## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
El-Al Israel Airlines, Ltd. Employees' Savings Plan  
New York, New York

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the El-Al Israel Airlines, Ltd. Employees' Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the El-Al Israel Airlines, Ltd. Employees' Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the El-Al Israel Airlines, Ltd. Employees' Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the El-Al Israel Airlines, Ltd. Employees' Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the El-Al Israel Airlines, Ltd. Employees' Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) on page      is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We have audited the statement of net assets available for benefits of the El-Al Israel Airlines, Ltd. Employees' Savings Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020 (not presented herein), and in our report dated October 13, 2021, we expressed an unmodified opinion on those statements.

## **EMPLOYEES' SAVINGS PLAN**

Notes to Financial Statements  
Years Ended December 31, 2021 and 2020

- 1. Description of Plan** The following summary description of the El-Al Israel Airlines, Ltd. (the "Company") Employees' Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.
- General** The Plan is a defined contribution plan covering most employees of the Company who have completed thirty days of eligible service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- Contributions** Participants may contribute up to 80% of their annual compensation (as defined) each plan year through payroll deductions, subject to limitation. The Plan contains an automatic salary deferral feature of 4% of an eligible participant's compensation, unless the participant makes an affirmative election. Salary deferral contributions for automatically enrolled participants will automatically be increased by 1% each year up to 10%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.
- Effective, January 1, 2011, the Company will make a contribution to the Plan known as a profit sharing contribution, for those participants with at least two years of eligible service. The contribution amount is equal to 2.5% of each participant's compensation, as defined. Profit sharing contributions amounted to \$42,091 (net of forfeitures used) for the year ended December 31, 2021.
- Participants may also rollover part or all of an "eligible rollover distribution" received from a prior employer's qualified plan.
- Currently, all contributions to the Plan are not subject to federal, state and local income taxes until withdrawn by the participant from the Plan.
- Participant Accounts** Each participant's account is adjusted to reflect contributions, withdrawals, distributions, investment fund transfers and reallocations, income earned or accrued, expenses paid from the assets of the Plan and any increase or decrease in the fair market value of the assets of the Plan. Adjustments are based on participant account balances.
- Vesting** Participants are immediately vested in their voluntary contributions, the Company's matching contributions and non-elective contributions, plus actual earnings thereon.
- Forfeitures** Forfeited amounts, which consist of unclaimed distributions, are used to pay administrative expenses of the Plan or to offset the Company's contributions to the Plan. As of December 31, 2021 and 2020, there was \$0 and \$4 available in the forfeiture account, respectively.

## **EMPLOYEES' SAVINGS PLAN**

Notes to Financial Statements  
Years Ended December 31, 2021 and 2020

### **1. Description of Plan (Continued)**

**Payment of Benefits** The Plan provides for normal retirement at age 65 or early withdrawal in certain instances at age 59½. The Plan permits distribution to participants upon termination of service, disability or death. Withdrawals from the Plan may also be made upon circumstances of financial hardship.

**Plan Expenses** The Plan's expenses are paid by the Plan, as provided by the Plan document and recorded as deductions in the accompanying statement of changes in net assets available for benefits.

**Cares Act** On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was signed into law. This aid package was designed to help the economy from the effects of the coronavirus pandemic. Several of the provisions of the CARES Act affected employee benefit plans. The provisions of the CARES Act were optional. Some of the provisions of the CARES Act are as follows:

Hardship distributions – Qualified Plan participants were permitted to take a coronavirus-related distribution of up to \$100,000 from the Plan without a 10 percent early withdraw penalty. Eligible distributions were permitted to be taken up till December 31, 2020. Distributions may be repaid within three years or a participant may elect these distributions to be included in taxable income on a pro rata basis over three years.

Required minimum distributions (RMDs) – A temporary waiver of required minimum distribution rules permitted participants to suspend their RMDs for 2020 for participants that turned 70 ½ in 2019 and 72 in 2020.

Written amendments to the Plan to reflect Cares Act changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service guidance.

### **2. Significant Accounting Policies**

**Basis of Accounting** The financial statements of the Plan are prepared on the accrual basis of accounting.

**Investment Valuation and  
Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

| <b>Estimates</b>           | The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. ### 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 820 are described as follows:

# EL-AL ISRAEL AIRLINES, LTD. EMPLOYEES' SAVINGS PLAN

Notes to Financial Statements  
Years Ended December 31, 2021 and 2020

## 4. Fair Value Measurements (Continued)

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common Collective Trust:* The fair value of the common collective trust is determined by the custodian of the common collective trust based on the underlying assets, which represents the net asset value (NAV). Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

*Pooled Separate Accounts* - Investments in pooled separate accounts are stated at fair value, which have been determined based on the unit values of the accounts. Unit values are determined by the custodian by dividing the account's net assets at fair value by its units outstanding at the valuation date. Pooled separate accounts are classified as Level 1 in the fair value hierarchy. Participant directed redemptions can be made on any business day and do not have a redemption notice period.

### 4. Fair Value Measurements (Continued)

For the years ended December 31, 2021 and December 31, 2020, there were no charges in the fair value hierarchy methodology and no transfers of assets between levels within the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's participant-directed assets carried at fair value as of December 31, 2021 and 2020:

### 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. If the Plan is terminated, the total amount in each participant's account shall be distributed, as the Plan administrator shall direct, to him or for his benefit or continued in trust for his benefit.

### 6. Tax Status

On August 8, 2014, the Internal Revenue Service stated in an opinion letter that the prototype plan adopted by the Plan administrator was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and management believe that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, they believe that the Plan is qualified and the related trust is tax exempt.

## **EMPLOYEES' SAVINGS PLAN**

Notes to Financial Statements  
Years Ended December 31, 2021 and 2020

- 6. Tax Status (Continued)** Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
- 7. Risks and Uncertainties** The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. As of December 31, 2021, investments in three mutual funds represent approximately 41% of total investments.
- 8. Party in Interest Transactions** The common collective trust and pooled separate accounts are managed by affiliates of Principal Trust Company, the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions. Other fees and expenses such as plan administration fees may be deducted directly from investment returns in accordance with applicable investment options selected by the participant. In addition, providers of other administrative fees (i.e., accounting) paid by the employer or the Plan are considered a party-in-interest as defined by ERISA.
