October 12, 2022

To the Plan Administrator of
Cryogenic Industries 401(k) Plan

We have audited the financial statements of Cryogenic Industries 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the year ended December 31, 2021 and have issued our report thereon dated October 12, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Ascensus Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of generally accepted accounting principles (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated August 19, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the period for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was the disclosure of the plan merger in Note 1.

The financial statement disclosures are neutral, consistent and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit (refer to reconciliation in Note 5 to the financial statements).

Difficulties Encountered in Performing the Audit

We encountered no difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management.

All adjustments, which were limited to those necessary to convert the financial statements from the cash to the accrual basis, have been agreed to and incorporated into the Plan's financial statements.

The audit of the Plan did not result in the identification of any uncorrected misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the plan administrator of Cryogenic Industries 401(k) Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Cryogenic Industries 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Cryogenic Industries 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 201 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020 and the statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 30, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CRYOGENIC INDUSTRIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following description of Cryogenic Industries 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document and adoption agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established effective January 1, 2016. The Plan was restated as recently as April 16, 2021 to permit after-tax deferrals beginning April 23, 2021. Employees of Cryogenic Industries, Inc. or related employers (collectively, the "Company") who meet specified age and other requirements are eligible to participate in the Plan.

Plan Merger - On June 1, 2021, the net assets of the Nikkiso America Profit Sharing Plan, which amounted to \$4,320,833, were transferred and merged into the Plan. Activity related to the merged assets for the period from June 1, 2021 to December 31, 2021 is included in the Plan's statement of changes in net assets available for benefits for the year ended December 31, 2021.

CARES Act - The Coronavirus Aid, Relief and Economic Security ("CARES") Act contains several provisions related to employee benefit plans. The Plan adopted these provisions effective July 2, 2020, but the Plan has not yet been formally amended. The plan administrator expects a formal amendment to be executed prior to the required date of December 31, 2022. The provisions adopted by the Plan include the following:

- Allowing participants to take a coronavirus-related distribution of up to \$100,000 (not to exceed the participant's account balance) without a 10% early withdrawal penalty.
- Allowing participants to borrow up to \$100,000 in loans, for loans made from March 27, 2020 through September 22, 2020, and repayment can be delayed.
- Allowing suspension of loan payments due March 27, 2020 through December 31, 2020 for up to one year.
- Allowing suspension of 2020 required minimum distributions.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the

financial statements and the reported amounts of increases and decreases in net assets available for benefits during the reporting periods. Actual results could differ from those estimates.

Contributions - Eligible employees may contribute a portion of their compensation as defined by the Plan, subject to certain limitations under the Internal Revenue Code ("IRC"). Eligible participants automatically defer 3% of their compensation to the Plan unless they make an election otherwise. The Company may elect to match a portion of employees' contributions. The Company made matching contributions of 25% of the first 4% of salary deferrals for the year ended December 31, 2020. These were accrued as employer contributions receivable of \$285,618 at December 31, 2020 and deposited into the Plan in 2021. The Company made matching contributions of 25% of the first 4% of salary deferrals for the period from January 1, 2021 to March 31, 2021 and 100% of the first 3% of salary deferrals for the period from April 1, 2021 to December 31, 2021. These contributions were made each pay period. Since the matching contribution computation period is a full plan year, a net true-up amount of \$34,575 was accrued as employer contributions receivable at December 31, 2021.

Employee Rollovers - Employee rollovers represent nonforfeitable contributions from other qualified plans.

Investment Valuation and Income Recognition - Investments are carried at fair value. The Plan presents net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and the unrealized appreciation (depreciation) of these investments, in the statements of changes in net assets available for benefits. Gains and losses on securities sold or redeemed are determined on the basis of specific identification. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Refundable Contributions - The Plan is required to meet the annual IRC nondiscrimination and funding limitation tests. To the extent that these tests result in the identification of contributions in excess of the amount allowed, the ineligible portions are refunded. These refunds are accrued as liabilities of the Plan in the year in which the contributions are made and are generally effected in the first quarter of the following year.

Participant Accounts - Each participant's account is credited with the participant's contributions and an allocation of the Company's matching contributions, as applicable. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - The accounts for all participants' contributions are fully vested and nonforfeitable at all times. Company contributions are 100% vested after three years of continuous service.

Forfeitures - When a participant withdraws from the Plan prior to becoming fully vested, the nonvested portion of the participant's account related to matching contributions may be utilized to pay administrative expenses of the Plan; otherwise, forfeitures shall be utilized to reduce the Company's matching contributions. Forfeitures were \$24,633 and \$4,441 for the years ended December 31, 2021 and 2020, respectively. Balances available to the Company as a result of forfeitures were \$1,320 and \$4,498 as of December 31, 2021 and 2020, respectively. Forfeitures of \$27,933 were utilized to reduce plan expenses for the year ended December 31, 2021, and forfeitures of \$440 were utilized to reduce employer matching contributions for the year ended December 31, 2020. Other forfeiture activity consisted of investment gains.

Notes Receivable from Participants - Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of the participant's vested account balance (however, see CARES Act provisions previously disclosed). Loans must be at least \$1,000 and are secured by the balance in the participant's account. Loans bear interest at the prime rate on the origination date of the loan. At December 31, 2021, the interest rate on loans outstanding ranged from 3.25% to 7.5%. (The higher-interest-rate loans were transferred into the Plan in conjunction with the plan merger previously disclosed.) At December 31, 2020, the interest rate on loans outstanding ranged from 3.25% to 4.75%. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Benefits - Upon termination of service due to death, disability, retirement or termination, participants or their beneficiaries may elect to receive an amount equal to the value of the vested interest in their account. Participants who face hardship or attain age 59½ may also be eligible for distributions. The form of payment is a lump-sum distribution.

Plan Expenses - The Plan's expenses are paid by the Company or the Plan as provided by the plan document. The Plan's expenses mainly consist of recordkeeping and advisory fees for the years ended December 31, 2021 and 2020.

Investment Options - Participants may direct their contributions and any related earnings into various investment options. The Plan is invested in various mutual and money market funds offered primarily by American Funds.

Participants may elect to have their accounts invested in the available options by allocating the contributions evenly among the investment options or by designating specific allocations among the options. Participants may change their investment options at any time.

Fair Value Measurements - Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy

gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs are not quoted prices in active markets, but they are observable either directly or indirectly.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's mutual and money market funds are valued using closing prices reported by the active market on which the individual funds are traded (Level 1). There have been no changes to the methodology used at December 31, 2021 or 2020. This method may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the plan administrator believes the valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Subsequent Events - The plan administrator has analyzed subsequent events for recognition and disclosure purposes through October 12, 2022, the date the financial statements were available to be issued.

2. PLAN TERMINATION

The Company anticipates and believes that the Plan will continue without interruption but reserves the right to discontinue the Plan at its discretion. In the event that such discontinuance results in the termination of the Plan, all amounts credited to participant accounts become 100% vested. The net assets of the Plan will be distributed by the trustee in accordance with the trust agreement in a uniform and nondiscriminatory manner.

3. INCOME TAX STATUS

The Plan operates under a standardized adoption agreement in connection with a prototype 401(k) plan. The Internal Revenue Service has stated in a letter dated January 1, 2018 that the prototype plan is designed in accordance with the applicable regulations of the IRC. The plan has been amended since the date of the opinion letter. However, the plan administrator believes that the Plan is currently designed and

being operated in compliance with the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Management believes there is no liability related to uncertain tax positions at December 31, 2021 or 2020. The Plan is no longer subject to U.S. federal or state income tax examinations by tax authorities for tax years before 2018.

4. CERTIFIED FINANCIAL INFORMATION

The trustee has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for benefits at December 31, 2021 and 2020.
- Net investment income, as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.
- The schedule of assets held for investment purposes at December 31, 2021, as shown on the accompanying schedule.

5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the statements of net assets available for benefits to the Form 5500 at December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>

Increase in net assets available for benefits in the Form 5500	<u>\$ 4,810,513</u>	<u>\$ 5,079,432</u>

Additionally, there are minor classification differences between the financial statements and the Form 5500 in various income and expense categories.

6. RELATED PARTIES AND PARTIES-IN-INTEREST

Ascensus Trust Company serves as trustee of the Plan, and Ascensus, LLC serves as recordkeeper for the Plan; therefore, both Ascensus Trust Company and Ascensus, LLC are considered parties-in-interest.

Certain administrative functions of the Plan are performed by employees of the Company. Neither the Company nor its employees receive compensation from the Plan.
