INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Connex Credit Union Inc. 401(k) Plan and Trust
North Haven, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Connex Credit Union Inc. 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to financial statements

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Connex Credit Union Inc. 401(k) Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan for the employees of Connex Credit Union Inc. (the “Company” or “Employer”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan was established effective January 1, 1986, which allows for participant contributions which are self-directed into available investment funds and provides for participant loans. All employees who have completed three months of service as defined by the Plan Document and have attained age 20 are eligible to participate in the Plan on the first day of the following quarter. For purposes of salary deferrals, employees are eligible after 30 days of service beginning on the first day of the following quarter.

Coronavirus Aid, Relief, and Economic Security (“CARES”) Act Special Provisions

On March 27, 2020, the CARES Act was enacted and signed into law, resulting in supplemental plan rules and standards associated with loans and withdrawals by participants impacted by COVID-19. Key changes to the Plan during the 2020 Plan year included the following: increased loan limits for participants impacted by COVID-19 (\$100,000 or 50% of participant account balance); provision for COVID-19-related withdrawals up to \$100,000 for participants impacted by COVID-19; suspension of loan repayments due between March 27, 2020 and December 31, 2020 for up to one year for participants impacted by COVID-19; and no minimum distribution requirement in 2020.

Contributions

The Plan is funded through employee and Employer contributions to retirement funds managed and operated by Fidelity Management Trust Company (“Fidelity”), the Trustee. Participants may elect to tax defer amounts as allowed under the Plan and Internal Revenue Code (the “IRC”). Current tax law limits each employee’s annual pretax deferral to \$19,500 plus an additional \$6,500 for those participants over 50 years old for all tax deferred retirement plans in which they participate.

Company matching contributions may be made to the Plan equal to a uniform percentage of employee salary deferrals. The Company will match 100% of the first 3% of the participant’s Plan compensation contributed to the Plan and 50% of the next 2% of the participant’s Plan compensation contributed to the Plan.

Each year the Company will determine a discretionary profit sharing contribution. The Company’s profit sharing contribution is determined based on each participant’s compensation and age. All contributions for participants are subject to limits for tax deductions under the IRC.

Participant Accounts

Each participant's account is maintained separately within the Plan and is credited with elective deferrals, Employer contributions and plan earnings. Participants may elect to have contributions invested in any or all of the funds of the Plan, subject to certain limitations. Investment income and expenses are allocated to the participants' accounts regularly. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance or their voluntary contributions, rollover contributions, or other transferred or segregated monies for which an account balance is maintained. A participant may not request a loan for less than \$1,000. Participant notes are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through regular payroll deductions as of each payroll withholding period.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Employer profit sharing contributions and related earnings are based on the following schedule:

<u>Vesting Service</u> <u>(Whole Years)</u>	<u>Vesting</u> <u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

If a participant is not already fully vested, he or she will become so upon attaining normal retirement age, on death prior to normal retirement age, on retirement due to disability, or on termination of the Plan.

Payments of Benefits

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account, determined as of the valuation date. The Plan also provides for in-service withdrawals by qualified participants, generally participants that have attained the age of 59 1/2. The Plan also allows for hardship distributions, and distributions for childbirth and adoption expenses, if certain conditions are met. Distributions are paid by lump sum or in installments over a number of years, based upon election of the participant or the Plan, as defined in the Plan or the IRC.

Forfeited Accounts

Amounts forfeited by participants that separate from service before they are fully vested are maintained by the Plan and used to offset the Company contribution in future years or administrative expenses. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$111,256 and \$5,515, respectively. During 2021, the amount of forfeitures that were utilized to reduce Employer contributions was \$70,520.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors and the Trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events Measurement Date

The Plan monitored and evaluated any subsequent events for footnote disclosures or adjustments required in its financial statements for the year ended December 31, 2021 through October 14, 2022, the date on which financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

Certain assets of the Plan are accounted for at fair value. Financial Accounting Standards Board (“FASB”) *Accounting Standards Codification* (“ASC”) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets;
- Level 2 Inputs to the valuation methodology include: quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan’s investments, as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 13,759,157	\$ -	\$ -	\$ 13,759,157

	2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies (mutual funds)	\$ 11,680,543	\$ -	\$ -	\$ 11,680,543

NOTE 4 – TAX STATUS

The Plan is a prototype plan. The Internal Revenue Service has determined and informed Fidelity that the Plan and related trust are acceptable under the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the fiscal years prior to 2018.

NOTE 5 – INVESTMENT CONTRACTS WITH INSURANCE COMPANY

The Plan has a benefit-responsive guaranteed investment contract with Fidelity (Stable Value Guaranteed Account). The contract is fixed, deferred group annuities available to qualified retirement plans. They provide guaranteed protection of principal with a set rate of return. The funds seek a high level of current income consistent with preservation of capital by investing primarily in corporate bonds, mortgage-backed securities, collateralized mortgage obligations, commercial mortgage loans, municipal bonds and other fixed income securities. Any administrative or investment management fees are deducted from credited interest rates. Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Fidelity. Such events include the following: (a) amendments to the Plan, (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other plan sponsor events that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit the trust company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 – PLAN TERMINATION

While the Company has indicated no intention to do so, it has the right under the Plan to terminate the Plan at any time under the provisions of ERISA. In the event of a termination, participants will become fully vested in their account balances.

NOTE 7 – INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including total investments and notes receivable from participants held at December 31, 2021 and 2020, and interest and dividends, net appreciation in investments, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Fidelity, the Trustee.

NOTE 8 – RELATED PARTY TRANSACTIONS AND PARTIES-IN-INTEREST TRANSACTIONS

The Plan offers investments that are managed by Fidelity. Fidelity is the Trustee of the Plan's assets, therefore transactions in these funds qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments. The Plan provides for participant loans. Transactions in such investments qualify as party-in-interest transactions as defined by ERISA.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investments and mutual funds that include growth funds, blended funds, international funds, fixed income funds, value funds, and growth funds. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment options will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for Plan benefits.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the Statement of Net Assets Available for Benefits for the years ended December 31, 2021 and 2020, to Form 5500:

	<u>2021</u>	<u>2020</u>

To the Board of Trustees and the Plan Administrator
Connex Credit Union Inc. 401(k) Plan and Trust
North Haven, Connecticut

We have audited the financial statements of the Connex Credit Union Inc. 401(k) Plan and Trust (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021, and we have issued our report thereon dated October 14, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the Trustee of the Plan, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 23, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. There were no new accounting pronouncements adopted by the Plan in 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no estimates that were significant to the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors’ report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan’s financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no audit adjustments recorded in the financial statements and there were no uncorrected misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 14, 2022, a copy of which is attached.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's independent auditor. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrator, Board of Trustees, management and others within the Plan, and is not intended to be and should not be used by anyone other than these specified parties.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedule of the Connex Credit Union Inc. 401(k) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA, we have elected for you not to perform any auditing procedures with respect to information prepared and certified to by Fidelity Management Trust Company, the trustee, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Fidelity Management Trust Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors

We confirm, to the best of our knowledge and belief, as of October 14, 2022, the following representations made to you during your audit.

Financial Statements

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 23, 2022, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures..
- 2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above is fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- 3) We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions,

including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

- 4) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- 5) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- 6) Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
- 7) Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.
- 8) There are no events subsequent to the date of the financial statements for which U.S. GAAP requires adjustment or disclosure.
- 9) There are no uncorrected misstatements related to the financial statements.
- 10) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 11) There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed.
- 12) Material concentrations have been properly disclosed in accordance with U.S. GAAP.
- 13) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- 14) There are no guarantees, whether written or oral, under which the Plan is contingently liable.
- 15) The financial statements or supplemental schedule(s) disclose the following, if applicable:
 - a) All non-exempt party-in-interest transactions [as defined in ERISA Section 3(14) and regulations under the section].
 - b) Investments or loans in default or considered to be uncollectible.
 - c) Reportable transactions [as defined in ERISA Section 103(b)(3)(H) and regulations thereunder].

Information Provided

- 16) We have provided you with:
 - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
 - b) A substantially complete draft of Form 5500.
 - c) Additional information that you have requested from us for the purpose of the audit.
 - d) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - e) Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
- 17) All material transactions have been recorded in the accounting records and are reflected in the financial statements.

- 18) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 19) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
- 20) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- 21) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
- 22) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 23) We have disclosed to you the identity of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
- 24) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
- 25) We have no—
 - a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b) Intentions to terminate the Plan.
- 26) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 27) We have no knowledge of any omissions from the participants' data provided to the Plan's third party administrator.
- 28) The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 29) The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities (if applicable), are disclosed in the financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- 30) All required amendments to and filings of Plan documents with the appropriate agencies have been made.
- 31) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified Plan (and trust). The Plan sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- 32) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 33) The Plan has complied with the fidelity bonding requirements of ERISA.

- 34) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 35) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
- 36) We believe the form and content of the supplemental schedule is fairly presented in conformity with the DOL's Rules and Regulations for reporting and disclosure under ERISA.
- 37) We have obtained the service auditors' reports from our service organizations Fidelity Management Trust Company and Paycom Software, Inc. We have reviewed such reports, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2021.
