Independent Auditor's Report

**To the Plan Administrator and Trustee
Soapy Joe's 401K Plan
Santee, California**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Soapy Joe's 401K Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditor not to perform and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated October 6, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 DESCRIPTION OF THE PLAN

The following brief description of the Soapy Joe's 401K Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, initially adopted on January 1, 2016 and last amended effective June 1, 2020, is a defined contribution plan covering all employees of the Company who are at least 21 years of age and have completed 2 months of service by the next plan entry date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2020, the Plan enacted several provisions from the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), specifically allowing CARES Act distributions and loan deferments throughout the remainder of 2020. The CARES Act allows eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic, permits increasing the limit for plan loans, permits suspension of loan payments for up to one year, and permits individuals to stop receiving 2020 required minimum distributions.

Eligibility

Employees are eligible to participate in the Plan if they have completed two months of service and are 21 years of age.

Entry Date

Employees may enter the Plan on the first day of the month coinciding with or following the date they satisfy the Plan's eligibility requirements.

Contributions

Each year, participants may contribute up to 100% of their eligible compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to designate contributions as Roth contributions. In June 2020, the plan was amended to reinstate an automatic default contribution provision, which was previously removed effective January 1, 2019, whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default pre-tax deferral rate set at 2% of eligible compensation.

Participants may also contribute amounts representing distributions from other qualified plans (rollover).

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (continued)

The Company may decide to make a matching contribution to the Plan, although the Company is not required to make this contribution. The percentage of the participant's contribution to be matched will be determined by the Company and allocated to participants at the end of the plan year. During the years ended December 31, 2021 and 2020, no matching contributions were made by the Company.

The Company may also decide to make a non-elective contribution to the Plan, although the Company is not required to do so. The non-elective contribution, if made, will be allocated to all employees eligible to participate in the Plan as of the end of each plan year. During the years ended December 31, 2021 and 2020, no non-elective contributions were made by the Company.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company matching contributions, if any and Plan earnings (net of administrative fees). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on each participant's compensation or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may invest their entire account in specific assets, specific funds or other investments permitted under the Plan. All participant-directed investments shall be charged or credited with the net earnings, gains, losses, and expenses as well as any appreciation or depreciation in the fair value of the investments.

Vesting

Participants are immediately fully vested in their contributions and the earnings and appreciation or depreciation thereon. Participants are vested in employer contributions and the earnings and appreciation or depreciation thereon based on years of service as follows:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years or more	100%

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures

Non-vested employer matching contributions forfeited by terminated participants may be made available to reinstate previously forfeited account balances of participants, if any, or may be used to satisfy any contribution that may be required pursuant to a participant who was erroneously omitted from the Plan or used to pay any administrative expenses of the Plan. The remaining forfeitures, if any, shall be used for future employer matching contributions. Non-vested employer non-match contributions forfeited by terminated participants are used to reduce future non-match employer contributions such as discretionary or top-heavy minimum contributions. There were no forfeited non-vested accounts in the Plan for the years ended December 31, 2021 and 2020.

Notes Receivable from Participants

Participants may borrow from their fund accounts subject to a minimum of \$1,000 and a maximum of \$50,000 or 50% of their vested balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear interest at an annual rate of two percent above the prime rate. Loan terms are for a maximum of five years or up to ten years for the purchase of a primary residence. Principal and interest are paid through semi-monthly payroll deductions. Participants may only have two loan outstanding at any time.

Payment of Benefits

On termination of service, death, disability, attainment of age 59.5, or retirement, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance or annual installments through the year of the participant's death. Terminated account balances attributable to Roth elective deferrals and/or Roth rollover contributions between \$1,000 and \$5,000 may be automatically rolled over to a Roth IRA established by a Roth IRA provider selected by the plan administrator. Remaining terminated account balances that are \$5,000 or less may be distributed in a lump-sum amount by the plan administrator without the participant's consent. Hardship distributions are permitted from the participant's employee deferral account.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Compensation

For purposes of the Plan, eligible earnings is defined as compensation as reflected on the participant's Form W-2 including elective deferrals and any other contributions that may have been made to a Section 125 cafeteria plan, and any qualified transportation fringe benefits under Section 132(f)(4) of the Internal Revenue Code (IRC).

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Administrative Expenses

All expenses incident to the administration, termination or protection of the Plan, including, but not limited to, legal, accounting and Trustee fees, shall be paid by the Company or, if not paid by the Company, shall be paid by the administrator from the Plan assets. A participant's account balance will be charged with certain fees and expenses. Certain investment related expenses are included as a reduction of investment return and are not separately reflected. In addition, the Company provides administrative services to the Plan at no cost to the Plan.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the retirement plan advisors and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Benefits Paid to Participants

Benefit payments to participants are recorded upon distribution.

Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net asset available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to January 27, 2022.

NOTE 3 FAIR VALUE MEASUREMENT

The Plan has adopted Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*. This framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Level/ 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts - Investments in pooled separate accounts are valued using the net asset value (NAV) provided by the custodian of the funds. The NAV is based on the value of the underlying assets owned by the funds, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value. The pooled separate accounts are not classified within the fair value hierarchy; however, the amounts measured using NAV are disclosed to permit reconciliation of the fair value of investments in the Statements of Net Assets Available for Benefits.

All the Plan's investments at fair value amounting to \$690,730 and \$338,431 as of December 31, 2021, and 2020, respectively, are measured at NAV.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 INVESTMENTS AT CONTRACT VALUE

The Plan has an annuity contract with Mutual of America. Amounts placed in the annuity contract are credited with interest at a rate determined by Mutual of America. Mutual of America reserved the right to change the interest rates applicable to the amounts held in the annuity contract at its discretion. The annuity contract is reported at contract value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contract, less any withdrawals.

The annuity contract is supported by Mutual of America's general account assets which are primarily invested in cash and investment grade fixed income securities. As of December 31, 2021 and 2022, the contract value of the Plan's investments in annuity contract was \$10,923 and \$4,033, respectively.

NOTE 5 FINANCIAL INFORMATION CERTIFIED BY TRUSTEE

The Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Mutual of America Life Insurance Company, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments at fair value as of December 31, 2021 and 2020, as reflected in the Statements of Net Assets Available for Benefits;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2021 and 2020;
- Investment information disclosed in Note 3 to the Plan's financial statements; and
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021

NOTE 6 INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are managed by Mutual of America, the trustee and recordkeeper of the Plan. The Plan paid \$10,688 and \$1,848 in fees during 2021 and 2020 for general administration services for the Plan, respectively. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts. In addition, the Company pays certain administrative fees of the Plan, which are not reimbursed as well as providing administrative services to the Plan at no cost to the Plan. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur, in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 NONEXEMPT TRANSACTIONS

During 2020, the Plan sponsor inadvertently failed to deposit \$8,172 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL) regulations. The Plan sponsor reimbursed the amount of \$2,003 to the participants' accounts in the Plan for lost interest.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to Form 5500:

Net income per Form 5500	<u>\$ 355,906</u>	<u>\$ 149,493</u>

NOTE 11 IMPACT OF CORONAVIRUS ON THE PLAN'S OPERATIONS

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the United States.

It is unknown how long these conditions will last and what the complete financial effect will be to the Plan. However, the Plan's management believes that the financial impact, if any, did not materially affect the December 31, 2021 Plan's financial statements.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was enacted and signed into law. The CARES Act provided plan sponsors the ability to offer qualifying participants penalty-free distributions up to \$100,000, increased loan limits and deferment of loan payments. The CARES Act also temporarily waived required minimum distributions for terminated participants in the calendar year 2020. In connection with the CARES Act, the Plan implemented various provisions to allow coronavirus related withdrawal distributions, delay payment of coronavirus-related loans for one year and waive required minimum distributions for one year.

NOTE 12 SUBSEQUENT EVENTS

The Plan Administrator has evaluated events or transactions that occurred subsequent to December 31, 2021 through October 4, 2022, the date the accompanying financial statements were available to be issued, for potential recognition or disclosure in the financial statements and determined that no subsequent matters require disclosure or adjustment to the accompanying financial statements.
