INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
McKissack Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of McKissack Group, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (Qualified Institution).

Management has obtained a certification from a Qualified Institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of McKissack Group, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McKissack Group, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McKissack Group, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McKissack Group, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of McKissack Group, Inc. 401(k). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a Qualified Institution. In our report dated December 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. **DESCRIPTION OF THE PLAN**

The following description of the McKissack Group, Inc. (“Company”) 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information. The plan was updated January 1, 2021.

General - The Plan is a voluntary defined contribution plan for eligible employees. It is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA).

Eligibility and Participation -All employees not covered by a collective bargaining agreement or those considered as leased personnel and over 21 are eligible to participate in the Plan at the first date of the calendar month.

Contributions — A participant may contribute up to 100% of their pre-tax salary as defined in the Plan. The Company has the discretionary ability to make a matching contribution for eligible participants based on their elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at one percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company, in its sole discretion may make a matching contribution. Additional profit-sharing amounts for participants who completed at least 1,000 hours of service and employed by the company on the last day of the year may be contributed at the option of the Company. For the year ended December 31, 2021, the Company did not make a profit-sharing contribution to Plan. Contributions are subject to certain IRS limitations.

Participant Accounts — Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options — Upon enrollment in the Plan, a participant may direct contributions in any of 34 investment options. Participants may change their investment options at any time as self-directed online or by contacting the trustee.

McKissack Group, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
As of December 31, 2021 and 2020

Forfeited accounts — As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$4,537 and \$10,156, respectively. These accounts will be used to reduce future employer contributions.

Vesting — Participants are immediately vested in all participant contributions. Vesting on the Company contributions, if any, is based on years of services as follows:

<u>Years of Service</u>	<u>% Vested</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

However, if the Company must make matching contributions to satisfy nondiscrimination plan provisions, you will be 100% vested in those contributions. Upon retirement age, disability or death of a participant, the participant shall be deemed to be 100% vested in their entire account regardless of length of service. Forfeitures of non-vested account balances, if any, can be used to reduce the Company's contributions to the Plan.

Distributions and Withdrawals — Withdrawals may be made at retirement, attainment of age 59-1/2, disability, hardship, and separation of service or death. In the event of retirement, total and permanent disability or attainment of age 59-1/2, participants may make withdrawals either in a lump sum or in periodic payments over a period not to exceed life expectancy, as defined.

These withdrawals may begin at age 59-1/2. Withdrawals due to hardships are permitted subject to the Plan Administrator's approval. In the event of separation of service, a participant must withdraw from the Plan if their account is less than \$5,000. Participant accounts may be "rolled over" by the employee into an IRA or similar plan. In the event of death, remaining balances in the participant's account will be paid to the participant's beneficiary.

CARES Act

As a result of COVID-19, on March 27, 2021, the Coronavirus Aid, Relief, and Economic Security (CARES) Act (the "Act") was signed into law. The Act contains several provisions that affect qualified employee benefit plans. Key provisions include:

COVID-19 Related Distributions- Allows participants, who meet specific conditions, to take a coronavirus-related distribution of up to \$100,000 from eligible retirement plans without a 10% early withdrawal penalty. Eligible distributions can be taken up to December 31, 2021. Coronavirus-related distributions may be repaid within three years. These repayments will be treated as tax-free rollovers into the participant's account. The plan administrator may rely on an employee's certification that the employee satisfies the conditions for a coronavirus-related distribution.

Increased Participant Loans and Loan Repayments- Allows participants, who meet the conditions specified under the COVID-19 related distribution rules, to borrow up to \$100,000 from qualified plans (an increase from \$50,000 previously allowed). This provision only applies to loans made during the period from March 27, 2021 to September 23, 2021. In addition, qualified individuals with loan repayments due between March 27, 2021, and December 31, 2021, can delay their loan repayments for up to one year. During this time, interest continues to accrue.

Waiver of Required Minimum Distributions (RMDs)- This waiver temporarily suspends RMDs for 2021. In cases where a participant or IRA holder already received an RMD during 2021, they can roll that amount over or roll it back into a qualified plan or IRA.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting — The financial statements of the Plan are prepared on the accrual basis of accounting.

Excess Contributions Payable — The Plan is required to return contributions received during the Plan year in excess of the Internal Revenue Code Limits. There were no excess contributions payable as of December 31, 2021 and 2020.

Use of Estimates — The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition — Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisers and trustees.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants — Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits — Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
As of December 31, 2021 and 2020

Administrative Expenses — Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

3. NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account subject to a minimum of \$1,000 and a maximum of \$50,000. The \$50,000 maximum amount will be reduced by the Participant's highest outstanding loan balance in the previous 12 months.

The borrowing rate (prime +2%) is set by the adopted loan policy. As of December 31, 2021 and 2020, loans outstanding are due on various dates over the next 60 months. The maximum loan term for a principal residence is 10 years.

Repayment of all plan loans is made through payroll deductions. Loans are secured by the participant's account balance. No more than one loan will be allowed in any 12 consecutive month period, and no more than two loans may be outstanding at one time.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, "*Fair Value Measurements*", are described as follows

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan could access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical assets or liabilities in inactive markets; • Inputs other than quoted prices are observable for the asset or liability; and • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS
As of December 31, 2021 and 2020

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the net asset value (NAV) of shares held by the plan at year-end.

The following table on the accompany page sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2020

	(Level 1)	(Level 2)	(Level 3)	Total
Money market funds	\$ 430,138	\$ -	\$ -	\$ 430,138

Investments at fair value	<u>\$ 7,287,546</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,287,546</u>

Assets at Fair Value as of December 31, 2019

	(Level 1)	(Level 2)	(Level 3)	Total
Money market funds	\$ 453,088	\$ -	\$ -	\$ 453,088
Mutual funds	5,779,305	-	-	5,779,305
Investments at fair value	<u>\$ 6,232,393</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,232,393</u>

5. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible those changes in the values of investment securities and notes receivable will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

6. INFORMATION CERTIFIED BY THE INVESTMENT TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA – required supplemental schedule, including notes receivable and investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Matrix Trust Company (the trustee of the Plan).

7. TAX STATUS

The Plan uses a prototype plan document sponsored by NWPS (formerly CDM Retirement Consultants, Inc.) NWPS received an opinion letter from the Internal Revenue Service (“IRS”), dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan’s management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan’s financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by Matrix Trust Company. Matrix Trust Company is the trustee, and therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

NWPS provides participant record keeping and certain administrative services to the Plan pursuant to a retirement plan services agreement between the Company and NWPS. NWPS receives revenue from mutual fund service providers for services NWPS provides to the Plan. This revenue is used to offset certain amounts owed to NWPS for its administrative services to the Plan.

NOTES TO FINANCIAL STATEMENTS
As of December 31, 2021 and 2020

If the revenue received by NWPS from such mutual fund service providers exceeds the amount owed under the service agreement, NWPS is not required to remit the excess to the Plan's trust. During 2021, there were no excess amounts. The Plan or Plan Sponsor may make a payment to NWPS for administrative expenses not covered by revenue sharing.

9. PLAN TERMINATION

The Company has not expressed any intent to do so, but the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2022 the date the financial statements were available to be issued.
