Independent Auditors' Report

To the Plan Administrator and Trustees of Dassault Falcon Jet Corporation 401(k) Investment and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Dassault Falcon Jet Corporation 401(k) Investment and Savings Plan (The "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt The Plan ability to continue as a going concern for longer than 12 months.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dassault Falcon Jet Corporation 401(k) Investment and Savings Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dassault Falcon Jet Corporation 401(k) Investment and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DASSAULT FALCON JET CORPORATION 401(k) INVESTMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

1. Significant Accounting Policies

a) Basis of Presentation. The financial statements of the Dassault Falcon Jet Corporation 401(k) Investment and Savings Plan (the "Plan") have been prepared on the accrual basis of accounting.

b) Use of Estimates. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

c) Investment Valuation and Income Recognition. Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the plan's gains and losses on investments bought and sold, as well as held during the year.

d) Payment of Benefits. Benefits are recorded when paid.

e) Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distribution based upon the terms of the plan document.

2. Description of the Plan

The following description of the Plan is provided for general information only. Participants should refer to the Plan document for more complete information.

a) General. The Plan is a salary reduction plan created in accordance with the Internal Revenue Code (the "Code"). All employees of Dassault Falcon Jet Corp. (the "Company") who have satisfied certain eligibility requirements are covered by the Plan. The Plan's primary eligibility requirements are the attainment of age 21 and the completion of six months of service. The Plan administrator appointed by the Board of Directors of the Company administers the Plan.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

2. Description of the Plan - continued

b) Contributions. In accordance with the Plan provisions and subject to limitations under the Code, participants may elect to make voluntary contributions of 1% to 50% of their compensation, up to a maximum of \$19,500 in both 2021 and 2020, (plus a catch-up contribution of \$6,500 for each year, for participants aged 50 and over), on a tax deferred basis. Participants also have the option to elect to make voluntary contributions of 1% to 8% of their compensation on an after-tax basis, up to the maximum limits noted previously.

The Company makes matching contributions for participants equal to 50% of participant deferrals (excluding catch-up and after-tax contributions) up to 6% of compensation. Effective January 1, 2019, participants hired on or after July 1, 2018 receive matching contributions equal to 100% of their deferrals (excluding catch-up and after-tax contributions) up to 6% of eligible compensation.

The Company is permitted to make discretionary non-elective contributions to the Plan. Effective January 1, 2019, the Company may make non-elective contributions equal to 5% of eligible compensation for participants hired on and after July 1, 2018. Effective January 1, 2019, the Plan was amended to allow for the Company to make discretionary non-elective contributions for employees who are hired on or after July 1, 2018 and meet the eligibility requirements of the Plan. For the year ended December 31, 2020, the Company elected to make a discretionary non-elective contribution for eligible employees totaling approximately \$662,000, which was included in employer receivables in the accompanying statement of net assets available for benefits. For the year ended December 31, 2021, the Company elected to make a discretionary non-elective contribution for eligible employees totaling approximately \$757,000, which was included in employer receivables in the accompanying statement of net assets available for benefits. Effective January 1, 2019, the period for which matching contributions are calculated was changed from a plan year basis to a pay period basis.

c) Forfeitures. The Plan's forfeiture account captures unvested amounts from terminated participants and any other unvested sources. The monies in the forfeiture account can be used to offset future employer contributions and reasonable plan expenses, as defined applicable rules and regulations. All assets in the forfeiture account are a Plan asset and are used to benefit the Plan. Total forfeitures approximated \$92,000 during the year ended December 31, 2021. The Plan had accumulated forfeitures of approximately \$110,600 and \$18,100 as of December 31, 2021 and 2020, respectively.

d) Participant accounts. The Plan is an individual account plan, i.e., each participant has their own account in the Plan and exercises control over the assets in their account. Each participant's account is credited with the participant's contributions, plan earnings, and allocated forfeitures. Participants direct the investment of their contributions into various investments options offered by the Plan. The Plan provides for certain participant-directed investment options among the investments listed in the statement of net assets available for benefits. Participants can split their contributions in multiples of 1%. The benefit to which a

DASSAULT FALCON JET CORPORATION 401(k) INVESTMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

participant is entitled is the benefit that can be provided from the participant's vested account.

e) Vesting. The participants have full and immediate 100% vesting in their contributions and related interest and earnings credited to their accounts. Participants become fully vested in the portion of their accounts attributed to the Company's contributions after completing three years of service, as defined in the Plan document.

f) Notes receivable from participants. Participants are eligible to borrow from their account upon approval from the Plan administrator. A participant may not have more than one outstanding loan at any time. The loan must be paid back within five years or fifteen years if used to purchase a principal residence. The amount of any loan to a participant when added to the individual's outstanding loans from this Plan and any other plan maintained by this employer or a related employer shall not exceed the lesser of \$50,000 or 50% of the vested portions of the participant's account as of the valuation date coinciding with or immediately preceding the date of the loan. The minimum loan amount is \$1,000. The interest rate is determined by the plan administrator as of the date the loan is made. Interest rates on loans shall be reasonably commensurate with current interest rates charged for loans under similar circumstances by persons in the business of lending money.

g) Payment of Benefits. On termination of service, participants can receive their vested benefits as a lump sum payment subject to federal income tax withholding, have the payment made as a "direct rollover" to an individual retirement account or to another employer's tax qualified plan, or receive their vested benefits in fixed installments, as directed by the participant.

h) Plan administrative expenses. Costs and expenses incurred with regard to the purchase, sale and transfer of securities in connection with the operation of the Plan are charged to the Plan. The Company pays substantially all other administrative expenses of the Plan.

i) COVID Provisions. In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The COVID-19 pandemic has led to increased volatility in financial markets. The extent to which such increased volatility will impact the value of Plan assets will depend on future developments that are highly uncertain and cannot be predicted.

On March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed into law. The CARES Act includes several relief provisions available to the Plan and its participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

DASSAULT FALCON JET CORPORATION 401(k) INVESTMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

- The Plan has added a withdrawal option to the eligible participants, avoiding the 10% penalty if less than 59 ½. Participants will be required to self-certify that they or their dependents have been diagnosed with COVID-19, or that they have experienced adverse financial consequences directly related to COVID-19.
- Required minimum distributions are waived.

In accordance with the CARES Act, the Plan was amended and restated effective January 1, 2022 to retroactively adopt these provisions.

3. Party-in-interest Transactions

Certain plan investments are shares of mutual funds managed by Bank of America, N.A. (“Bank of America”). Bank of America is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions.

The Plan’s revenue account collects investment-related revenue, which is then used to offset Plan administrative expenses (Recordkeeping, Investment Advisory, Audit, mailing, etc.), as defined by applicable rules regulations. All assets in the revenue account are a Plan asset and are used to benefit the Plan. Total additions to the Plan’s revenue account approximated \$400 during the year ended December 31, 2021. This amount is shown in the net realized and unrealized depreciation in fair value of investments in the statement of changes in net assets available for benefits. There were no Plan expenses paid by the revenue account during the year ended December 31, 2021. The Plan’s revenue account approximated \$22,000 as of both December 31, 2021 and 2020.

4. Investment Information Certified by the Trustee

The following is a summary of the investments and notes receivable from participants regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule, that were prepared by or derived from information provided by Bank of America N.A., the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained a certification from the trustee that such information is complete and accurate.

	2021	2020
Investments at fair value	\$ 247,172,250	\$ 222,778,455
Notes receivable from participants	4,787,311	5,285,070

The following was also certified by the trustee for the year ended December 31, 2021:

	<u>2021</u>
Net realized and unrealized appreciation in fair value of investments	\$ 21,104,861
Interest and dividend income	7,033,195
Interest on notes receivable from participants	255,367

5. Fair Value Measurements

The Plan adopted the fair value method to value its financial assets and liabilities. Fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, fair value is classified into three broad levels, which are described below:

- Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.
- Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs or minimize the use of unobservable inputs.

In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible as well as considers counterparty credit risk in its assessment of fair value.

DASSAULT FALCON JET CORPORATION 401(k) INVESTMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued at the net asset value, a practical expedient to fair value, of units held by the Plan at year-end.

Cash equivalents: Comprised of investments in an institutional money market fund that permits daily redemption and is valued at cost plus accrued interest.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. During fiscal year 2021 there were no transfers of assets between Levels 1, 2, and 3.

Assets at Fair Value as of December 31, 2021				
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual funds	\$ 229,771,898	\$ -	\$ -	\$ 229,771,898
Certificate of deposit	134	-	-	134
Cash	690	-	-	690
Total investments in the fair value hierarchy	229,772,722	-	-	229,772,722
Common collective trust, measured at net asset value (a)	-	-	-	17,399,528
Total investment at fair value	\$ 229,772,722	\$ -	\$ -	\$ 247,172,250

Assets at Fair Value as of December 31, 2020				
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual funds	\$ 202,112,728	\$ -	\$ -	\$ 202,112,728
Certificate of deposit	2,049	-	-	2,049
Cash	280	-	-	280
Total investments in the fair value hierarchy	202,115,058	-	-	202,115,058

Total investment at fair value	\$ 202,115,058	\$ -	\$ -	\$ 222,778,455

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

DASSAULT FALCON JET CORPORATION 401(k) INVESTMENT AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their individual account balance.

8. Income Tax Status

On May 12, 2014, the Internal Revenue Service (“IRS”) stated that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the “Code”). Subsequent to the issuance of this determination letter, the Plan has been amended and restated to comply with recent legislation. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken.

The Plan is subject to routine audit by taxing jurisdictions; the Plan is currently under audit from the IRS for the Plan year ended December 31, 2019. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2018.

9. Subsequent Events

The Company, in relation to the Plan, has evaluated all significant activities through October 12, 2022, the date the report was available to be issued.

Effective January 1, 2023, the Dassault Falcon Jet – Wilmington Corp. Savings and Investment Plan will be merged into the Plan.
