for the years ended December 31, 2021 and 2020, respectively.

Revenue sharing income:

In 2021 and 2020, the Plan received reimbursements for certain Plan expenses paid through revenue sharing arrangements with certain investment funds owned by the Plan amounting to \$79,672 and \$29,846 for the years ended December 31, 2021 and 2020, respectively. These reimbursements from revenue sharing arrangements are included in other income in the statements of changes in net assets available for benefits. Amounts reimbursed are included in a Plan administrative budget account until they are used to pay for Plan administrative expenses or allocated to participants. Amounts included in the Plan administrative budget account that were not allocated to participants at December 31, 2021 and 2020 were \$2,434 and \$2,995, respectively.

Note 1. Plan Description (Continued)

Payment of benefits:

On termination of employment with the Plan Sponsor, death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments.

Notes receivable from participants:

Participants may borrow from their account a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Interest rates on loans are determined quarterly by the Plan Administrator and are commensurate with local prevailing rates. Principal and interest is paid ratably through weekly payroll deductions. Participants are required to have at least one year of service before applying for a loan. Participants are allowed to have a maximum of two loans outstanding.

Administrative expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Plan pays for fees related to the administration of notes receivable from participants and distribution processing fees which are charged directly to the participant's account. The Plan also pays for certain recordkeeping fees and investment advisory fees. Investment related expenses related to fund management are included in net appreciation in fair value of investments.

Note 2. Summary of Significant Accounting Policies

Basis of accounting:

The financial statements have been prepared on the accrual basis of accounting.

Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the trustee, John Hancock Trust Company LLC (John Hancock). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit loss has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Note 2. Summary of Significant Accounting Policies (Continued)

Benefits:

Benefits are recorded when paid.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 3. Information Certified by the Plan's Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by John Hancock, the trustee of the Plan. The Plan Administrator has obtained a certification from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	2021	2020
Investments at fair value:		
Mutual funds	\$ 36,759,170	\$ 31,864,888
Collective trust fund	5,218,601	4,829,580

THE MENTHOLATUM COMPANY

NOTES TO FINANCIAL STATEMENTS

Note 3. Information Certified by the Plan's Trustee (Continued)

John Hancock also certified to the completeness and accuracy of the following financial information related to the aforementioned assets for the years ended December 31, 2021 and 2020:

	2021	2020
Investment income:		
Net appreciation in fair value of investments	\$ 4,498,521	\$ 4,450,748
Dividends	391,977	334,060
	<u>\$ 4,890,498</u>	<u>\$ 4,784,808</u>
Interest on notes receivable from participants	\$ 25,132	\$ 25,936

Note 4. Fair Value Measurements

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority level to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The funds held by the Plan are deemed to be actively traded.

THE MENTHOLATUM COMPANY
401(k) SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

Collective trust fund: Valued at the NAV of units of a collective trust. The NAV, as provided by John Hancock, is used as a practical expedient to estimate fair value. The NAV is primarily based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust for 90 days in order to ensure that securities liquidations will be carried out in an orderly business manner. The Plan also has no unfunded commitments at December 31, 2021 or 2020.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value at December 31, 2021 and 2020. The classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 36,759,170	\$ -	\$ -	\$ 36,759,170
Collective trust fund measured at NAV ^(a)				5,218,601
Investments at fair value				\$ 41,977,771

	2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 31,864,888	\$ -	\$ -	\$ 31,864,888
Collective trust fund measured at NAV ^(a)				4,829,580
Investments at fair value				\$ 36,694,468

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

THE MENTHOLATUM COMPANY
401(k) SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 6. Tax Status

The Plan adopted a non-standardized form of a volume submitter plan sponsored by John Hancock Retirement Plan Services LLC. The volume submitter plan has received an opinion letter from the Internal Revenue Service (IRS) as to the volume submitter plan's qualified status dated June 30, 2020. The volume submitter plan opinion letter has been relied upon by the Plan. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable provisions of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 7. Party-in-Interest Transactions

A party-in-interest is defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, certain participants, and others. The Plan allows participants to take loans from their accounts in the Plan. Certain notes receivable from participants and income thereon qualify as party-in-interest transactions.

Certain Plan investments are managed by John Hancock, its affiliates and other investment fund managers. John Hancock is the trustee and, therefore, transactions within funds managed by John Hancock or its affiliates qualify as party-in-interest transactions. Fees incurred by the Plan for fund management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment from the Plan.

John Hancock provides certain administrative services to the Plan. Fees paid by the Plan to John Hancock or its affiliates for loan origination and other administrative services amounted to \$39,189 and \$10,514 for the years ended December 31, 2021 and 2020, respectively.

UBS Financial Services Inc. (UBS) provides investment advisory services to the Plan and, therefore, transactions with UBS qualify as party-in-interest transactions. Fees paid by the Plan to UBS for investment advisory services amounted to \$35,168 and \$31,509 for the years ended December 31, 2021 and 2020, respectively.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Subsequent Events

Subsequent events have been evaluated through October 12, 2022, which is the date the financial statements were available to be issued.

During 2021, the Company acquired the stock of Hydrox Laboratories. As a result of the acquisition, the Company intends to merge the Hydrox Laboratories 401(k) Plan's (Hydrox Plan) net assets into the Plan and to offer participation in the Plan to employees currently eligible to participate in the Hydrox Plan. The merger is expected to occur in 2022. The Hydrox Plan had net assets available for benefit of approximately \$3,800,000 as of the date the financial statements were available to be issued.
