Report of Independent Auditors

The Retirement Plans Advisory Committee and Plan Administrator
Banner Health Employees 401(k) Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Banner Health Employees 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Banner Health Employees 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Banner Health Employees 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Banner Health Employees 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Banner Health Employees 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of the Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the December 31, 2020 financial statements of Banner Health Employees 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 – Description of Plan

General – The Banner Health Employees 401(k) Plan (the "Plan") is a defined contribution plan providing retirement benefits to eligible employees of Banner Health and its subsidiaries (collectively, the "Company" or "Banner"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following is not a comprehensive description of the Plan and, therefore, does not include all situations and limitations covered by the Plan. Participants should refer to the Summary Plan Description (SPD) for more complete information regarding the Plan's definitions, benefits, eligibility, and other matters, a copy of which is available from the Company.

The Company is the sponsor and administrator of the Plan. The Company's Retirement Plans Advisory Committee is responsible for the general administration of the Plan. Trustee functions are performed by Fidelity Management Trust Company ("Fidelity"). Recordkeeping services are provided by Fidelity Workplace Services, LLC. Costs of administering the Plan are paid by the Company and plan participants.

Eligibility – Substantially all employees of the Company, over 18 years of age, are eligible to participate in the Plan upon employment. Employees excluded are registry status or traveler employees, leased employees or independent contractors, and collective bargaining employees.

Contributions – Eligible employees may contribute up to 100% of their eligible pre-tax compensation as defined in the Plan. After contributing at least 4% on a pre-tax basis, participants may also elect to make Roth contributions on an after-tax basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company matches 100% of employees' pre-tax contributions up to 4% of each employee's eligible compensation after one year of employment. The Company has a true-up matching contribution that is reflected as an employer receivable on the statements of net assets available for benefits as of December 31, 2021 and 2020. Additional discretionary profit-sharing contributions may be contributed at the discretion of the Company's board of directors. No such amounts were contributed for 2021. Contributions are subject to regulatory limitations.

Vesting – Generally, participants are always 100% vested in their account balance under the Plan. Former participants of The Orthopedic Clinic Association, P.C. Profit Sharing Thrift Plan (the "TOCA Plan") with profit sharing contributions attributable to the TOCA Plan vest in those contributions based on credited service, 20% vested after their second year of service and an additional 20% each year until fully vested after six years of service.

Note 1 – Description of Plan (continued)

Participant accounts – The Plan maintains individual accounts for each participant. Participants direct the investment of all contributions into one or more investment options offered by the Plan. Each account is credited with participant and employer contributions and allocation of plan earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's pro rata share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are variable based on the timing and amounts of paid invoices and deducted from participants' account balances throughout the year. Allocations of recordkeeping fees are based on a fixed amount per participant per year which is deducted from participants' account balances on a quarterly basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant and employer contributions and related plan earnings are 100% vested at all times, as defined by the Plan.

Forfeitures – At December 31, 2021 and 2020, forfeited non-vested accounts totaled $445,975 and $676,791, respectively. These accounts will be used to reduce future Company contributions and plan administrative expenses. During the year ended December 31, 2021, plan expenses were reduced by $199,382 from forfeited non-vested accounts.

Notes receivable from participants – Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of one-half of the participant's vested account balance or $50,000 reduced by the highest outstanding loan balance in the participant's account during the prior 12-month period. All loans must be repaid within five years, unless a participant's loan that was used to purchase a primary residence was rolled into the Plan, in which case, the loan must be repaid within a reasonable period of time not to exceed 15 years. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the plan administrator based on prevailing commercial interest rates. The interest rate will remain fixed during the duration of the loan. Principal and interest are paid by the participant directly to Fidelity over the term of the loan. Participants are limited to having two outstanding loans at any given time. As of December 31, 2021, the rates of interest on outstanding loans ranged from 2.00%–10.25% with various maturities through February 2035.

Payment of benefits – Benefits are distributed to participants or their beneficiaries upon death, disability, retirement, or termination of employment through one lump-sum payment, installment payments, or the purchase of an individual or qualified joint and survivor annuity contract.

Voluntary withdrawals – A participant, while employed by the Company, may withdraw employee contributions and earnings thereon upon either a hardship as defined by the Plan or attaining age 59 ½ years of age. A participant may also withdraw rollover or non-Roth after-tax contributions at any time. Matching contributions may be withdrawn at age 59 ½, but may not be included in a hardship withdrawal.

Plan termination – Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, all participant accounts will become fully vested.

Note 1 – Description of Plan (continued)

COVID-19 Plan Amendments – Beginning in April 2020, the Plan enacted several provisions from the Coronavirus Aid, Relief, and Economic Security (CARES) Act, specifically, allowing CARES Act distributions and loan deferments throughout the remainder of 2020. The CARES Act distribution allowed plan participants to withdraw up to $100,000 due to adverse financial consequences from COVID-19. CARES Act loan deferments allowed impacted participants to freeze their 401(k) loan repayments through the remainder of 2020, with loans being re-amortized, and the loan repayments restarting in 2021. Finally, the processing of minimum required distributions was suspended for 2020, except upon participant request and in cases where a participant's first minimum required distribution was for 2019 and was deferred until 2020.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), using the accrual method of accounting.

Benefit payments – Benefits are recorded when paid.

Use of estimates – The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements, accompanying notes, and supplemental schedule. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments held by the Plan are stated at fair value. The Plan's trustee, Fidelity, certifies the fair market value of all investments. If available, quoted market prices are used to value investments. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date (an "exit price"). See Note 3 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

Notes receivable from participants – Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Note 2 – Summary of Significant Accounting Policies (continued)

Expenses – Several of the investment fund options are subject to investment and administrative fees based on a percentage of invested assets, as disclosed in the fund's prospectus. All such fees are charged directly against the fund's investment performance; thus, they are not separately disclosed in the accompanying financial statements. Participants are assessed separate fees for the administration of loans and repayments thereof, as well as investment advisory services, and such fees are separately disclosed in the financial statements. All other administrative expenses related to the Plan are paid by the Company and plan participants.

Risks and uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent events – There are two types of subsequent events relating to the accounting and disclosure of events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are issued. Recognized subsequent events, which provide additional evidence about conditions that existed at the statement of net assets available for benefits date, and non-recognized subsequent events, which provide evidence about conditions that did not exist at the statement of net assets available for benefits date but arose before the financial statements were issued. Recognized subsequent events are required to be recorded in the financial statements, and non-recognized subsequent events are required to be disclosed. Plan management has evaluated subsequent events for the Plan through September 9, 2022, the date the financial statements were available to be issued. There were no subsequent events that required disclosure.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Note 3 – Fair Value Measurements (continued)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2021 and 2020.

Registered investment companies (mutual funds and money market funds) – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

Self-directed brokerage accounts – Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

Collective investment trust fund – Units held in collective trusts (CTs) are valued using the net asset value practical expedient ("NAV practical expedient") of the CT as reported by the CT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CT, minus its liabilities, and then divided by the number of units outstanding.

Note 3 – Fair Value Measurements (continued)

The following table provides additional information for investments in certain entities that calculate NAV per share (or its equivalent):

	Fair Value 12/31/21	Fair Value 12/31/20	Redemption Frequency	Redemption Notice Period	Redemption Restrictions

	$ 3,534,277,264	$ 2,789,675,343			

(a) Participant-directed redemptions have no restrictions; however, the Plan is required to provide a one-year redemption notice to liquidate its entire share in the fund.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3 – Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Fair Value Measurement at December 31, 2021

Note 4 – Information Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividends and interest, interest income from notes receivable from participants, other income, and transfers out reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investments reflected on the schedule of assets (held at end of year).

Note 5 – Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated December 9, 2016, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Subsequent to this determination letter by the IRS, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan, as amended, is qualified and the related trust is tax exempt.

U.S. GAAP requires plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 – Contingencies

In November 2015, Banner Health and individual members of the Banner Health Board of Directors and Banner Health Retirement Plans Advisory Committee were sued in federal district court in a putative class action brought on behalf of all current and prior Banner employees participating in Banner's 401(k) defined contribution retirement plan. The complaint alleged a variety of acts and omissions relating to the administration of the 401(k) plan, including excessive and poorly performing investment options, excessive plan administration, investment and recordkeeping fees, and conflicts of interests. The acts and omissions are alleged to constitute violations of fiduciary duty and ERISA. A two-week bench trial was held in the Denver federal district court in January 2020 and on May 20, 2020, the judge issued a decision holding that the fiduciaries did not breach their duties of prudence and loyalty regarding the major claims asserted. The court held that limited breaches resulted in $2.3 million in damages to the class and allowed pre-judgment interest, resulting in an award to the Plaintiffs totaling approximately $3.1 million. The Plaintiffs filed an appeal to the United States Court of Appeals for the Tenth Circuit. On June 10, 2021, a panel of the Tenth Circuit fully affirmed the district court. The class did not seek further review. In December 2021, Banner engaged Analytics LLC to determine the participants who should receive allocations from the judgment award and calculate their pro rata amounts based on quarterly account balances from November 2009 through June 2020. Distribution of the allocations was completed on August 22, 2022. 39,007 current plan participants received 401(k) plan deposits totaling $1,957,584. 17,385 former plan participants received checks totaling $1,130,308. The matter is now concluded following payment of the judgment and certain attorneys' fees and costs as required under ERISA. The payments were covered by insurance.

Note 7 – Party-in-Interest Transactions

Certain plan investments are managed by Strategic Advisers, Inc., a registered investment advisor and an affiliate of Fidelity Investments. Fidelity is the trustee of the Plan and an affiliate of Fidelity Investments and, therefore, transactions with these entities qualify as exempt party-in-interest transactions.

Fidelity receives revenue from mutual fund service providers for services they provide to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan. If the revenue received from such mutual fund service providers exceeds the amount due to Fidelity, they remit the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay plan administrative expenses or allocated to the accounts of the participants.

Note 8 – Reconciliation to Form 5500

The following is a reconciliation of the net assets available for benefits reported in the financial statements and the net assets reported on the Form 5500 as of December 31:

	2021	2020
Net assets available for benefits, per the financial statements	$ 4,228,997,208	$ 3,584,992,823
Less: amounts accrued for employee receivables	(7,624,537)	(6,930,397)
Less: amounts accrued for employer receivables	(6,984,510)	(5,833,945)
Net assets per the Form 5500	$ 4,214,388,161	$ 3,572,228,481

The following is a reconciliation of the change in net assets available for benefits reported in the financial statements and the net income reported on the Form 5500 for the year ended December 31, 2021:

Change in net assets available for benefits, per the financial statements	$ 563,310,902
Less: amount accrued for current year employer receivables	(6,984,510)
Add: amount accrued for prior year employer receivables	5,833,945
Less: amount accrued for current year employee receivables	(7,624,537)
Add: amount accrued for prior year employee receivables	6,930,397
Net income per the Form 5500	$ 561,466,197

Note 9 – Transfer of Assets into Plan Upon Plan Merger

Effective December 31, 2021, in conjunction with the Company's acquisition of Wyoming Medical Center, Inc. ("WMC"), the Plan was amended to provide for the merger of the Wyoming Medical Center 401(k) Retirement Plan (the "WMC Plan") into the Plan, including retention of certain protected benefits under the WMC Plan, and to provide for prior service credit for eligibility and vesting purposes for employment with WMC. As a result, approximately $80,693,000 of investments were transferred into the Plan.

Note 9 – Transfer of Assets into Plan Upon Plan Merger (continued)

Effective December 31, 2020, in conjunction with the Company's acquisition of The Orthopedic Clinic Association, Inc. ("TOCA"), the Plan was amended to provide for the merger of the TOCA Plan into the Plan, including retention of certain protected benefits under the TOCA Plan, and to provide for prior service credit for eligibility and vesting purposes for employment with TOCA. As a result, approximately $18,956,000 of investments were transferred into the Plan.
