Entegris, Inc. 401(k) Savings and Profit Sharing Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements**

We have performed an audit of the financial statements of Entegris, Inc. 401(k) Savings and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

**Opinion on the 2021 financial statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion on the 2021 financial statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the 2021 financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the 2021 financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matters**

##### *2021 supplemental schedule required by ERISA*

The supplemental schedule of assets (held at year end) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's report on the 2020 financial statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Entegris, Inc. 401(k) Savings and Profit Sharing Plan**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021 and 2020**

#### **NOTE A - PLAN DESCRIPTION**

The following description of Entegris, Inc. (the Plan Sponsor or the Company) 401(k) Savings and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### ***General***

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and is designed to provide employees with additional security for their retirement. The Plan was established on January 1, 2000 and the Plan document was most recently restated January 1, 2017. The provisions described below reflect all changes.

##### ***Eligibility***

Permanent full-time and part-time employees of the Company are eligible to participate in the Plan after completing one hour of service. Leased employees, non-resident aliens, temporary employees, and members of collective bargaining agreements are not eligible to participate in the Plan. Eligible employees may enter the Plan as of the first day of the month coinciding with, or next following, their hire date. Effective September 1, 2018, the Plan was amended to allow auto enrollment of participants once eligibility provisions are achieved. Additionally, enrolled participants have their rate set at 5% of eligible compensation.

##### ***Funding Policy***

Participants may make elective pre-tax and/or after-tax contributions through payroll reductions in whole increments from 1% to 70% of eligible compensation, as defined in the Plan document, subject to limits established by law. This percentage is subject to adjustment daily upon notice from the participant. Participants may completely suspend contributions at any time. Participants satisfying certain criteria are permitted to make catch-up contributions. Participants may also have rollover contributions to the Plan. All contributions to the Plan are participant-directed.

The Company matches participant contributions dollar for dollar on the first 3% of their contributions of eligible compensation and 50% of the participant contributions on the next 2%. Participants are eligible to receive a matching contribution upon entering the Plan.

The Company may make discretionary profit sharing contributions for eligible participants who have completed one year of service, as defined by the Plan, and are employed at Plan year end, or separated from service during the Plan year on account of death, disability or retirement at or after the participant's normal retirement age. There were no discretionary profit sharing contributions made during the years ended December 31, 2021 and 2020.

##### ***Vesting***

Participants are immediately vested in their elective deferral contribution, employer match, rollover accounts, and earnings on those accounts.

The Plan was amended to state that all active participants effective on or after January 1, 2014 shall be fully vested in their profit sharing and pension accounts.

## **Entegris, Inc. 401(k) Savings and Profit Sharing Plan**

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

#### ***Forfeitures***

Forfeitures of terminated participants' non-vested amounts may be used to reduce Company matching and discretionary contributions, or reduce plan expenses. Forfeitures of \$3,997 and \$5,967 were available to reduce employer contributions at December 31, 2021 and 2020, respectively. During the years ending December 31, 2021 and 2020, forfeitures of \$912 and \$1,898, respectively, were used to reduce employer contributions.

#### ***Participants' Accounts***

Participants' accounts are credited with the participant's contributions, employer matching, an allocation of discretionary profit sharing contributions, and an allocation of Plan earnings or losses and administrative expenses. Allocation of discretionary profit sharing contributions are based on participants' compensation, as defined by the Plan. Allocations of Plan earnings or losses are based on participant account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

#### ***Plan Termination***

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### ***Payment of Benefits***

On termination of service, a participant can, at any time, receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account, net of tax, or is permitted to rollover the entire vested portion to an Individual Retirement Account (IRA) or to a qualified plan. Early distributions are made upon death, disability, separation from service or reaching the age of 59½ years. If the vested balance exceeds \$1,000, a participant could elect to keep the vested account balance in the Plan, receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account, net of tax, or to roll over the entire vested portion to an IRA or a qualified plan. If the vested account balance does not exceed \$1,000, the Plan Sponsor can require a distribution of the participant's vested account balance.

Distributions of vested accounts may include a rollover or an in-kind distribution of participant loan balances to another qualified plan. Hardship withdrawals are permitted by the Plan.

#### ***Notes Receivable from Participants***

Participants may borrow from their vested fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the vested balance in their participant account. The notes bear interest at rates that are commensurate with local prevailing rates at the date of issuance. Principal and interest is paid ratably through payroll deductions. Participants are allowed a maximum of two loans outstanding at any one time.

#### ***Net Transfers Between Accounts and Funds***

Assets of the Plan are held in various participant-directed funds as defined by the Plan. Participants may transfer assets in their accounts between funds daily, except for the participant borrowings and Entegris, Inc. common stock. Entegris, Inc. common stock can only be transferred out. Participant borrowings are treated as transfers between the investment funds and the participant note.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

A summary of significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

***Investment Valuation and Income Recognition***

Entegris, Inc. common stock, the money market fund, mutual funds and participant-managed brokerage accounts are valued at quoted market prices as of the last business day of the Plan year as determined by the trustee based upon the fair value of the fund's underlying assets. The collective trust fund is valued at fair value, using net asset value (NAV) as a practical expedient.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes the plans gains (losses) on investments bought and sold as well as held during the year.

***Fair Value Measurements***

Accounting Standards Codification (ASC) 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

# Entegris, Inc. 401(k) Savings and Profit Sharing Plan

## NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used as of December 31, 2021 and 2020.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual and money market funds:* Valued at the NAV of shares held by the plan at year end determined by an active market.

*Entegris, Inc. common stock:* Valued at the closing quoted price of the stock at year end determined by an active market.

*Participant direct brokerage accounts:* Valued at fair value of underlying investments at year end determined by an active market.

*Collective trust fund:* Valued at fair value of underlying investments at year end using NAV as a practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

|                                         | 2021                  |             |             |                       |

### Administrative Expenses

Recordkeeping and administrative expenses are assessed on participant accounts on a quarterly basis. Participant note costs, QDRO expenses, in service withdrawals, minimum required distributions, and maintenance/transaction fees for the self-directed brokerage accounts are paid by the participant through deductions from their participant account balance.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

### Benefits Paid to Participants

Benefits are recorded when paid.

### Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

#### ***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Subsequent Events***

The Plan has evaluated subsequent events for recognition or disclosure through October 14, 2022, the date the financial statements were available to be issued. The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

#### **NOTE C - TRUSTEE CERTIFICATIONS**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.

#### **NOTE D - INCOME TAX STATUS**

The IRS has determined and informed the Company by letter dated January 19, 2018, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) and, therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the determination letter. The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently operating in compliance with the applicable provision of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE E - RELATED PARTIES**

Fidelity Management Trust Company is a party-in-interest, as defined by ERISA, as a result of its providing trustee services to the Plan and the investment of plan assets in its investment funds. However, such transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA. Notes receivable from participants are also party-in-interest transactions.

Certain employees of the Company provide administrative services to the Plan and the Company absorbs certain Plan expenses. These services are provided at no cost to the Plan.
