INDEPENDENT AUDITOR'S REPORT

To the Retirement Plan Committee of
The Homer Laughlin China Company
401(k) Profit Sharing Plan
Newell, West Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Homer Laughlin China Company 401(k) Profit Sharing Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of assets available for benefits as of December 31, 2021, and the related statement of changes in assets available for benefits for the years then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from, Reliance Trust Company on behalf of Transamerica Life Insurance Company, a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITOR'S REPORT
(continued)

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT
(continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT
(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of The Homer Laughlin China Company ("Company") 401(k) Profit Sharing Plan ("Plan") is provided for general informational purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution profit sharing and 401(k) plan established to provide retirement benefits for eligible employees of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and is administered by the Retirement Plan Committee appointed by the Board of Directors of the Company.

Eligibility

The Plan covers all nonunion employees of the Company. The only eligibility requirement for each nonunion employee to participate in the Plan as an active participant is that the employee must be at least 21 years of age. Unless and until such eligible employee files a written election with the Retirement Plan Committee either to contribute at a rate other than 3% or to not contribute and not participate in the Plan, the eligible employee shall automatically be a participant under the Plan who has elected to participate by contributing at a rate of 3% of the participant's monthly compensation into a Vanguard Target Retirement Fund commensurate with the participant's projected retirement date.

Contributions

Participants may elect to contribute, on a pre-tax basis, up to 100% of their total compensation via payroll deductions, subject to certain maximum limitations (\$19,500 for 2021 and 2020) of the Internal Revenue Code ("Code"). Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions (\$6,500 for 2021 and 2020). Participants are also permitted to make rollover contributions into the Plan from other qualified plans. Employer contributions to the Plan are made only as directed by the Company's Board of Directors. There were no employer contributions in 2021 or 2020 allocated or distributed to individual participant accounts.

Participant accounts are credited with the participant's contributions and an allocation of employer contributions, if any, and Plan earnings as defined in the Plan document. Participants are immediately 100% vested in their voluntary contributions, allocated employer contributions, and allocated earnings thereon. Participants direct all contributions into various investment options offered by the Plan.

Loans

The Plan does not permit loans to participants.

NOTE 1 - PLAN DESCRIPTION (continued)

Benefits and withdrawals

The benefit to which a participant is entitled is that benefit which can be provided from the participant's account. Participants are entitled to withdraw any portion of their vested account prior to retirement via hardship withdrawals, permanent disability, termination of employment, or death.

Situations which qualify for hardship withdrawals include educational expenses, purchase of a principal residence, extraordinary medical expenses, burial or funeral expenses, repair or damage to a participant's principal residence, as defined by the Code, and other similar financial emergencies. Upon reaching normal retirement age, participants may elect distributions from their accounts via lump-sum cash payments or various installment methods.

Plan termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their share of the trust.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in assets during the reporting period. Actual results could differ from those estimates.

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Certain administrative expenses are paid directly by the Company or the Plan, as provided by the Plan document.

Benefits and withdrawals

Benefits and withdrawals paid to participants are recorded when applications for withdrawals are processed and paid.

Investments

Investments are reported at value as determined by Transamerica Life Insurance Company ("TLIC"). Shares of mutual funds are stated at fair value as measured by quoted market prices. The Plan's investment in the Transamerica Stable Value Focus Option fund is a fully benefit-responsive investment contract and is included in the financial statements at contract value. Contract value is the relevant measurement attribute for that portion of the assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment transactions are recorded on a trade-date basis. Net appreciation in fair value of investments includes realized gains and losses on investments that were both bought and sold during the year. Interest and dividend income are recorded as earned.

The Plan's investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits.

Contributions

Participant contributions are recorded in the month withheld from the participant's wages. Employer contributions, if any, are recorded in the same month.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 13, 2022, the date on which the financial statements were available to be issued.

NOTE 3 - INVESTMENTS

The Plan provides participants the opportunity to direct their contributions into separate investment funds. However, the investing activity within the funds is discretionary, and individual fund managers have the authority to make investment decisions.

Fair value measurements

Market price observability is affected by a number of factors, including the type of investment and the characteristics specific to the investment. Investments with readily available active quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. Investments measured and reported at fair value are classified and disclosed in one of the following categories based on the extent of market price observability.

Level I - Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments included in Level I include listed mutual funds.

Level II - Inputs are other than quoted market prices included within Level I, however, are observable, either directly or indirectly for the investment. The Plan does not have any investments which fall under this category.

Level III - Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not have any investments which fall under this category.

The valuation of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

	<u>Level</u>	<u>2021</u>	<u>2020</u>
Mutual funds	I	\$ <u>13,693,500</u>	\$ <u>11,919,868</u>
		\$ <u>13,693,500</u>	\$ <u>11,919,868</u>

NOTE 3 - INVESTMENTS (continued)

Transamerica stable value core option

The Plan holds a fully benefit-responsive stable value option with TLIC. The stable value option is included in the financial statements at contract value. The stable value focus option fund is a deposit liability of TLIC. The assets are based on the general unallocated account of TLIC and the risk of the investment is based on TLIC insurance ratings.

Prior to January 1st and July 1st of each year, the effective annual rate of interest is established for the corresponding six-month period. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. There is no stated minimum or maximum interest rate for the stable value option.

The TLIC stable value option is backed by the general account of TLIC. TLIC declares rates periodically and backs the principal and interest of these investment choices, any guarantees are subject to the claims paying ability of the insurance company. The nature of the stable value option is such that the Plan participants may withdraw assets without restrictions, TLIC may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The occurrence of an event that limits the ability of the investment to transact at contract value between TLIC and a participant holding the investment is not probable.

NOTE 4 - FEDERAL INCOME TAX EXEMPTION

The Plan obtained its latest determination letter dated February 8, 2016, in which the Internal Revenue Service stated that the Plan, as designed, is in compliance with the applicable requirements of the Code. Accordingly, the accompanying financial statements do not include a provision for federal income taxes.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. Plan management is not aware of any uncertain tax positions as of December 31, 2021 and 2020. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 5 - CERTIFICATION

The investment information contained in the financial statements and Schedule of Assets Held at End of Year as of and for the years ended December 31, 2021 and 2020, has been certified as accurate and complete by Reliance Trust Company, on behalf of TLIC, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. For the years ended December 31, 2021 and 2020, Reliance Trust Company and TLIC are party to a Service Agent Agreement under which Reliance Trust Company administers certain administrative duties on behalf of TLIC, including the certification of investments in accordance with 29 CFR 2530.103-8 of the Department of Labor's Rules and Regulations for Reporting and disclosure under ERISA.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by TLIC. TLIC is the custodian as defined by the Plan and, therefore these transactions qualify as party-in-interest transactions. The Plan also paid administrative expenses to TLIC, which qualify as party-in-interest transactions.
