INDEPENDENT AUDITOR'S REPORT

Plan Committee
AC PRO 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of AC PRO 401(k) Retirement Plan (the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended December 31, 2021, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

AC PRO 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of AC PRO 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Material Supply, Inc. dba AC PRO (the “Company” or “Employer”). The Plan is administered by management of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustee and custodian, are responsible for the custody and management of the Plan’s assets. Empower Retirement serves as the record keeper and third-party administrator for the plan.

Eligibility

Non-excluded employees are eligible to enroll in the Plan upon completion of one year of service, as defined, and have attained the age of twenty-one (21). Eligible participants can enter the Plan on the first day of every quarter.

Participant Contributions

Unless an eligible employee elects otherwise, employee’s compensation will be reduced by 4% (automatic enrollment rate) for employee contributions to the Plan, and their contributions will be invested in a designated fund until changed by the participant. Participants may elect a permissible withdrawal from the Plan no later than 90 days after the date of the first default elective deferral. The deferral percentage is increase 1% per year up to a maximum of 10% of compensation, unless a participant elects otherwise. Each year, participants may contribute up to 100 percent of pre-tax annual compensation, as defined in the Plan not to exceed the maximum allowable as defined by the Internal Revenue Code (“IRC”). Effective November 1, 2021, participants could make after tax Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Employer Contributions

Prior to May 17, 2020, the Company made non-discretionary safe harbor matching contributions of 100% of the first 4% of the participant’s compensation that the participant contributes to the Plan each payroll period. Effective May 17, 2020, the Plan elected to remove the safe harbor provisions. For the Plan year ended December 31, 2021, the Company’s discretionary matching contributions were calculated based on 50% of each participant’s deferral contribution of the first 4% of eligible compensation for eligible participants. These are based on the participant’s elective deferrals. For the Plan year ended December 31, 2021, the Company’s discretionary matching contributions totaled \$429,784. The Company also may make corrective qualified nonelective contributions (QNEC) to the Plan on behalf of participants. For Plan year ended December 31, 2020, the Company remitted \$39,564 of QNEC contributions into the Plan. All employer contributions are invested in the same manner that the participant directs his or her participant-withheld amounts.

AC PRO 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

An account is maintained for each participant. The participant's account is credited with the participant's contribution, Company safe harbor matching contribution, Company QNEC contribution and allocation of the Company's discretionary matching contribution, if any, and Plan earnings, losses and is charged with an allocation of administrative expenses. The allocation of certain Plan expenses is based on participant's earnings or account balances as defined by the Plan document. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants direct the investments of their contributions and the Company's contributions into various investment options offered by the Plan. For 2021 and 2020, the investments available included various mutual funds (registered investment companies), and a benefit responsive investment contract (guaranteed portfolio fund). Participants may change their investment elections any time.

Vesting

Participants' accounts are immediately vested in their voluntary contributions and employer safe harbor matching contributions, plus actual earnings thereon. Participants vest in employer discretionary contributions and actual earnings thereon based on years of continuous service according to the following schedule:

<u>Number of Years of Credited Service at Date of Termination</u>	<u>Vested Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits

A participant who attains normal retirement age of 65, completes five years of service, or who retires because of disability shall have a vesting percentage of 100 percent. These participants shall be entitled to receive a distribution of the entire value of their participant's account as a single lump sum. Participants who terminate employment shall be entitled to a distribution of their vested accrued benefits in the same manner. If an active participant dies prior to attaining normal retirement age, his vesting percentage shall be 100 percent. The Plan may also elect to distribute accounts of terminated participants with an aggregate value of \$1,000 or less if the participant has not made an election to distribute their balance. Additionally, the Plan allows for an automatic rollover provision for any balances between \$1,000 and \$5,000 into an Individual Retirement Account.

AC PRO 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with Internal Revenue Service (IRS) regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

Forfeited Accounts

Forfeited balances of terminated participants' nonvested accounts are used to pay administrative expenses or applied against future employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$8,239 and \$9,660, respectively. These accounts will be used to reduce future employer contributions and administrative expenses. During the Plan year 2021, \$1,500 of plan forfeitures were used by the Plan to pay administrative expenses.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in registered investment companies are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Investment contracts are reported at contract value on the statements of net assets available for plan benefits. Contract value is the relevant measure for that portion of the net assets available for plan benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for discussion of the fully benefit-responsive contract.

AC PRO 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

Management fees charged to the Plan for investments in registered investment companies (mutual funds) are based on assets invested and are deducted on a daily basis. Management fees are reflected as a reduction of investment return for such investments.

Payment of Benefits

Benefit payments to participants are recorded when paid.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Great-West Life & Annuity Insurance Company and Great-West Trust Company LLC, the trustee and custodian of the Plan, have certified the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2021 and 2020, the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021; and the related investment activity reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) No. 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC No. 820 are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability; |

AC PRO 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies (mutual funds)	<u>\$14,259,419</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$14,259,419</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies (mutual funds)	<u>\$12,027,858</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$12,027,858</u>

AC PRO 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 – FULLY BENEFIT – RESPONSIVE CONTRACT

The Plan maintains a fully benefit-responsive investment contract with Great-West Life and Annuity Insurance Company (Great-West), the Key Guaranteed Portfolio Fund. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero. The interest crediting rate is reset quarterly. The actual average interest rate earned by the plan for the years ended December 31, 2021 and 2020 was 0.90% and 1.04%, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. Fair value of the investment contract prior to contract termination equals the contract value as presented in the statements of net assets available for plan benefits.

AC PRO 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 6 – FEDERAL INCOME TAX STATUS

Effective December 14, 2018, the Plan adopted a volume submitter plan sponsored by Great-West Trust Company, LLC and this volume submitter plan was effective until January 4, 2021 when the Plan adopted a new volume submitter plan. Effective January 5, 2021, the Plan adopted a volume submitter plan sponsored by Great-West Trust Company, LLC and this volume submitter plan was effective until November 30, 2021 when the Plan adopted a new volume submitter plan. Effective December 1, 2021, the Plan adopted a volume submitter plan sponsored by Great-West Trust Company, LLC. The volume submitter plan provider received advisory letters from the Internal Revenue Service (“IRS”) as to the volume submitter plans’ qualified statuses. The volume submitter plan advisory letters have been relied upon by the Plan. Although, the Plan has been amended since the volume submitter plans received the advisory letters, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC, the trustee and custodian for the Plan. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Certain fees are not paid directly by the Plan but rather reduce the amount of investment earnings allocated to individual participant accounts. Fees for custodian services and distributions paid by the Plan to the custodian amounted to \$38,227 for the year ended December 31, 2021. The Plan Sponsor, Plan Administrator, record keeper and the investment advisor, are also a party-in-interest with respect to the Plan. Fees paid by the Plan to Merrill Lynch Pierce Fenner & Smith, the investment advisor for the Plan, amounted to \$33,905 for the year ended December 31, 2021.

AC PRO 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 8 – RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statement of net assets available for plan benefits.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company, by action of its Board of Directors, has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions. Thus, net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 10 – PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Company is required to segregate participant contributions from its general assets and remit them to the Plan as soon as administratively feasible.

During the Plan year ended December 31, 2020, the Company inadvertently failed to remit certain participant contributions totaling \$2,876 within the required timeframe as stated by the DOL. The DOL considers late deposits to be prohibited transactions. The Company will determine the total amount owed to the affected participants for potential lost earnings due to the delay and will remit the appropriate amounts to the Plan in 2022.

NOTE 11 – SUBSEQUENT EVENTS

On October 4, 2022, the Company submitted a request to Empower to amend the plan document to reinstate the Safe Harbor Matching Contributions of 100% Match up to 4% of Participant's eligible compensation. This amendment is expected to become effective sometime during the 2023 Plan Year.

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued, and concluded that, other than the matters described above, no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
